Department Head Reports

Weed & Pest Supervisor Misty Moser discussed upcoming dates with the board. Moser said the Towns and Townships Meeting is Thursday, March 5th.

Sheriff Martin Stanwick said there are 38 inmates in jail and 137 individuals participating on the 24/7 program. Krogman said the number of individuals participating on the 24/7 program stays pretty consistent; he asked Stanwick if those are new individuals or if those are people who are relapsing. States Attorney Dan Nelson said the 24/7 program is often a pre-trial bond condition so those are people who have to be on the program before and while they await their sentence.

Stanwick said they've had three emergency committals in the month of January and two yesterday. He said they did utilize Telehealth, but had problems with the connection.

Stanwick said his department continues to watch the bills going through legislation.

Stanwick said there's an upcoming Courthouse Security meeting to discuss the needs of the courthouse. He said he did apply for a grant to help cover the cost of a new television for the judges and new wands.

Finance Officer Vicki Buseth said the CPI for next year will be 1.7%, which is down from last year's 2.1% but still at a good rate. Buseth said the 2006 Dodge Durango that was listed for sale was

sold for \$1,625.00. Buseth said Brookings County will have seven liquor licenses available for 2021. Buseth informed the board that they may see a notice in the newspaper for an available liquor license for the remainder of this year. She said Meadow Creek was recently annexed into the City of Volga leaving their liquor license with the county available.

Director of Equalization Jacob Brehmer said his office has wrapped up assessments and notices will be mailed in the next couple of weeks.

County Development Director Robert Hill said he met with Jay Gilbertson, East Dakota Water Development, about the formation of a Drainage Ad Hoc Committee; had Sioux Falls Solutions install an EM1 truck radio; picked up 12,000 more sandbags out of Federal Surplus; dropped off 1,000 sandbags to Volga; and attended a Flood Meeting in Mitchell. Hill said right now, Brookings has a 95% chance of the Big Sioux River basin flooding which is based off the National Weather's hydrology website. He said it has to do with the depth of the frost line.

Hill attended the Volga City Council Meeting to discuss EM matters and the census and attended the Pipeline Safety Program.

Hill discussed upcoming dates with the board.

Pierce asked when the Big Sioux basin will flood. Hill said the projected date is April 20th. Pierce asked Hill if he would share that information with the Lake Associations.

Hill reviewed the 2019 year end Planning & Zoning Report.

Veterans & Human Services Director Michael Holzhauser said USD Law School will be at the VFW helping veterans with any legal questions that they might have.

Holzhauser said he continues to go up on campus to meet with the veterans.

Holzhauser said welfare numbers continue to decline.

Commission Department Director Stacy Steffensen said two numbers were transposed for the 2019 pay 2020 amount.

Motion by Krogman, seconded by Boersma to amend the main motion to read \$917.98 instead of \$197.98 for 2019 pay 2020. Roll call vote on amendment: Krogman "aye," Jensen "aye," Pierce "aye," Boersma "aye," Bartley "aye." Amendment carried. Roll call vote on main motion as amended: Jensen "aye," Pierce "aye," Boersma "aye," Krogman "aye," Bartley "aye." Motion main as amended carried.

Roll call vote: Boersma "aye," Krogman "aye," Jensen "aye," Pierce "aye," Bartley "aye." Motion carried.

Motion by Boersma, seconded by Krogman to approve Abatement #20-18: an abatement request for a property tax exemption for parcel #31960-10949-031-40 in the amount of \$1,179.28.

Roll call vote: Krogman "aye," Jensen "aye," Pierce "aye," Boersma "aye," Bartley "aye." Motion carried.

Motion by Pierce, seconded by Boersma to create an ad hoc committee to review drainage issues in the county.

County Development Director Robert Hill said he talked with Jay Gilbertson with East Dakota Water Development and former Representative Spence Hawley and both have agreed to serve on the committee. Hill said he talked with City Manager Paul Briseno about having someone from the city on the committee and Briseno said he would like a 'Statement of Focus' from the county before he assigns someone to the committee. Commissioner Pierce said after discussing it with Bartley after the last meeting, she would be willing to serve on the committee. Bartley asked if this committee would be seven or nine members. Pierce said Lyle Bowes expressed interest in serving as well.

Commissioner Krogman said his thoughts for this committee would be for them to look at the before and after photos and identify the areas that have been impacted the most, bring back the list of areas that are prone to flooding to the board. Steffensen suggested adding GIS Technician Jim Sampson to the committee as a representative because he is familiar with the imagery. Pierce said Deputy States Attorney Ben Kleinjan was also recommended to be on the committee so there is someone looking at the statutes that could already be in place that the County Commission can start reinforcing. Bartley said the board needs to decide what exactly the committee is going to study and how many members would serve.

Motion by Pierce, seconded by Krogman to amend the main motion to appoint Jay Gilbertson, Spence Hawley, Lyle Bowes, Lee Ann Pierce, Robert Hill, GIS Technician Jim Sampson and Deputy States Attorney Benjamin Kleinjan to the ad hoc committee to review drainage issues and report back their findings within 12 months.

Hill asked about funding. Pierce asked if the committee could just come back to the board if and when they need funds. Jensen said after this committee reports back on their findings, what is it going to lead to. He wondered if the county would be able to do anything about it. Krogman said there will be opportunities within the county's capabilities; whether it be to replace some culverts, make them bigger, paying for it or even talking to landowners.

Bartley asked what the focus of the group will be. Krogman said the committee could look at the pictures of different areas of the county and then see if there are areas where something could get done and make recommendations back to the board. Boersma said as a whole, she supports this as a concept, but the board shouldn't be establishing ad hoc committees that don't have a clear purpose, mission and timeline. Boersma said she would like to see a written document that clearly states that at the next commission meeting.

Roll call vote on amendment: Jensen "aye," Pierce "aye," Boersma "aye," Krogman "aye," Bartley "aye." Motion carried.

Bartley asked how often the committee would report back to the board. Bartley suggested quarterly.

Roll call vote on main motion as amended. Pierce "aye," Boersma "aye," Krogman "aye," Jensen "aye," Bartley "aye." Motion carried.

