### ***Department Head Reports***

Highway Superintendent Brian Gustad said he spoke with Prahm Construction regarding the bridges south on Highway 77. He said they continue to work on them.

Finance Officer Vicki Buseth said they collected over \$20 million in property taxes. She also said they transferred over 1,000 vehicles into South Dakota. Buseth said absentee voting has also been busy.

Buseth said they received \$900,624.32 in wind tower money. She said the townships receive 15%, the county receives 35%, and the schools get 50% of the wind tower money.

Bartley thanked Buseth and the staff for their hard work during this pandemic.

County Development Director Robert Hill said he received project notification for the 20<sup>th</sup> Street Overpass project. Hill said he and his staff attended an American Planning Association National Conference digitally.

Hill said there is a County Planning & Zoning Meeting tonight.

Hill discussed upcoming dates with the board.

Pierce asked Hill about what's going on with the census. Hill said as the communities start opening up the census will resume. Pierce said it might be helpful to put something on social media about how people can complete the census questions.

BCOAC Director Dustin Huber introduced himself to the board. Huber said they've been busy cleaning and organizing the facility. Huber said he would like to revisit the generator at some point to ensure everyone is on the same page.

Huber said he is getting in touch with all of the service providers to introduce himself.

Huber thanked his part-time staff for all of their hard work.

Register of Deeds Bev Chapman presented the FY2019 Annual Report. Pierce said she works with a lot of Registers of Deeds offices and commended Chapman on the quality of work she and her staff provide to the citizens of Brookings County.

Weed & Pest Supervisor Misty Moser said they will begin spraying once the weather gets nice again.

## **REGULAR BUSINESS**

Motion by Boersma, seconded by Krogman to approve and authorize Chairperson Bartley to sign Resolution #20-19: a resolution closing the Vote Center Site in Arlington, South Dakota for the June 2, 2020 Primary Election. Senior Finance Assistant Jenna Byrd said she was unsuccessful in finding enough election workers to run the polling location in Arlington.

Roll call vote: Krogman “aye,” Jensen “aye,” Pierce “aye,” Boersma “aye,” Bartley “aye.”  
Motion carried.

### **RESOLUTION #20-19**

#### **A RESOLUTION CLOSING THE VOTE CENTER SITE IN ARLINGTON, SD FOR THE JUNE 2, 2020 PRIMARY ELECTION**

WHEREAS, the Trinity Lutheran Church located in Arlington, SD is currently a Vote Center for Brookings County;

WHEREAS, the Brookings County Board of County Commissioners is required by SDCL 12-14-1 to establish the polling places for countywide elections;

WHEREAS, due to the COVID-19 pandemic, there are not enough election workers available to use that facility as a Vote Center site during the June 2, 2020 Primary Election.

THEREFORE BE IT RESOLVED, by the Brookings County Board of Commissioners that the Vote Center location in Arlington, SD be closed for the June 2, 2020 Primary Election only.

Michael Bartley  
Chairperson  
Brookings County Commission

ATTEST:

Vicki Buseth  
County Finance Officer

Motion by Jensen, seconded by Krogman to approve and authorize Chairperson Bartley to sign Resolution #20-20: a resolution authorizing the purchase of a 2021 Mack Truck based upon the price established through the Spink County, South Dakota bid process. Background information was provided by Highway Superintendent Brian Gustad.

Roll call vote: Jensen “aye,” Pierce “aye,” Boersma “aye,” Krogman “aye,” Bartley “aye.”  
Motion carried.

### **RESOLUTION #20-20**

#### **A RESOLUTION AUTHORIZING THE PURCHASE OF 2021 MACK TRUCK BASED UPON THE PRICE ESTABLISHED THROUGH SPINK COUNTY, SOUTH DAKOTA BID PROCESS**

WHEREAS, the Brookings County Highway Department will need new 2021 Mack Truck; and

WHEREAS, Spink County has recently gone through a competitive bidding process for 2021 Mack Truck, such bidding process culminating in the bids being opened on October 1, 2019

WHEREAS, TranSource Truck & Equipment, was the lowest responsible bidder under such Spink County, South Dakota, bid process and, TranSource Truck & Equipment is willing to sell to Brookings County

under the same terms and options as available to Spink County, a copy of such bid specifications and bid having been filed at the Brookings County Finance Office; and

WHEREAS, pursuant to SDCL 5-18A-22, Brookings County is authorized to purchase supplies or services from any active contract that has been awarded by any governmental entity by competitive sealed bids or competitive sealed proposals or from any contract that was competitively solicited and awarded within the previous twelve months;

NOW THEREFORE BE IT RESOLVED that the Brookings County Highway Department is hereby authorized and directed to contract for 2021 Mack Truck, with TranSource Truck & Equipment based upon the bid price, or less, as established through the competitive bidding process of Spink County, South Dakota.

Passed this 5<sup>th</sup> day of May, 2020

Michael Bartley  
Chairperson, Brookings County  
Board of County Commissioners

ATTEST:

Vicki Buseth  
Brookings County Finance Officer

Motion by Boersma, seconded by Jensen to approve and authorize Chairperson Bartley to sign Agreement #20-18: an agreement to provide for the striping and continuing maintenance of county roads within Brookings County.

Roll call vote: Pierce “aye,” Boersma “aye,” Krogman “aye,” Jensen “aye,” Bartley “aye.”  
Motion carried.

Motion by Jensen, seconded by Krogman to approve and authorize Chairperson Bartley to sign Agreement #20-19: a State of South Dakota Department of Transportation Joint Powers Agreement for Weed Spraying Services by County. Background information was provided by Weed & Pest Supervisor Misty Moser.

Roll call vote: Boersma “aye,” Krogman “aye,” Jensen “aye,” Pierce “aye,” Bartley “aye.”  
Motion carried.

Motion by Boersma, seconded by Krogman to approve and authorize Chairperson Bartley to sign Agreement #20-20: a State of South Dakota Department of Health Division of Family and Community Health Sub-Recipient Agreement.

Roll call vote: Krogman “aye,” Jensen “aye,” Pierce “aye,” Boersma “aye,” Bartley “aye.”  
Motion carried.

### **SCHEDULED AGENDA ITEM**

As scheduled at 9:00 a.m., the board held a public hearing on Resolution #20-18: a supplemental budget resolution.

Motion by Boersma, seconded by Krogman to approve and authorize Chairperson Bartley to sign Resolution #20-18: a supplemental budget resolution.

Chairperson Bartley opened the public hearing and called for proponents and opponents. Hearing none, Chairperson Bartley closed the public hearing.

Roll call vote: Jensen “aye,” Pierce “aye,” Boersma “aye,” Krogman “aye,” Bartley “aye.”  
Motion carried.

**RESOLUTION #20-18**  
**SUPPLEMENTAL BUDGET RESOLUTION**

WHEREAS, the Brookings County Board of County Commissioners did authorize the County Finance Officer to publish a notice of hearing for the consideration of a proposed supplemental budget, and

WHEREAS, the time and place for consideration of such supplemental budget was given, and

WHEREAS, the adoption of said proposed supplemental budget was duly considered by the Board of County Commissioners on the 5<sup>th</sup> day of May, 2020, at 9:00 AM in the County Commission Chambers in a regularly scheduled meeting and any objections having been made before said Board to the adoption of such supplemental budget.

NOW THEREFORE BE IT RESOLVED by the Board of County Commissioners within and for the County of Brookings, State of South Dakota, that the following supplemental budget be, and the same is, hereby approved for the purpose of providing budget to conduct the indispensable functions of government.

FROM:	301-2-274-1300:	Restricted Fund Balance	\$91,894.64
TO:	301-4-161-4296:	Administrative Building	\$91,894.64

Dated this 16<sup>th</sup> day of April, 2020

Chairperson: Michael Bartley  
Vice Chairperson: Larry Jensen  
Commissioner: Lee Ann Pierce  
Commissioner: Angela Boersma  
Commissioner: Ryan Krogman

**REGULAR BUSINESS**

Motion by Jensen, seconded by Boersma to approve and authorize Chairperson Bartley to sign Agreement #20-21: an application for occupancy of right-of-way of county highways made by Big Sioux Community Water System in Trenton Township.

All members voted “aye.” Motion carried.

Motion by Boersma, seconded by Krogman to approve and authorize Chairperson Bartley to sign Agreement #20-22: an application of right-of-way of county highways made by Interstate Telecommunications Coop (ITC) in Richland and Lake Hendricks Townships. Background information was provided by Brian Gustad.

All members voted “aye.” Motion carried.

Motion by Krogman, seconded by Jensen to declare a 2000 Sterling Truck as surplus to be sold. Background information was provided by Highway Superintendent Brian Gustad.

Gustad said he would like to bring his equipment to surplus and sell at a live farm auction. Krogman asked if there would be an increase cost to the County doing it this way. Pierce said there is a lot of time between now and then, and they could try and sell it on the online auction. Jensen

asked that taxpayers in Brookings County know about the live auction and have an opportunity to bid. Pierce asked Byrd if there is a fee the county has to pay to use the online surplus auction.

Krogman said he likes Pierce's idea; try to sell the truck on the online auction at a price the highway department wants and if it doesn't sell then go a different route.

All members voted "aye." Motion carried.

### **SCHEDULED AGENDA ITEM**

As scheduled at 9:05 a.m., the board held a public hearing on an application for a liquor license made by SVK Properties.

Motion by Krogman, seconded by Jensen to approve and authorize Chairperson Bartley to sign an application for a liquor license made by SVK Properties.

Chairperson Bartley opened the public hearing and called for proponents.

SVK Properties owner Todd Voss said he was there for any questions that the board might have for him.

Chairperson called for opponents. Hearing none, Chairperson Bartley closed the public hearing.

Commissioner Pierce asked if the business will have regular operating hours. Voss said the facility will be a place for reunions, receptions and other gatherings so the hours will be limited. Commissioner Krogman said they have stings regularly for underages, and if there is a violation license holders have to come back in front of the board and have a public hearing for the license.

Roll call vote: Jensen "aye," Pierce "aye," Boersma "aye," Krogman "aye," Bartley "aye." Motion carried.

### **SCHEDULED AGENDA ITEM**

Motion by Boersma, seconded by Krogman to approve the closure of a portion of 6<sup>th</sup> Avenue for the Brookings Farmers' Market.

Market Manager Louise Snodgrass was present for any questions that the board might have. She said they do have a strict safety mitigation policy set in place to keep everyone safe.

Boersma asked if any efforts have been made to minimize cash handling practices. Snodgrass said they do have a plan in place if people want to pay in cash.

Bartley thanked Snodgrass for doing her homework on how to keep everyone safe at the Market.

All members voted "aye." Motion carried.

### **REGULAR BUSINESS**

The board discussed reopening county facilities to the public.

Motion by Boersma, seconded by Jensen to reopen county facilities. Bartley said they've had conversations with the City of Brookings on how to go about opening the facility to the public. He said conversations were had about opening the City/County building on May 18<sup>th</sup>.

Commission Department Director Stacy Steffensen said they met with all of the department heads and each individual department will be coming up with their own internal policy. She said everyone was comfortable with opening the facility back up on Monday, May 18<sup>th</sup> having safety measures in place.

Pierce asked if it would be appropriate to take action that sets May 18<sup>th</sup> as the date to reopen subject to the city agreeing to that date. Krogman agreed and said the employees need to be given a heads up on when the facility will be open so they can make needed arrangements.

Krogman said the BCOAC will be doing a soft opening that will allow members only to start coming in May 6<sup>th</sup> and open the rest of the building to the public on May 18<sup>th</sup>.

Motion by Bartley, seconded by Krogman to amend the main motion to open the BCOAC to members only on May 6<sup>th</sup> and open county offices and allow the public to go to the BCOAC on Monday, May 18<sup>th</sup>. All members voted “aye.” Amendment carried. On the main motion as amended all members voted “aye.” Main motion as amended carried.

Commission Department Director Stacy Steffensen said budget hearings will be scheduled for Thursday, June 18<sup>th</sup>. Steffensen said the Chamber is doing a virtual Post-Legislative Luncheon on May 12<sup>th</sup> and asked if the board wanted to participate in that.

Steffensen discussed upcoming dates with the board.

States Attorney Dan Nelson had nothing to report. Commissioner Pierce asked if Nelson would report on the JDAI Meeting. Nelson said there hasn't been much movement.

### **COMMISSIONERS' REPORTS & DISCUSSION**

Commissioner Jensen attended the Extension Board Meeting and attended a BCOAC Advisory Board Meeting.

Commissioner Krogman attended a BCOAC Advisory Board Meeting; attended a BATA Meeting; attended a Brookings Health Board Meeting; and attended BCOAC Meeting.

Commissioner Boersma discussed the Medary Monument; and attended an ICAP Caucus Meeting;

Commissioner Pierce attended the BEDC Meeting; attended a JDAI Meeting; and watched an online presentation on the 20<sup>th</sup> Street Overpass project.

Commissioner Bartley attended the daily Governor's briefings; attended a Local COVID-19 Committee Meeting; and attended the Department Head Meeting.

### **ADJOURNMENT**

Motion by Boersma, seconded by Krogman to adjourn. All members voted “aye.” Motion carried. The next regular scheduled meeting is Tuesday, May 19, 2020 at 8:30 a.m.

It is the policy of Brookings County not to discriminate against the Handicapped of Employment or the Provision of Service. The County of Brookings is responsive to requests for communication aids and the need to provide appropriate access, and will provide alternative formats and accessible locations consistent with the Americans with Disabilities Act.

Be it noted, the Register of Deeds Statement of Fees collected for the month of April 2020 in the amount \$33,015.00 was presented to the board.

Register of Deeds' Statement of Fees Collected during the month of April, 2020

Brookings County, State of South Dakota

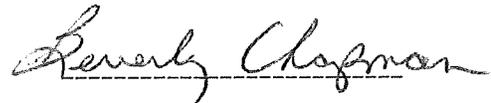

The sum of \$33,015.00 in Fees has been collected by me as Register of Deeds during the Month as shown per Register of Deeds' Official Fee Book, Volumn. 37 on pages 267 & 283

STATE OF SOUTH DAKOTA,

FB\_282245 - FB\_282797

County of Brookings

Beverly Chapman being duly sworn, deposes and says that she is Register of Deeds in and for Brookings County, State of South Dakota: that the foregoing statement is a true and correct report of all fees collected by her as such Register of Deeds, as required by law, during the month of April 2020.

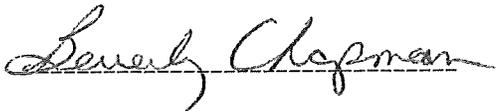

Register of Deeds

STATE OF SOUTH DAKOTA,

County of Brookings

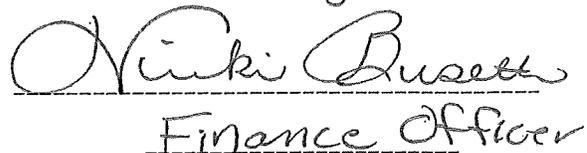

Beverly Chapman, being first duly sworn on oath, deposes and says: That she is the duly elected, qualified and acting Register of Deeds in and for Brookings County, South Dakota. That since the date of her last report or the beginning of her term of office she has charged or received as such officer, fees in the sum of \$33,015.00

Dated this 7 day of May 2020.

Register of Deeds

Subscribed and sworn to before me this 7<sup>th</sup> day of May, 2020.

Assigned Fund Balance-Detention Center	
<b>Total</b>	<b>\$718,428.85</b>

**BROOKINGS COUNTY  
GENERAL FUND SURPLUS ANALYSIS  
DATE April 30, 2020**

The amount of General Fund dollars that counties can retain as surplus is restricted by SDCL 7-21-18.1 which states: "The total unreserved, undesignated fund balance of the general fund may not exceed forty percent of the total amount of all general fund appropriations contained in the budget for the next fiscal year. The total unreserved, undesignated fund balance of the general fund of the county as of March thirty-first and September thirtieth shall be published in the minutes of the proceedings of the board of county commissioners and reported to the Department of Legislative Audit. The report shall be on forms prescribed by the Department of Legislative Audit."

The following analysis should be completed as of March thirty-first and September thirtieth of each year. Thereafter, the unreserved, undesignated fund balance amount should be published in the minutes of the governing board. This analysis should also be filed with the Department of Legislative Audit.

**ASSETS AND DEFERRED OUTFLOWS OF RESOURCES:**

The unassigned fund balance, account 27700,  
divided by the following year's General Fund budget  
resulting in the fund balance percentage

42.58%

\* Note: Total Assets and Deferred Outflows of Resources has to be equal to Total Liabilities, Deferred Inflows of Resources, and Fund Balances. Boxed #'s have to be the same.

\*\* Note: Assigned F/B should not cause a negative unassigned fund balance. If so, may need to reevaluate assignments and/or reduce assignments to eliminate negative unassigned. Restricted fund balance can cause a negative unassigned fund balance as restrictions can not be reduced.

## APRIL 2020 MOTOR V COLLECTIONS AND BREAKDOWNS

<b>Grand Total MV Collected</b>	<b>\$483,229.47</b>
<b>Motor Vehicle Monies Sent to State</b>	<b>\$357,686.76</b>
<b>Monies That Get Apportioned</b>	<b>\$125,542.71</b>

### Breakdown of MV Fees within the County

	County	Townships	Towns	Total
<b>Wheel Tax</b>	\$25,093.03	\$3,136.63	\$3,136.63	\$31,366.29
<b>14% Special Highway to Townships</b>		\$27,649.79		\$27,649.79
<b>5% Muncipal to Cities</b>			\$9,283.24	\$9,283.24
<b>22.5% MV to County Road &amp; Bridge Fund</b>	\$50,984.69			\$50,984.69
<b>Title Fees</b>	\$2,445.00			\$2,445.00
<b>Lien Fees And Misc Fees to County General Fund</b>	\$3,813.70			\$3,813.70
<b>63.75% Mobile Home Revenue</b>				\$0.00
<b>Total</b>	<b>\$82,336.42</b>	<b>\$30,786.42</b>	<b>\$12,419.87</b>	<b>\$125,542.71</b>

<b>April Internet/Terminal Renewals</b>	Collected	County's Portion
704 Internet Renewals & SS Terminals (included in totals above)	\$64,431.86	\$34,753.91

### OTHER MONIES FROM STATE THAT WERE APPORTIONED OUT

	<b>Wind Tower Monies</b>			
County	\$315,218.51			
Townships	\$135,093.64			
Cities				
School Districts	\$450,312.17			
Water District				
<b>TOTALS</b>	<b>\$900,624.32</b>	<b>\$0.00</b>	<b>\$0.00</b>	<b>\$0.00</b>

<b>Fine Monies</b>	<b>\$42,005.55</b>	Divided among schools based on enrollment
--------------------	--------------------	---

## SALES CONTRACT

This agreement, made by and between Danko Emergency Equipment Co. of Snyder, Nebraska and Brookings Fire Department of Brookings, SD.

**WITNESSETH:** That Danko Emergency Equipment Co. of Snyder, NE agrees to deliver, upon the following terms and conditions, the apparatus and equipment described in the proposal and specifications attached hereto as a part of this agreement and contract.

**DELIVERY:** The apparatus and equipment covered by this contract shall be delivered FOB Brookings, SD. within approximately 5-25 calendar days after acceptance of contract at Danko Emergency Equipment Co. or soon thereafter as is consistent with good workmanship, and subject to any and all delays resulting from any causes beyond the control of Danko Emergency Equipment Co. Payment of the total purchase price will be made by Brookings Fire Department of Brookings, SD  
FOB at time of final delivery.

**SPECIFICATIONS:** It is specifically understood and agreed that the specifications in the attached proposal shall control, notwithstanding any other specification, written or oral, heretofore supplied or considered.

**PRODUCT PURCHASED:** One (1) Danko Stock 2,000 Gallon Tanker (T-0387) installed on a Freightliner M2 106 Regular Cab Chassis, as per specifications (Upon Availability)

**PAYMENT:** Buyer agrees to purchase and pay for the aforesaid apparatus the total sum of: (\$ 161,925.00 ) One hundred sixty one thousand nine hundred twenty five dollars and no/00-----

**TERMS:** Final invoice to be paid in full at final inspection and delivery in Brookings, SD.

All payments of any nature must be paid directly from the Buyer to Danko Emergency Equipment Company in Snyder, Nebraska.

**AUTHORITY:** Only authorized officers of Danko Emergency Equipment Co. may act for and on its behalf, and all other representations hereafter made are not binding upon the company.

**COMPLETENESS:** Buyer has fully read and understands this Sales Contract. The Buyer acknowledges that this Sales Contract is the full and complete agreement of the Seller and Buyer and that any and all earlier discussions, dialogue and negotiations are merged into this Sales Contract. Buyer asserts that there are no warranties, agreements, or understandings written or oral which in any manner alter, abridge, or conflict with the terms of the Sales Contract. Buyer further understands that when accepted by Seller this Sales Contract may not be altered, modified, or abridged except with a formal, properly executed Change Order that has been signed by an authorized person for both the buyer and the seller.

**NOTE: PLEASE TURN OVER FOR SIGNATURE**

**CONTINGENCIES:** All agreements are contingent upon delays resulting from strike, accidents, and fires, commandeering of plant or other demands of the United States Government, delays in transportation, and receiving of apparatus component parts.

**PROPOSAL FOR FIRE APPARATUS**

04/17/2020

TO: Brookings Fire Department  
Brookings, SD

Dear Sirs:

We hereby propose and agree to furnish, after your acceptance of this proposal and the proper execution and approval of the accompanying contact, the following apparatus:

One (1) Danko Stock 2,000 Gallon Tanker (T-0387) installed on a Freightliner M2 106	\$161,925.00
Regular Cab Chassis, as per specifications (Upon Availability)	
<b>TOTAL</b>	<b>\$161,925.00</b>

All of which are to be built in accordance with the specifications attached, and which are made a part of this agreement and contract to deliver same by 5-25 calendar days after receipt of signed and accepted contract to deliver same at Danko Emergency Equipment, Co. Proposal subject to all causes beyond our control, for the sum of:  
 One hundred sixty one thousand nine hundred twenty five dollars and no/00-----

(\$ 161,925.00 ) F.O.B. Brookings, SD.

Terms: Final invoice to be paid in full at final inspection and delivery in Brookings, SD.

