Meeting Minutes DRAFT

2020VAR002

Application by Thomas A. Tofte for Tofte Brothers, LLC for a variance. Article 11.00: Section 11.01 "A" Agricultural District: Area Regulation # 2: Front Yard: The minimum depth of the front yard shall be one hundred (100) feet. A corner lot will have two front yards. The property is described as: "S1/2 S1/2 SE1/4 of Section 9, T109N, R51W (Oslo Township)".

(Kleinjan/Vanderwal) Motion to approve the Variance request.

STAFF REPORT: Applicant is requesting a variance to build a 60' x 88' pole shed with 18' sidewalls, 107' from the center of 216th St (Brookings County blacktop road), a variance of 43 feet. Buildable area limited due to topography, shape and size of area, waterway, low land and ponds.

PUBLIC HEARING: Thomas Tofte via phone, informed those present that he was in a partnership with his brother Richard. He noted the land had been in the family for a number of years, was the site of a reclaimed gravel pit, and a shelterbelt had been established on the site. The future plans were to have a wholesale tree farm on the site and the building would offer storage for current and future needs and uses. The location of the proposed building would not cause any snow or visual issues.

Proponents: Board members were given a letter the office received via email from adjoining landowners Chad and Rhonda Wosje which was placed on record and filed.

Opponents: None.

DISCUSSION: Bartley noted constraints on the site, the size being 40 acres and the parcel being a buildable residential site. Jensen and Diedrich verified that a right to farm form would need to be filed if a residence was built on the site in the future. Haugen and Bartley noted filing a right to farm would address concerns noted by Wosje's should a residence be built on the site in the future. Findings of Facts were reviewed and completed by the board and placed on file.

VOTE: Roll call vote: Vanderwal-aye, Kleinjan-aye, Jensen-aye, Diedrich-aye, McHugh-aye, Bartley-aye, Davis-aye, Nelson-nay, Ford-aye. **MOTION CARRIED.**

2020VAR003

Application by Mary C. Walkes for a variance. Article IV District Requirements: Chapter 4.03 "LP" Lake-Park District: Section 4.03.03. Density, Area and Yard Regulation (Minimum Lake Front). The property is described as: "Lot 28 and the E 20' of Lot 29 in Marvin Wade's Subdivision of Govt Lots 1, 2 and 3 in the NE1/4 of Section 6, T112N, R52W (Laketon Township)" ~~ located at 228 S Lake Dr, Arlington, SD 57212.

(Diedrich/Vanderwal) Motion to approve the Variance request.

STAFF REPORT: Applicant is requesting a variance to build a 14' x 28' post frame carport attached to the west side of their lake cabin. The outer most post of the carport would be 25' from the highest know water mark, a variance of 50 feet. The property is

currently in the floodplain but the carport is considered a non-substantial improvement and can be built in the floodplain. Consideration of hardships were shape and size of the lot, area was platted in May 24, 1949 prior to current zoning regulations. No objections or concerns were received by the zoning office.

PUBLIC HEARING: Applicant Mary Walkes via phone, informed those present she had nothing to add to Haugen's report.

Proponents: None.

Opponents: None.

DISCUSSION: Board members had no questions or comments regarding the request. Findings of Facts were reviewed and completed by the board and placed on file.

VOTE: Roll call vote: Kleinjan-aye, Jensen-aye, Bartley-aye, Davis-aye, Nelson-aye, McHugh-aye, Vanderwal-aye, Diedrich-aye, Ford-aye. **MOTION CARRIED.**

2020CU011

Application by Mike Cotton and George Cotton for a conditional use. Article 11: Section 11.01: "A" Agricultural District: Conditional Use Permit # 19: Seasonal retail stands, excluding garden produce but including fireworks stands. The property is described as: "W317' of E357' of W800.81' of S332' of SW1/4 SE1/4 Exc H-1 & H-2 and N643' of S975' of E357' of W800.81' & E40' of W800.81' of S332' of SE1/4 all in Section 14, T110N, R51W (Volga Township)" -- located at 638 E Hwy 14, Volga, SD 57071.

(McHugh/Vanderwal) Motion to approve the Conditional Use.

STAFF REPORT: Applicant is requesting a conditional use for a seasonal firework stand. Applicant was granted a one year permit last year (2019cu004) and was reapplying to continue their seasonal stand. Site plan and hours of operation on file. No objections to the request from City of Volga or SD Department of Transportation.

PUBLIC HEARING: Applicant Mike Cotton via phone, informed those present he had nothing to add to Haugen's report.

Proponents: None.

Opponents: None.

DISCUSSION: Vanderwal asked the expiration date of the request. Haugen noted the permit could be issued with an expiration date of 1 year, 3 years, 5 years or no end date. Bartley verified that no complaints had been received and asked that the permit be permitted with an expiration date of May 5, 2026. Findings of Facts were reviewed and completed by the board and placed on file.

2020CU009

Application by Tom Sterzinger for a conditional use. Article 11: Section 11.01: "A" Agricultural District, Conditional Use # 4: "Sand, gravel or quarry operation, mineral exploration and extraction". The property is described as: "NW1/4 of Section 13, T111N, R52W and NE1/4 of Section 13, T111N, R52W to Include Cemetery and SW1/4 SE1/4 of Section 12, T111N, R52W and E1/2 SW1/4, NW1/4 SE1/4, SW1/4 NE1/4 of Section 12, T111N, R52W and W1/2 SW1/4, S1/2 NW1/4 of Section 12, T111N, R52W (Winsor Twp)."

(Diedrich/Kleinjan) Motion to approve the Conditional Use.