Motion by Krogman, seconded by Boersma to approve and authorize Chairperson Bartley to sign a Request to Fill Vacancy for a Director at the Brookings County Outdoor Adventure Center. All members voted "aye." Motion carried.

Motion by Pierce, seconded by Jensen to approve and authorize Chairperson Bartley to sign a Request to Fill Vacancy for a Patrol Deputy Sheriff in the Sheriff's Office. All members voted "aye." Motion carried.

Motion by Jensen, seconded by Boersma to declare nine sets of 6' x 3' metal shelving units, 1- 5.5' x 5' wooden brochure rack and 1- 29" x 20" x 28" metal hanging file cupboard on wheels as surplus property to be donated or destroyed. All members voted "aye." Motion carried.

The board reviewed of the Brookings County Strategic Plan with Commission Department Director Stacy Steffensen.

The board reviewed the updated Brookings County Work Plan with Commission Department Directory Stacy Steffensen.

Commission Department Director Stacy Steffensen presented the Commission Department Director's Report. Steffensen asked for consensus from the board to start advertising for a Supplemental Budget hearing for the Register of Deeds Tech Fund. Steffensen said Register of Deeds Bev Chapman wants to purchase a new file system for \$14,500.00, which includes the removal of the old system, the purchase of the new file system and the installation. By consensus, the board agreed to start advertising for a Supplemental Budget hearing.

Steffensen said there was an internal promotion leaving a truck driver position open. Steffensen asked the board for permission to start advertising for that position. By consensus, the board agreed to start advertising for the open position.

Steffensen said Kimberly Elenkiwich resigned her position from the Planning & Zoning Commission. Steffensen asked the board for permission to publish that vacancy. By consensus, the board agreed to start advertising for that position.

Steffensen discussed upcoming dates.

States Attorney Dan Nelson had nothing to report.

RE: 43rd Annual SDACHS "Short Course" Registration

Dear Highway Superintendent,

The SDACHS will be hosting the 2020 "Short Course" in Deadwood at The Lodge at Deadwood Gaming Resort on March 24-26, 2020. We are expecting 225-250 in attendance this year which will consist of Highway Superintendents, County Commissioners, SDDOT and LTAP Officials, Spouses, and Vendors!

SDACHS members rely on the annual Short Course for information on the latest innovations in bridge and roadway construction, engineering technology, safety, computer software, and many other products affiliated with Counties and transportation. The Short Course delivers 9 technical sessions and an exhibitor expo with over 50 vendors. Our vendors know that our members manage over 3,700 bridges and 35,000 miles of roadway. In 2020 alone, our members have over \$215 million of combined budget to maintain our equipment and infrastructure. By attending the Short Course, you will have plenty of networking opportunities to learn about products, equipment, or services!

SDACHS encourages your participation in our signature event by completing the enclosed Registration Form and mailing it to: DJ Buthe, SDACHS, 2124 East 60th Street North, Sioux Falls, SD 57104.

Hope to see you soon in Deadwood,

DJ Buthe

Subject: FFY2021 Highway Safety Grant Training Workshops

Good afternoon,

It's hard to believe it's time to start thinking about the FFY2021 (October 1, 2020-September 30, 2021) Highway Safety grant application process.

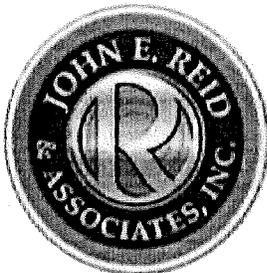

Below are the dates, locations, and times the grant workshops will take place. We will be focusing on the application process and grant requirements. The workshops are a great opportunity for potential applicants to talk with staff from the Office of Highway Safety as well as other applicants on how they utilized Highway Safety funding. Please forward this information to any representatives in your agency that would be interested in attending any of the workshops.

Monday, March 16th – Pierre – 1:00-3:00 – Faith Lutheran Church (714 N Grand Ave)
Tuesday, March 17th – Aberdeen – 1:00-3:00 – Highway Patrol Office (2731 US-12)
Wednesday, March 18th – Sioux Falls – 1:00-3:00 – DOT Office (5316 W 60th St N #A)
Thursday, March 19th – Rapid City – 1:00-3:00 – Highway Patrol Office (2220 Eglin St)

Please contact your LEL or myself with additional questions.

Thank you,

THE REID TECHNIQUE OF INVESTIGATIVE INTERVIEWING AND ADVANCED INTERROGATION™

COURSE DESCRIPTION: This single 4-day program is our most comprehensive program on THE REID TECHNIQUE® process. We have integrated all of our material from our standard 3-day program and our 1-day advanced program into a single presentation using one outline book to give participants a complete presentation of THE REID TECHNIQUE®.

Date: May 5 – 8, 2020

Time: 8:00am – 3:00pm

Location: Sioux Falls Police Department
320 W. 4th Street
Sioux Falls, South Dakota

LEARN HOW TO:

- Interpret verbal and non-verbal behavior to assess the credibility of a victim, witness or suspect's statements
- How to use behavior provoking questions in the interview process
- How to use **THE REID NINE STEPS OF INTERROGATION®** to:
 - ✓ Develop interrogation strategies
 - ✓ Develop themes (persuasive statements)
 - ✓ Develop the alternative question to elicit the first admission
 - ✓ Handle the more defiant subject and 'overcome objections'; address the subject's fears; move past the subject's denials and motivate the subject to want to tell the truth

General Information

Description: Founded in 1983 by Los Angeles Police Department, today more than 15,000 D.A.R.E. officers and deputies are in over 10,000 communities nationwide educating America's youth and serving as the first line of defense in America's schools. The D.A.R.E. program is today taught in all 50 states, U.S. territories, and 50+ other countries. All curricula are science/evidence-based, age appropriate, and written by a national panel of curriculum and prevention experts. D.A.R.E. curricula meet the core educational standards of health, language arts, and math. D.A.R.E. also meets the needs of communities and schools as it relates to "bullying."