All payments of any nature must be paid directly from the customer to Danko Emergency Equipment Company in Snyder, Nebraska.

The amount named in this proposal shall remain firm for a period of 15 days from the date of same.

Respectfully Submitted  
 DANKO EMERGENCY EQUIPMENT CO.

We agree to accept the above proposal

# Alternatives to Detention Support Subgrant Application

Title II Formula Grant

**South Dakota Department of Corrections**

**APPLICATION DUE: June 5, 2020**

Applicants with original signatures must be **submitted and received** by the Department of Corrections by the close of business on **June 5, 2020**. Faxed and emailed applications will not be accepted. Submit complete applications to:

*Bridget Coppersmith  
Department of Corrections  
3200 East Highway 34  
Pierre, SD 57501-5070*

Funding under this application is non-competitive and not guaranteed to each applicant. The application narrative and budget must be approved by both the SD Department of Corrections and the Council of Juvenile Services. If approved, the application content will be presented to the Office of Juvenile Justice and Delinquency Prevention for their approval of any addition of program purpose areas that may be needed to support the approved plan.

## SECTION 1. APPLICANT INFORMATION

<b>Applicant: Brookings County</b>		
Address: 520 3 <sup>rd</sup> Street		
City/State/Zip: Brookings, SD 57006		Phone: 605-696-8205    Fax:
Email: commission@brookingscountysd.gov	Federal Employer or Payee Identification Number (FEIN):	
<b>Project Director Name: Chelsea Lang</b>		Title: Executive Director
Agency: Boys & Girls Club of Brookings		Address: 1126 Southland Lane
City/State/Zip: Brookings, SD 57006		Phone: 605-692-3333    Fax:
Email: clang@greatfuturesd.org		
<b>Please indicate the name of the service(s) implemented:</b> Youth Diversion Coordinator and JDAI Services		
<b>Project Title:</b>	Brookings County JDAI Services	
<b>Requested Project Period:</b>	August 2020-August 2021	

## SECTION 2. PROJECT BUDGET

The Council of Juvenile Services will award or not award funding based the extent to which program design addresses a recognized need and whether the proposal is financially responsible and efficient. Funds will be paid through a reimbursement process for items specifically outlined and approved in the application.

**Applicants may apply for up to \$70,000.**

**Non-supplanting Requirements:** Funds or other resources of the applicant normally devoted to programs and activities designed to meet the needs of criminal justice will not be diminished in any way as a result of a grant award of federal funds. The project for which assistance is being requested will be in addition to, and not a substitute for, criminal justice services previously provided without federal assistance.

<b>A. Personnel</b>	<b>TOTAL</b>
1.0 FTE Youth Diversion Coordinator Salary	\$45,000
Pension (5%)	
Employee Fringe Benefits ( <i>Life and Health Insurance Premiums</i> ) \$450/month	\$5,400

<b>Total Project Budget -- Combined totals for all columns</b>	<b>\$70,034.84</b>

NOTE: If there is a change in the above budget, programs will need to request an amendment to their budget. All amendments must be requested in writing **prior to the expenditure of funds.**

### **SECTION 3. BUDGET NARRATIVE**

<p>In the space provided, explain the relationship between budgeted items listed in Section 2 and project activities. Include information (data and criteria) as to how you arrived at budget estimates. Discuss all items by category and in full.</p>		
<p><b>Personnel Narrative</b> - Explain how the compensation and expenses were calculated, duties of the position, and any other information about personnel of the project. If proposed funding covers more than one position, you must identify the duties and estimated percent of time for duties that directly relate to the successful implementation of the program(s).</p>		
<b>Position #1:</b>	<b>Youth Diversion Coordinator</b>	
<b>Justification for the position :</b>	Enhanced JDAI services in Brookings County including teen court operations, youth diversion, case management and referral services, data tracking and analysis	
<p>If the position is <b>existing staff</b>, explain how duties associated with this award are <b>outside the current scope</b> of their position and a provide a <b>plan</b> explaining how all duties associated with the position will continue to be provided and funded during this award:</p>		
<i>Personnel Responsibilities &amp; Duties (must directly relate to the implementation of the program)</i>		Estimated % Time
1. JDAI coordination and diversion services		50
2. Case management, referral, data tracking, analysis		50
3.		
4.		
Wage/Salary:	\$45,000 annual salary	
Benefits:	Employee Fringe Benefits (Life and Health Insurance Premiums) \$450/month Employer Liabilities (Unemployment Insurance, Social Security, Medicare, Workers Comp) FICA 7.65%, SUTA 1.1% and WC 1.0%	
<b>Position #2:</b>		
<b>Justification for the position :</b>		
<p>If the position is <b>existing staff</b>, explain how duties associated with this award are <b>outside the current scope</b> of their position and a provide a <b>plan</b> explaining how all duties associated with the position will continue to be provided and funded during this award:</p>		
<i>Personnel Responsibilities &amp; Duties (must directly relate to the implementation of the program)</i>		Estimated % Time
1.		
2.		
3.		
4.		
Wage/Salary:		

Benefits:	
-----------	--

**Please attach additional sheets for more than 2 positions**  
**SECTION 3. BUDGET NARRATIVE CONTINUED**

**Contracted Services Narrative** - Explain the consultant fees, consultant expenses, contracted services, the cost per service/per youth being served, how the cost for services was calculated, and the process that would be or has been conducted to select the consultant. **Contracted services fees cannot exceed \$650 per day.**

**Consultant #1:**

Consultant Fees:	
------------------	--

Contracted Service:	
---------------------	--

Selection Process:	
--------------------	--

**Consultant #2:**

Consultant Fees:	
------------------	--

Contracted Service:	
---------------------	--

Selection Process:	
--------------------	--

**Travel and Per Diem Narrative** – Explain the calculation of travel costs for travel **outside the home jurisdiction**, (travel must be calculated at current state rates (\$0.42 per mile and \$32 per diem)), how the expenses are directly related to the implementation of the project, and if out-of-state travel is anticipated, give particulars (i.e., location, state, dates, purpose, cost).

<b>Purpose of Travel:</b>	Registration and attendance at a national conference. There are a couple of conferences available, the Coalition for Juvenile Justice (Washington DC) or National Council of Juvenile and Family Court Judges conferences (Philadelphia, PA) have agendas that would provide great learning opportunities for programming, evidence based practices and learning from other jurisdictions.
---------------------------	--

*Estimated cost to attend an out-of-state conference is \$1,800*

<b>Purpose of Travel:</b>	The intention is to bring state and local JDAI involved members together for a state conference in Rapid City, SD. We will learn from other JDAI efforts and strategies from leaders across SD. Total projected cost to include lodging, travel and per diem detailed below.
---------------------------	--

*[Mileage] x \$0.42 = 740 miles round trip \$310.80*  
*[Number of Travel Days for per diem] x \$32.00 = 3 days \$96.00*  
*[Lodging estimated for 3 nights} = \$450.00*

<b>Purpose of Travel:</b>	The intention is to bring state and local JDAI involved members together for a state conference in Rapid City, SD. We will learn from other JDAI efforts and strategies from leaders across SD. Total projected cost to include lodging, travel and per diem detailed below.
---------------------------	--

*[Mileage] x \$0.42 = 378 miles round trip \$158.76 x 4 trips \$635.04*  
*[Number of Travel Days for per diem] 8 days x \$32.00 = \$256.00*  
*[Lodging estimated for 4 nights} = \$600.00*

**Equipment and Operating Expenses Narrative** – Explain the supplies and equipment costs directly related to the implementation of the program or project. You must be specific regarding the items in which you intend to use federal funding. For example, a budget item of “office expenses” will not be accepted as these items must be detailed. You need to identify

what you anticipate for office expenses and list each item and the estimated costs. Items not specifically outlined will not be eligible for reimbursement.

**Equipment** – List nonexpendable items that are to be purchased and show how you calculated these costs. Nonexpendable equipment is tangible property having a useful life of more than 2 years.

Laptop computer will be purchased, set up for new position: \$1,500  
Cell phone stipend \$50/month: \$600 annually

**Operating Expenses** – List items by type (office supplies, postage, training materials, copying paper, and expendable equipment) and show how you calculated these costs. Generally, supplies include any materials that are expendable or consumed during the course of the project.

Indirect costs reflect costs for management of the project including time from the Executive Director, Chief Operating Officer and Chief Executive Officer.

Office Supplies: paper (\$300), folders (\$100), small office tools like stapler, tape, pens, etc (\$150), postage (\$100), ink for printer (\$250), training presentation materials (\$100)

## **SECTION 4. APPLICATION NARRATIVE**

### **Technical Requirements**

Applications will be reviewed initially for compliance with technical requirements.

Noncompliance with these requirements may result in the application being deemed non-responsive, and therefore, not acceptable to award.

1. The Alternatives to Detention Support Application is limited to thirty (30) standard 8.5 x 11 pages with one inch margins, excluding attachments.
2. Applications must be typewritten in 12-point Times New Roman font and must be double-spaced.
3. Applications must be bound using a binder clip. Do not staple or submit applications in three-ring binders.
4. Applications must be single sided, not duplexed.
5. Pages must be numbered sequentially.
6. The application must contain original signatures.

Please provide a description, in the order listed below, of each component requested. Clearly present each topic, separated by subject headings. The narrative includes the following sections:

- A Project Abstract and Demonstration of Need;
- B Community Readiness;
- C Alignment with South Dakota JDAI Implementation;
- D Strategy for Implementation;
- E Project Performance Measures and Evaluation;
- F Description of Project Geographic Boundaries; and
- G Target Population.

### **A. PROJECT ABSTRACT AND DEMONSTRATION OF NEED**

Brookings County is seeking a grant to expand diversion services, alternatives to detention, and staff time to assist with JDAI coordination. The goal is that Brookings County will expand their continuum of services to benefit the outcome of system involved youth at every decision point.

At the front end, diversion services will be expanded to include an assessment with youth and families with a referral to existing services in the community. In addition, diversion coordination will include working with community partners to build upon existing services utilizing data to assess need. For youth being referred to alternatives to detention using the Risk Assessment Instrument (RAI), Brookings County will seek to develop alternatives to detention within the community such as conditional release.

### **Demonstration of Need**

There were 38 juvenile arrests in Brookings County in the 2019 fiscal year. Of those arrests, 30 arrests were misdemeanor or citable offenses that could be diverted from the formal court process. Brookings County currently serves diverted youth through Teen Court. In 2019, 30 youth were served through Teen Court indicating the need for expansion of diversion services in the county. Six youth in Brookings County scored for an alternative on the RAI in 2019. Youth referral offenses on the RAI for the alternative category were mostly non-violent indicating they could be safely supervised in the community. Brookings County does not currently have a conditional release option. The creation of a JDAI/Diversion coordinator position will seek options like electronic monitoring and an evening reporting center to keep youth in the community and increase the number of youth being diverted from the court process.

## **B. COMMUNITY READINESS**

Brookings County became a JDAI site at the end of 2019. The JDAI collaborative includes the juvenile judge, juvenile prosecutor, sheriff, detention administration, high school administration, local service providers, court services, county commission, and law enforcement. The collaborative has identified the Boys & Girls Club of Brookings agency to house the Youth Diversion Coordinator position. The Boys & Girls Club has been a valuable and active partner since the inception of the JDAI working group. In addition, the agency currently provides diversion and prevention options through Teen Court and other programming focused on preventative services.

The Youth Diversion Coordinator position will blend well into the Boys & Girls Club of Brookings infra-structure. The mission of the Boys and Girls Club of Brookings is to inspire and enable all young people to realize their full potential as productive, caring and responsible citizens. Our vision is to be a dynamic, diverse organization that is recognized as champions for youth, as well as, a leader for positive change in our world. We recognize the value in mentors and support systems helping youth to learn from past mistakes. The organization started as a vision of a local police officer who had been shot at by a teen but who had recognized the opportunities missed to reach the teen who had escalated to that incident. We recognize a huge role diversion plays in shaping lives for the better.

The Boys & Girls Club of Brookings (BGCB) opened its doors on October 30, 2003 with 101 members and after almost 15 years, the organization has served thousands of youth in Brookings and surrounding areas. The Boys & Girls Club commitment is to reach youth who need us most to create productive, responsible and caring citizens. Following the national Boys & Girls Club transition, our organization for the past year has heavily focused and will continue to focus on three priority outcomes: academic success, good character/leadership and healthy lifestyles. These priority outcomes correspond well with the goals for expansion of diversion services. The Club serves all youth in need, regardless of background or economic standing.

In 2007, the Boys & Girls Club opened the facility on Southland Lane and, with membership and daily attendance growing substantially, completed an addition in the fall of 2014. The addition included a licensed, fee-based early childhood education area. In the summer of 2015,

the Boys & Girls Club opened a separate stand-alone facility for teens. These spaces allowed for continued growth with the goal to serve more youth, more often with more impact. This position will be housed in the Teen Center, located across the street from Brookings Middle School and walking distance from Brookings High School. The facility is very secure with a door access key fob system, security cameras and other security features. There are specific spaces for junior high and high school students, classrooms, a gymnasium, STEM space, music rooms and office space for this position. This facility has space to be a positive gathering space for JDAI committee meetings and youth and family meetings with the Youth Diversion coordinator.

The Club has a successful history of administering a multitude of evidence-based programs. Recent programs currently offered include Positive Action: a systematic educational program that promotes an intrinsic interest in learning and encourages cooperation among students, Project Learn: a program which reinforces academic enrichment through homework help, tutoring and games, STEM based workshops and daily activities, and a robust workforce development program helping connect teens to jobs in the community along with building career readiness skills. We are confident that the Club can make a positive impact and share the evidence of that impact on the youth in Brookings county through the support of this position.

This new position will work closely with the Teen Court Coordinator and we look forward to a continuum of services of the program, which is currently facilitated at the Boys & Girls Club. The goal of this position is to expand upon Teen Court diversion to offer diversion services to all levels of youth entering the system. The Brookings County State's Attorney's office will continue to support this effort.

The Teen Court program sponsored by the Boys & Girls Club has been in existence since 2008. With this program, defendants between the ages of 10 and 18 are given a second chance. Through a referral from the Office of the States Attorney, these students are given a chance to stand in front of a jury of their peers to explain the crime they committed. Each defendant is assigned a student defense attorney, and his or her case is heard. After the case has been heard the teen jury deliberates on a disposition. This disposition is made up of community service, community action points, essays, classes, and also an opportunity to serve as a juror for future sessions. The defendant then has ninety days to complete this disposition.

In 2019, 30 youth were served through Teen Court, indicating the need for expansion of diversion services in the county. The cases that have been seen by the program range from underage possession of alcoholic to possession of marijuana. In years past, the cases within the Teen Court program included underage consumption of alcohol and petty theft, but these have ceased since the introduction of Senate Bill 73. This could be an opportunity, dependent upon the States Attorney's office and law enforcement, to increase diversion options.

The Boys & Girls Club organization has the knowledge, background and capacity to support juvenile justice services and already has many partnerships with Brookings County as stated above. The County will work closely with the Boys & Girls Club in ensuring all programming, reporting, and reimbursement deadlines are fulfilled.

The school districts in the county have been supportive of the expansion of juvenile diversion services. School principals and their counseling teams have always been dedicated partners and advocates for helping youth succeed and are open to adopting more alternatives to detention. We see no direct barriers to prevent the proposed project in Brookings County. Like most rural counties, staffing and budgetary restraints exist at the Brookings County Sheriff's office, and funds from this grant will also support continuing services such as shelter care. These restraints have been a barrier to transporting youth to alternatives that are out of County.

Please see the attached letters of support, which indicates the stakeholder agencies willingness to adopt and support the additional JDAI strategies within Brookings County.

## **C. ALIGNMENT WITH SOUTH DAKOTA JDAI IMPLEMENTATION**

The average daily population (ADP) in Brookings County (2019) for youth in detention was .58 with an average length of stay at 32.16 days. Brookings County already limits the use of secure detention and has an override rate of 23%. Brookings County is seeking conditional release options to keep lower risk youth in the community. With the goal of providing access to a continuum of services, including culturally responsive programming, Brookings County will decrease the overrepresentation of youth of color in detention and increase successful diversion outcomes for youth of color. The goal of expanding diversion options is to eliminate existing barriers such as transportation and ability to pay for services.

Grant monies will be utilized for staff time to be dedicated specifically to JDAI Coordination. This will include data tracking ability to determine the success of implemented diversion programs and alternatives to detention. This data will be presented to the local JDAI collaborative on a quarterly basis to help guide decision making. The Unified Judicial System intends to support the created position with training opportunities such as the national JDAI conference, a JDAI model site visit, and participation in the Positive Youth Development curriculum.

## **D. STRATEGY FOR IMPLEMENTATION**

- I.** The JDAI/Diversion Coordinator position will be hired by August 15<sup>th</sup>, 2020.
  - a.** The Brookings County commission will approve the proposal by the end of May and application will be submitted by June 1<sup>st</sup>.
  - b.** The Boys and Girls Club will post this position by July 1<sup>st</sup>, 2020.
  - c.** Interviews and candidate selection will occur by July 15<sup>th</sup>, 2019.
- II.** The JDAI/Diversion Coordinator will be trained in the JDAI framework along with other juvenile justice best practices.
  - a.** The JDAI/Diversion Coordinator will attend the South Dakota JDAI state convening in Rapid City in September 2020.
  - b.** The JDAI/Diversion Coordinator will attend a JDAI site visit in Sioux Falls in October 2020.
  - c.** The JDAI/Diversion Coordinator will attend the Positive Youth Development Curriculum in Mitchell in September 2020.
  - d.** The JDAI/Diversion Coordinator will attend a JDAI collaborative meeting in Watertown by October 2020.
  - e.** The JDAI/Diversion Coordinator will be trained in data collection, reporting and analysis with the state JDAI Coordinator by November 2020.
  - f.** The JDAI/Diversion Coordinator will participate in monthly JDAI and Diversion Coordinators calls throughout the grant period.
- III.** The JDAI/Diversion Coordinator will utilize JDAI training to identify conditional release options for Brookings County by January 2020.
  - a.** The JDAI/Diversion Coordinator examine pre and post adjudicated juvenile data to determine which conditional release options will work for Brookings County.
  - b.** The JDAI/Diversion Coordinator will present data to the JDAI work group by January 2021 to make a collaborative decision for next steps.
  - c.** The JDAI/Diversion Coordinator will meet with community stakeholders to determine a facility for an evening reporting center and/or the supervision method of youth on electronic monitoring by March 2021.

- IV. The JDAI/Diversion Coordinator will increase the amount of youth being diverted through the State's Attorney's Office and refer to existing services in the community by October 2020.
  - a. The JDAI/Diversion Coordinator and State's Attorney's Office will develop policies and procedures for the diversion process and tracking by September 2020.
  - b. The JDAI/Diversion Coordinator will meet with existing programs in the community and become familiar with services offered in October 2020.
  - c. The JDAI/Diversion Coordinator will work with the State's Attorney's Office to examine additional diversion services needed in Brookings County based on data by May 2021.
- V. The JDAI/Diversion Coordinator will organize the JDAI collaborative meetings to consistently examine data, detention use, and success of implemented alternatives by October 2020.
  - a. The JDAI/Diversion Coordinator will hold the first JDAI meeting in October 2020 along with the state JDAI Coordinator.
  - b. The JDAI/Diversion Coordinator will meet with each stakeholder on the collaborative individually by January 2021 to increase buy in and educate on the 2021 JDAI work plan.
  - c. The JDAI/Diversion Coordinator will present data, complete a 2021 JDAI work plan, and guide decision making at the JDAI meetings by February 2021.

#### **E. PROJECT PERFORMANCE MEASURES AND EVALUATION**

Brookings County and the Boys and Girls Club will work with law enforcement, the State's Attorney's Office, and the Minnehaha Juvenile Detention Center to collect arrest, diversion, and average length of stay and average daily population data. The Boys and Girls Club is already tracking teen court data and will work in conjunction with the State's Attorney's Office to track recidivism on all diversions. Data will be disaggregated by gender, race and ethnicity. The state JDAI Coordinator is currently tracking ALOS and ADP and will provide this to the Boys and Girls Club to disseminate to the JDAI collaborative. The position will have access to up to date RAI data through the Unified Judicial System's JRAI data reporting system. Training will be provided to the Boys and Girls Club on data collection, analyses, and dissemination by the state JDAI Coordinator and through attending a JDAI site visit and state JDAI conference.

#### **F. DESCRIPTION OF PROGRAM GEOGRAPHIC BOUNDARIES**

The Youth Diversion Coordinator position will serve youth, families, and community stakeholders in urban and rural Brookings county. To give a better understanding of the county make-up, the 2010 United States Census, reported there were 31,966 people and 14,763 households in the county. The county has a total area of 792 square miles with a population average of 40 people per square mile and the county seat is located in Brookings, SD.

#### **G: TARGET POPULATION**

The target population is youth under the age of 18 (and their families), who have had contact with the juvenile justice system or who are at risk of having contact with the juvenile justice system. Target populations for detention reform may also include youth of color, females, youth with school/truancy offenses, domestic assaults on a family member, warrants, and homeless youth.

The goal is to prevent or divert youth involvement in the juvenile justice system and to eliminate or minimize disproportionate minority contact. This project will focus on prevention and intervention for youth engaging in behaviors putting them at risk for justice system involvement. The JDAI collaborations in the county will work to create an effective, fair and efficient system that produces positive outcomes for youth, families and communities while protecting public safety.

Target Population Details (Place an "X" in the box to the <i>left</i> of all those that apply)					
Race(s):		Offender Type(s):		Geography:	
X	American Indian/Alaskan Native	X	At-Risk Population (no prior offense)	X	Rural
X	Asian	X	First Time Offenders	X	Suburban
X	Black/African American	X	Repeat Offenders	X	Tribal
X	Hispanic or Latino (of any race)	X	Sex Offenders		Urban

X	Male	X	State's Attorney		Other_____
				X	14-15
				X	16 -18

## SECTION 5: CONFLICTS OF INTEREST, SPECIAL CONDITIONS AND ASSURANCES

### **Council of Juvenile Services Conflict of Interest Identification**

Please identify which Council of Juvenile Services Members, if any, appear to have a conflict of interest with your application and provide a brief narrative explaining the potential conflict of interest.