STAFF REPORT: Applicant is requesting a conditional use for a mining operation. The proposed operation would be made up of 2 sites. Site #1 will be in Section 13 and Site #2 will be in Section 12. The operator's site plan, business plan, hours of operation and reclamation plan are on file. If approved the applicant would apply for a mining permit from the South Dakota Department of Environment and Natural Resources and abide by their standards and requirements.

PUBLIC HEARING: Applicant Tom Sterzinger was on site and informed those present his plans to mine the old mined sites that weren't on state record. He noted Site #1 (Section 13) would be south of cemetery: 1) the pit site would be cleaned before mining would begin and would be excavated for approximately 2-3 years. 2) Mining would keep distance from cemetery and overburden would be put on in-slopes to protect the cemetery. 3) Once south site mining is completed it would be seeded down and operation would move to North site (Section 12) and head north with excavating.

Proponents: None.

Opponents: Haugen noted several correspondence opposing the permit application had been received prior to the meeting and had been given to the board and posted online. Those in attendance that spoke in opposition were: Jeff Jacobson, Jared Thomas, Chad Bjerke, Doug Leighton and Dennis DeBoer. Concerns were: 1) Cemetery representative asked that mining operation not occur during burials, Sundays or Holiday's observed at the cemetery and that proper setbacks and back sloping be studied, monitored and used. 2) Excessive traffic, noise and dust and impact on township roads. 3) Lack of information in the submitted application. 4) Site not suitable for a mining operation – in aquifer area. 5) Asked that weeds be monitored and controlled and consideration to reducing speed limit in the area.

DISCUSSION: Vanderwal and Ford asked who was hauling from the area currently, who was using as a junkyard and plans to clean-up the area prior to mining. Sterzinger noted he was not hauling from the proposed pit site and did not know who was, and would be

cleaning up the junk before operations would begin. He further noted he would maintain a safe distance from the cemetery, use portable fuel containment and that he was working with SD DENR regarding the existing easement. Diedrich and Bartley discussed if township roads would be used for haul routes and noted road agreements would need to be acquired. Bartley wanted it noted that any fuel containment requirements would be met and followed and the state DENR would restrict and have requirements that Mr. Sterzinger would need to follow. Haugen noted that he had spoken with US Fish & Wildlife (Federal Agency) in regards to mining grassland easement ground, it was allowable and would be monitored by other agencies. Haugen also presented, read and put on file a Memorandum from Brian Gustad, Brookings County Highway Superintendent. Bartley, Vanderwal and Kleinjan further discussed dust control, mining run-off plans (3:1 to 4:1 slope on earthen berm) and safe guards, and limiting permit if approved to be for Site #1 area in NE1/4 Section 13 only and a new application would need to be filed for Site #2 area in Section 12. The board agreed on a 5 year limit with the permit expiring on May 5, 2025. Findings of Facts were reviewed and completed by the board and placed on file.

VOTE: Roll call vote: Bartley-aye, Diedrich-aye, Vanderwal-aye, Kleinjan-aye, Jensen-aye, Erickson-aye, Nelson-aye, McHugh-aye, Ford-aye. **MOTION CARRIED.**

2020CU010

Application by Tom Sterzinger for a conditional use. Article 11: Section 11.01: "A" Agricultural District: Conditional Use Permit # 5A: Rock Crushers. The property is described as: "NW1/4 of Section 13, T111N, R52W and NE1/4 of Section 13, T111N, R52W to Include Cemetery and SW1/4 SE1/4 of Section 12, T111N, R52W and E1/2 SW1/4, NW1/4 SE1/4, SW1/4 NE1/4 of Section 12, T111N, R52W and W1/2 SW1/4, S1/2 NW1/4 of Section 12, T111N, R52W (Winsor Twp)."

(Diedrich/Vanderwal) Motion to approve the Conditional Use.

STAFF REPORT: Applicant is requesting a conditional use for a "rock crusher" to process gravel. The proposed operation would be made up of 2 sites located off Brookings County blacktop highway #6. Site #1 will be in Section 13 and Site #2 will be in Section 12. The operator's site plan, business plan, hours of operation and reclamation plan are on file.

PUBLIC HEARING: Applicant Tom Sterzinger informed those present he did not have any additional comments.

Proponents: None.

Opponents: Chad Bjerke expressed concern with noise and asked the board to consider applying an operating time frame limit for rock crushing. Dennis DeBoer asked how many board members had viewed the site. Bartley noted he had drove by the site but it was gated and locked so unable to walk on to review.

May 5, 2020

Meeting Minutes DRAFT

DISCUSSION: Kleinjan asked that the permit be limited to be the NE1/4 Section 13, T111, R50W. Ford asked Sterzinger to explain if limiting the time of operation to 8 AM-5 PM would be a constraint. Sterzinger noted that generally the crew is on site at 6 AM and in operation by 7 AM and shutdown operations around 6-6:30 PM. Shortening the hours would affect pay to the crew. He noted the noise would be minimal ¼ mile away. Kleinjan noted a pay loader's noise would be similar to the crusher and noted the crusher would only be in operation a short time. Sterzinger noted the crusher would only be operating about 3 weeks. Vanderwal asked the time of the year in operation. Sterzinger noted it would likely be in operation summer to fall seasons. Diedrich asked that it be noted in the Findings of Facts that operations stop for funerals. Findings of Facts were reviewed and completed by the board and placed on file.