Who is a D.A.R.E. Instructor

A D.A.R.E. Instructor must be a uniformed law enforcement officer, meeting the minimum training standards for peace officer status in their state of residence, and who has completed the equivalent of two years as a peace officer with full police powers. Additionally, the D.A.R.E. Instructor candidate's employing police agency shall have a memorandum of understanding with concerned school district(s) allowing implementation of D.A.R.E. after completion of the candidate's training.

The basic 80 hour D.A.R.E. Officer Training (DOT) allows a police officer or sheriff deputy to teach both the elementary curriculum and the middle school curriculum, as well as the high school curriculum. D.A.R.E. has new elementary and middle school curriculums, keepin' it REAL (kiR). The D.A.R.E. kiR middle school curriculum which is an evidence-based program commended by the Surgeon General, Scientific American magazine, the President's 2017

Commission on Combatting Drug Addiction and the Opioid Crisis, the National Institute of Justice, the California Healthy Kids Resource Center, and the United Nations.

Individual Assistance/Preliminary Damage Assessments 101**Thursday, February 20th, 2020****Sioux Falls, 2:00 PM – 4:00 PM CST**

Summary: In 2019, the State of South Dakota received two Individual Assistance declarations across 21 counties and four tribes. This two-hour training will be conducted by FEMA and is intended to assist the local level in understanding different aspects of FEMA's Individual Assistance program.

Topics covered include:

- PDAs and the differences in damage classifications.
- Differences between PDAs and home inspections will also be discussed.
- Different programs under Individual Assistance
- Disaster Recovery Centers
- Disaster survivors' journey through the Individual Assistance process, and what they can expect.

Audience: Any personnel involved in the coordination of Individual Assistance operations or communicating with disaster survivors, to include County or Tribal Emergency Managers and EOC staff.

Venue Information: You will receive specific **training location information** via **e-mail** when you have been approved to attend this course by the administrator. Please allow for up to 48 hours for this to occur.

Please contact marissa.cronan@state.sd.us (mailto:marissa.cronan@state.sd.us) for any questions regarding this training.

Brookings County Response and Recovery Process

Census 2020 Key Messages and Talking Points December 2019

The next decennial census will occur in April 2020. Brookings County is working closely with cities, civic organizations, nonprofits, businesses, and community leaders to ensure that ALL residents are counted. Below are key messages with talking points about Census 2020 that can be shared with county residents.

1. Every 10 years, the federal government is required to count ALL people residing in the United States through a national census.

- Article I, Section 2 of the U.S. Constitution establishes the basis for a complete population count (actual Enumeration) every 10 years to determine the number of Congressional representatives that each state gets.
- Both citizens and noncitizens and residents of all ages must be counted.

2. Ensuring an accurate count in the national Census is essential for many reasons.

- Decision-making: Census responses provide the official statistics for the County and will be the main source of data for decisions made at the national, state, and local levels. Government, businesses, nonprofits, and foundations use Census data to allocate funding, define where services are delivered, and promote economic development.
- Federal Funding: Census data informs how the federal government allocates \$800 billion per year in funding to state and local governments based on the number of people living there. These funds go towards critical programs that support education, housing, health, and transportation services.
- Political Representation: The Census data also determines the number of U.S. representatives each state sends to Congress and sets district boundaries for congressional, state senator, assembly member, county supervisor, and city council elections.
- Democracy: It is important for everyone to be counted in the Census to ensure all voices are heard and fairly represented. When census information is not accurate, it suppresses the voices of undercounted groups and regions, and undermines the basic political equality that is central to our democracy.

3. It's designed to be easy to fill out in 2020.

- You get to choose how to do it: You can respond online, by paper or over the phone.
 - The census will be printed in English and Spanish. Telephone assistance and the online census questionnaire will be available in 13 languages. Guides and glossaries will be available in 59 non-English languages and Braille. Census day is April 1, 2020, however online responses will start being accepted in March 2020.
- New Challenges: In 2020, there will be additional new challenges.
 - Internet Response: For the first time, there is an expectation that most households will complete the Census survey online. This presents barriers for those with limited digital access, lack of digital literacy, or cybersecurity concerns.
 - Distrust & Data Privacy: There is a widening distrust of government among diverse segments of the population (immigrant and nonimmigrant alike), raising concerns about how census data will be used and whether it will remain confidential.

4. Census answers are confidential. The Census Bureau is legally bound to handle all data confidentially, and answers are not shared with anyone. Confidentiality violation is a federal crime that may include a prison sentence, a fine or both.

5. An undercount in Census 2020 will negatively affect all residents in our County.

- Funding: An incomplete count will hinder our County from getting its fair and sufficient share of federal funds that support critical programs, including:
 - Foster care and child care
 - Special education
 - School nutrition and Supplemental Nutrition Assistance Program
 - Highway planning and construction
- Decision-Making: An inaccurate count will also impact many other important decisions that affect our County. For example:
 - City governments use census data to decide where to provide utilities and build parks, schools, libraries, and other community buildings.
 - Businesses use census data to decide where to open facilities and what types of services/products to provide.
 - Developers use census data to build new homes and revitalize old neighborhoods.
 - Transportation planners use census data to decide on public transit routes.
 - Citizen organizations rely on census data to identify community needs, request and fund programs, monitor trends and assess program effectiveness.
 - Residents use census data to support community initiatives involving legislation, quality-of-life, and consumer advocacy.
- Representation: Census data is used to draw boundaries for every level of government in SD down to the school districts. If segments of our County are not counted in 2020, their voices and needs will not be considered when making important policy, program, and budget decisions.

6. Brookings County is taking steps to ensure that ALL residents get counted in Census 2020.

- Complete Count Committee: Brookings County, in partnership with the City of Brookings and various county organizations and citizens, have formed a committee of civic, nonprofit, business, and community leaders to guide the development and implementation of strategies to reduce undercount.
- Community Engagement: The County will collaborate with trusted community organizations and institutions that can educate residents about Census 2020, motivate them to participate, and support them in completing the survey.