A council member derives a direct benefit from the contract if one or more of the following is true of the member, the member's spouse, or a person with whom the member lives with and commingles assets:

- 1) Has a five percent ownership or other interest in an entity that is a party to the contract;
- 2) Derives income, compensation or commission directly from the contract or from the entity that is a party to the contract;
- 3) Acquires property under the contract; or
- 4) Serves on the board of directors of an entity (including a nonprofit) that derives income or commission directly from the contract or acquires property under the contract.

"Direct benefit" does not include gain from a contract based solely on the value of a council member's investment in an entity that is a party to the contract, if that investment represents less than a five percent ownership in the entity. It also does not apply to contracts or transactions where the council member only benefits from an act of the Council of Juvenile Services that has general application, such as a decision by the Council of Juvenile Services to increase or decrease a fee that many South Dakotans pay.

#### **List Current Members**

Beth O'Toole, Chair and Professor at the University of Sioux Falls;

Sara McGregor-Okroi, Vice-Chair and Director of Aliive-Roberts County.

Dadra Avery, School Counselor at Sturgis Brown High School;

Pat Bad Hand, Rosebud Sioux Tribe Detention Center;  
Judge Tami Bern, First Judicial Circuit Judge;  
Keegan Binegar, Youth Member;  
Kristi Bunkers, Department of Corrections Director of Juvenile Services;  
Kim Cournoyer, Service Provider at Great Plains Psychological Associates;  
Charles Frieberg, Director of Trial Court Services;  
Tiffany Glaser, Department of Social Services JJRI Program Manager;  
Doug Herrmann, Executive Director of The Club for Boys;  
Sheriff Brad Howell, Codington County Sheriff;  
Alexis Kohler, Youth Member;  
Angela Lisburg, Avera Saint Mary's Hospital;  
Dave McNeil, Aberdeen Police Department Chief;  
Betty Oldenkamp, Chair and CEO of Lutheran Social Services;  
Tierney Scoblic, Youth Member;  
Carol Twedt, Former Minnehaha County Commissioner; and  
Cassidy Wright, Youth Member.

### **Special Conditions and Assurances**

The following information contains the general conditions and assurances as necessary for recipients of funding awarded under this application. Please note that final assurances and conditions may be different than those stated below based on the composition of the individual program. Signatures under this section indicate that the applying agency understands that a successful subgrant award under this application you will be subject conditions and awards comparable to those as follows and that failure to adhere to outlined conditions and assurances may result in suspension or termination of the award.

#### **General Award Conditions:**

1. The Subgrantee agrees to comply with all Formula Grant program requirements.
2. The Subgrantee agrees to follow the JDAI model and strategies.
3. The Subgrantee agrees to obligate and expend the grant amount within the subgrant award period.
4. The Subgrantee agrees to provide all program reports that are requested by the SD Department of Corrections or the Office of Juvenile Justice and Delinquency Prevention by their due date as requested.
5. The Subgrantee agrees to provide all Performance Measure Data and Program Specific data to the SD Department of Corrections.
6. The Subgrantee agrees to request reimbursement on a monthly basis and for only those expenditures outlined in the application approved by the SD Department of Corrections. Claims sheet and all supporting documentation must be submitted within 30 days of the end of the month that the services were paid.

**Assurances:** The Subgrantee hereby assures and certifies compliance with all applicable Federal statutes, regulations, policies, guidelines, and requirements, including OMB Circulars A-21, A-87, A-102, A-110, A-122, A-133; Ex. Order 12372 (intergovernmental review of federal programs); and 28 C.F. R. pts. 66 or 70 (administrative requirements for grants and cooperative agreements). The Subgrantee also specifically assures and certifies that:

1. It has the legal authority to apply for federal assistance and the institutional, managerial, and financial capability (including funds sufficient to pay any required non-federal share of project cost) to ensure proper planning, management, and completion of the project described in this application.
2. It will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain. The subrecipient's conflict of interest policy is to be provided to the SDDOC upon request for review.
3. It will give the awarding agency or the General Accounting Office, through any authorized representative, access to and the right to examine all paper or electronic records related to the financial assistance.
4. It will comply with all federal, state, and local laws, regulations, ordinances, guidelines, permits, and requirements applicable to providing services pursuant to this Agreement and will be solely responsible for obtaining current information on such requirements. It will comply with all lawful requirements imposed by the awarding agency, specifically including applicable regulations 28 C.F.R. pts. 18, 22, 23, 30, 35, 38, 42, 46, 61, and 63, and the award term in 2 C.F.R. § 175.15(b).
5. It will assist the awarding agency (if necessary) in assuring compliance with section 106 of the National Historic Preservation Act of 1966 (16 U.S.C. § 470), Ex. Order 11593 (identification and protection of historic properties), the Archeological and Historical Preservation Act of 1974 (16 U.S.C. § 469 a-1 et seq.), and the National Environmental Policy Act of 1969 (42 U.S.C. § 4321).
6. It will comply (and will require any subgrantees or contractors to comply) with any applicable statutorily-imposed nondiscrimination requirements, which may include the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. § 3789d); the Victims of Crime Act (42 U.S.C. § 10604(e)); The Juvenile Justice and Delinquency Prevention Act of 2002 (42 U.S.C. § 5672(b)); The Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disability Act of 1990 (42 U.S.C. § 12131-34); the Education Amendments of 1972 (20 U.S.C. §§1681, 1683, 1685-86); and the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-07); see Ex. Order 13279 (equal protection of the laws for faith-based and community organizations).

If a governmental entity -

- a) it will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisitions Act of 1970 (42 U.S.C. § 4601 et seq.), which govern the treatment of persons displaced as a result of federal and federally-assisted programs; and
- b) it will comply with requirements of 5 U.S.C. §§ 1501-08 and §§7324-28, which limit certain political activities of State or local government employees whose principal employment is in connection with an activity financed in whole or in part by federal assistance.
7. It will provide language services for limited English proficiency (LEP) individuals as needed in order to provide services as covered under this award in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d.
8. Applicants should refer to the regulations cited below to determine the certification to which they are required to attest. Acceptance of this form provides for compliance with certification requirements under 28 CFR Part 69, "New Restrictions on Lobbying," 2 CFR Part 2867, "DOJ Implementation of OMB Guidance of Nonprocurement Debarment and Suspension," and 28 CFR Part 83, "Government-wide Debarment and Suspension," and Government-wide Requirements for Drug-Free Workplace (Grants)."
9. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," subrecipients are encouraged to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
10. Any website that is funded in whole or in part under this award must include the following statement on the home page, on all major entry pages, and on any pages from which the visitor may access or use a

web-based services “This web site is funded through a grant from the Office of Juvenile Justice and Delinquency Prevention, Office of Justice Programs, U.S. Department of Justice. Neither the U.S. Department of Justice nor any of its components operate, control, are responsible for, or necessarily endorse, the web site.”

**Equal Employment Opportunity Plan (EEO):** Pursuant to 28 C.F.R. §§ 42.301-.301, applicant must take one of the following actions: either submit an EEO to the SDDOC for submission to the Office for Civil Rights (OCR) for review, maintain an EEO on file, or submit an EEO Certification form to the SDDOC for submission to the OCR in order to monitor the subrecipients compliance with the EEO requirement.

**Non-supplanting Requirements:** Funds or other resources of the applicant normally devoted to programs and activities designed to meet the needs of criminal justice will not be diminished in any way as a result of a grant award of federal funds. The project for which assistance is being requested will be in addition to, and not a substitute for, criminal justice services previously provided without federal assistance.

**Audit Requirement:** Acceptance of this grant award requires the subgrantee organization or governmental entity to include this subgrant in the scope of their regularly scheduled annual or biennial audit. The audit must be conducted in accordance with the appropriate OMB Circular (A-128, A-133, A-102/Common Rule). If applicable, the subrecipient is in compliance with the federal Single Audit Act, in compliance with § 4-11-2.1, and audits are displayed on the subrecipient’s website

**Termination Provision:** This Agreement may be terminated by the SDDOC hereto upon thirty-(30) days written notice. In the event the applicant/subgrantee breaches any of the terms or conditions hereof, the SDDOC may terminate this Agreement at any time with or without notice. If termination for such default impacts the SDDOC, any payments due to the applicant/subgrantee at the time of termination may be adjusted to cover any additional costs to the SDDOC because of the applicant/subgrantee’s default. Upon termination, the SDDOC may assume the responsibility for the project or may award another party funds to complete the work under this Agreement. If after termination for default by the applicant/subgrantee it is determined that the applicant/subgrantee was not at fault, then the applicant/subgrantee shall be paid for eligible services rendered and expenses incurred up to the date of termination.

**Insurance Provision:** The Subgrantee, at all times during the term of this Agreement, shall obtain and maintain in force insurance coverage of the types and with the limits as follows:

- o **Commercial General Liability Insurance:** The Subgrantee shall maintain occurrence based commercial general liability insurance or equivalent form with a limit of not less than **\$1 million** for each occurrence. If such insurance contains a general aggregate limit it shall apply separately to this Agreement or be no less than two times the occurrence limit.
- o **Professional Liability Insurance or Miscellaneous Professional Liability Insurance:** The Subgrantee agrees to procure and maintain professional liability insurance or miscellaneous professional liability insurance with a limit not less than **\$1 million**.
- o **Business Automobile Liability Insurance:** The Subgrantee shall maintain business automobile liability insurance or equivalent form with a limit not less than **\$1 million** for each accident. Such insurance shall include coverage for owned, hired, and non-owned vehicles.
- o **Worker’s Compensation Insurance:** The Subgrantee shall procure and maintain workers’ compensation and employers’ liability insurance as required by South Dakota law.

Before beginning work under this Agreement, the Subgrantee shall furnish the State with properly executed Certificates of Insurance which shall clearly evidence all insurance required in this Agreement and which provide that such insurance may not be canceled, except on 30 days prior written notice to the State. The Subgrantee shall furnish copies of insurance policies if requested by the State. Such insurance shall contain no special limitations or exclusions as they may relate to this agreement.

**Default Provision:** This Agreement depends upon the continued availability of federal funds awarded to the SDDOC and appropriated funds and expenditure authority from the Legislature for this purpose. If for any reason the Legislature fails to appropriate funds or grant expenditure authority, or funds become

unavailable by operation of law or federal funds rejections, this Agreement will be terminated by the State. Termination for any of these reasons is not default by the State nor does it give rise to a claim against the State. Failing to provide monthly reimbursement and quarterly progress reports may result in termination of the subgrant award.

**Amendment Provision:** This Agreement may not be assigned without the express prior written consent of the State. This Agreement may not be amended except in writing, which writing shall be expressly identified as a part hereof and be signed by an authorized representative of each of the parties hereto.

**Venue Clause:** This Agreement shall be governed by and construed in accordance with the laws of the State of South Dakota. Any lawsuit pertaining to or affecting this Agreement shall be venued in Circuit Court, Sixth Judicial Circuit, Hughes County, South Dakota.

**Subcontractors Provision:** The Subgrantee may only use subcontractors to perform the services as outlined in their approved grant proposal. Any additional subcontracts or awards may only be granted with the express prior written consent of the State. The Subgrantee will include provisions in its subcontracts requiring its subcontractors to comply with the applicable provisions of this Agreement, to indemnify the State and to provide insurance coverage for the benefit of the State in a manner consistent with this Agreement. The Subgrantee will cause its subcontractors, agents, and employees to comply, with applicable federal, state and local laws, regulations, ordinances, guidelines, permits and requirements and will adopt such review and inspection procedures as are necessary to assure such compliance.

**Subgrantee Agreement:** It is understood and agreed by the Subgrantee that any grant received as a result of this application shall be subject to the Special Assurances and Conditions and other policies, regulations, and rules issued by the Department of Justice for the administration of grant projects under (P.L. 100-690) including, but not limited to, the following:

1. Competitive bids must be obtained for all equipment, construction and contracted services applications, as required by applicable local, state, or federal law or regulations.
2. If any agency other than the applicant is to contribute supporting or local funds, the Applicant must document the contribution.
3. Any funds awarded under one subgrant cannot be used in another.
4. Expenses or expenditures for items not listed in the original budget will not be reimbursed. Variances from the approved budget will require a budget amendment approved in advance by SD Department of Corrections.
5. All applicants are subject to federal, state, and local laws and regulations.
6. The Subgrantee shall not obligate any funds until the SD Department of Corrections formally awards subgrant.
7. The Subgrantee agrees to comply with the financial and administrative requirements set forth in the current edition of the Office of Justice Programs (OJP) Financial Guide.
8. Reimbursement of expenses is contingent upon submission of monthly financial reports.
9. The Subgrantee understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of SD Department of Corrections and OJP.
10. When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with federal money, all grantees receiving federal funds shall clearly state: 1) the percentage of the total cost of the program or project which will be financed with federal money, and 2) the dollar amount of federal funds for the project or program.
11. In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, sex, disability, or age against a recipient of funds, the recipient will forward a copy of the finding to the Office of Civil Rights, Office of Justice Programs and to the SD Department of Corrections.

12. The Subgrantee agrees to hold harmless and indemnify the State of South Dakota, its officers, agents and employees, from and against any and all actions, suits, damages, liability or other proceedings which may arise as a result of performing services hereunder. This section does not require the Subgrantee to be responsible for or defend against claims of damages arising solely from acts or omissions of the State, its officers or employees. Nothing in this Agreement shall be construed as a waiver of sovereign immunity or consent to jurisdiction in any court other than the courts of the Unified Judicial System of the State of South Dakota.

**State of South Dakota Grant Subrecipient Attestation:**

If awarded, the subgrantee will attest to meeting the following requirements per SDCL 1-56-10:

1. A conflict of interest policy is enforced within the subrecipient's organization;
2. The Internal Revenue Service Form 990 has been filed, if applicable, in compliance with federal law, and is displayed immediately after filing on the subrecipient's website;
3. An effective internal control system is employed by the subrecipient's organization; and
4. If applicable, the subrecipient is in compliance with the federal Single Audit Act, in compliance with § 4-11-2.1, and audits are displayed on the subrecipient's website.

*The officials who certify this document agree to adhere to all terms and conditions relating to this application. Duplication of responsibilities by one individual for any position listed below is NOT acceptable.*

**Subject:** JDAI Application Signatures

Good afternoon everyone! Soon, we will be visiting with the county commission about the JDAI application. In lieu of signatures because of COVID-19, I need an email response from each person on the committee that say "yes" that they are in support of the application. I have attached the draft of the application that is being finalized this week. When you get a chance, please respond via email with a "yes" and feel free to ask me any questions as well. I need everyone's response by noon on Wednesday.

Thank you,

**Tim Lease CEO**

<2020 ATD Support Application.docx>

**BROOKINGS COUNTY JUVENILE DETENTION ALTERNATIVES INITIATIVE  
(JDAI) COMMITTEE  
MEMORANDUM OF UNDERSTANDING (MOU)**

**I. PARTIES**

This document constitutes an agreement between the South Dakota Third Judicial Circuit, Brookings County Sheriff's Office, Brookings County States Attorney's Office, Third Judicial Circuit Court Services, Brookings Police Department, Brookings Behavioral Health and Wellness, Lutheran Social Services, Brookings Boys and Girls Club, Brookings County, City of Brookings, Brookings School District, South Dakota Department of Corrections, South Dakota Department of Social Services, and other parties as amended.

**II. PURPOSE**

This agreement establishes the Brookings County JDAI Committee and is entered into by the above-named agencies to establish a cooperative relationship by applying the eight core strategies (enumerated in paragraph V) of the JDAI in order to:

- Eliminate the inappropriate or unnecessary use of secure detention of juvenile offenders by implementing diversion program options for the youth in Brookings County;
- Minimize re-arrest of juvenile offenders and failure to appear rates pending adjudication;
- Ensure appropriate conditions of confinement in secure facilities for juvenile offenders;
- When necessary, redirect public resources and policies to sustain successful reforms.

**III. AUTHORITY**

The Brookings County JDAI Committee shall have the authority to facilitate the coordination of inter-agency solutions to achieve the purpose described above. The JDAI Committee may make appropriate resource or policy recommendations to the governing bodies of the agencies represented on the JDAI Committee.

**IV. PERIOD OF AGREEMENT AND MODIFICATION/TERMINATION**

This MOU will become effective when signed by all parties. The period of the agreement is three years from the original date of signature, as long as funding is approved and continued through the title II formula grant of the South Dakota Department of Corrections.

Amendments to this MOU must be submitted in writing at least 30 days in advance and approved by all agencies represented herein. In the event additional parties are added to

the Brookings County JDAI Steering Committee, the new party may be added upon approval by all agencies represented herein.

Intent to terminate participation in this MOU must be submitted in writing at least 90 days in advance of termination to all participating agencies.

## **V. THE JUVENILE DETENTION ALTERNATIVES INITIATIVE MODEL**

The parties agree that the Brookings County JDAI Steering Committee will follow the JDAI model as developed by the Annie E. Casey Foundation. The model's core strategies are as follows:

- Collaboration among juvenile justice agencies, community organizations, and other government agencies;
- The use of data in making policy and case-level decisions;
- Objective instruments to guide detention decisions;
- Operation of a continuum of non-secure detention alternatives;
- Case processing efficiencies to reduce time between arrest and case disposition;
- Improvement of conditions of confinement;
- Safe reductions of special populations (i.e. violations of probation, warrants, and cases awaiting placement); and,
- Racial/ethnic fairness in policy and case-level decision-making.

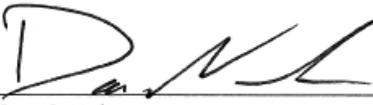

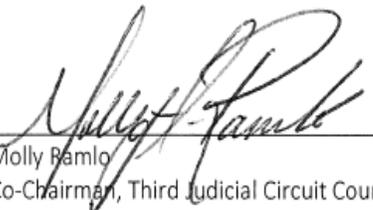

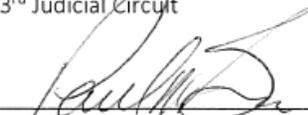

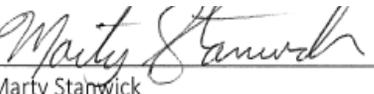

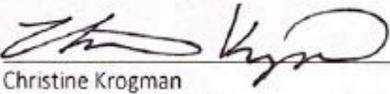

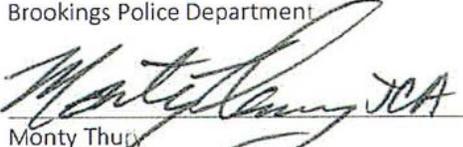

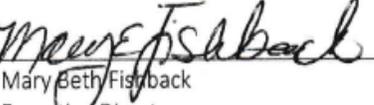

## **VI. RESPONSIBILITIES OF THE PARTIES**

All parties agree to work cooperatively to address the purpose of JDAI as identified above. Members of the Brookings County JDAI Steering Committee agree to attend meetings on a regular basis, make their decisions based on the purposes and processes of the JDAI model, and carry out what is in the best interest of youth that is consistent with public safety. The parties agree to provide access to data that will support the JDAI process, consistent with state and federal confidentiality restrictions. All parties will advocate for the sustainment of JDAI.

## **VII. COMMITTEE LEADERSHIP AND MEETINGS**

JDAI Co-chairpersons, State's Attorney Dan Nelson, and Chief Court Services Officer Molly Ramlo, were selected by the conveners of the JDAI Committee at the beginning of the JDAI dialogue in Brookings County. Meetings will occur at least quarterly and will be led by at least one or both of the JDAI Co-chairpersons. Co-chairpersons have the authority to conduct the meetings to facilitate discussion and decision-making. The committee will appoint a secretary to keep minutes, which will be agreed upon by the committee. In matters that require a vote, each agency represented on the JDAI Committee shall have one vote. Co-chairpersons have the authority to establish any subcommittees necessary to

support the accomplishment of local JDAI implementation. 3<sup>rd</sup> Judicial Circuit Court Services shall assist the co-chairpersons in coordination of meetings.

Dear Ms. Coppersmith,

Please accept this letter of support for the JDAI Initiative in Brookings County. Recent changes in the juvenile justice system in South Dakota have left counties and schools searching for resources. Detention alternatives can be a valuable resource for a population of students that is traditionally very difficult to reach. We are excited to be part of the Brookings County team helping provide alternatives to incarceration for teens—a program with such a strong potential for positive change in students' lives.

Brookings County has the right resources in place for the JDAI initiative. We have worked with the Boys and Girls Club for many years and have developed a positive working relationship with the staff at the Boys and Girls Club. Specifically, Brookings High School works closely with their Teen Court Program. It is important that teens feel consequences for their actions are meaningful while providing for alternatives to incarceration. Teens who have gone through the Boys & Girls Club program report that the consequences are manageable and educational. Teens make mistakes, and it is important that our juveniles be given an opportunity to correct their actions before they become adults. Brookings County is well-suited to implement the JDAI initiative. My hope is that this program will be available for many years to come.

Thank you for your consideration of the Brookings County's JDAI application.

Dr. Paul von Fischer  
Brookings High School Principal

Dr. Shelly Jensen

Re: Alternatives to Detention Support Subgrant Application

Dear Ms. Coppersmith:

I'm excited to support the Juvenile Detention Alternative Initiative for Brookings County. As the criminal justice system continues to find more effective ways to reduce recidivism among our juvenile offenders, Brookings County has a crucial need to implement JDAI to ensure continued public safety and community involvement.

Alternatives to detention and diversion programs remain critical to enabling our youth to achieve positive outcomes in the criminal justice system. The JDAI grant funding will allow partnering agencies within the Brookings community to create implement these impactful programs.

The public and private partnerships throughout the Brookings community have voiced their willingness to play important roles in helping young people successfully confront their challenges. The JDAI grant will further ensure this effort grows for years to come.

The grand funding will significantly help us achieve our goal of building up the youth of Brookings County.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Dan C. Nelson".

Dan C. Nelson  
Brookings County State's Attorney

Re: Brookings County Grant Application

Dear Ms. Coppersmith:

I am writing today in support of the Juvenile Detention Alternatives Initiative (JDAI) grant for Brookings County. The Brookings Police Department recognizes the important role diversion programs play in juvenile justice. Protecting public safety while providing suitable alternatives to incarceration, JDAI successfully incorporates community involvement within the criminal justice system.