VOTE: Roll call vote: Diedrich-aye, Vanderwal-aye, Kleinjan-aye, Jensen-aye, Erickson-aye, Bartley-aye, Nelson-aye, McHugh-aye, Ford-aye. **MOTION CARRIED.**

DEPARTMENT REPORTS

Hill announced the County Commission discussed opening the building up and were tentatively looking at May 18, 2020. He asked that all farmers be safe as the world returns to the new normal, to be aware of the return or increase in traffic. Also, to expect the CDC guidelines: 6 foot distancing and no shaking of hands to be in place for an extended period of time. He noted that once a vaccine was available, Brookings County would set up for inoculations and he would keep everyone informed of the plans. He also thanked the IT department for the assistance with the phone system during the meeting. Haugen told the board he would keep the board informed of when the joint work session meetings with the city would resume. He noted work continued on the subdivision ordinance and possible bylaw updates.

ADJOURN

(Vanderwal/Bartley) Motion to adjourn. VOTE: Roll call vote: Bartley-aye, Erickson-aye, Nelson-aye, Kleinjan-aye, Jensen-aye, McHugh-aye, Vanderwal-aye, Diedrich-aye, Ford-aye. **MOTION CARRIED.** Chair Ford adjourned the meeting at 10:36 PM.

Applicant/Owner: Emil and Wanda Misar, 46590 210th St, Brookings, SD 57006

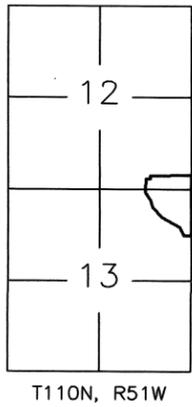

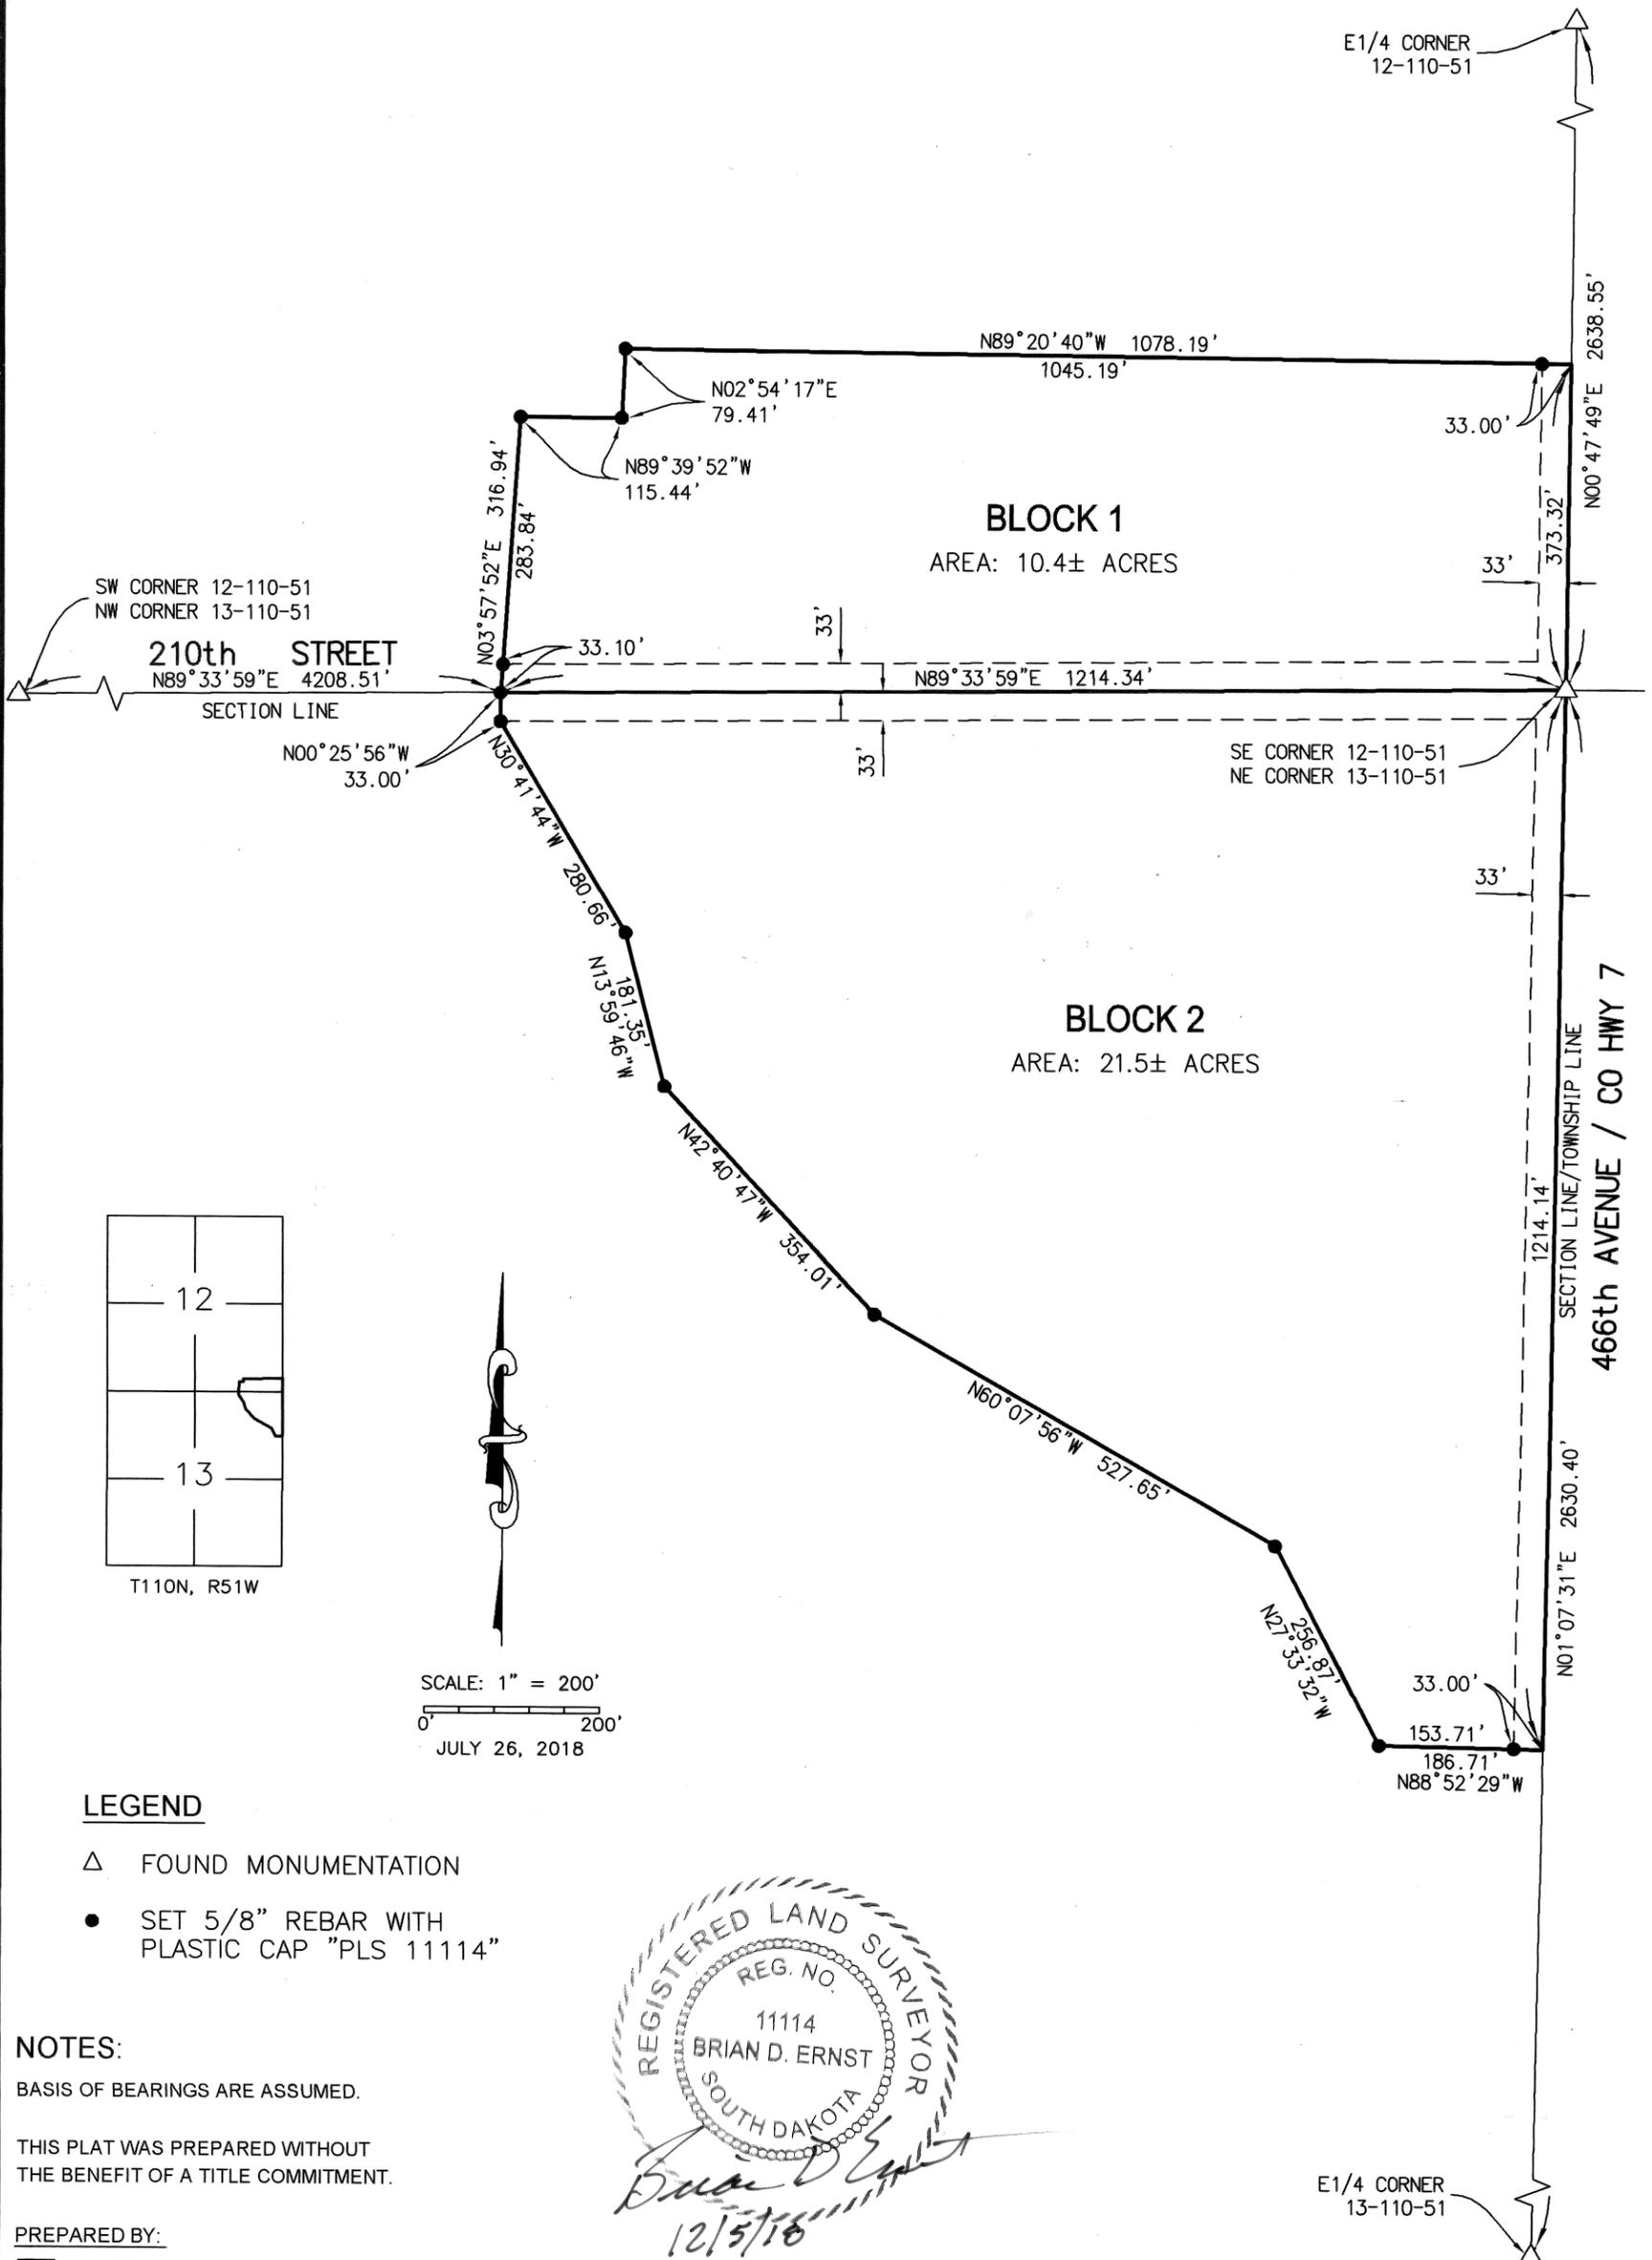

Legal Description: “Plat of Block 1, Intermill-Misar Addition in the SE1/4 of Section 12, T110N, R51W of the 5th P.M., Brookings County, South Dakota” and “Block 2, Intermill-Misar Addition in the NE1/4 of Section 13, T110N, R51W of the 5th P.M., Brookings County, South Dakota.”

2020plat009: Emil and Wanda Misar are platting off 10.4 acres from the 160 acres they own in Section 12 that contains the existing homestead. The homestead will use the existing driveway located on 210th Street for access to the property. They are also platting off 21.5 acres from the 160 acres they own in Section 13, which is directly across the road to the south of the homestead. The farmstead will use the existing driveway located on 210th Street for access to the property. Block 1 contains the existing residence with no other out buildings and Block 2 contains the existing pole shed, barn, two silos, grain bins, feed lot, other miscellaneous structures and no residence. A residence could not be built in Block 2 as it does not have the required 35 acres to build to residence. Both Block 1 and Block 2 are located in the flood plain. Any future buildings will need a Brookings County Floodplain Development permit and will need to follow FEMA Guidelines for building in the Floodplain.

The plat meets the platting requirements for the 2016 Comprehensive Plan-Unincorporated Rural Area Land Use statement on page 24 for Agricultural Land Use.