**BROOKINGS COUNTY
GENERAL FUND SURPLUS ANALYSIS
DATE January 31, 2020**

The amount of General Fund dollars that counties can retain as surplus is restricted by SDCL 7-21-18.1 which states: "The total unreserved, undesignated fund balance of the general fund may not exceed forty percent of the total amount of all general fund appropriations contained in the budget for the next fiscal year. The total unreserved, undesignated fund balance of the general fund of the county as of March thirty-first and September thirtieth shall be published in the minutes of the proceedings of the board of county commissioners and reported to the Department of Legislative Audit. The report shall be on forms prescribed by the Department of Legislative Audit."

The following analysis should be completed as of March thirty-first and September thirtieth of each year. Thereafter, the unreserved, undesignated fund balance amount should be published in the minutes of the governing board. This analysis should also be filed with the Department of Legislative Audit.

PETITION FOR REZONING

To the Brookings County Commissioners
And County Planning Commissioners

Gentlemen:

We (I), the undersigned, owner (s) of the property described in paragraph 1 below, do hereby respectfully petition your Honorable Body to amend the present Brookings County Zoning Ordinance as hereinafter designated, and in support thereof, the following facts are presented:

1. That the area to be rezoned is contained in the following legal description:

South 150' of East 165' of Lot 1, Krogman First Addition
SE 1/4 of SE 1/4 Section 16 T110N R50W also known
as 1806 US Highway H, Brookings, SD

2. That it is requested and desired that the foregoing property be rezoned from the

JTR-1B District to the JTB-3 District.

3. That the reasons for requesting the change are as follows:

Remove residence and use land consistent with Joint B-3 District.

4. That the undersigned below own (s) property within the area which is requested to be rezoned.

5. That the undersigned have been fully appraised and acquainted with the uses to which the area to be rezoned may be put if the rezoning takes place.

6. That in addition to the name (s) given below, there is also attached a plat and the names and mailing addresses of abutting landowners. (Property shall be considered as abutting even though it may be separated from the property of the petitioner by a public road or highway.)

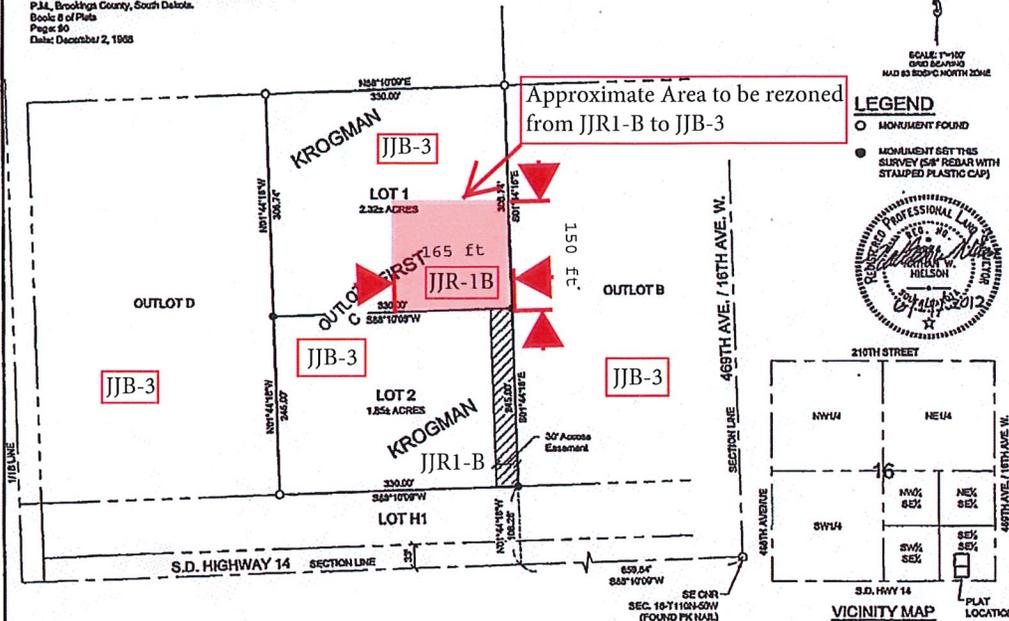

7. That the undersigned shall notify all abutting landowners by registered or certified mail of the petitioned zoning change at least one week prior to any public hearing held thereon by the County Commissioners or County Planning Commission. (see attached map & list)

Respectfully,

GENERAL TRAFFIC CONTROL NOTES:

- 1.) Traffic control and safety of the traveling public shall be the responsibility of the contractor. The traffic control signage as shown on the following sheets shows what is expected to be the most signage required for each portion of the project at one time. Actual site conditions and the Contractor's method of operations shall dictate whether additional or fewer signs will be required. Any additional closures, traffic control equipment, or materials if necessary shall be at no additional cost to the Owner. Miscellaneous traffic control devices such as but not limited to cones, barrels, flashers, Type I and Type II barricades shall be placed by the contractor as needed to direct traffic around the construction site.
- 2.) The Contractor shall provide at least 24 hours advanced notice of road closures to the City of Elkton Utility Manager, the local fire department and all residents and businesses located in the Construction area.
- 3.) The Contractor shall notify the City of Elkton and the local fire department when roads are reopened.
- 4.) Temporary crossings of closed areas shall be provided for minimum of every other intersection along the project area. Access to businesses shall remain open whenever possible.

Applicant/Owner: Lake Dreams LLC, 2809 E 51st St, Sioux Falls, SD 57103

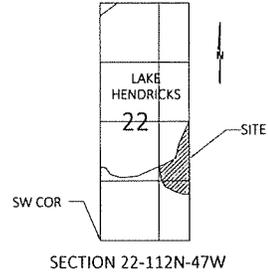

Legal Description: "Plat of Lot 10 in Block 1 in Paradise Point Addition in Government Lot 2, Section 22, Township 112 North, Range 47 West of the 5th Principal Meridian, Brookings County, South Dakota."

2020plat002: Lake Dreams is platting off Lot 10 in Paradise Point, located on the east side of Lake Hendricks, right along the South Dakota/Minnesota state line. The Preliminary Plat for Paradise Point was approved by this board on August 7th, 2007, which I have included with this report. They have been platting lots as they are sold. The lots are lake front lots and Lot 10 contains 40,687 square feet, exceeding our 20,000 sq feet minimum lot size requirement. The plat meets our Brookings County Subdivision Ordinance and Lake Park requirements.