The Brookings County JDAI committee is comprised of many representing agencies within the community and the Brookings Police Department is excited to serve as a partner to ensure its success.

This is a very important position that I know will have a positive impact in Brookings County if approved.

Thank you for this opportunity and consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Erickson", with a long horizontal line extending to the right.

Dave Erickson  
Chief of Police, City of Brookings

To Whom it May Concern:

I am writing this letter to express my continued support for the JDAI Initiative in Brookings County. As the juvenile court judge in Brookings County, I was approached approximately 9 months ago regarding my interest or support of JDAI for Brookings County. I have received training and education and I have met with other stake holders. I believe that we are all willing to collaborate together to enact JDAI in our community and move towards juvenile justice reform.

I will continue to work in our community to achieve better outcomes for juveniles by reducing unnecessary pre-adjudication incarceration and by working diligently to reduce racial disparities in our system.

I will continue to do my part in fostering the core strategies of JDAI.

Sincerely,

Dawn Elshere  
Circuit Court Judge

Bridget Coppersmith  
Department of Corrections  
3200 East Highway 34  
Pierre, SD 57501

Dear Bridget:

I am writing to give our full support for the Alternatives to Detention grant application for Brookings County. LSS identifies the importance of providing alternatives for detention. We have provided resources to support these alternatives in various areas of the state already. We additionally have resources to help support the grant in Brookings County. The funding from this grant would help to fund a coordinator in the Brookings area to help connect families with resources available in the community and enrich the lives of families.

Thank you for your consideration of this work in Brookings. If approved, these dollars would positively affect many lives and reduce recidivism of juvenile offenders. Lutheran Social Services fully supports the grant application and are hopeful the funding committee will agree with the value this program will add to Brookings County.

Respectfully,

Rebecca Kiesow-Knudsen  
Vice President, Community Services  
Lutheran Social Services of South Dakota

Re: Brookings County Grant Application

Dear Ms. Coppersmith:

I am writing in support of Brookings County's Alternatives to Juvenile Detention grant application. As a member of the Brookings County JDAI committee, I am convinced that this grant will go a long way to help establish a system of community alternatives to incarcerating juveniles. This grant is an opportunity in helping our youth make better life choices if given the chance to do so. I look forward to continuing to work with JDAI committee as we go forward.

Thank you for this opportunity and consideration.

Department of Corrections  
3200 East Highway 34  
Pierre, SD 57501-5070

RE: Brookings County Grant Application

Good Afternoon,

I am writing to give my full support for the Alternatives to Detention grant application for Brookings County. I serve as the Executive Director for Brookings Behavioral Health and Wellness, the community mental health center located in and serving Brookings County. In serving the youth and families of Brookings County, we have experienced the need for an alternative to detention for youth that do not meet the criteria for detention in our local detention center.

There are a great deal of resources in Brookings County to support youth, however, we currently lack coordination of these services specifically as it relates to juveniles in the justice system. Our county would greatly benefit from a coordinator to best serve all juveniles needing to be detained. This grant application would allow for a coordinator position to fulfill this gap as well as potentially assist funding in providing a shelter that would be more appropriate for adolescents who have violated the law but do not meet the threshold of full incarceration.

Thank you for your time and consideration on this important matter. If granted, these dollars will positively affect the lives of many and potentially reduce the recidivism in juvenile delinquent offenders. Brookings Behavioral Health and Wellness fully supports this grant application and are hopeful the funding committee will agree with the value this adds to Brookings County.

Sincerely,

Mary Beth Fishback, MSPAS, MPH  
Executive Director  
Brookings Behavioral Health and Wellness

RE: Brookings County JDAI application

Dear Ms. Coppersmith:

I am writing this letter to express my support for the JDAI Initiative in Brookings County. As Chief Court Services Officer of the Third Judicial Circuit, I see firsthand the importance of developing consistent and effective detention alternatives for juveniles. By receiving this grant, I'm confident Brookings County youth will experience newfound success while finding positive connections within the community.

The Brookings County JDAI Steering Committee has developed a plan working toward positively influencing high risk juveniles. We strive to avoid pre-adjudication incarceration when so many community options are available. Brookings County has solid resources and strong providers willing to work together in order to meet our youth's needs.

I believe strongly in the JDAI Initiative and hope you will consider Brookings County when awarding this grant.

Sincerely

## Most Serious Offense Category

NO Override	Overrode Down	Overrode up
9	1	3
70%	7%	23%

Override up reasons-

- Judicial override- 1
- Run Risk- 1
- Victim in home and immediate safety concern- 1

## Items of note:

- *6 youth score for an alternative- mostly for non-violent offenses.*
- *Youth are being held in least restrictive setting- but if there was an option for supervision in Brookings- could these youth be better served?*
- *31% of youth referred to detention through the RAI were Native American, yet only make up 1% of the population.*
- *In 2019- no youth under the age of 14 was referred to detention. GREAT news!*
- *More females referred to detention than males*

# ANNUAL REPORT

**BOYS & GIRLS CLUB**  
OF THE NORTHERN PLAINS

---

---

# LOOKING AHEAD

*Thank you supporters and friends of the Boys & Girls Club of the Northern Plains!*

*Our Clubs have had another extremely impactful year. With an average daily attendance of 799, we saw a growth of 4% over last year in the number of youth the Club was able to serve daily during the school year. This number allowed us to bridge the gap and provide a safe place for our youth after school, which promotes learning and growth.*

*2019 served as a year of change for the Boys & Girls Club of the Northern Plains, but we were thankful to have a strong foundation within our staff, Board of Directors and Advisory Councils, once again showing leadership and excellence in all positions.*

*I'm honored to be the new CEO of the Boys & Girls Club of the Northern Plains! Prior to working at the Club, I spent the last 24 years as an elementary teacher and principal, so I have dedicated my whole life to helping our area youth. I look forward to leading and helping our organization continue to grow to meet the ever-changing needs in our communities.*

*Our Clubs appreciate all of the support that we receive. This shows that we share the same passion for our youth!  
Great Futures Start Here!*

# FORMULA FOR YOUTH IMPACT

**YOUNG PEOPLE  
WHO NEED US MOST**

**OUTCOME-DRIVEN  
CLUB EXPERIENCE**

**PRIORITY OUTCOMES**

**FIVE KEY ELEMENTS  
FOR POSITIVE YOUTH DEVELOPMENT**

•  
**HIGH-YIELD  
ACTIVITIES**

•  
**TARGETED  
PROGRAMS**

•  
**REGULAR  
ATTENDANCE**

Graduate from high school ready for college, trade school, military or employment

Be an engaged citizen involved in the community, register to vote and model strong character

Adopt a healthy diet, practice healthy lifestyle choices and make a lifelong commitment to fitness

Research shows that youth were more likely to demonstrate greater positive outcomes when they attended the Club at least 52 times per year. The positive effects were even greater when they attended 104 times per year.  
More than 492 youth at our Clubs have attended the Club over 104 times this year!

# OUR ACCOMPLISHMENTS BECAUSE OF YOU

## CULTURE CLUB

This past year we have seen over 100 youth from a variety of cultures come through our doors each day in Moody County. Through the Culture Club, we are educating our youth on the importance of inclusivity and embracing what makes everyone unique. We have had community members speak about their cultures and, as a result, have found that our youth felt more comfortable speaking up about their own traditions. Our members also had the opportunity to prepare food from different cultures with our awesome VISTA, Kendra.

The Brookings Clubhouse Preschool recognizes and supports the importance of multi-generational relationships and proves that age is not a friendship barrier. Our “Elder-Buddy” program brings friends of all ages together each week, teaching our students that we can learn from one’s experience, helping to develop a sense of empathy for people of all ages. Our favorite activities include music therapy, gym time, trick-or-treating, and Christmas caroling. We look forward to continuing our friendship with our “Grand-friends”!

## ELDER-BUDDIES

## POWER UP

Our Yankton Club was busy this summer running Power Up, our summer school program. In partnership with the Yankton School District and United Way, lessons are designed to help prevent summer learning loss. We had 50 youth in kindergarten through 3rd grade participate in these fun, educational activities. Over four short weeks, members showed measurable increases in academic achievement!

# OUR ACCOMPLISHMENTS BECAUSE OF YOU

## POSITIVE ACTION

Positive Action is a program designed to help youth learn how to make positive choices, so they can better resist negative influences like drugs and alcohol. In Yankton this program is once a week with 30 members attending regularly. This is the second year the Yankton Club has provided this programming and youth really enjoy the activities and lessons, allowing them to have fun and learn about positive choices and actions.

## TEEN COURT

Teen Court is a juvenile diversion program ran by teens for teens in all four counties that we serve. The program focuses on restorative justice in misdemeanor cases referred by local State Attorneys. In 2019, our Clubs were referred 111 cases. Teens are encouraged to volunteer in our Teen Court Club to explore a career in Criminal Justice. Because of your support and great collaborations with our counties and mental health agencies, the Club is able to offer this unique opportunity to the teens who need us most.

## FLANDREAU INDIAN SCHOOL OJP MENTORING

Staff from the Moody County Club travel to Flandreau Indian School (FIS) for high school programming. This year staff have been working with the students at FIS on their homework and keeping up with their studies during this academic school year. FIS staff have been sending youth who may be struggling or needing assistance at getting assignments turned in on time to the study rooms to receive help from our staff. Thank you for helping the Club give this opportunity to youth who need us the most!

# OUR ACCOMPLISHMENTS BECAUSE OF YOU

## PLAY BALL PROGRAM

Over the summer the Yankton Club ran a Play Ball program with members. This group met twice a week. One day participants would practice their baseball and softball skills. The second day youth would receive nutrition education. Over 150 members participated in this group throughout the summer! Incorporating physical activity and smart food choices makes for healthy, happy kids.

## PERFORMING ARTS CLUB

2019 brought lots of new and exciting programming to our Clubs. One Club favorite in Moody County was our Performing Arts Club! Members met weekly with guest speakers and even got to take a field trip to the Performing Arts Center at South Dakota State University. The group practiced throughout the season and put on a performance of The Wizard of Oz for Club friends and family. We are privileged to provide programming for all interests to meet the needs of every Club member. Thank you for investing in Great Futures for our youth!

## CLUB TUTORS

Club Tutors is a program for 1st-5th graders who are at risk of falling behind their peers academically. These students are recommended to our program by teachers in the school district. This program focuses on providing help in math, reading and homework completion. The Club is committed to do everything in our power to positively impact our youth through academic programming opportunities. Participants have not only had positive gains in academics but also in their attitudes towards school.

# GREAT ALUMNI BECAUSE OF YOU

## CLAIRE MAHLUM

Ms. Claire first started attending the Boys & Girls Club of Brookings in 2011 as a 5th grader. She became member because her older brother was as well and would tell her about all the fun he had with his friends. Some of her friends that were already attending talked her in to starting. Claire's favorite memory of the Club was spending time in the art room with her friends. She shared, "I absolutely loved the Club! I made so many new friends and had more time to spend with them."

Ms. Claire had a great time participating in the many different types of activities, games, and events the Club had to offer. Once she was an 8th grader, she decided to start building up her resume by joining the Workforce Program at the Club's Teen Center. Through Workforce, she became a Junior Youth Development Staff at the 1st-5th Grade Club. She stayed on as a Junior YDS throughout high school.

In 2019, Claire graduated from Brookings High School and became a part-time YDS. She worked through the summer before starting her freshman year at South Dakota State University. Claire hopes to become a 3rd grade teacher when she graduates in 2023. Thank you for building so many great futures like Ms. Claire's in our community! If you are an Alumni from any of our Clubs, please visit [www.greatfuturesd.org/alumni](http://www.greatfuturesd.org/alumni) to join our Alumni & Friends Club today.

# OUR **Great Future** BECAUSE OF **YOU**

Maria and her son, Erick, moved from El Salvador to Flandreau, South Dakota in 2018. Originally, she did not know about the Club, but thankfully some co-workers shared that their kids love attending the Club, participating in programming and spending time with their friends after school.

When Erick started going to the Club, he did not know any English. Maria shared, "Ever since Erick started attending the Boys & Girls Club, his English has improved greatly. Thanks to the staff, he has been able to acclimate and grow as a member, while developing his language skills along the way! When he is at the Club, Erick enjoys reading books and playing with Legos with his friends. Sometimes he even gets mad at me for picking him up early! I am grateful for the staff, especially the YDS who work so hard to help my son learn and grow, thank you!"

Maria & Erick

**"Ever since Erick started attending the Boys & Girls Club, his English has improved greatly. I am grateful for the staff, especially the YDS who work so hard to help my son learn and grow, thank you!" - Maria Medrano, Club Parent & Supporter**

# OUR GreatFuture BECAUSE OF YOU

JJ Peterson's family represents just one of many families served by the Boys & Girls Club of Yankton. His children Julia & Brooklyn both started attending the Club in 2017, and Thadeus later joined them at the Club in 2018 when he started first grade.

According to JJ, the Club provides exactly the help he needs to balance his work and family lives. He says, "In many ways, the Club is amazing to both my kids and myself. The Club helps me out in every way they could. I'm a single father of three kids, and I work until 4:00 every day. After work, the Club gives me the opportunity to go pay bills, get groceries, and whatever other important things I need to get done."

Julia, Thadeus & Brooklyn

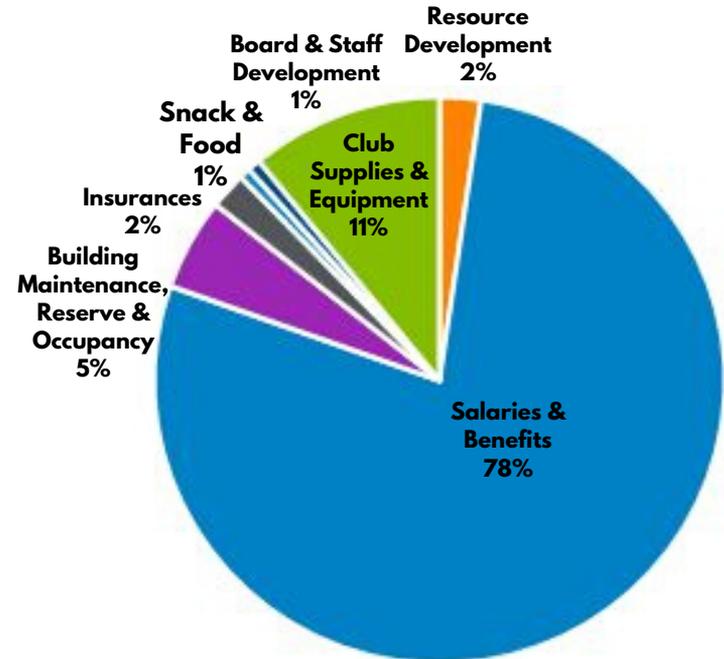

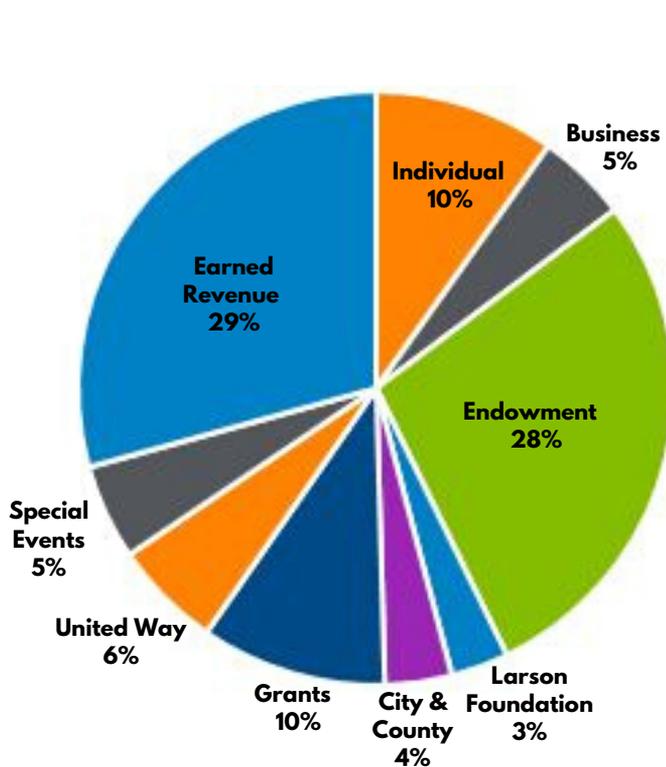

As a father of three, JJ knows how important it is for his kids to have a safe place after school, and the Club is that place. JJ says, "The Club does everything right in my eyes. I get phone calls if one of my kids get a sliver or a knock on the head with a ball while playing in the gym. I appreciate everything the Club does for my family."

**"My kids get upset every time I pick them up because they want to stay as long as they can. I want to thank the entire staff at the Boys & Girls Club of Yankton for treating my kids with the most amazing care a dad could ask for!" - JJ Peterson, Julia, Thadeus & Brooklyn's Dad**

May 19, 2020 meeting.

April 8, 2020: The Brookings County Planning and Zoning Commission recommends approval of plat 2020plat009 with a unanimous vote of 9-ayes and 0-nays, at their April 7, 2020 meeting.

Brookings County Planning and Zoning Commission

April 7, 2020 – 8:00 PM meeting

# 2020plat009 – April 7, 2020

Prepared by Richard Haugen

Applicant/Owner: Marvin Richarz, 45884 220<sup>th</sup> St, Volga, SD 57071

Legal Description: "Plat of Lot 1 of Richarz Addition in the SE1/4 of Section 35, T109N, R52W, of the 5<sup>th</sup> P.M., Brookings County, South Dakota."

2020plat009: Marvin Richarz is platting off 15.0 acres that contain a homestead and building site from the 158.0 acres they own. The farmstead will use the existing driveway located on 220<sup>th</sup> Street for access to the property.

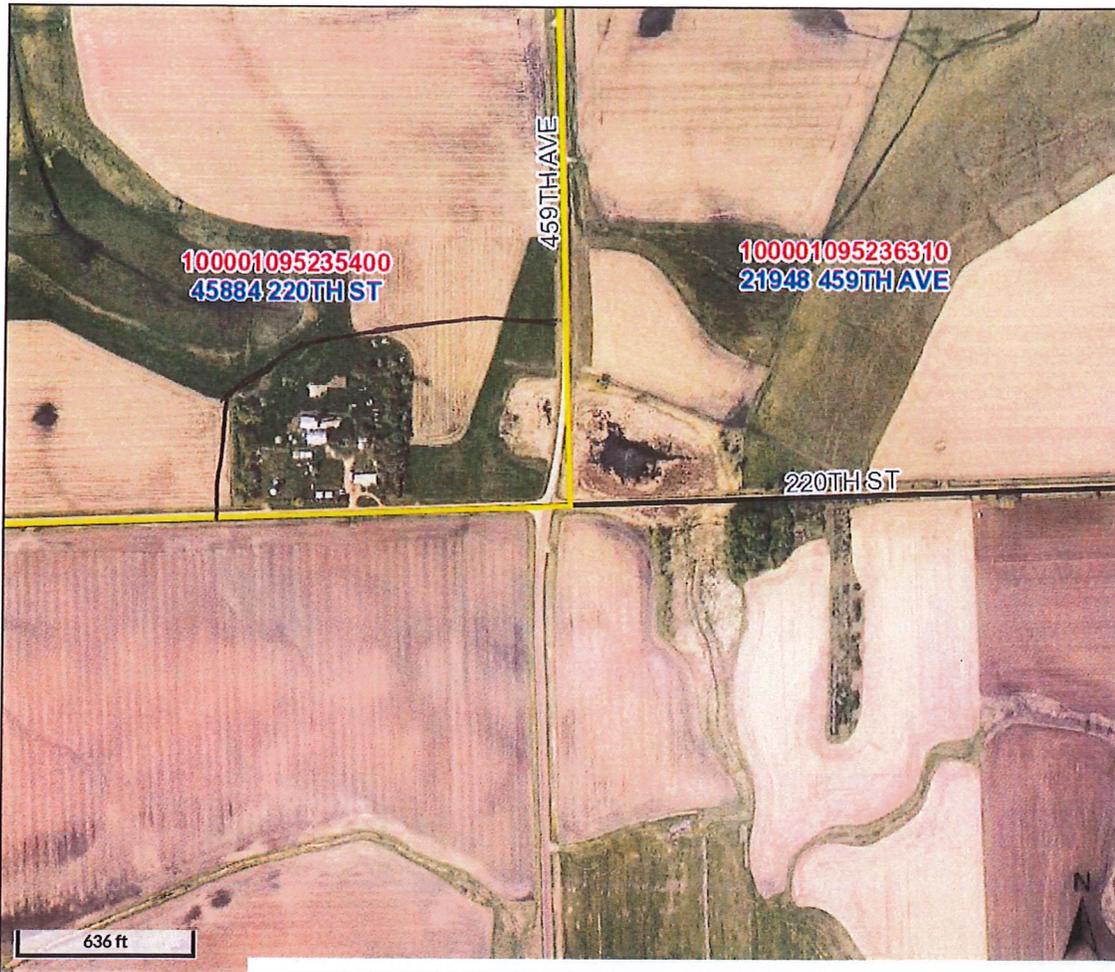

The plat meets the platting requirements for the 2016 Comprehensive Plan-Unincorporated Rural Area Land Use statement on page 24 for Agricultural Land Use.

**Resolution #20-\_\_\_**  
**A Resolution Limiting Vote Center Locations for the**  
**June 2, 2020 Primary Election**

WHEREAS, the Trinity Lutheran Church located in Arlington, SD, the Sinai Fire Hall in Sinai, SD, the Swiftel Center and Holy Life Tabernacle Church both in Brookings, SD are all Vote Center locations for Brookings County for countywide elections; and

WHEREAS, the Brookings County Board of County Commissioners is required by SDCL 12-14-1 to establish the polling places for countywide elections; and

WHEREAS, due to the COVID-19 pandemic, there are not enough election workers available to use those facilities as Vote Center sites during the June 2, 2020 Primary Election.

THEREFORE BE IT RESOLVED, by the Brookings County Board of Commissioners that the Vote Center locations in Arlington, SD, Sinai, SD, the Swiftel Center and Holy Life Tabernacle Church both in Brookings, SD be closed for the June 2, 2020 Primary Election only.

ALSO THEREFORE BE IT RESOLOVED, that this Resolution replaces Resolution #20-19.

