### ***Department Head Reports***

Highway Superintendent Brian Gustad said he met with Oak Lake Township, Trenton Township, Oslo Township, Volga Township and Aurora Township regarding the culvert program.

Gustad said Prahm Construction is looking to recommence work on the bridges south on highway 77.

Gustad said his department reached out to local contractors in an effort to limit traffic on County Road 21 and 34<sup>th</sup> Avenue between 32<sup>nd</sup> Street and SD Highway 324 due to road break up in that area. He said they've posted "No Thru Truck" signs at both ends of that stretch.

Gustad said his department has completed the crack sealing for the 2020 chip seal routes, which consisted of 40.1 miles.

Gustad said they looked at a semi-truck that would suit the highway department's needs. He said he was planning on purchasing a multi-use semi-truck/plow truck, but due to COVID-19, the Trans Source Mack dealer has shut down. Gustad said he's been looking at alternative options, which would allow them to surplus one or two units with the purchase of a used truck. By consensus, the board gave Gustad approval to purchase a used semi-truck.

After hearing about severe erosion issues from locals on structure #06-132-140 on 210<sup>th</sup> Street, Gustad said they will need to determine a more permanent solution. He said in the meantime, he will ensure safe travel over that series of pipe. Krogman asked if this structure would qualify for the BIG Grant program. Gustad said it would qualify but it's on a road that doesn't receive much traffic so the rating might not be there.

Finance Officer Vicki Buseth said the office has been very busy processing motor vehicle transactions and property taxes. She said title transfers and registration renewals have to be done by mail or by the drop-box located on the west side of the building.

Buseth said budget worksheets have been sent to all of the department heads for FY2021.

Buseth said Absentee Voting started Friday, April 21<sup>st</sup>.

Finance Assistant II Jenna Byrd said she, along with many other county auditors, are having a difficult time finding election workers who want to work during the COVID-19 Pandemic. She said they may have to eliminate the Arlington location if workers cannot be found. Byrd said she sent a

press release to the Arlington newspaper looking for election workers to work that location. Commission Department Director Stacy Steffensen said the board will have to make a decision on whether or not to eliminate the Arlington location for the Primary Election at their May 5<sup>th</sup> meeting.

Good Afternoon,

After much deliberation, the Brookings Farmers Market has made the decision to proceed with the 2020 season under strict public health guidelines. The Brookings Farmers Market is an essential market for our local farmers and food producers, as well as a resource for our community's healthy food access. Traditionally, the Brookings Farmers Market is a social gathering place with a mission in community building. For the time being, the social gathering/community-building aspect of the market will cease and our primary focus will be food access and supporting our local farmers.

I am aware this email is getting to you late in April, but please understand we have spent a large amount of time perfecting our mitigation response in order to maintain the safety and well-being of the community we serve.

Attached is our mitigation response, as well as a map depicting the market space for the 2020 season. As you can see by the map, each booth will be 12 ft apart and will be on the western side of the street, to provide the necessary space for the 6ft. distance guideline.

As neighbors of the Brookings Farmers Market, I am asking for your signature of approval of street use. We plan to host the market on the 300th block of 6th Ave, from 9am-12pm May 9th thru Oct.31st. If you have any questions or concerns, please feel free to call me, Louise, at 605-695-7531.

Have a great day,

## STAFF REPORT:

### Scheduled Agenda Items

- 9:00 AM – Supplemental Budget Public Hearing: This action would move money from the building fund (301) fund balance back into the FY2020 building fund budget to reimburse the City for the costs of the new parking lot at the Government Center. This was a budgeted item in FY2019.
- 9:05 AM – Liquor License Public Hearing: Meadow Creek Golf Course was recently annexed into the City of Volga. Because of that, it freed up an on-sale liquor license for an establishment located in the County. The available license was advertised and the Finance Office received one application from SVK Properties (Todd Voss). The license will be used at 46564 US Highway 14, Volga, SD, also known as the Midway Camp, located between Volga and Brookings on Highway 14.
- 9:10 AM – Farmer’s Market Request: This is the annual request from the Farmer’s Market to close 6<sup>th</sup> Avenue between the courthouse and library. Louise Snodgrass, the Market Manager, will be available to answer questions.

### Regular Business Items

- ❖ Vote Center Resolution: Jenna Byrd updated the board at the last meeting regarding the issue she was having trying to find workers for the Vote Center location in Arlington due to the COVID-19 pandemic. She has not been successful in finding workers. This resolution would close that Vote Center site for the June 2, 2020 Primary Election only.
- ❖ Highway Resolution: This resolution was submitted by Brian Gustad. This would allow the Highway Department to purchase a truck off the Spink County bid.
- ❖ Striping Agreement: This is an annual agreement with the SDDOT. The State covers 60% of the costs associated with the striping project, which includes 143 miles of county roads this year.
- ❖ Weed Spraying Agreement: The County was the low bidder to provide weed spraying services along State highway rights-of-way. This is the associated agreement.
- ❖ WIC Agreement: This is the annual agreement with the Department of Health for our Community Health Services. The amount granted by the State is \$30,162, down from \$31,763 last year.
- ❖ Right of Way Agreement: These are a routine right of way agreements that have been approved by Brian Gustad.
- ❖ Surplus: The Highway Department is asking to surplus a truck to be sold via online auction.
- ❖ Reopening of County Facilities: Commissioner Mike Bartley and I met with department heads on April 29<sup>th</sup> to review what reopening county offices will look like and what protocols need to be in place prior to that happening. The Commission will need to discuss a potential date and we can also provide an overview of the discussions that were had.

## Director's Report

- ✓ Budget hearings take place in middle of June. I would like to get that date on everyone's calendar now. Last year we were able to get through everything in one day and had a review date during a regular meeting in July to address any needed changes.