POSITION TITLE: Truck Driver
DEPARTMENT: Highway/Weed & Pest
REPORTS TO: Superintendent
FLSA STATUS: Non-Exempt
WAGE GRADE: 3

DESCRIPTION OF WORK

General Statement of Duties

The fundamental reason this classification exists is to operate safely and efficiently automotive equipment for the County Highway and Weed & Pest Department. Truck Driver is responsible to drive truck and perform unskilled construction, maintenance, and repair work on county roadways, grounds and facilities primarily during the six-month season of October through March. Perform spraying of public and private lands related to the control of weeds and noxious weeds during the six-month season of approximately April through September. Work in progress is often performed without immediate supervision. Work is evaluated based on the care exercised in driving and the degree of effectiveness in spraying, loading, transporting, and unloading materials. The Road Foreman will work as a lead to the Truck Driver during the Fall and Winter months and the Weed & Pest Supervisor will work as lead during the Spring and Summer months. General supervision is received from the Highway Superintendent and/or Assistant Superintendent.

Examples of Duties: (Any one position may not include all of the duties listed, nor do the listed examples include all duties which may be found in positions of this grade.)

- Mix and apply pesticides to weeds. Lift all chemicals to treat weeds and pests.
- Operate and maintain trucks with tanks filled with chemicals and water.
- Drive assigned vehicles to perform general weed spraying for the eradication of noxious weeds.
- Assess weather conditions for determination of chemical applications.
- Provide accurate record keeping of areas sprayed.
- Calibrate equipment to ensure proper application.
- Assist with education of general public as it relates to the noxious weed program.
- Assist state and federal authorities with the control of marijuana as necessary.

Highway Duties

- Operate and maintain light to medium duty capacity trucks, tractors, and trailers used in the performance highway repair work.
- Operate truck mounted snowplows and other snow removal equipment.
- Perform service and minor repairs to equipment to include maintenance, tire repair, etc.
- Assist in snow and ice removal, culvert and bridge construction and repair, and hauling dirt, rocks, gravel, snow, and other materials.
- Assist the Mechanic/Fabricator, Heavy Equipment Operators, and Equipment Operators when not performing Truck Driving duties.
- Operate power driven machinery such as jackhammer or other similarly sized equipment.
- Install and/or replace road signs. Cut and remove brush from ditches. Clean, paint, and perform other general custodial duties on County property.
- Attend special training and familiarization workshops dealing with innovations in light to medium equipment operations, repairs, and maintenance.

Other Duties

- Communicate any unsafe conditions or accidents/injuries in a timely manner to the Supervisor in order to facilitate prompt correction or reporting.
- Prepare and keep records related to work order requests, labor expenditures, job status, estimates, and proposed or completed projects.
- Attend training sessions and meetings as required.
- Perform work in a manner consistent with safe practices.
- Wear Personal Protective Equipment when required.
- Develop and maintain positive, professional relationships with the general public and other employees.
- Perform other such duties and functions as assigned and necessary to the proper performance of the position.

STAFF REPORT:

Scheduled Agenda Item:

- 9:00 AM – Second Reading & Public Hearing on Ordinance 2020-01. This was recommended for approval by the Planning Commission. The First Reading was held on January 21, 2020. The City of Brookings adopted a similar ordinance at their February 11, 2020 meeting.
- 9:15 AM – Right of Way Application, City of Elkton. Engineers SPN will be on hand to answer any questions the board may have regarding this project.

Regular Business Items

- ❖ Plats: There are two plats. Both are recommended for approval by the Planning Commission. Richard Haugen provided staff reports.
- ❖ Highway Resolution: This resolution will allow the Highway Department to purchase items off of Beadle County's bid.
- ❖ Abatements: There are several abatements. Vicki Buseth provided a staff report.
- ❖ ROW Application: This is an application is made by Ronald Langner and has been approved by Brian Gustad.
- ❖ Automatic Supplement: This is an insurance reimbursement for a patrol car that was totaled.
- ❖ Coroner Appointments: These appointments have been approved along with the list of appointments made at the first meeting of each year. However, since the Coroner is an elected position, this separate action makes that appointment clearer. Also, the Assistant Sheriff was not listed as a Deputy Coroner and this clarifies that, as well. Moving forward, this action will take place along with the full list of appointments at the first meeting of each year.
- ❖ Requests to Fill Vacancies: The Truck Driver position is open due to an internal promotion. This is a 50/50 split position between the Highway & Weed Departments. The other vacancies are part-time, seasonal positions in the Weed Department.
- ❖ Surplus: This is an Emergency Management item.

MEMO

To: Our Associates and Friends

From: Inter-Lakes Community Action Board of Directors

Date: February 2020

It is our pleasure to present Inter-Lakes Community Action Partnership's 2019 Annual Report. The report includes brief descriptions of all programs along with a listing of the Board of Directors, a summary of fiscal information, and an area map.

The Report provides detail as to the programs and services available in the 14-county area of Brookings, Clark, Codington, Deuel, Grant, Hamlin, Kingsbury, Lake, Lincoln, McCook, Miner, Minnehaha, Moody and Turner counties in eastern South Dakota. ***Please feel free to share it with others in your office, or with someone you think may benefit from some of these services.*** Feel free to call or email (nkasuske@interlakescap.com) the Madison office if we can provide you more copies of the report or make any necessary changes to addresses or names.

ICAP is an equal opportunity provider and employer.

Inter-Lakes Community Action Partnership

2019 Annual Report
Helping People. Changing Lives.

A Message from the Board Chairman & Executive Director

The 2019 Annual Report illustrates how Community Action works in response to locally identified needs. For over 53 years, Inter-Lakes Community Action Partnership, Inc. (ICAP) has been committed to assessing our communities and meeting the necessities of low-income families, youth and seniors.

