Historical Amounts would have paid towards HRA reimbursements:

2017	<b>\$75,250</b>	(37 members \$75 - \$4000 reimbursed from HRA)

This was figured by pulling outpatient/inpatient claims by allowed amounts. Employees paid the first \$500 single / \$1000 family then 80% coinsurance paid by the County. These amounts will be reduced by member copays that also apply to their Out-of-Pocket maximum, which is not reflected in the numbers above.