This Agreement is made and entered into by and between the State of South Dakota, acting by and through its Department of Transportation, referred to in this Agreement as the "STATE," and Brookings County, South Dakota, referred to in this Agreement as the "COUNTY."

BACKGROUND:

1. The STATE has funding available for preservation, rehabilitation, or replacement of eligible local public agency bridges. The funding is only available for bridges located on local public roads.
2. The COUNTY has applied for and the STATE has awarded to the COUNTY a Bridge Improvement Grant ("BIG") for bridge replacement for structure number 06-120-053, project number BRF 6295(00)20-8 PCN 07TN, referred to in this Agreement as the "PROJECT."

THE STATE AND THE COUNTY MUTUALLY AGREE AS FOLLOWS:

1. The COUNTY applied for and was awarded a BIG for replacement for the PROJECT. The BIG award amount is One million three hundred seventy-five thousand dollars (\$1,375,000), plus eighty (80%) of the actual costs of reasonable and necessary construction engineering for the PROJECT.
2. The STATE issued a letter on February 27, 2020, notifying the COUNTY of the award of the BIG. The letter of award is attached to and incorporated in this Agreement as **Exhibit A**.
3. This Agreement is effective on the date of the letter of award attached as **Exhibit A**. The preservation work contemplated by this Agreement will be completed no later than four years from the date of the letter of award. No reimbursements will be processed by the STATE for work performed after the date of February 27, 2024.
4. The COUNTY will select and hire a geotechnical firm to conduct the foundation investigation if the STATE'S Geotechnical Office is unable to meet the project timeline. The firm must be on the STATE'S current consultant retainer list for the local geotechnical services category of work. The COUNTY will submit a copy of the contract between the geotechnical firm and the COUNTY to the STATE. The scope of work to be performed by the firm is identified in the attached **Exhibit B**.
5. The COUNTY will select and hire a professional engineering firm from the STATE'S current consultant retainer list for the bridge design category of work. The COUNTY will submit a copy of the contract between the design firm and the COUNTY to the STATE. The scope of work to be performed by the firm is identified in the attached **Exhibit B**.
6. The COUNTY will require the design firm to submit plans, design calculations, and check design calculations to the STATE.
7. The COUNTY will also require the design firm to load rate each structure, including culverts that are bridge length, in accordance with the edition of the AASHTO "Manual for Bridge Evaluation" with latest Interim Revisions using the LRFR method currently in place at the time of execution of the design engineering contract. The design firm will perform an HL-93 design load rating for each structure. The design firm will analyze the AASHTO HS20 vehicle for Inventory and Operating Ratings. The design firm will also perform a legal load rating for South Dakota legal trucks, the notional rating load, and the four specialized hauling vehicles. The design firm will submit a copy of the rating analyses to the STATE. The STATE will review load ratings and provide comments to the design firm. The design firm will address all STATE comments to the satisfaction of the STATE. The design firm will provide a separate summary table of all load ratings to be included in the STATE'S bridge inspection file.

8. If applicable, the COUNTY will also require the bridge design engineering firm to submit scour analyses and develop a Quality Control/Quality Assurance (QC/QA) plan. The QC/QA plan must follow the format developed by the STATE.
9. The COUNTY will obtain and submit to the STATE a copy of the bid documents, plans, and specifications sealed and signed by a professional engineer licensed in the State of South Dakota. The COUNTY will address, in writing, all comments made by the STATE to the STATE'S satisfaction. The COUNTY must obtain the STATE'S approval of the final bid documents, plans, and specifications before proceeding with any award of the contract.
10. If applicable, the COUNTY will have the design engineer review shop plans of prefabricated products.
11. The COUNTY will retain a construction engineering firm to perform the construction engineering services for the PROJECT. The COUNTY will select and hire the firm from the STATE'S current consultant retainer list for construction administration, inspection, and testing. The scope of the construction engineering services to be performed is identified in the attached **Exhibit C**.
12. The COUNTY will obtain the STATE'S concurrence in the award of the contract.
13. The STATE will review and approve a quality assurance and testing plan for construction testing and inspection.
14. The COUNTY will obtain all necessary right-of-way for the PROJECT according to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended in 1987. The COUNTY will use STATE forms in obtaining right-of-way.
15. The COUNTY will arrange for all needed utility adjustments as part of the PROJECT and certify prior to advertisement or letting that all right-of-way and utility adjustments or agreements are in place.
16. The COUNTY will obtain all necessary PROJECT environmental clearances and permits as required for this Agreement. If any part of the PROJECT affects the Federal Emergency Management Agency's (FEMA) flood plain insurance maps, the COUNTY will be responsible for all map revisions and obtaining FEMA approval or a Conditional Letter of Map Revision (CLOMR).
17. The COUNTY will notify the STATE upon completion of the rehabilitation/replacement work under this Agreement.
18. The STATE will conduct a final inspection of the PROJECT.
19. The parties recognize that unanticipated and time-sensitive work may be needed for completion of the PROJECT and that delays in completing such work could jeopardize the PROJECT schedule. The COUNTY authorizes the STATE to write work orders and hire consultants for the PROJECT for unanticipated and time-sensitive work that must be completed promptly in order to avoid PROJECT delays and increased PROJECT costs. The COUNTY'S signature will not be required for these work orders or consultant agreements, and the COUNTY agrees to pay for the cost of this additional work in accordance with the provisions of this Agreement. The STATE will notify the COUNTY of the purpose and need of any such work orders or consultant agreements prior to the STATE issuing a Notice to Proceed for the additional work. The STATE will provide the COUNTY with a fully executed copy of any work order or consultant agreement executed by the STATE pursuant to this section of the Agreement.
20. As part of the PROJECT, one or more signs will be erected to indicate the PROJECT was built with a BIG. The COUNTY will be responsible for maintaining these signs for the life of the bridge.
21. The COUNTY will directly pay the professional engineering firm and construction engineer firm for all PROJECT costs.

22. The COUNTY will submit all documentation requested by the STATE, relating to the PROJECT costs paid by the COUNTY. Documentation submitted by the COUNTY will include the COUNTY'S preservation contracts including any amendments and the pay estimates. The COUNTY will submit a written request for reimbursement of engineering fees on the form developed by the STATE, a copy of which is attached to this Agreement as **Exhibit C**. The COUNTY must submit all documentation, including but not limited to progress reports and a summary of QC/QA test results, to the STATE on at least a quarterly basis, but not more frequently than monthly.
23. The STATE will reimburse the COUNTY for eighty percent (80%) of the actual cost of construction engineering services for the PROJECT. For all other PROJECT work, the STATE will reimburse the COUNTY for fifty percent (50%) of eligible costs, not to exceed the BIG award amount of One million three hundred seventy-five thousand dollars (\$1,375,000). The COUNTY will be one hundred percent (100%) responsible for any PROJECT costs incurred prior to the date of the letter of award or after the PROJECT completion date. PROJECT costs include engineering, testing and environmental services performed by STATE forces. PROJECT costs incurred by the STATE through the use of STATE forces will be billed to the COUNTY or will be applied to reduce the BIG award amount. If the BIG award amount has not been fully expended, the COUNTY will be billed for fifty percent (50%) of the PROJECT costs incurred by the STATE. If the BIG award amount has been fully expended, the COUNTY will be billed for one hundred percent (100%) of the PROJECT costs incurred by the STATE. The COUNTY will pay the STATE within thirty (30) days of receipt of billing.
24. The COUNTY certifies the COUNTY has a conflict of interest policy and enforces said policy.
25. The COUNTY certifies the COUNTY has filed an Internal Revenue Services (IRS) Form 990 in compliance with federal law, if applicable. The COUNTY will display the filed IRS Form 990 on the COUNTY'S website immediately upon filing.
26. The COUNTY certifies the COUNTY employs an effective internal control system.
27. The COUNTY certifies the COUNTY is in compliance with the federal Single Audit Act and the requirements of SDCL § 4-11-2.1, if applicable. The COUNTY further certifies audits are displayed on the COUNTY'S website.
28. The COUNTY will include provisions in the COUNTY'S contracts and subcontracts, if any, requiring the COUNTY'S contractors and subcontractors to comply with the applicable provisions of this Agreement, to indemnify the STATE, and to provide insurance coverage for the benefit of the STATE, all in a manner consistent with this Agreement. The COUNTY will cause the COUNTY'S contractors, subcontractors, agents, and employees to comply with applicable federal, state, and local laws, regulations, ordinances, guidelines, permits, and requirements and will adopt such review and inspection procedures as are necessary to assure such compliance.
29. The COUNTY will indemnify the STATE, its officers, agents, and employees against any and all actions, suits, damages, liability, or other proceedings that may arise as the result of the COUNTY'S performance under this Agreement. This section does not require the COUNTY to be responsible for or defend against claims or damages arising from errors or omissions of the STATE, its officers, agents, or employees.
30. All PROJECT charges will be subject to audit by the STATE. The COUNTY and the COUNTY'S contractors and subcontractors will keep accounting records clearly identified with this Agreement, and will support all PROJECT charges by documents which evidence, in detail, the nature and propriety of those charges.
31. Upon reasonable notice, the COUNTY and the COUNTY'S contractors and subcontractors will allow the STATE, through any authorized representative, to have access to and the right to examine and copy all records, books, papers, or documents related to services rendered under this Agreement. The COUNTY will keep these records clearly identified and readily accessible for a period of three (3) years

after the date of final payment under this Agreement.

32. The COUNTY will abide by the requirements of Title VI of the Civil Rights Act of 1964, incorporated in and attached to this Agreement as **Exhibit D**.
33. The COUNTY will perform under this Agreement in compliance with the Americans with Disabilities Act of 1990 and any amendments.
34. This Agreement may not be amended, except in writing, which writing will be expressly identified as a part of this Agreement, and be signed by an authorized representative of each of the parties.
35. This Agreement depends upon the continued availability of appropriated funds and expenditure authority from the Legislature for this purpose. If for any reason the Legislature fails to appropriate funds or grant expenditure authority, or funds become unavailable by operation of law or federal funds reductions, the STATE may terminate this Agreement. Termination for any of these reasons is not a default by the STATE nor does it give rise to a claim against the STATE.
36. The parties may terminate this Agreement by mutual written agreement. The STATE may also terminate this Agreement if the COUNTY breaches any terms of this Agreement. If the STATE terminates this Agreement due to the COUNTY'S breach, then any payments owed to the COUNTY at the time of termination may be adjusted to cover any additional costs to the STATE because of the COUNTY'S breach. The adjustment of payments will be in addition to any other remedies the STATE may pursue as a result of COUNTY'S breach, and the STATE does not waive these other remedies by making a payment adjustment. If termination is not due to a breach by the COUNTY, then the COUNTY will be paid for eligible PROJECT costs incurred up to the date of termination, subject to the maximum limiting amount of the BIG.
37. The COUNTY must comply with all federal, state, and local laws, together with all ordinances and regulations applicable to the work and will be solely responsible for obtaining current information on such requirements. The COUNTY must procure all licenses, permits, or other rights necessary for the fulfillment of its obligations under this Agreement.
38. This Agreement will be governed by and construed in accordance with the laws of the State of South Dakota. Any lawsuit pertaining to or affecting this Agreement will be venued in Circuit Court, Sixth Judicial Circuit, Hughes County, South Dakota.
39. If any court of competent jurisdiction holds any provision of this Agreement unenforceable or invalid, such holding will not invalidate or render unenforceable any other provision of this Agreement.
40. All other prior discussions, communications, and representations concerning the subject matter of this Agreement are superseded by the terms of this Agreement, and, except as specifically provided in this Agreement, this Agreement constitutes the entire agreement with respect to its subject matter.
41. The COUNTY has designated its County Commission Chairperson as the COUNTY'S authorized representative and has empowered the Chairperson with the authority to sign this Agreement on behalf of the COUNTY. A copy of the COUNTY'S Commission minutes or resolution authorizing the execution of this Agreement by the Chairperson as the COUNTY'S authorized representative is attached to this Agreement as **Exhibit E**.

SIGNATURES FOLLOW

This Agreement is binding upon the signatories not as individuals but solely in their capacities as officials of their respective organizations and acknowledges proper action of the STATE and the COUNTY to enter into the same.

#### NOTICE OF AWARD

2020 Replacement/Major Rehabilitation Bridge Improvement Grant  
Structure Number 06-120-053  
Project Number BRF 6295(00) 20-8, PCN 07TN  
Grant Amount = \$1,375,000.00(50%)

I am pleased to inform you that the South Dakota Transportation Commission approved a Local Bridge Improvement Grant (BIG) in the amount shown above for the noted structure during their February 27, 2020 commission meeting. A funding agreement and specific information and documents for this grant will be sent to you at a later date.

If you have questions, please feel free to contact Tammy Williams at 605.773.8149 or Doug Kinniburgh at 605.773.4284.

Sincerely,

Darin P. Bergquist  
Secretary

## Bridge Improvement Grant Work Order Requirements for Structure Design

### SCOPE OF SERVICES TEMPLATE – Design

1. **Preparation of sketches of the structure as selected during the TS&L.** The Consultant shall submit general drawing sheets, a riprap layout, and plan/profile of the selected option to the Local Government Assistance Office for review at the START OF DESIGN. (Not applicable for Bid Ready grants.)

**NOTE:** Foundation Investigation will need to be included for projects that did not have this work included in the preliminary engineering. If not handled by the SDDOT Geotechnical Activity Office, the requirements are as follows:

**Report of Foundations Investigation.** Conduct field investigation and provide design recommendations according to AASHTO LRFD Bridge Design Specifications Section 10. Report shall include boring information, lab results, and design recommendations. See **Examples #1 and #2**, for reports that are typically developed by the SDDOT Geotechnical Engineering Activity Office.

2. **Survey and plans for the above referenced project as described in the TS&L letter and Final Hydraulics Data Sheet, design calculations, independent design check, and load ratings.** Review plans (100% complete) are to be submitted in PDF format. Specifications shall follow the most current edition of the Standard Specification for Roads and Bridges. South Dakota Department of Transportation Bid Items, Standard plates and plan notes, from the SDDOT website, must be used in development of the **11" x 17" Non Section Method** plan set.

The consultant shall provide design calculations, independent check, and load ratings for the structure as set forth in the Master Retainer Contract. In addition, load ratings for the Special Hauling Vehicles and Emergency Vehicles specified in **Attachment #2** shall also be submitted. The Consultant is wholly responsible for the accuracy and safe keeping of the design calculations and the independent design check.

3. **Incorporation into the plans of any changes that may be requested in the SDDOT plan review comments or provide written explanation for items not changes.**
4. **Review of shop fabrication drawings as may be required and submittal of the approved shop drawings to the Consultant.** This item is to be completed within two (2) weeks of receipt of shop or fabrication drawings from the contractor and shall be noted accordingly in the plans.
7. **Provide Quality Assurance / Quality Control Testing Plan based on SDDOT Materials Manual.** This document must be reviewed by the SDDOT prior to the notice to proceed being issued to the contractor. See **Appendix D** for requirements.

Please refer to the checklist in **Attachment #1** for the items required to be submitted to the Local Government Assistance Office.

**Attachment #3** contains applicable excerpts from the Current SDDOT Consultant Retainer, DOT-900 AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES.

**Attachment #1  
Local Government Assistance  
Checklist for Structure Design Work Order**

These items must be submitted to DOT/Local Government Assistance.  
If any of these items are missing, the full packet will be returned for completion and resubmission to  
this office.

Project Number \_\_\_\_\_ County \_\_\_\_\_ PCN \_\_\_\_\_

---

**To be submitted at the START OF DESIGN**

- Plan/profile, general drawing sketches, and riprap layout as selected during the TS&L

---

**To be submitted well in advance of anticipated letting**

- Review Plans (100% complete & ready for review) in PDF Format
- Design calculations, independent design check, and load ratings

---

**To be submitted after SDDOT plan review is complete**

- All Plan Review Comments must be Addressed and Documented
- Final Plans – Electronic PDF file of the engineered, stamped set of plans
- Quality Assurance / Quality Control Testing Plan

Attachment #2

Bridge Improvement Grant

Load Rating Requirements for the Special Hauling Vehicles

U.S. Department  
of Transportation  
Federal Highway  
Administration

# Memorandum

Subject: **ACTION:** Load Rating of Specialized Hauling  
Vehicles

Date: November 15, 2013

/s/ *Original Signed by*  
From: Joseph S. Krolak  
Acting Director, Office of Bridge Technology

In Reply Refer To:  
HIBT-10

To: Federal Lands Highway Division Engineers  
Division Administrators

The purpose of this memorandum is to clarify FHWA's position on the analysis of *Specialized Hauling Vehicles* (SHVs) as defined in the AASHTO Manual for Bridge Evaluation (MBE) during bridge load rating and posting to comply with the requirements of the *National Bridge Inspection Standards* (NBIS). The intent of the load rating and posting provisions of the NBIS is to insure that all bridges are appropriately evaluated to determine their safe live load carrying capacity considering all unrestricted legal loads, including State routine permits, and that bridges are appropriately posted if required, in accordance with the MBE.

The SHVs are closely-spaced multi-axle single unit trucks introduced by the trucking industry in the last decade. Examples include dump trucks, construction vehicles, solid waste trucks and other hauling trucks. SHVs generally comply with Bridge Formula B and are for this reason considered legal in all States, if a States' laws do not explicitly exclude the use of such vehicles.

NCHRP Project 12-63 (Report 575, 2007) studied the developments in truck configurations and State legal loads and found that AASHTO Type 3, 3-S2 and 3-3 legal vehicles are not representative of all legal loads, specifically SHVs. As a result, legal load models for SHVs were developed and adopted by AASHTO in 2005, recognizing that there is an immediate need to incorporate SHVs into a State's load rating process, if SHVs operate within a State. The SHV load models in the MBE include SU4, SU5, SU6 and SU7 representing four- to seven-axle SHVs respectively, and a Notional Rating Load (NRL) model that envelopes the four single unit load models and serves as a screening load. If the load rating factor for the NRL model is 1.0 or greater, then there is no need to rate for the single-unit SU4, SU5, SU6 and SU7 loads. However, if the load rating factor for the NRL is less than 1.0, then the single-unit SU4, SU5, SU6 and SU7 loads need to be considered during load rating and posting.

The SHVs create higher force effects, and thus result in lower load ratings for certain bridges, especially those with a shorter span or shorter loading length such as transverse floor beams, when compared to AASHTO Type 3, 3-S2 and 3-3 legal loads and HS20 design load. Therefore, SHVs, i.e., SU4, SU5, SU6 and SU7 or NRL, are to be included in rating and posting analyses in accordance with Article 6A.2.3 and Article 6B.9.2 of the 1<sup>st</sup> Edition of the MBE (Article 6B.7.2 of the 2<sup>nd</sup> Edition of the MBE), unless one of the following two conditions is met:

**Condition A:** The State verifies that State laws preclude SHV use; or

**Condition B:** The State has its own rating vehicle models for legal loads and verifies that the State legal load models envelope the *applicable* AASHTO SHV loading models specified in Appendix D6A and Figure 6B.9.2-2 of the 1<sup>st</sup> Edition of the MBE (Figure 6B.7.2-2 of the 2<sup>nd</sup> Edition of the MBE), and the State legal load models have been included in rating/posting analyses of all bridges. The SHV types, e.g. six- or seven-axle SHVs, precluded by State laws need not be considered.

The SHV load models apply to Allowable Stress Rating, Load Factor Rating, and Load and Resistance Factor Rating in accordance with Section 6A and 6B of the MBE.

The FHWA recognizes that there are bridges in the inventory that have not been rated for SHVs and that it is not feasible to include SHVs in the ratings for the entire inventory at once. FHWA is establishing the following timelines for rating bridges for SHVs, if neither Condition A or B is met:

**Group 1:** Bridges with the shortest span not greater than 200 feet should be re-rated after their next NBIS inspection, but no later than December 31, 2017, that were last rated by:

- a) either Allowable Stress Rating (ASR) or Load Factor Rating (LFR) method and have an operating rating for the AASHTO Routine Commercial Vehicle either Type 3, Type 3S2, or Type 3-3 less than 33 tons (English), 47 tons (English), or 52 tons (English) respectively; or
- b) Load and Resistance Factor Rating (LRFR) method and have a legal load rating factor for the AASHTO Routine Commercial Vehicle, either Type 3, Type 3S2 or Type 3-3, less than 1.3.

**Group 2:** Rate those bridges not in Group 1 no later than December 31, 2022.

For either group, if a re-rating is warranted due to changes of structural condition, loadings, or configuration, or other requirements, the re-rating should include SHVs.

The selection of load rating method should comply with FHWA's Policy Memorandum *Bridge Load Ratings for the National Bridge Inventory*, dated October 30, 2006.

A State may utilize an alternative approach in lieu of the above to address the load rating for SHVs for bridges in their inventory; however, the approach must be reviewed and formally accepted by FHWA.

The timeline presented above will be incorporated into the review of Metric 13 under the National Bridge Inspection Program (NBIP); specifically, it is expected that all bridges meeting Group 1 criteria be load rated for SHVs by the end of 2017. Please work with your State to assist them in developing appropriate actions to meet those timelines. If your State is currently developing or implementing a Plan of Corrective Actions (PCA) for load rating bridges, the PCA should be reviewed and modified as necessary to take into account the rating of SHVs for those bridges and these timelines.

We request that you share this memorandum with your State or Federal agency partner. All questions that cannot be resolved at the Division Office level should be directed to Lubin Gao at [lubin.gao@dot.gov](mailto:lubin.gao@dot.gov) or at 202-366-4604.

## Load Rating Requirements for the Emergency Vehicles

# Memorandum

Subject: **ACTION:** Load Rating for the FAST Act's  
Emergency Vehicles

Date: November 3, 2016

From: /Original signed by/  
Joseph L. Hartmann, Ph.D., P.E.  
Director, Office of Bridges and Structures

In Reply Refer To: HIBS-1

To: Division Administrators  
Federal Lands Highway Division Directors

On December 4, 2015, the President signed into law the *Fixing America's Surface Transportation Act* (FAST Act) (Pub. L. 114-94). Section 1410 of the FAST Act amended 23 U.S.C. 127, *Vehicle weight limitations—Interstate System*, by revising the weight limits for certain vehicles on the Interstate System. The purpose of this memorandum is to provide guidance on maintaining compliance with the load rating and posting requirements of 23 CFR Part 650—specifically for the amended weight limits in 23 U.S.C. 127(r), *Emergency Vehicles*, for bridges on the Interstate System and within reasonable access to the Interstate System. Reasonable access is defined in a September 30, 1992 Non-Regulatory Supplement to 23 CFR Part 658 as at least one-road-mile from access to and from the National Network of highways, which includes the Interstate System, or further if the limits of a State's reasonable access policy for food, fuel, repairs, and rest extend to facilities beyond one-road-mile.