ICAP recently completed a 3-year Strategic Plan. During this process, affordable housing, mental health services, affordable healthcare including medicine, affordable childcare and jobs with good pay and benefits were identified as the top needs in our communities. Keeping all of these specific needs in mind, a comprehensive plan was developed by the Board of Directors and staff driven by our core values, in guiding ICAP to measurable results in the lives of families. It also delivers a road map to systematically evaluate agency programs and processes to ensure high quality services and positive outcomes are obtained.

Housing insecurity continues to be a significant need in our service area. The evident relationship between substance abuse and homelessness has been recognized and ICAP has partnered with the Drug Court System, Brothers and Sisters Behind Bars, Watertown Community Foundation, Department of Social Services Division of Behavioral Health and Codington County Court Services to provide Transitional Housing in the community of Watertown. Participants identified as having a Substance Use Disorder and in need of a stabilized housing environment are provided case management services, rental assistance and security deposit assistance. A Housing Stabilization Coach assists participants in developing a Housing Stabilization Plan with the goal of obtaining and maintaining permanent housing, increasing their overall income and accessing the necessary supportive services within the community.

The anticipation for 2020 is we will see many changes, continued development of programs/policies, and challenges for ICAP. We are looking forward to the year ahead and reporting on the positive impacts that will occur.

Sincerely,

Annette Mitchell
Board Chairman

Cindy Dannenbring
Executive Director

Community Services

Community Services Block Grant (CSBG)

The Community Services Block Grant (CSBG) is a federally-funded antipoverty program. It provides the core funding for ICAP and other Community Action Agencies (CAAs). With these funds, the agency is able to identify causes and conditions of poverty, assist eligible participants in a variety of ways and help individuals and families move toward greater self-sufficiency.

Case Management, Emergency Services, Information & Referrals

It's been said before that Community Action Agencies (CAAs) offer a hand up, not a hand-out. On any given day, ICAP's Community Service Workers are meeting with local residents in our 14-county service area to do just that. By assessing needs, setting goals and identifying resources, Community Service Workers help guide participants toward greater stability in their lives.

ICAP provides assistance for emergency needs, focusing primarily on utility and housing. ICAP receives funds for emergency needs from MidAmerican Energy's ICARE program, Emergency Food & Shelter and from the Community Services Block Grant (CSBG).

Homelessness is often viewed as a problem happening only in big cities. However, we know that homelessness can occur in cities and towns of all sizes. ICAP uses funding from the SD Housing Development Authority to provide security deposit assistance to homeless families throughout the service area. Eligible applicants are offered case management to create a self-sufficiency plan with the goal of participants attaining permanent housing.

Through their knowledge of federal, state, local and private programs and services, Community Service Workers are able to link participants with appropriate resources. These include ICAP's programs, and, when appropriate, referrals to other providers, thus avoiding duplication.

In 2018-2019:

- Information and referrals were provided to **6,420** people.
- **720** homeless or near-homeless people received assistance to enter permanent housing.
- Rent or mortgage assistance helped **189** people.
- **3,970** people received food supplies.
- **876** people were assisted with utility expenses.

Volunteers

Volunteers provided **119,749** hours of assistance to ICAP's programs.

Community Services

Volunteer Income Tax Assistance (VITA)

ICAP partnered with Dacotah Bank - Clark & Watertown, Dakota State University, Grant County Combined Appeal, Interlakes Area United Way, Internal Revenue Service, Watertown Area United Way and Brookings Area United Way to provide assistance to low-income and elderly people in filing their income tax returns. Through this valuable service, **837** households filed returns, resulting in **\$1,413,133** in refunds in 2018. Of these refunds, **\$535,946** were earned income tax credits. As part of the program, ICAP Community Service Workers often counsel families to use these funds to pay down debt as a step toward greater self-sufficiency.

Local Projects and Services

ICAP's service area of 14 eastern South Dakota counties includes cities and towns of all sizes, large and small. With such varied population levels come varied needs. One size **does not** fit all! Inter-Lakes Community Action Partnership exists to meet the needs of each county. In many smaller communities, the local ICAP office is the only readily accessible comprehensive service provider. In these areas, ICAP partners with service groups, churches and volunteer organizations to coordinate and provide needed services and supplies. Some programs are offered once per year, while others function year-round.

Holiday Activities: 681 people received gifts
School Supplies: 857 students received supplies
Gardens: 181 people participated

Deuel Elementary School's 'Sock"-tober. Students brought in 1,200 pairs of socks.

Community Services

Thrift Stores

As daily living expenses continue to increase, more shoppers are turning to alternative sources for their clothing and household shopping needs. ICAP's thrift stores accept donations of used items and offer them to the public at a low cost. Staffed largely by volunteers, the stores are able to keep expenses down while providing this service. ICAP's Community Service Workers in these areas are also able to issue vouchers to people in need.

ICAP currently operates these thrift stores:

- Encore Family Store in Madison
- The Closet in Flandreau
- The Nearly New Shop in Howard
- Used 2B New in Clark

Transportation

Public Transit

Public transit systems operated by ICAP provided **45,186** rides to **1,361** people in **2018-2019**. ICAP administers and operates Public Transit systems in Deuel, Miner and Moody counties. ICAP also manages the East Dakota Transit program in Madison and the city transit services in Brandon, Dell Rapids and Hartford.

Rides are available on a demand-response basis to all people, regardless of age or income level. Riders over age 60 are asked for a donation, while those under age 60 are charged a fare, which varies by location.

ICAP buses promote self-sufficiency and independence to many riders by offering them a reliable mode of transportation. Busy parents depend on ICAP transit to transport their children to preschools and daycares. Rides to medical appointments, worship services, stores and more are made possible with the services of ICAP's transit systems.

Housing Programs

Weatherization Assistance Program

While many programs exist to help those in need pay heating costs, ICAP's Weatherization Assistance Program takes aim directly at the source of higher heating bills. With high prices of energy, it only makes sense to make a home as energy efficient as possible. Each home to be weatherized is audited to determine the areas in need of attention. Applicants must meet eligibility criteria.

Weatherization program services may include:

- Installation of weather-stripping and caulking
- Addition of insulation
- Health and safety measures
 - Installation of exhaust fans for continuous ventilation to help with mold issues
 - Carbon Monoxide detectors
 - Smoke Alarms

In 2018-2019, 73 homes received these weatherization services.