2020plat013 – June 2, 2020

Prepared by Richard Haugen

Applicant/Owner: Lawrence and Pat Jensen, 47927 213th St, Aurora, SD 57002

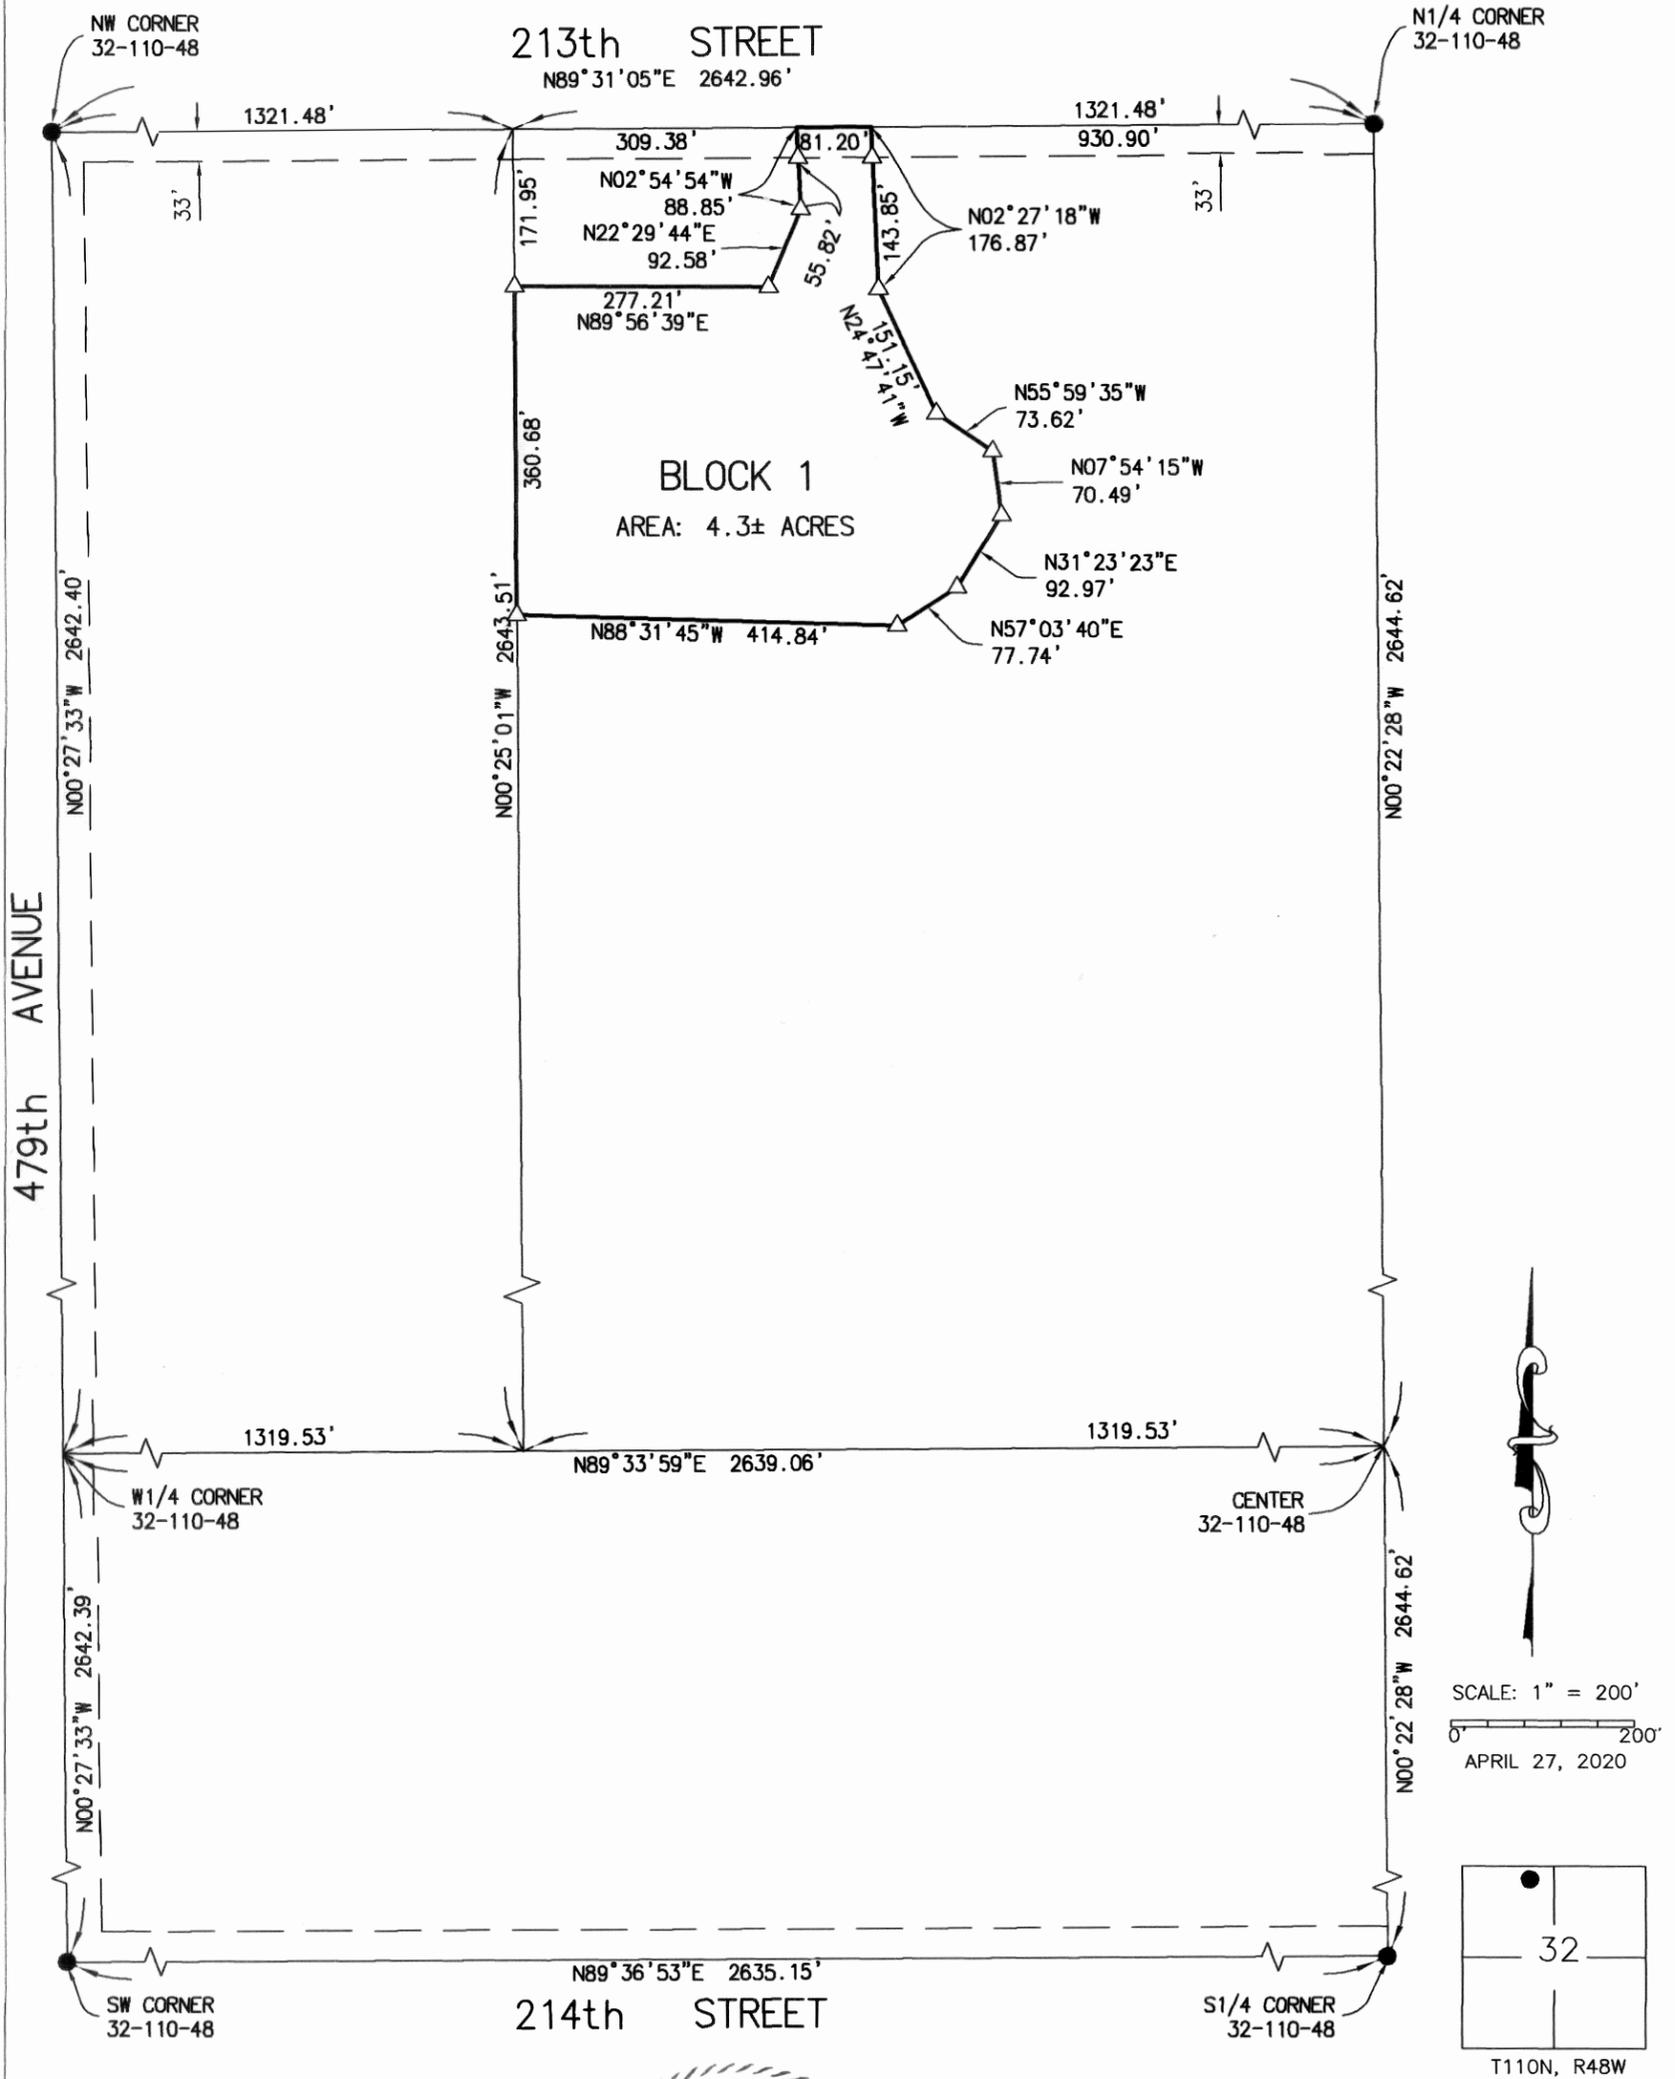

Legal Description: “Plat of Block 1, Jensen Addition in the NE1/4 of the NW1/4 of Section 32, T110N, R48W, of the 5th P.M., Brookings County, South Dakota.”

2020plat013: Lawrence and Pat Jensen are platting off 4.3 acres that contain a residence and building site from the 40.0 acres they own. The residence was built in 2014. They will use the existing driveway located on 213th Street for access to the property. The building site needs to be excluded from the 40 acres, with a separate legal description for financial purposes. Their son is purchasing the balance 35.7 acres, along with the additional 120 acres of farmland in the quarter, to continue the family farming operation. Included in this report is a letter from the financial institution, with what is required. This plat request is quite different from other building site subdivisions in the past, where the smaller parcel is required for financing of that small parcel, in this case, the subdivision is required for the financing of the large parcel of farm ground, without the 4.3 acre building site. The current owner’s will continue to live in the building site and help with the farming operation.

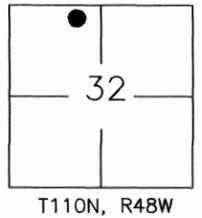

The plat meets the platting requirements for the 2016 Comprehensive Plan-Unincorporated Rural Area Land Use statement on page 24 for Agricultural Land Use.

Brookings County Board of Adjustment

June 2, 2020 – 8:00 PM meeting

2020var004 – June 2, 2020

Prepared by Richard Haugen

Applicant/Owner: Keith Drew, 77 Oakwood Shoreline Dr, Arlington, SD 57212

Legal Description: “Lot 53 DeBoer’s Lake Tetonkaha West Subdivision in Govt Lots 1, 4, 5 and 6 in Section 7, T111N, R51W (Oakwood Township)”

Brookings County Zoning Ordinance: Article IV District Requirements: Chapter 4.03 “LP” Lake-Park District: Section 4.03.03. Density, Area and Yard Regulation (Minimum Lake Front).