An emergency vehicle as defined in the FAST Act is designed to be used under emergency conditions to transport personnel and equipment to support the suppression of fires and mitigation of other hazardous situations (23 U.S.C. 127(r)(2)). The gross vehicle weight limit for emergency vehicles is 86,000 pounds under section 127(r). The statute imposes the following additional limits, depending upon vehicle configuration:

- 24,000 pounds on a single steering axle
- 33,500 pounds on a single drive axle
- 62,000 pounds on a tandem axle
- 52,000 pounds on a tandem rear drive steer axle

Emergency vehicles are typically operated by fire departments and are primarily equipped for firefighting, but are also used to respond to and mitigate other hazardous situations in

an emergency. These vehicles may not meet Federal Bridge Formula B. They can create higher load effects compared to the AASHTO legal loads (i.e., Types 3, 3S2, 3-3, and SU4 to SU7) which are currently included in the AASHTO Manual for Bridge Evaluation (MBE). The Federal Highway Administration (FHWA) has determined that, for the purpose of load rating, two emergency vehicle configurations produce load effects in typical bridges that envelop the effects resulting from the family of typical emergency vehicles that is covered by the FAST Act:

1. Type EV2 - for single rear axle emergency vehicles

Front Single Axle: 24,000 pounds  
Rear Single Axle: 33,500 pounds  
Wheelbase: 15 ft.

2. Type EV3 – for tandem rear axle emergency vehicles

Front Single Axle: 24,000 pounds  
Rear Tandem Axle: 62,000 pounds (two 31,000 pound axles spaced at 4 ft.)  
Wheelbase: 17 ft. (distance from front axle to the centerline of rear tandem axle)

Load ratings (or rating factors) should be determined for these emergency vehicle configurations i.e., Types EV2 and EV3, at the operating or legal load rating level in accordance with the methods specified in the AASHTO MBE, First Edition with two exceptions:

1. Multiple presence: If necessary, when combined with other unrestricted legal loads for rating purposes, the emergency vehicle needs only to be considered in a single lane of one direction of a bridge.
2. Live load factor: A live load factor of 1.3 may be utilized in the Load and Resistance Factor Rating (LRFR) or Load Factor Rating (LFR) method.

Under 23 CFR 650.313(c), all highway bridges must be load rated and, if necessary, posted in accordance with the MBE. Recognizing that States and Federal agencies cannot immediately load rate every Interstate System bridge and bridges within reasonable access to the Interstate, FHWA recommends utilizing the following approach to prioritize load rating and posting for emergency vehicles:

Group 1: Bridges that meet any one of the following criteria do not need to be immediately load rated for emergency vehicles.

- a. An operating or legal load rating factor for the AASHTO Type 3 vehicle of at least 1.85;
- b. an inventory rating factor for the HS 20 design load of at least 1.0 using the LFR method, or

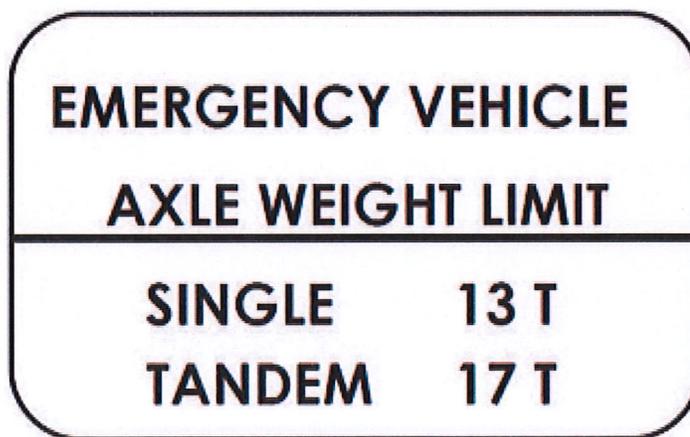

- c. an inventory rating factor for the HL-93 design load of at least 0.9 using the LRFR method.

However, the bridges in this group shall be rated for the emergency vehicles when a normal re-rating is warranted, including changes in structural condition and other loadings.

Group 2: Bridges not in Group 1 should be rated for the emergency vehicles following their next inspection to incorporate the latest condition of the bridge, but no later than December 31, 2019. Emergency vehicles should be included in any new load ratings for these bridges when the load ratings occur before December 31, 2019.

If a State or Federal agency wants to utilize an alternative approach in lieu of the above to group bridges in an inventory for the purpose of prioritization, it should seek FHWA's review and concurrence of the alternative approach. Regardless of the prioritization approach used, the selection of load rating method should comply with FHWA's Policy Memorandum [Bridge Load Ratings for the National Bridge Inventory, dated October 30, 2006.](#)

When a load rating results in an operating rating factor less than 1.0 for the emergency vehicles, the bridge shall be appropriately posted for both the governing single axle weight limit and tandem axle weight limit derived from the above emergency vehicle configurations, i.e., Types EV2 and EV3 (23 CFR 650.313(c)). When posting is necessary, the following sign format, using the appropriate weight limits, should be considered:

If a State law allows or exempts emergency vehicles to operate without restriction off the Interstate System as legal loads, 23 CFR 650.313(c) requires bridges on these highways to be load rated and posted, if necessary, for these vehicles. Unless State law relies on a different definition of emergency vehicle than that included in the FAST Act (23 U.S.C. 127(r)(2)), States can perform load ratings on these highways using the two emergency vehicle configurations included in this memorandum.

Division Offices should work with their State DOT or Federal agency partners to develop

an action plan by March 31, 2017, with defined tasks, completion dates, and progress reporting requirements. Although this guidance focuses on highway bridges, 23 CFR 650.513(g) also requires States and Federal agencies to load rate and post highway tunnels, if necessary. Therefore, the action plan should also incorporate highway tunnels. States and Federal agencies should load rate tunnels for the emergency vehicle configurations above by December 31, 2019. Each Division Office should coordinate this action plan with its Bridge Safety Engineer.

We request that you share this memorandum with your State DOT or Federal agency partners immediately. If you have any questions or need more information, please contact Lubin Gao at (202)366-4604 or [Lubin.Gao@dot.gov](mailto:Lubin.Gao@dot.gov), or your Bridge Safety Engineer.

**AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES**  
**(SDDOT Consultant Retainer)**

**FURNISHING OF DOCUMENTS (DOT-900, 10/2016, Section B.3.)**

Except where otherwise specifically provided, the CONSULTANT will furnish to the DEPARTMENT all documents, reports, exhibits, electronic files, and other presentations for all phases of the work performed under the terms of this Agreement.

The CONSULTANT will furnish to the DEPARTMENT all design and check design computations. All documents furnished, including all original drawings, software generated electronic files, design computations, and check design computations, will become and remain the property of the DEPARTMENT and may be used by the DEPARTMENT without restriction for any public purpose.

The CONSULTANT will provide survey documents for bench levels and for the checking of bench levels on standard loose-leaf transit field book sheets. The CONSULTANT will provide all other data collected in an electronic format and will include the following files: FWD file, DGN file, DTM file, ALG file, and the RAW data file. The FWD file, DGN file, DTM file, and ALG file, will be compatible with the DEPARTMENT'S current version of InRoads. The RAW data file will be in ASCII format and will include the following information: point number, northing, easting, description, and any pertinent notes corresponding to a particular point.

The CONSULTANT, as requested by the DEPARTMENT, will submit construction documents, either electronic or paper format, and said documents will become and remain the DEPARTMENT'S property.

The CONSULTANT will return all data furnished to the CONSULTANT by the DEPARTMENT to the DEPARTMENT.

Compliance with all of the foregoing will be considered to be within the purview of this Agreement and will not constitute a basis for additional or extra compensation.

**GENERAL REQUIREMENTS (DOT-900, 10/2016, Section C.3.)**

- b. Survey for roadway and hydraulic design will be in accordance with the edition of the Department of Transportation Survey Manual currently in place at the time of execution of the Work Order.
- c. Wetland delineation will be in conformance with the US Army Corps of Engineers Wetland Delineation Manual and Regional Supplements. Wetland mitigation plans will include construction plans, performance criteria, and a five (5) year monitoring plan.
- d. Hydrologic/Hydraulic design will be in accordance with the edition of the South Dakota Drainage Manual (and its revisions) currently in place at the time of execution of the Work Order.

**ROADWAY DESIGN (DOT-900, 10/2016, Section C.4.)**

Unless otherwise modified by the Work Order, the CONSULTANT will meet the following requirements:

- a. Roadway design will be in accordance with the edition of the Department of Transportation Road Design Manual (and its revisions) currently in place at the time of execution of the Work Order and the American Association of State Highway and Transportation Officials (AASHTO) Specifications, "A Policy on Geometric Design of Highways and Streets" (2011 or the version in place at the time of execution of the Work Order), and Interims, or the Local Roads Plan.
- b. The CONSULTANT will complete and furnish to the DEPARTMENT, at the time the plans are delivered to the DEPARTMENT, a DEPARTMENT provided checklist. This checklist will provide certification that a separate check has been performed, all review revisions have been made, and the plans are correct and complete.

- c. The CONSULTANT will furnish basic design criteria in the Scope Summary Report and in the Scope of Services.
- d. The CONSULTANT may obtain standard drawings of roadway appurtenances from the DEPARTMENT'S Office of Road Design.
- e. The CONSULTANT will contact the DEPARTMENT'S Office of Bridge Design, if a DEPARTMENT structure's drainage area is greater than 1,000 acres. For these structures, the DEPARTMENT'S Office of Bridge Design will make a hydraulics recommendation, or will concur on the hydraulics requirement if hydraulics is part of the work order scope.
- f. The DEPARTMENT will furnish basic surfacing design criteria, such as type, thickness, and width of pavement.
- g. The DEPARTMENT will furnish material recommendations.

**STRUCTURE DESIGN (DOT-900, 10/2016, Section C.5.)**

Unless otherwise modified by the Work Order, the CONSULTANT will meet the following requirements:

- a. Prior to initiating design, the CONSULTANT will be required to submit the QC/QA plan/procedure to be followed for structure design to the DEPARTMENT for approval. The CONSULTANT may not begin structure design work until the QC/QA plan/procedure is approved and documented. If the CONSULTANT has a prior approved structure design QC/QA plan/procedure document on file with the OBD, and no changes to that document are anticipated for the current contract, the CONSULTANT will not need to resubmit a structure design QC/QA plan/procedure document.
- b. The CONSULTANT will design bridges, box culverts, and miscellaneous highway structures in accordance with the edition of the "AASHTO LRFD Bridge Design Specifications," currently in place at the time of execution of the Work Order except as modified by the DEPARTMENT'S design practices. Prior to beginning design work, the DEPARTMENT will supply the CONSULTANT with a copy of design practices along with examples of standard detailing procedures and typical plans.
- c. The CONSULTANT will design highway structures for a vehicular live loading of HL-93. Additional design criteria may be included in the Scope of Work.
- d. The CONSULTANT will load rate each structure, including culverts that are bridge length, in accordance with the edition of the AASHTO "Manual for Bridge Evaluation" with latest Interim Revisions using the LRFR method currently in place at the time of execution of the Work Order. The CONSULTANT will perform an HL-93 Design Load Rating for each structure. The CONSULTANT will analyze the AASHTO HS20 vehicle for Inventory and Operating Ratings. The CONSULTANT will also perform a Legal Load Rating for South Dakota legal trucks, the notional rating load, and the four specialized hauling vehicles. The CONSULTANT will submit a copy of the rating analyses to the DEPARTMENT along with the Final Plans for bid letting purposes. The Bridge Management Engineer from the DEPARTMENT'S Office of Bridge Design will review load ratings. Load ratings must be above the Legal Loads. The CONSULTANT will provide a separate summary table of all load ratings to be included in the Bridge Inspection file.
- e. The CONSULTANT will provide the DEPARTMENT a hard copy of design computations, independent check design computations, and load ratings, including computer output if applicable, with the final review set of drawings.
- f. The CONSULTANT will review shop plans for fabricated items, and will forward marked-up shop plans to the DEPARTMENT. The DEPARTMENT must authorize any fabrication.

**PLANS, SPECIFICATIONS, AND ESTIMATES, GENERAL (DOT-900, 10/2016, Section C.8.)**

Unless otherwise modified by the Work Order, the CONSULTANT will meet the following requirements:

- a. When complete plans, supplemental specifications, or special provisions are prepared, these will become the property of the DEPARTMENT, County, or City.

- b. The CONSULTANT will furnish and deliver to the DEPARTMENT original drawings of all sheets comprising the set of plans, together with all reports, drawings, computer files, studies, memoranda, and other data pertaining thereto.
- c. The CONSULTANT will furnish to the DEPARTMENT an electronic MS Word file of all special specifications.
- d. The CONSULTANT will prepare plans in conformance with the DEPARTMENT'S customary practices. The CONSULTANT will use standard format for notes, tables, and rates of materials.
- e. The CONSULTANT will prepare plans on sheets 11" x 17" or 8 1/2" x 11" in size, under the guidance of the Road Design Manual's Chapter 18 – Plans Assembly: [www.sddot.com/business/design/forms/roaddesign/Default.aspx](http://www.sddot.com/business/design/forms/roaddesign/Default.aspx) or as directed by the DEPARTMENT. The CONSULTANT will follow the specific section of the Road Design Manual's Chapter 18 as it relates to plans produced by consultants in order to provide accurate electronic plans and bid items for the DEPARTMENT'S electronic bidding system. The CONSULTANT will utilize the DEPARTMENT'S web site: <http://www.sddot.com/business/design/Default.aspx> for Plan Preparation (i.e. Road Design Manual, CADD Procedure Manual, and User Guide for Electronic Plan Review), Downloadable Files (i.e. Form Letters, Microstation and InRoad files, and Plan Notes) and other information as necessary to design and prepare plans. The CONSULTANT will follow the properties and procedures set up for the DEPARTMENT'S electronic plans as set forth in document located at the following web site address: <http://sddot.com/business/design/forms/cadd/Default.aspx> . Electronic plans will be used for bidding purposes and must contain a watermark on each sheet stating "For Bidding Purposes Only." Refer to Paragraph i. below for details on the set of plans to be used for construction.
- f. The CONSULTANT will prepare plans with sufficient precision to permit the convenient layout in the field for construction and for other purposes. The plans will also provide for the production of an accurate estimate of quantities for the work to be performed in the construction of the project.
- g. The CONSULTANT will furnish such other pertinent information and data with respect to the plans and designs as the DEPARTMENT may request.
- h. The DEPARTMENT will require all persons designing, detailing, and checking structure plans to legibly place their names or initials on each plan sheet in the spaces provided for this purpose.
- i. The DEPARTMENT will designate the basic premises and criteria for the design. The CONSULTANT will develop plans in accordance with the DEPARTMENT'S standard specifications for roadway and bridge construction.
- j. As part of the work embraced in the preparation of plans, the CONSULTANT will prepare and furnish to the DEPARTMENT special provisions in standard DEPARTMENT format, for items of work included in the plans which are not covered by the standard specifications, plan notes, or DEPARTMENT-approved special provisions.
- k. The CONSULTANT will ensure scales, lettering, and the general delineation of the plans mirror the DEPARTMENT format and provide readily legible reproductions.
- l. The CONSULTANT will ensure each plan sheet bears the South Dakota registered professional seal and endorsement of the CONSULTANT as per the requirements of the South Dakota Board of Technical Professions.
- m. The CONSULTANT will use software acceptable to the DEPARTMENT as agreed to in the Work Order.

Note: The DEPARTMENT'S standard software programs are the Bentley Civil Products (InRoads Suite), MicroStation, AASHTOWare products, Adobe Acrobat, Bluebeam, and the Microsoft Office Suite. The DEPARTMENT may require other software on Work Orders.

## **CONSTRUCTION ENGINEERING TECHNICAL REQUIREMENTS (DOT-900, 10/2016, Section D1.)**

1. **CONSULTANT'S RESPONSIBILITIES.** The CONSULTANT will be responsible to the DEPARTMENT, and will complete all work to the DEPARTMENT'S satisfaction.

Subject to availability, the CONSULTANT will provide personnel for the areas of expertise necessary to satisfactorily complete the work specified in the Work Order and this Agreement. The DEPARTMENT will notify the CONSULTANT as to the proper medium that will be used for recording purposes of field data. The CONSULTANT will submit reports in a timely manner as directed by the DEPARTMENT'S Office issuing the Work Order. The responsibilities for these areas are described in **Exhibit 4, CONSTRUCTION ENGINEERING CONSULTANT RESPONSIBILITIES.**

### **EXHIBIT 4 (DOT-900, 10/2016)**

#### **CONSULTANT CONSTRUCTION OVERSITE RESPONSIBILITIES**

##### **GENERAL**

##### **The CONSULTANT will:**

1. Be knowledgeable of the requirements of the project plans and specifications, the DEPARTMENT'S Survey Manual, Road Design Manual, South Dakota Drainage Manual, and Computer-Aided Design and Drafting (CADD) Procedures Manual.
2. Assure project personnel are knowledgeable of their duties and responsibilities.
3. Assure project personnel are knowledgeable of the DEPARTMENT'S Materials Manual.
4. Oversee day to day activities to ensure the project is constructed in accordance with plans and specifications.
5. Ensure all documentation and reports are accurate and kept current.
6. Prepare and electronically submit Biweekly Progress Reports, Construction Change Orders, Progress Pay Estimates, Final Pay Estimate, and Final Construction Change Order, all on the current version of the DEPARTMENT'S Construction Management System. The CONSULTANT will submit these reports in a timely manner as directed by the DEPARTMENT'S Office issuing the Work Order.
7. Require all individuals providing acceptance testing and independent assurance testing of construction materials or acceptance inspection to record all data/results electronically on the current version of the DEPARTMENT'S Construction Management System, or as instructed by the DEPARTMENT.
8. Require all individuals providing acceptance testing and independent assurance testing of materials or acceptance inspection to meet the requirements of the DEPARTMENT'S Materials Testing and Inspection Certification Program Manual.
9. Ensure testing equipment identified in the DEPARTMENT'S Materials Testing and Inspection Certification Program Manual is calibrated and documented according to the designated frequencies and procedures designated in the Manual.
10. Perform other duties assigned by the DEPARTMENT as defined in this Agreement.

##### **The CONSULTANT'S PROJECT ENGINEER will:**

1. Assist with conducting the pre-construction meeting.
2. Prepare biweekly progress reports, construction change orders, progress pay estimates, final estimate, and final construction change order electronically on the current version of the DEPARTMENT'S Construction Management System.

3. Handle equal employment opportunity (EEO) and labor compliance activities.
4. Ensure that subcontractors working on the project are approved by the DEPARTMENT.

**The CONSULTANT'S INSPECTOR will:**

1. Assure the asphalt or concrete plant is properly calibrated.
2. Perform scale accuracy checks.
3. Ensure construction activities remain inside the acquired right-of-way or easement as specified on the plans unless approved by the DEPARTMENT.

**The CONSULTANT'S SURVEY PARTY CHIEF will:**

1. Record field notes for slope stakes, blue tops, paving grades, pipe, structure layout, and other items of the same sort in electronic format, FWD files, DGN files, DTM files, ALG files, and RAW files compatible to the current version of InRoads being used by the DEPARTMENT.
2. Set centerline, offset lines, bluetops, slope stakes, pipe stakes, structure stakes, and other items of the same sort by electronic or manual means.
3. Run bench levels within acceptable tolerances of the DEPARTMENT'S Survey Manual and maintain field notes on standard loose-leaf transit field book sheets.
4. Obtain necessary topographic data within acceptable tolerances of the DEPARTMENT'S Survey Manual.
5. Supervise and assure the survey crew is knowledgeable as to its duties and responsibilities.

**The CONSULTANT'S TEST PERSON AND EQUIPMENT will:**

1. Be knowledgeable of the requirements of the project plans and specifications.
2. Sample and test materials for acceptance as specified by the DEPARTMENT'S Materials Manual. Perform material tests for QC/QA projects in accordance with QC/QA manual and have the proper QC/QA certification.

Recognize and have the ability to take corrective action for calibration of testing equipment.

**EXAMPLE 1**

**REPORT OF FOUNDATION INVESTIGATION**

**PROJECT:** BRO 8048(03) Mellette County PCN 02DY

**LOCATION:** Structure No. 48-102-010, 18.9 miles North & 0.8 miles West of Cedar Butte over the White River.

**METHOD OF INVESTIGATION:**

All soundings are made according to the Standard South Dakota Subsurface Investigation Techniques and AASHTO Specifications. Auger holes are drilled with a 4-1/2 inch continuous flight auger. Penetration and Push Test holes are drilled with a 6-5/8 inch continuous hollow stem auger. Push core samples are obtained by hydraulically ramming a 2 foot long lined split spoon sampler into the soil to obtain 2 inch nominal diameter soil samples. Penetration tests are conducted by dropping a 140 pound hammer 30 inches to obtain 2 inch nominal diameter samples and to measure the resistance to penetration of the soil. Corings with the SDDOT drive rig are performed by using a California retractable plug sampler, which is driven with a 490 pound hammer. The drill stem is P.K. rod, which is 2-7/8 inch O.D., and 2 inch nominal diameter cores are obtained. All laboratory tests are performed in accordance with standard AASHTO or SDDOT laboratory procedures.

**RECOMMENDATIONS:**

Abutments:

I. Steel HP10 X 42 Piling

A. A LRFD maximum factored pile bearing resistance of 77 tons can be used for design.

B. The anticipated tip elevations are:

<u>Station</u>	<u>Elevation</u>
22+06	1910
25+27	1892

C. The nominal pile bearing resistance shall be 192 tons verified by the SDDOT's Modified ENR formula.

Bents:

I. Drilled Shafts

A. A LRFD maximum factored resistance value of 2,800 psf can be used for design below elevation 1912 ft. or maximum scour whichever is lower.