Weatherization program services also include the repair and replacement of malfunctioning or non-working furnaces. In 2018-2019, **85** furnaces were repaired, while **50** homes received new furnaces.

HOME Rehab/Repair Program

The HOME Rehabilitation program focuses on the needs of people with disabilities, in addition to the low-income and elderly, to provide home repair and modification services. This program is funded by the South Dakota Housing Development Authority (SDHDA) with HOME program funds allocated to the state by HUD. These HOME funds are used throughout the service area with the exception of Sioux Falls and are made available to qualified applicants on a zero-interest, 5-year decreasing balance forgivable loan.

HOME Rehab helped 4 homeowners modify and repair their homes for health, safety and code compliance in 2018-2019.

Housing Programs

Mutual Self-Help Housing Program

The Mutual Self-Help Housing Program provides eligible participants an opportunity to build themselves new homes by contributing 65% of the labor necessary for the job in exchange for “sweat equity” in the property. An ICAP program coordinator works with applicants to determine eligibility and secure a construction loan from USDA- Rural Development. Additionally, ICAP receives funds from the Housing Assistance Council under the Self-help Housing Opportunities Program (SHOP) to use in developing building lots for participants.

Once a group of 3-8 builders have qualified for their loans, they work together under the guidance of a construction supervisor to construct all homes of the group. No participant may move into his/her home until all homes are completed and have passed final inspections. Once all construction is complete, the construction loans are converted into standard 30 or 33 year mortgages.

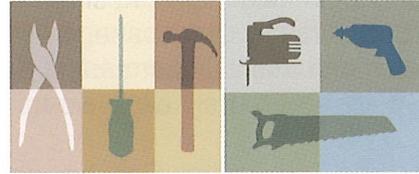

In 2018-2019, 4 families completed new, affordable high-quality homes through the Mutual Self-Help Housing Program.

Housing Programs

Self-Help Housing Rehabilitation Program

In communities and rural areas across our service area, residents have identified housing rehabilitation as a need. Homes may have fallen into disrepair and living in them may even be hazardous. In response, ICAP, in cooperation with the U.S. Department of Agriculture - Rural Development, has created a self-help rehab program to work with low-income homeowners to improve their living conditions.

ICAP representatives meet with homeowners to design a plan of action which may include helping residents find a loan or grant funding, selecting proper supplies for the project and guiding homeowners to complete the necessary work themselves. Some aspects of the work may require licensed professionals to meet local and state codes and may be contracted out.

The Self-Help Housing Rehab program helped 8 low-income homeowners make needed repairs during the 2018-2019 program year.

Homeownership Education Program

Homeownership has long been a key factor in the self-sufficiency of American families. Unfortunately, in recent years many families have struggled with housing issues due to challenging economic conditions. ICAP's Homeownership Education Program includes three components to help these individuals.

Homebuyer Education (HBE) offers potential homeowners information and knowledge to help determine home-buying readiness. Through **Pre-Purchase Services**, ICAP's Homeownership Education Program Coordinator helps guide clients through the buying process. Once an individual or couple purchases a home, ICAP's Homeownership Education Program Coordinator may provide **Post-Purchase Services**.

In program year 2018-2019, 48 households received one or more services from the Homeownership Education Program.

Rapid Re-Housing

Heartland House

Heartland House, located in Sioux Falls, is recognized for providing high quality intensive family case management services for homeless families with children to obtain and maintain permanent housing stabilization. By working with participants, staff are able to help eligible participants move toward better lives.

Housing Stabilization Coaches work with each family to design and implement a personalized housing stabilization plan to maintain housing by furthering education, job search and placement, money management, budgeting, parenting skills, health issues and more. Families involved in the Heartland House Program must follow the terms of their housing stabilization plan and participate in case management services. Failure to comply has consequences, up to and including removal from the program. This accountability helps participants develop a sense of greater discipline and find greater success.

In 2018-2019, 125 adults and 267 children were served.

Bright Futures

Bright Futures is a comprehensive program in Sioux Falls which helps eligible homeless families with children enter permanent housing, become successful renter and move toward self-sufficiency. ICAP collaborates with the Sioux Falls Housing and Redevelopment Commission to provide Tenant Based Rental Assistance (TBRA), thus allowing each agency to utilize their strengths. The program is funded by the City of Sioux Falls through the Community Development Department.

There are several components to the program, including Security Deposit Assistance, Tenant Education/Case Management, and, if needed, a rent/damage guarantee with the participating landlord. Income-eligible participants work with ICAP Housing Stabilization Coaches with issues ranging from education and training, job search and placement to general living and parenting skills. Participants are held accountable and must follow rules to stay in the program for up to two years.

In program year 2018-2019, 90 adults and 114 children were served.

Emergency Solutions Grant

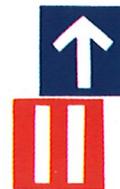

The Emergency Solutions Grant program (ESG) provides funding for two major service components: Homeless Prevention and Rapid Rehousing. Homeless Prevention serves households that are at great risk of becoming homeless and Rapid Rehousing Services are provided for households that have already become homeless. All program recipients are required to participate in case management, to help them move toward self-sufficiency.

In 2018-2019, 70 people received ESG services.

Child Development

Head Start Pre-Birth to Five

Head Start is a federally funded program which promotes school readiness through a series of options available to pregnant women, children and their families. With early intervention, Head Start is able to help young children on a path to successful transition to kindergarten. In accordance with Federal law, each Inter-Lakes Community Action Partnership Head Start site has a transition agreement with the local school district.

The Head Start Pre-Birth to Five program provides the environment and teaching to help children acquire the skills, knowledge and attitudes necessary for success in school and for later learning in life. With a strong focus on all aspects of healthy development, including physical, cognitive, social and emotional development, the program includes the whole family in an effort to ensure that children are ready for kindergarten.