2020var004: Keith Drew, has applied for a variance to build an 8’ x 28’ addition onto the end of his existing lake cabin and a 10’ x 38’ attached deck. The outer support post of the proposed deck is 43 feet from the highest known water mark, a variance of 32 feet. The Lake Park – Lake Front setbacks are 75 feet from the high water mark. The applicant has an existing 26’ x 28’ single story cabin on his lot that is built into the side hill. He is proposing 8’ x 26’ addition onto the south end of the cabin, removing the existing roof and adding a second story over the existing first floor of the cabin and new addition. The cabin addition and second story addition will not be any closer to the lake than the current structure. The proposed attached 10’ x 38 feet deck is where the variance is required. The proposed addition and deck will meet the side setbacks of 8 feet from the side property line. The addition and deck will not block the view for the adjoining landowners on either side as the existing cabin is set back farther. The property is located in the flood plain and will need to follow the flood plain building requirements. The lake lots and cabins have been existed on Lake Tetonkaha (aka-Lake Oakwood) since the 1930’s and 40’s prior to zoning requirements. DeBoer’s Lake Tetonkaha West Subdivision was originally platted in 1984, and re-platted in June of 2003, when the original road was vacated and relocated.

The “Brookings County Comprehensive - Plan Future Land Use-Developed Lakes Future Land Use” found on page 58 –*In paragraph two: “It is likely that the established developed areas of Lake Campbell, Lake Hendricks, Lake Tetonkaha, and Lake Poinsett will experience*

2020var004

continued development in varying degrees. While non-lake front growth potential exists for all of the able lakes; significant lake front area is appropriately zoned, and subdivided in some cases, adjacent to Lake Tetonkaha, Lake Hendricks, and Lake Campbell.”

Letters were sent to the adjoining landowners and Oakwood Township Chairman and Clerk.

The public notices were published in the Brookings Register on May 19 & 26, 2020 and the Volga Tribune on May 21 and 28, 2020.

Brookings County Board of Adjustment
June 2, 2020 – 8:00 PM meeting

2020var005 – June 2, 2020

Prepared by Richard Haugen

Applicant: Mike Robbins for THO F F Inc., 20593 476th Ave, White, SD 57276

Legal Description: “S 950’ of E 950’ of SE1/4 in Section 22, T111N, R49W (Afton Township)”

Article 11.00: Section 11.01 “A” Agricultural District: Area Regulations # 2: Front Yard: The minimum depth of the front yard shall be one hundred (100) feet. A corner lot will have two front yards.”

2020var005: Mike Robbins for THO FF Inc. has applied for a variance to build a 28’ x 28’ residential addition 104 feet from the center of 476th Ave, a variance of 29 feet. The required setback is 133 feet from the center of 476th Ave, an Afton Township gravel road.

Things to consider are shape and size of farm yard. The existing house was built in 1993 to prior to current setback requirements.

Public notices were published in the Brookings Register on May 19 and 26, 2020 and the White Tri-City Star on May 21 and 28, 2020.

Letters were sent to the adjoining landowner’s, Afton Township Chairman and Clerk.

Brookings County Board of Adjustment

June 2, 2020 – 8:00 PM meeting

2020var006 – June 2, 2020

Prepared by Richard Haugen

Applicant/Owner: Todd and Rachel Smidt, 53 Oakwood Shoreline Dr, Bruce, SD 57220

Legal Description: “Lot 35 DeBoer’s Lake Tetonkaha West Subdivision in Govt Lots 1, 4, 5 and 6 in Section 7, T111N, R51W (Oakwood Township)”

Brookings County Zoning Ordinance: Article IV District Requirements: Chapter 4.03 “LP” Lake-Park District: Section 4.03.03. Density, Area and Yard Regulation (Minimum Lake Front).

2020var006: Todd and Rachel Smidt, have applied for a variance to build a 16’ x 28’ attached covered deck onto their existing residence. The outer support post of the proposed deck is; 27’ on the north end from the highest known water mark, a variance of 48’ and 34’ on the south end a variance of 41’. The Lake Park – Lake Front setbacks are 75 feet from the high water mark. The shore line gets farther away from the structures as it goes south. The applicant has an existing 14’ x 20’ attached deck 22 feet from the high water mark. The proposed 16’ x 28’ covered deck will be farther away from the high water mark, than the existing deck. The proposed deck will meet the side setback of 8’. The applicants will be doing a cabin remodel that will include an attached garage and a second story addition above the current residence. The remodel additions will meet all setback requirements. The variance is needed for the covered deck. The property is located in the flood plain and will need to follow the flood plain building requirements. The lake lots and cabins have been existed on Lake Tetonkaha (aka Lake Oakwood) since the 1930’s and 40’s prior to zoning requirements. DeBoer’s Lake Tetonkaha West Subdivision was originally platted in 1984, it re-platted in June of 2003, when the original road was vacated and relocated.

The “Brookings County Comprehensive - Plan Future Land Use-Developed Lakes Future Land Use” found on page 58 –*In paragraph two: “It is likely that the established developed areas of Lake Campbell, Lake Hendricks, Lake Tetonkaha, and Lake Poinsett will experience continued development in varying degrees. While non-lake front growth potential exists for all*

of the able lakes; significant lake front area is appropriately zoned, and subdivided in some cases, adjacent to Lake Tetonkaha, Lake Hendricks, and Lake Campbell.”

Letters were sent to the adjoining landowners and Oakwood Township Chairman and Clerk.

The public notices were published in the Brookings Register on May 19 & 26, 2020 and the Volga Tribune on May 21 and 28, 2020.