B. Permanent casings will be required to elevation 1915 ft.

C. The point of fixity within the bedrock can be assumed to be the elevation 1912 ft.

**DISCUSSION:**

The proposed structure location is underlain by brown sand-silt (alluvium) overlying brown silt-sand with gravel (alluvium). The alluvial sediments rest upon gray silt-clay (Pierre Shale). The D50 of the brown sand-silt, brown silt-sand with gravel, and gray silt-clay (Pierre Shale) can be assumed to be 0.06 mm, 1.0 mm, and 0.004 mm. The D95 of the brown sand-silt, brown silt-sand with gravel, and gray silt-clay (Pierre Shale) can be assumed to be 1.0 mm, 6.0 mm, and 0.06 mm.

Steel HP10X42 piling along with the anticipated tip elevations, are listed in the recommendations for use in the abutments. Drilled Shafts are listed in the recommendations for use at the bents.

The piling were evaluated for drivability and group effects at the LRFD Strength Limit State. Settlement of the substructure units and horizontal movement of the abutment piling were evaluated at the LRFD Service Limit State.

Drivability –

A drivability analysis was performed for the steel HP10X42 piling using the wave equation analysis program (GRLWEAP). A group of pile hammers that were evaluated and found to produce acceptable driving stresses is listed later in this report for inclusion in the plans.

Pile Group Effects:

Axial Loading –  
Abutments

For a single row of piling, AASHTO requires the center-to-center pile spacing to be at least 30" or 2.5 times the width of the pile, whichever is greater. Therefore, for the steel HP10x42 piling at the abutment the center-to-center spacing shall be at least 30".

Settlement –

The steel pile tips will be founded in the Pierre Shale. Unconfined compression test results of the Pierre Shale exceed the proposed bridge loadings. Past experience for piling driven into hard shale soil bedrocks has shown little, if any, settlement has occurred. Therefore, 1/4 inch or less of total settlement can be used to design the substructure units.

Horizontal Movement –

AASHTO states that if the center-to-center spacing of the piling in the substructure unit is greater than 5 times the width of the pile then group effects can be ignored. Therefore, if the designed spacing is greater than 5 times the pile width a group efficiency factor of 1.0 can be used with no reduction in pile loading required. If this minimum pile spacing is not met a reduction factor will need to be calculated according to the AASHTO code.

Horizontal movement at the substructure units can be calculated using the following soil parameters:

Sand-silt (alluvium); phi angle = 24 degrees, cohesion = 50 psf, wet unit weight = 118 pcf  
Silt-sand with gravel (alluvium); phi angle = 32 degrees, cohesion = 0 psf, wet unit weight = 130 pcf  
Silt-clay (Pierre Shale); phi angle = 18 degrees, cohesion = 1,000 psf, wet unit weight = 130 pcf

For the drilled shafts, a LRFD maximum factored resistance value (skin friction) of 2,800 psf is recommended below elevation 1912 for the bents or maximum scour whichever is lower. The point of fixity within the bedrock can be assumed to be 1912 for the bents.

Each drilled shaft shall have a minimum of 3 access tubes for a shaft diameter of 3.0' and less. The number of access tubes needed shall be increased by 1 for each foot increase in shaft diameter above the 3.0'. The access tubes shall be furnished and installed according to the South Dakota Department of Transportation's 2004 Standard Specifications for Roads and Bridges. These access tubes shall be equally spaced in the shaft reinforcement prior to placing the reinforcement cage.

A representative of the **CONSULTING FIRM (NAME AND NUMBER)** shall be present during drilling operations to confirm the elevations provided in this report and to observe the placement of the drilled shafts. In addition to the notes below, contact the **CONSULTANT REPRESENTATIVE** for the most current drilled shaft construction notes to be included in the plans.

**The following notes shall be placed in the plans:**

A drivability analysis was performed using the wave equation analysis program (GRLWEAP). The pile hammers listed below were evaluated and found to produce acceptable driving stresses. Pile hammers not listed will require evaluation and approval prior to use from the **CONSULTANT REPRESENTATIVE NAME AND PHONE NUMBER**.

*Hammers need to be sized according to site specific soil parameters and structure design requirements. The following list of hammers is owned and readily available by contractors that do work in SD. Select and specify in the report which hammers are acceptable for use on individual projects.*

PLOTTED FROM - TPA181874

Pierre Shale is a massive shale with a thin bedded structure. It is composed of fine to medium grained sandstone and siltstone. The shale is generally gray to black. The formation may contain thin bedded zones that are normally thin but occasionally are massive. These zones may be considered hard and dense. Thin zones may be present that are cemented resulting in claystone or siltstone seams. Bedding in this zone may be encountered but are normally less than one half inch thick. Nonweathered Pierre Shale is considered to be Soft Rock.

Penetration tests are conducted by dropping a 140 pound hammer 30 inches to obtain a 2 inch nominal diameter sample and to measure the resistance to penetration of the soil.

The geotechnical engineering activity has on file all of the boring logs for this project. These logs and additional results of laboratory tests, if any, are available for review at the Central Office in Pierre.

## RECOMMENDATIONS

## EXAMPLE 2

**Re:** BRO 8027(29), Gregory County, PCN 00QR  
Str. No. 27-030-081, located 2.0 West & 0.1 South of the Jct of SD44/SD47  
RCBC Undercut Recommendation

Soils maps of the area indicate the soils at the location of the proposed structure have the following characteristics.

Station 16+86 (Str. No. 27-030-081)

CLASSIFICATION: A-7  
Clay & Silty Clay  
AVERAGE LIQUID LIMIT: 66  
SHRINK-SWELL POTENTIAL: High to Very High  
FROST ACTION POTENTIAL: Low  
CORROSIVITY: High for steel, Low to Moderate for concrete

### RECOMMENDATIONS:

Provide 24 inches of undercut and backfill.

### DISCUSSION:

The project consists of replacing an existing single span 22' steel stringer bridge with a 2 barrel 13' x 6' cast-in-place RCBC. The proposed box culvert will be in the same location as the existing bridge location. The existing surfacing on the road is gravel and will be resurfaced with gravel upon completion. Minimal grading at the proposed box culvert location is anticipated, therefore, the material shall be compacted using the Ordinary Compaction Method.

A subsurface investigation was conducted for the proposed RCBC. The subsurface investigation consisted of placing a boring near both the proposed inlet and outlet ends of the structure and logging the material to 3 feet below the flow line. Samples were collected from below the flow line for soils classification. A dynamic cone penetrometer was used at both the inlet and outlet ends to identify the change in relative density of the subsurface material below flow line.

Subsurface soils at the proposed site consist of brown silt-clay to 3' below the existing flow line.

The 2' undercut depth is recommended to remove the low strength soils with high shrink-swell potential from below the box culvert.

### The following paragraphs shall be placed in the plans:

Compaction of earth embankment and box culvert backfill material shall be governed by the Ordinary Compaction Method.

Any questions about the recommendations or the subsurface conditions can be directed to the **CONSULTANT CONTACT NAME AND PHONE NUMBER**.

**Use and Limitation:** The Consultant shall use this document as a guide in preparing a construction management plan to be included in the bid documents for their specific project. Consultants are cautioned that the provision of this suggested sample construction management plan is not an implied or explicit guarantee of grant obligation compliance. The Consultant is solely responsible for the preparation and submittal of compliant construction management plan in accordance with the grant conditions.

## PROJECT INFORMATION

This Construction Management Plan (CMP) details the measures and procedures required to assure compliance with the quality assurance and acceptance provisions of the Bridge Improvement Grant construction contract for Project No. [ ] with [County or City name], South Dakota. The work to be accomplished in this project consists of:

PROJECT SPONSOR: *[Name & contact information for sponsor]*

CONTRACT  
ADMINISTRATION: *[Name of firm Responsible for Const. Observation & QA testing]*  
*[Name of QA firm] – Field tests*  
*[Name & contact info for QA lab] – Lab tests*

## **RESPONSIBILITIES**

### ***Project Manager/Engineer***

The Project Manager / Engineer, on behalf of the sponsor is the person with overall responsibility for contract administration of this project. The Project Manager / Engineer has the authority to take the necessary actions to monitor compliance with the contract documents.

### ***Construction Observer***

The responsibilities of the Construction Observer shall include monitoring all aspects of the job, sampling materials for acceptance, conducting tests on embankment and excavation areas, reviewing and analyzing all test results, assuring that work is within specification limits, advising the Contractor's Superintendent and Project Engineer of nonconformance and possible corrective actions, and measuring quantities for payment.

### ***Quality Acceptance Laboratory***

[As appropriate, clarify which firm is responsible for what QA duties], testing lab duties shall include sampling materials for acceptance and conducting tests on: [embankment, excavation, subbase, base, rip rap, class A45 concrete, pile, PCC]. (If responsibilities for testing of materials are split between different organizations, list which firm is responsible for which QA tests.)

[QA Lab name] personnel assigned to construction testing have received certified training from the [Name of appropriate certifications] (e.g. Troxler Nuclear Equipment Seminar and the American Concrete Institute (ACI)).

All QA testing shall be performed by an (ASTM C1077 and D3666) accredited laboratory and a copy of the current accreditation shall be supplied to the Engineer and Owner, for approval, prior to submitting test results.

## QUALITY ASSURANCE INSPECTION PROCEDURES

1. Quality Assurance Tests: A list of tests and certifications required by the contract specifications can be found in the attached Appendix A. The list includes the referenced specification section and testing requirements. All parties will be informed of their responsibilities. This information will be reviewed at the preconstruction conference and monitored throughout the project.
2. Submittals: The Engineer shall maintain a file containing certifications and submittals required by contract as provided by the contractor, as well as approvals from the Engineer.
3. [Names of firm(s) responsible for QA test reports] will provide acceptance test reports to the [Owner / Engineer] as soon as the results are available, electronically. Typed copies shall be made available within [one] working day [delivered via electronic mail].
4. Material Test Reports: Material test results shall be verbally made available to the [Owner / Engineer] within [one hour] after the test report is completed and typed copies shall be made available within one working day [delivered via electronic mail].
  - Calibration check on equipment used to determine the noncompliance item, if applicable.
  - Confirmation of noncompliance through retesting and/or follow-up observations.
  - If a solution to the nonconformance issue is not reached in a reasonable time frame, additional qualified contractor personnel will be contacted to assist in identifying and correcting the problem.
  - If a severe nonconformance problem is detected and a reasonable solution cannot be implemented in a reasonable time frame, the Construction Superintendent will consult with the Project Engineer and the work will be suspended.
  - The work will not begin again until the Construction Superintendent and Project Engineer concur that a solution to the problem has been found and successfully implemented.
5. Test Reports Which Require Corrective Actions: Should test results or observations indicate noncompliance with the project contract, plans, or specifications, the following communication and follow-up action will be implemented, as applicable:
  - Verbal notification to the sponsor, Construction Superintendent, work area foreman and/or plant operator.

- On restarting the work, the nonconforming testing element or observation will be monitored at an appropriate higher frequency for a reasonable amount of time, e.g. double the testing frequency listed.
  - After the area in noncompliance has been repaired, acceptance retesting will resume. The test reports will include the failed test number for tracking.
6. Daily Reports: The project manager or his representative will maintain a daily diary summarizing pertinent construction items. Items recorded shall include (as a minimum):
- a) Date
  - b) Weather Conditions
  - c) Brief Summary of Work Performed
  - d) Number of workers on site
  - e) Type and Amount of Major Equipment being utilized
  - f) Running total of working/calendar days used on project
  - g) Significant Directives/Communication with contractor (e.g. regarding construction procedures or material quality)
  - h) Summary of QA tests performed that day
  - i) Arrival / Departure Time of On Site Inspection Staff
7. Bi-Weekly Reports: A summary of bi-weekly construction status shall be prepared and submitted to [owner] every [list day, e.g. Friday]. Report shall include summary of work completed in that 2 week period, summary of QA test results, discussion of any controversial issues that came up, and work anticipated during next reporting period. A sample report is included in Appendix B.
8. The resident observer and acceptance testing lab personnel shall maintain all acceptance test reports and provide copies to the owner/engineer as soon as results are available.
9. [Name of firm responsible for final construction report] will prepare a final project construction material testing and acceptance report that includes a summary of: all acceptance tests results, quantity of materials, and all bi-weekly reports. (Actual test reports will be available upon request). This will be submitted to the County with the final pay application.

**APPENDIX A**

List of Tests

Include listing of all QC/QA tests and certifications required by the contract specifications.

Recommend including the following information in your listing:

STATE OF SOUTH DAKOTA  
DEPARTMENT OF TRANSPORTATION  
STANDARD TITLE VI / NONDISCRIMINATION ASSURANCES  
APPENDIX A & E  
MARCH 1, 2016

During the performance of this Agreement, the COUNTY, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to Non-discrimination in Federally-assisted programs of the U.S. Department of Transportation, Federal Highway Administration, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. **Non-discrimination:** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, or national origin.
4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the Federal Highway Administration to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Recipient or the Federal Highway Administration, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:
  - a. withholding payments to the contractor under the contract until the contractor complies; and/or
  - b. cancelling, terminating, or suspending a contract, in whole or in part.
6. **Incorporation of Provisions:** The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the Recipient or the Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

During the performance of this Agreement, the COUNTY, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

**Pertinent Non-Discrimination Authorities:**

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*, 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21.
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Federal-Aid Highway Act of 1973 (23 U.S.C. § 324 *et seq.*) (prohibits discrimination on the basis of sex);
- Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794 *et seq.*) as amended, (prohibits discrimination on the basis of disability); and 49 CFR Part 27;
- The Age Discrimination Act of 1975, as amended (42 U.S.C. § 6101 *et seq.*) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC Ch. 471, § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (PL 100-209) (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131-12189) as implemented by Department of Transportation regulations at 49 CFR Parts 37 and 38;
- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. Ch. 471, § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures Non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of Limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 *et seq.*).

**Subject:** RE: 2020 Stings

Have not done one this year. Everything is closed, and as you should know, no one is sure when these places will open again. I don't have any plans to do a sting until things get back to normal, which could be 18 months by some experts predictions..... Who knows?

Anyway, last sting was June 14, 2019. Two businesses failed – Six Mile Creek Golf Course, and Steel Grit Bar & Grill.

Later.

**Subject:** 2020 Stings

Hi Darin-

It's that time of year for me to mail out the Malt Beverage License applications to those who currently have a license in Brookings County. The County Commission will be approving/not approving these applications once we get to that point. I do know they ask every year if any of them have failed the sting. Not sure if you have done this yet or not, but here are the following business who have a malt beverage license:

- Corner Gas & Goodies (White)
- Brookings Country Club
- The Boathouse (Lake Poinsett/Arlington)
- Wagon Wheel Resort (Oakwood/Bruce)
- Skyview Junction LLC
- Danceland Campground (Brookings)
- Good Roots Farm & Gardens (North on Medary)
- Schade Vineyard (Volga)

Thank you!! ☺

*Jenna Byrd*

**POSITION TITLE:** Equipment Mechanic, Fabricator/Welder  
**DEPARTMENT:** Highway  
**REPORTS TO:** Shop Foreman  
**FLSA STATUS:** Non-Exempt  
**WAGE GRADE:** 7

## **DESCRIPTION OF WORK**

### **General Statement of Duties**

Under the general supervision of the Brookings Highway Superintendent, Lead Foreman and the direct supervision of the Shop Foreman. The fundamental reason this classification exists is to perform skilled tasks in the mechanical repair and maintenance of County vehicles, County equipment, heavy trucks, earth moving, and related construction equipment including road graders, gasoline and diesel powered tractors, dump trucks, and dozers. Work assignments are received in the form of general oral or written work orders, but the employee is expected to determine the nature and extent of needed repairs.

**Examples of Duties:** (Any one position may not include all of the duties listed, nor do the listed examples include all duties which may be found in positions of this grade.)

- Welds, fabricates, and repairs highway equipment and bridges
- Maintains record of welding materials and supplies; reorders general supplies as necessary
- Performs welding to include assisting in repair work as well as fabrication and cement work at the county courthouse, detention center, and other county facilities
- Supervises fabrication work crews as assigned
- Engages in removal of snow as needed
- Operate pay loader, trucks and tractors; assists in gravel hauling as needed
- Picks up and delivers parts, supplies, and equipment as needed by the highway department and by other authorized county personnel
- Attends training sessions and meeting as required
- Performs work in a manner consistent with safe practices
- Develops and maintains positive, professional relationships with the general public and other employees
- Performs other such duties and functions as assigned and necessary to the proper performance of the position
- Test for location and nature of defects in auto electrical systems.
- Adjust and repair clutches and drive trains on automobiles or other equipment.
- Install, replace or adjust filters, belts or similar objects.
- Repair and adjust hydraulic pumps and safety valves. Inspect, repair and adjust diesel power units, hydraulic systems, injection valves and systems, mold boards, and scarifiers on road graders.
- Inspect, adjust and repair gasoline and diesel tractors, and hydraulic and cable operated attachments on tractors.
- Communicate any unsafe conditions or accidents/injuries in a timely manner to the Supervisor in order to facilitate prompt correction or reporting.
- Attend special training and familiarization workshops dealing with innovations in heavy equipment operations, repairs, and maintenance.
- Prepare and keep records related to automotive repair work, work order requests, labor expenditures, job status, estimates, and proposed or completed projects.
- Perform work in a manner consistent with safe practices.
- Wear Personal Protective Equipment when required.

## **QUALIFICATION FOR APPOINTMENT**

### **Required Knowledge, Skills, and Abilities**

- Extensive knowledge and experience with all types of welding equipment and tools.
- Ability to understand and follow written or verbal instructions and to communicate effectively in writing or verbally
- Ability to perform heavy manual labor, withstand variable weather conditions, and work extended hours if needed.
- Possession of a valid South Dakota Class A Commercial Driver's License (CDL).
- Detailed and current knowledge of design, operation, maintenance, and repair of diverse types of light, medium, and heavy gasoline and diesel engines.

- Skilled use of tools, materials, and equipment common to automotive repair work.
- Ability to understand and follow written or verbal instruction and communicate effectively in verbally or in writing.
- Ability to perform manual labor, withstand variable weather conditions, and work extended hours if needed.

**Physical Demands**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- While performing the duties of this job, the employee is frequently required to communicate with employees, co-workers, supervisory staff, etc.
- The employee is regularly required to sit and use hands to finger, handle, or feel.
- The employee is frequently required to stand; walk; reach with hands and arms; climb or balance; stoop, kneel, crouch, or crawl; and taste or smell.
- The employee must regularly lift and/or move up to 50 pounds and occasionally lift and/or move up to 100+ pounds with assistance.
- Ability to work during emergencies.
- Ability to work as needed and to be available for on-call shifts.

**Work Environment**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- While performing the duties of this job, the employee is regularly exposed to fumes or airborne particles; toxic or caustic chemicals; employee is exposed to outside weather conditions.
- The noise level in the work environment is usually moderate but may be occasionally loud.

**Examination, Testing, and Certification**

The Examination, Testing and Certification described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Successful competition in written and/or oral interviews.
- Other such examination as deemed appropriate and necessary by the Superintendent and/or County.

**Education**

- Graduation from vocational school training in diesel/auto mechanics and/or five (5) years mechanical experience

**OR**

Any equivalent combination of education and experience as is acceptable to the hiring authority.

ssteffensen@brookingscountysd.gov

## **STAFF REPORT:**

### **Scheduled Agenda Items**

- 9:00 AM – Long-Term Fund Fire Department Request: This is a request from the Brookings County Fire Department Association to spend \$81,288 out of the long-term fund for a tender truck. Darrell Hartmann will be at the meeting to answer questions the board may have.
- 9:05 AM – Juvenile Detention Grant: Nicole Biever and/or Tim Lease from the Boys & Girls Club will be at the meeting to discuss this grant application. Dan Nelson may have additional input, as well.
- 10:20 Executive Session: This is a scheduled Executive Session for contract negotiations and security.

### **Regular Business Items**

- ❖ Resolution – Plat: This plat was approved unanimously at the April 8, 2020 Planning Commission meeting.
- ❖ Resolution – Vote Centers: This resolution eliminates three additional vote center sites, along with the Arlington site, for the Primary Election due to unavailability of poll workers on Election Day: Sinai, Swiftel Center and Holy Life Tabernacle. Jenna Byrd can comment further, however as Election Day gets closer she has workers continue to cancel. This resolution would affect the June Primary only with the hope that each of these sites will be open for the November General Election.
- ❖ BIG Program Agreement: This is for structure #06-120-053 for \$1,375,000. Brian Gustad will have additional information.
- ❖ Right-of-Way Application: Brian is recommending approval of this agreement. The site is along South Lake Drive near Lake Poinsett.
- ❖ Malt Beverage Renewals: Jenna provided a staff report. These are the malt beverage and SD farm wine license renewals for July 1, 2020 – June 30, 2021. There were no violations during this period.
- ❖ Request to Fill Vacancy: This position is open due to the retirement of Dennis Miller from the Highway Department.

### **Director's Report**

- We received two notices of upcoming City Council action on property owner-initiated annexations. This action will take place at the City Council's May 26, 2020 meeting at 6:00 PM.
- I have included the SDACC's process for submitting resolutions.

### **Public Notices**

- ✓ County offices will be closed on Monday, May 25, 2020 in honor of the Memorial Day holiday.
- ✓ FY2021 budget hearings will be held on Thursday, June 18, 2020 starting at 8:00 AM in the Community Room (Rm 300) of the Government Center.