Head Start and Early Head Start Outcomes

Head Start uses a system to monitor a child's progress toward school readiness. Objectives are utilized which measure expected knowledge, skills and abilities needed for school entry. Head Start's approach to School Readiness is three-fold:

- Children are ready for school.
- Families are ready to support their children's learning
- Schools are ready for children.

ICAP used the Teaching Strategies Gold assessment system for all children. In the fall, winter, and spring the teachers compare each child's skills and behaviors to research-based indicators of learning and development. Early Head Start staff complete a fourth assessment in the summer for the 0 to 3 year olds. These comparisons indicate for each domain, whether a child's skills and behaviors are below, at, or above expectations for their age. The graph below shows the percentage of children meeting or exceeding expectation in areas of targeted skills when they started Head Start in the fall of 2018 and where they were in the spring of 2019. Children

in all categories showed improvement across the school year and there was significant growth in children exceeding expectation overall. Numbers of children meeting and exceeding expectations showed significant growth in all domains by spring; social/emotional, physical, literacy, approaches to learning and cognitive. The significant growth in all areas proves the effectiveness of the program's positive impact on children's development and kindergarten readiness.

Section II - Financial Statement Findings

Finding: Development Fee Adjustment (2019-001)

Condition: During our audit Wipfli LLP proposed a significant adjustment to properly reflect the development fee activity related to Horizon Place Apartments Limited Partnership, which we deem significant in relation to the financial statements. Since the internal controls of Inter-Lakes Community Action Partnership, Inc. did not include the adjustment as described above prior to the audit, a significant deficiency exists in the Organization's internal controls over this transaction in accordance with the accounting principles generally accepted in the United States.

Agency Financial Report

Inter-Lakes Community Action Partnership Schedule of Findings and Questioned Costs Year Ended September 30, 2019 Continued...

Criteria: 45 CFR Part 75 302, Uniform Administrative Requirements, and Audit Requirements for Financial Management and Standards for Financial Management Systems requires effective control over, and accountability for all funds, property, and other assests. The non-Federal entity must adequately safeguard all assets and assure that they are used soley for the authorized purposes.

Cause: The internal controls of Inter-Lakes Community Action Partnership, Inc. did not identify the adjustment described above prior to the audit.

Effect: As a result of the financial reporting matter identified in the condition paragraph, a significant deficiency exists in Inter-Lakes Community Action Partnership, Inc.'s internal control over financial reporting.

Recommendation: We recommend Inter-Lakes Community Action Partnership, Inc. implement procederes to provide sufficient internal control so that this type of activity is reviewed so that these transactions are recorded appropriately in accordance wiht accounting principles generally accepted in the United States.

View of responsible officials: Management agrees with the assessment and has committed to a corrective action plan.

History of Community Action

The community action movement formally began in 1964 with the passage of the Equal Opportunity Act, the legislative core of President Johnson’s War on poverty. However, the program had its roots in the Ford Foundation’s “Gray Areas” programs of the mid-1950s. The Equal Opportunity Act created the Office of Equal Opportunity (OEO), directed by R. Sargent Shriver, and that office distributed federal funds directly to local groups who were then responsible to work with those in poverty to improve their lives.

The original Equal Opportunity Act established several programs, some of which still exist today. Head Start, the Legal Services Corporation, and Community Action Programs (CAPs) were the first OEO programs. Many CAPs have evolved into Community Action Agencies over the years, although their mission and roles have remained fairly stable.

ICAP’s service area originally consisted of Lake and Miner counties. As anti-poverty programs evolved at the federal and state levels, local service areas were rearranged several times, so that by 1983 ICAP included Brookings, Clark, Codington, Deuel, Grant, Hamlin, Kingsbury, Lake, Miner, and Moody counties. After the dissolution of one of the other Community Action Agencies in the state, ICAP was requested to add McCook and Minnehaha counties to its service area. The agency accepted, and this grew to 12-county area. In 2006, ICAP added community service projects in Lincoln and Turner counties, bringing the total coverage area to 14 counties.

Community action, while having changed in its years of existence, is still focused on the empowerment of low-income and elderly persons to help themselves move from poverty toward their maximal level of self-sufficiency. This philosophy is best described by the phrase “a hand up, not a handout.” To assure that low-income populations of the service area have a say in the operations of the agency, one-third of ICAP’s Board of Directors consists of representatives of the low-income, who are elected by the low-income population in each county. Public officials (county commissioners) and private-sector representatives make up the other two-thirds of the Board. Thus, each county in the service area has an equal voice on the Board, as do each of the three sectors (public, private and low-income).

Community Action’s Reach

The nation’s 1,000+ Community Action Agencies are a robust, national, state, and local force, reaching children and families in **99% of America’s counties** with life changing services that create pathways to opportunity and prosperity. Annually, we reach:

15 million low-income individuals

3.9 million children

6.2 million families

2.3 million seniors

1.7 million people with disabilities

ICAP is an equal opportunity provider and employer.

Re: Manure Spill – February 9, 2020

Dear Mr. Kavanagh:

The purpose of this letter is to follow-up on the phone call that Department of Environment and Natural Resources (DENR) staff received from you about a process wastewater spill that occurred on February 9, 2020, when a hose on the flush pump by the south settling pond came off. You estimated approximately 14,000 gallons of recycled flush water leaked from the hose before you were able to stop it.

KC Dairies, LLP currently has coverage under the 2013 General Water Pollution Control Permit for Concentrated Animal Feeding Operations (the general permit) for its dairy feeding operation (**permit number SDG-0100031**). The general permit requires you to report any manure discharge as soon as possible, but no later than twenty-four hours from the time you first became aware of the discharge.

You indicated the process wastewater flowed south through a culvert under the road and spread out in a field to the south of the dairy. You indicated you had contacted the landowner and would be contacting the county. Please remember to document the manure spill and your response. You indicated you would attempt to clean up as much of the spill as possible.

You must send a letter to the department by February 25, 2020, detailing the process wastewater spill and your response to it and indicating how this kind of discharge will be prevented from happening again in the future.

Additionally, this process wastewater spill (discharge) will need to be reported on your 2020 annual report. DENR normally sends out the annual report forms, for the previous year, in January. The completed annual report is to be submitted to DENR on or before March 28th.