**Procedures for Due Process  
Resolutions (2012)  
South Dakota Association of County Commissioners**

1. Resolutions must be submitted in standard resolution form along with supporting criteria. (see attached sample.)
  - a) Justification for the Resolution
  - b) Counties Affected by the Resolution
  - c) Impact of Resolution
2. Resolutions may be submitted by a county to the SDACC Resolutions Committee and shall be passed and signed by a majority of the members of the board in the county of origin.
3. Resolutions may be submitted by a district to the SDACC Resolutions Committee and shall be passed by a majority of the district counties at a meeting where a quorum is present and signed by the chairperson of the district of origin.
4. The officers and members of the SDACC Board of Directors may submit resolutions at any SDACC Board of Directors meeting where a quorum is present. The resolution shall be passed by a majority vote of the members present.
5. All resolutions except those addressed in Item 4 must be postmarked on or before July 31. Any resolution postmarked after July 31 will be returned to sender. A representative from the county/district of origin should appear before the Resolution Committee to testify in support of the resolution.
6. Resolutions will be reviewed by the South Dakota Association of County Commissioners' Resolutions Committee.
  - A. Committee will review form and content.
  - B. Committee action shall be:
    1. Pass
    2. Amend Resolution
    3. Include in Policy Statement
    4. Table
    5. Send to membership with no recommendation
7. Resolutions tabled by the committee shall contain a brief statement to support the committee's action.
8. All properly submitted resolutions shall be printed and sent to counties on or before September 1.
  - A. Resolutions shall be listed as follows:

Section I	Resolutions the committee passed, including resolutions amended by the committee.
Section II	Resolutions incorporated into Policy Statement.
Section III	Resolutions the committee tabled.

9. Resolutions passed by the committee shall receive first reading at the first business session at the South Dakota Association of County Commissioner's Annual Convention.
10. First reading of resolutions shall be solely for information purposes.
11. Any county desiring to take from the table a resolution that the Resolutions Committee tabled must state their intent during the first reading of resolutions. To remove a resolution from the table requires a majority vote of the members present. Official action is to be taken during the second reading of the resolutions.
12. The second reading of the resolutions shall be part of the regular business session of the South Dakota Association of County Commissioners. The procedure shall be:
  - A. Final disposition of resolutions passed by the Resolutions Committee.
  - B. Consideration and final disposition of any resolutions introduced by the SDACC Board of Directors.
  - C. Consideration and final disposition of any resolutions taken from the table.
13. Any county desiring to introduce a new resolution from the floor may do so during the second reading of the resolutions at the convention by suspending the rules. The resolution shall be prepared and fifty copies provided.

**Procedures for Due Process  
Resolutions  
South Dakota Association of County Commissioners**

**Comments**

- \* Item 3 - From time to time, the SDACC Board of Directors may be made aware of various situations that require attention and cannot comply with the provision of the due process procedures. This provides the mechanism for such occasions.
- \* Item 4 - All counties should be provided with a standard resolution form. The Resolutions Committee should only accept resolutions submitted on the standard form. With a standard form, the processing of resolutions would be simplified.
- \*Item 5 - It is imperative that the SDACC Board of Directors enforce this provision in order to make the procedure work.
- \*Item 11 - This is known as a 24 hour statement of intent, in order to give the Resolutions Committee time to prepare information to defend their position.
- \*Item 13 - This procedure grants any county an opportunity to propose a resolution. However, it provides certain safeguards for the Association against frivolous items becoming a major position of the Association.

According to the Association Bylaws, Roberts Rules of Order dictate the procedures for conducting the business of the Association.

The procedure of Suspending the Rules is explicitly defined in Robert's Rules of Order.

The procedure works like this: After all other resolutions are handled the chairman asks" "Are there any other resolutions from the floor?" If a county asks for recognition, the first motion is to suspend the rules for consideration of the resolution. (Must state title of resolution.)

This is not debatable and the chairman calls for a vote to suspend the rules. In order to pass it must have a two-thirds affirmative vote. If the motion prevails, then the debate on the resolution begins and final disposition of the resolution is handled in the same manner as any other resolution.

If the motion to suspend the rules fails for lack of a two-thirds affirmative vote, the resolution is defeated and is not debated.

Each individual resolution offered from the floor goes through the same procedure.

The safeguard for the Association is that to suspend the rules takes two-thirds of the voting member counties present. There must be a quorum.

## **Distinguish between Resolutions and Policy**

Every year it seems that the Legislative Committee and commissioners generally have questions about or are confused on whether a particular issue should be presented as a "Policy Statement" or as an official "Resolution." The legislative platform should be perceived as having two separate levels:

1.     **Official Resolutions: (Higher Profile)**  
Resolutions should call for specific wording changes in the existing South Dakota laws or regulations;  
Resolutions should be addressed specifically to the upcoming legislative session as a specific, one-time request for action;  
Resolutions should be premised on the thought that the SDACC Executive Director, staff, and all SDACC lobbyists would concentrate on preparing a draft of a bill, locating a sponsor, and making sure that the matter starts through the legislative process, i.e., resolutions contemplate 'action' on the part of the SDACC.
  
2.     **Policy Statements: (Lower Profile)**  
Policy statements should reflect county sentiments about circumstances generally;  
Policy statements should be an opinion or a position on an issue which counties share generally year after year - it could be an opinion in which counties as a large group endorse or reflect the opinion of a district or region;  
Policy statements should be premised on the thought that the SDACC Executive Director, staff, and all lobbyists would be in the role of supporting legislation drafted by any other party (specific counties, cities, state, or federal government). (i.e., policy contemplated 'reaction' from the SDACC.)

With the above mentioned distinction understood, all parties involved would more clearly have a means to distinguish between various requests presented for legislative analysis or support. The distinction would allow a means of sorting through the issues that come up, and of distinguishing the issues once they had been considered or debated.

The Resolutions Committee should consist of one member from each district of the SDACC. The chair of the committee should be appointed by the president of the SDACC.

The Resolutions Committee should meet as needed prior to the convention to complete its mission. The Resolutions Committee should NOT meet during the convention for the purpose of considering new resolutions. The sole intent of the committee during the convention should be to review resolutions that have already been passed by the committee and to develop a presentation to support the committee's position.

If a county cannot submit a resolution in a timely manner prescribed by the guidelines, they will have to wait until the next convention. Expecting the committee to analyze, research and make a professional presentation on last minute resolutions is not acceptable and should not be tolerated by the officers or the Board of Directors of the SDACC.

# SAMPLE

## Resolution

### Drought Disaster Aid

**WHEREAS**, South Dakota continues to suffer from a natural disaster in the form of severe agricultural drought conditions, including inadequate winter snowfall, meager spring rains, late spring frosts and devastating winds accompanied by high temperatures; and

**WHEREAS**, said drought conditions are beyond the financial capabilities of the individual counties or the State of South Dakota; and

**WHEREAS**, federal emergency agricultural disaster assistance is necessary to prevent the imminent demise of family farms and ranches in South Dakota;

**NOW THEREFORE BE IT RESOLVED**, by \_\_\_\_\_ (District or County) that the President of the United States, the U.S. Congress and the U.S. Department of Agriculture exert any and all efforts to restore the \$4 billion of agriculture disaster aid which was earlier deleted from the 2006 Federal Emergency Supplemental Appropriations Bill.

## Supporting Criteria

**Justification for the resolution:** the severe drought conditions and lack of winter snow pack have caused South Dakota farmers and ranchers significant financial hardships. The lack of adequate moisture has force the sale of livestock herds, and also created low crop yield or in some cases, total crop failure. This has had a direct effect on the counties economic stability.

**Counties affect by the resolution:** 38 counties have passed drought disaster resolutions

**Impact of resolution:** Increasing Federal Emergency Supplement Appropriations Bill by \$4 billion. This would increase the federal disaster payments to South Dakota farmers and ranchers.

RE: Golden Dakota Farms, LLC Manure Management System  
2017 General Permit Coverage

Dear Mr. Coetzee:

The Department of Environment and Natural Resources conditionally approved your permit application on September 10, 2019, for state permit coverage under the 2017 *General Water Pollution Control Permit for Concentrated Animal Feeding Operations* (general permit). As a condition of the approval, you needed to submit an updated Notice of Intent form and written verification indicating Chris Goedhart is your on-site representative. However, Chris Goedhart is no longer your on-site representative. On April 2, 2020, the department received written verification that Donovan Coetzee will be your new on-site representative and he attended the environmental training session on December 5, 2018. An updated Notice of Intent form was received on May 7, 2020.

As you are aware, the department issues a Certificate of Compliance for manure management systems that have had plans and specifications approved and are constructed as designed. Your current Certificate of Compliance was issued on March 6, 2017, and is for a maximum of 4,000-head of dairy cattle, 75 calves, and 5.71 acres of drainage area. A copy of your current Certificate of Compliance is enclosed. This certificate shall remain in place until such time you change or expand your operation. Should you decide to change or expand your operation, you need to obtain approval of plans and specifications for any alterations or modifications to your manure management system prior to construction. Failure to do so will invalidate this certificate.

You have completed the requirements to obtain state permit coverage under the 2017 general permit (**permit number SDG-100210**). So, I am granting coverage for your existing manure management system under this permit. A copy of your permit is enclosed. Please refer to this permit number in any future permit correspondence. You are required to operate in compliance with the terms and conditions of this permit.

Your permit and a copy of your current Certificate of Compliance are in the Producer Handbook I am sending you. The Producer Handbook was developed to assist you in meeting the

Nico Coetzee  
Golden Dakota Farms, LLC  
May 11, 2020  
Page 2 of 2

requirements of the General Permit. Using this book will help you manage the documents and paperwork that you will need to complete and retain while operating your animal feeding operation. The book contains forms that you can use to comply with the permit's requirements and is organized to give you a place to put other required information like soil and manure testing lab report forms. You are required to keep all records for a minimum of five years. It is not mandatory that you use this handbook; however, it will assist you in organizing and maintaining the records that you are required to by the General Permit.

We would like to thank you for your cooperation in ensuring protection of our natural resources. The department encourages you to remain in compliance by properly operating and maintaining your system.

Sincerely,

Kent R. Woodmansey, P.E, Administrator

RE: Golden Dakota Farms, LLC – State General Permit Application and  
Revised Approval Letter

Dear Mr. Coetzee:

The Department of Environment and Natural Resources received your request to terminate the approval of the plans and specification for your proposed fourth holding pond and your request to add the fields listed in the following table to your previously approved nutrient management plan (NMP). On September 19, 2019, the department approved plans and specifications for your proposed fourth holding pond with your state permit application for coverage under the 2017 *General Water Pollution Control Permit for Concentrated Animal Feeding Operations* (general permit), **permit application number SDG-100211**.

Fields Being Added to NMP					
Field #	County	Legal Description	Available Acres	Soil Sampling Requirements	
				0-2 feet	Additional
F56	Brookings	S 1/2, Sec. 19, T109N, R47W	289.2	Yes	No
F57	Brookings	NW 1/4, Sec. 30, T109N, R47W	153.8	Yes	No
F59	Brookings	S 1/2, Sec. 26, T109N, R48W	270.3	Yes	No

The existing manure management system is currently permitted under the 2003 general permit and is located in the Southeast ¼ of Section 3, Township 108 North, Range 48 West in Moody County, South Dakota. Your existing manure management system is for a housed lot feeding a maximum of 4,000-head of mature dairy cattle and 75 dairy calves. Your existing system consists of a flume system in each of the eight freestall barns, piping, diversion dikes or channels, a calf hut area between the north freestall barns, a concrete sand settling lane, an open exercise lot, four settling ponds, three holding ponds, and 5.71 acres of drainage area. The existing holding pond system meets the requirements of the general permit and has at least 365 days of liquid storage capacity.

Based on your request, we are terminating the approval of the plans and specifications for your dairy's fourth holding pond. We are also approving the modifications to your NMP and are including *Fields 56, 57, and 59* in your approved NMP. Requirements you must implement are listed on the attached pages.

One copy of the submitted permit application is being retained for our files. If you plan to increase

Nico Coetzee  
Golden Dakota Farms, LLC  
May 11, 2020  
Page 2 of 9

your maximum number of animals or make any modifications to your manure management system, you must obtain department approval prior to increasing your animal numbers or beginning any new construction. If you plan to make any modifications to your nutrient management plan that include a change in manure application method, the addition of land application fields, or a change in crop rotation, you must obtain department approval prior to making the change.

Continued compliance is dependent upon you performing proper operation and maintenance activities. You will be liable for any noncompliance with applicable South Dakota environmental laws or regulations.

If you have any questions regarding the content of this letter, please feel free to contact Fey Ayadi, Feedlot Permit Program at (605) 773-3351. Thank you for your cooperation.

Sincerely,

## REQUIREMENTS

The following requirements must be implemented. Failure to implement these requirements will invalidate this approval.

### **State General Permit**

You will be required to operate your feeding operation and manure management system in accordance with the requirements in the general permit.

#### **1. Environmental Training**

Donovan Coetzee is your on-site representative and he attended the environmental training session on December 5, 2018. If the person or persons who attended training no longer work at the operation, you or your new on-site representative will need to attend the training for the operation within one year.

#### **2. Ground Water Monitoring**

Based on the system design, soil boring logs, and other published reports and information, this system does not appear to overlie a shallow aquifer and should not impact ground water. Therefore, a Ground Water Discharge Permit and groundwater monitoring were not required. Should the design or operation of the facility change appreciably, new hydrogeological information become available, or any contamination problems be reported, the department reserves the right to reassess the need for possible remediation, monitoring of ground water, or a Ground Water Discharge Permit. For additional information concerning ground water monitoring, please contact Troy Roth at (605) 773-3351.

#### **3. Composting of Animal Mortalities**

The general permit requires that animal mortalities shall be handled to prevent the discharge of pollutants to surface waters. Proper disposal of animal mortalities, including composting, is regulated by the South Dakota Animal Industry Board. If you plan to compost animal mortalities at your operation, you must contact the Animal Industry Board at (605) 773-3321 for information on their composting requirements. If manure or process wastewater is used in the composting process, plans and specifications are required to be approved for the composting structure. There can be no discharge of process wastewater from the composting area.

#### **4. Notification**

Other Government - You are responsible for contacting your local planning and zoning office to determine if there are any local ordinances or requirements with which you need to comply. If a stream, lake, or wetland will be dredged or filled during the construction of the feeding operation, you need to contact the United States Army Corps of Engineers' South Dakota Regulatory Office at (605) 224-8531 prior to beginning construction of the manure management system.

## REQUIREMENTS CONTINUED

### 5. Initial Nutrient Management Plan (NMP)

Your submitted NMP indicates that manure and wastewater will be applied in the spring, summer, and fall, and that the methods of manure application will include injection and broadcast with incorporation. If solid manure or process wastewater is applied to fields other than cropped fields, grass, alfalfa, pasture land, or no-till cropland, liquid manure and process wastewater must be incorporated within 24 hours and solid or semi-solid manure must be incorporated within 5 days. Additional requirements pertaining to your NMP are listed on the following pages.

#### A. Endangered Species Action Plan

An Endangered Species Action Plan was included with your NMP and the plan includes best management practices to follow when manure or process wastewater are land applied to fields that are within  $\frac{1}{4}$  mile of a stream where Topeka shiners have been observed or have potentially occupied according to the U.S. Fish and Wildlife Service. Based on your submitted NMP, a portion of the fields listed on *lines 8, 46, 47, 47 and 53* are within  $\frac{1}{4}$  mile of a stream where Topeka shiners have been observed or have potentially occupied. You need to review your Endangered Species Action Plan prior to land applying to any of these fields.

#### B. Annual Soil Testing

Annual soil samples from 0 to 2 feet are required on all manure land application fields prior to manure application. The fields identified as being located over a shallow aquifer are shaded in Table 1 and have additional soil testing requirements. For these fields, soil tests are required from 0 to 2 feet **and** 2 to 4 feet prior to manure application.

For fields that require additional soil testing from 2 to 4 feet, you have the option to either conduct the initial 0 to 2-foot and the 2 to 4-foot soil test prior to land application or the alternative option to conduct the initial 0 to 2-foot soil test prior to land application and a second 0 to 2-foot soil test within four weeks of harvesting the crop. Please refer to section 1.4.4.3., beginning on page 35, of the 2017 general permit, for the annual nutrient management requirements. **You must notify the department in writing if you plan to use the alternative post-harvest soil sampling option instead of the 2 to 4-foot soil sampling requirement.**

**If you have not elected to conduct the alternative post-harvest soil sampling and the department determines you are not conducting the required 2 to 4-foot soil sampling prior to manure application, you will be required to conduct the alternative post-harvest soil sampling on all fields requiring the additional 2 to 4-foot soil sampling and no longer have the option of taking the additional 2 to 4-foot soil samples prior to land application.**

**REQUIREMENTS CONTINUED**

**C. Approved Land Application Fields**

The fields listed in Table 1 below are approved under the 2017 general permit for the land application of manure or process wastewater. **Once 2017 permit coverage has been issued and before manure or wastewater can be applied to these fields, you must obtain a current soil test and use the table on page 34 of the 2017 general permit to determine whether the field fits into a nitrogen need, one-year phosphorus crop removal, five-year phosphorus crop removal, or no application category based on the current phosphorus level of the field and the predicted annual erosion.** Please refer to the table on page 34 and the annual nutrient management requirements beginning on page 35 of the 2017 general permit prior to the land application of manure to determine the proper procedure for calculating the appropriate application rate for each specific field.

**Table 1: Golden Dakota Farms, LLC – Approved Land Application Fields**

<b>Total Available Acres</b>				<b>7,166.0</b>		

Please note in your initial NMP the estimated time it will take to build your listed fields up to 50 ppm (Olsen test) or 75 ppm (Bray-1 test) of phosphorus. You may need additional land in order to apply to your fields based on phosphorus removal at that time.

**D. Additional Land Application Fields Located in Minnesota**

Your permit application indicates the fields listed in Table 2 below are located in Minnesota and may be used for the application of manure from your facility. You need to contact the Lincoln County Feedlot Officer in Ivanhoe, the Pipestone County Feedlot Officer

## REQUIREMENTS CONTINUED

in Pipestone, and the Minnesota Pollution Control Agency (state agency) for information on their requirements pertaining to the land application of manure.

For the fields located in Minnesota, you are required to annually provide each landowner with the manure or process wastewater sample results for total nitrogen, inorganic nitrogen, and total phosphorus. You must maintain records documenting the manure and litter transferred including the date of transfer, nutrient content, and the quantity transferred. These records will be reviewed during your operation and maintenance inspections.

**Table 2: Land Application Fields Located in Minnesota**

CPA-63 Line #	Field ID or #	County	Legal Description	Acres
33	47-B	Lincoln	S ½, Sec. 36, T109N, R47W	120.1
34	48-B	Pipestone	Sec. 2, T108N, R47W	132.9
49	49	Pipestone	Sec. 1, T108N, R47W	551.4

### E. Land Application to Saturated, Snow-Covered, or Frozen Soil

The fields identified on lines 44 and 53 of your submitted NMP are designated as winter or emergency application areas. The winter application maps identify the appropriate setbacks that need to be excluded from land application when the soil is saturated, snow-covered, or frozen and land application is absolutely necessary. You should notify the department and review the winter field map prior to land applying during these soil conditions.

Incorporation to non-vegetated crop ground is required for winter application. If incorporation is not possible, winter application may only be to cropped fields, grass, alfalfa, pasture land, or no-till cropland. The general permit requires manure or process wastewater applied to non-vegetated cropland to be incorporated; liquid manure and process wastewater must be incorporated within 24 hours and solid or semi-solid manure must be incorporated within 5 days.

### F. Modification to Crop Rotation

Your initial NMP identifies a specific crop rotation for each field and includes a list of alternative crops that may be substituted into the rotation. If for any reason an alternative crop that is not included in the list of alternative crops is planned to be grown, that change would be considered a major modification and would require a revised alternative crop list to be submitted to the department for review and approval.

### G. Certified Soil and Manure Testing Laboratories

As part of your annual nutrient management planning requirements, soil and manure tests must be analyzed by certified soil testing and manure testing labs. The laboratory analyzing the soil

## REQUIREMENTS CONTINUED

samples must participate in the **North American Proficiency Testing Programs' Proficiency Assessment Program** and the labs that are currently certified are listed on the following website: <http://www.naptprogram.org/pap>. The laboratory analyzing the manure or process wastewater must be certified by the **Manure Testing Laboratory Certification Program** and the manure testing labs that are currently certified are listed on the following website: <http://www2.mda.state.mn.us/webapp/lis/manurelabs.jsp>.

If you or your crop consultant sends your soil or manure samples to a lab that is not listed on either of these websites, you and/or crop consultant may want to tell them that you need to use a certified lab so they can become certified.

### H. Field Addition Requirements

To add fields to your approved NMP, you must submit the required information for each additional field to the department for our review and approval. Information on adding fields to your approved NMP may be obtained from your local Natural Resources Conservation Service (NRCS) office. You may also contact us for assistance at (605) 773-3351, or visit our website at <http://denr.sd.gov/des/fp/FieldAdditions.aspx> for instructions on adding fields to your NMP. **You cannot apply manure to any fields not included in your approved NMP.**

### I. Mobile Land Application Systems

If a mobile land application system using temporary piping will be used for the land application of liquid manure or process wastewater, the equipment must be equipped with an on-board radio controller and flow meter that can be overseen by the applicator. See Section 1.4.4.1.m. on page 30 of the 2017 general permit for more information on this requirement.

## 6. Other Permits That Will or May Be Required

Emission Reporting - Depending on the estimated quantity of emissions of hazardous substance from your facility, you may be required to submit a continuous release report to the State Emergency Response Commission and Local Emergency Planning Commission. Information regarding emission reporting and how to determine if you need to submit a report can be found on the department's website at [http://denr.sd.gov/des/gw/SARATitleIII/Emissions\\_from\\_Animal\\_Waste.aspx](http://denr.sd.gov/des/gw/SARATitleIII/Emissions_from_Animal_Waste.aspx) or by contacting Trish Kindt with the department at 1-800-433-2288.

Emergency Power Generator - The department has observed that emergency power generators have been installed at similar sized operations. If an emergency power generator will be installed at your operation it may require that you obtain an air quality permit. Please contact Kristen Hendricks with the department's Air Quality Program at (605) 773-3151, to determine whether an air quality permit is required. If an air quality permit is required, you must have that permit prior to using the generator.

Permit to Occupy Right of Way - If manure application will involve placing hoses or other equipment in a state highway right of way (for example, in a road ditch or through a culvert), you

Nico Coetzee  
Golden Dakota Farms  
May 11, 2020  
Page 9 of 9

### **REQUIREMENTS CONTINUED**

must first obtain a Permit to Occupy Right of Way. Application for this permit may be made through the local South Dakota Department of Transportation area office. Contact your local SD DOT area office for more information on this permit. In addition, please contact your county highway superintendent to determine if your county has similar requirements.
