CONVENE AS BROOKINGS COUNTY PLANNING & ZONING COMMISSION

CONSIDERATION OF PLATS

2020PLAT005

For property described as "Plat of Lot 10 in Block 1 in Paradise Point Addition in Govt. Lot 2, Section 22, T112N, R47W of the 5th P.M., Brookings County, South Dakota." Submitted by Lake Dreams, LLC. Plat of a re-platted individual lake lot that was originally platted and approved by Zoning Commission on November 1st, 2005.

(Bartley/Kleinjan) Motion to approve the plat. Roll call vote: Jensen-aye, Erickson-aye, McHugh-aye, Bartley-aye, Davis-aye, Vanderwal-aye, Nelson-aye, Kleinjan-aye, Ford-aye. **MOTION CARRIED.**

2020PLAT006

For property described as "Plat of East Water Tower Addition in the E1/2 SE1/4, Exc S880' Thereof, and Exc N33' Highway ROW thereof, in Section 23, T110N, R51W of the 5th P.M., Brookings County, South Dakota." Submitted by Gary W. Jensen. Plat of 1.16 acre parcel that adjoins the south city limits of Volga. Area to be annexed into the City of Volga in the near future. Platting is the first step in preparation for annexation as it gives the property a legal description. If the area is not annexed, a residence cannot be built on the property as it does not meet the size requirement.

(Nelson/Kleinjan) Motion to approve the plat. Roll call vote: Erickson-aye, Bartley-aye, Davis-aye, Nelson-aye, Kleinjan-aye, Jensen-aye, McHugh-aye, Vanderwal-aye, Ford-aye. **MOTION CARRIED.**

2020PLAT007

For property described as "Plat of Lots 1, 2, 3, 4, 5, 6, 7, 8A & 9A in Cedar Pointe Addition in Govt Lot 3 of the NW1/4 Section 28, T109N, R50W of the 5th P.M., Brookings County, South Dakota." Submitted by Keith Rounds. Plat of Lake-Park District lots that exceed the 20,000 sq. feet lot requirement. The utility easement was increased from the required 10 feet to be 30 feet. Lots 8A and 9A were re-platted to show the increased utility easement.

DRAFT 4-14-2020

(Davis/Nelson) Motion to approve the plat. Roll call vote: Bartley-aye, Davis-aye, Nelson-aye, Kleinjan-aye, Jensen-aye, McHugh-aye, Vanderwal-aye, Erickson-aye, Ford-aye. **MOTION CARRIED.**

2020PLAT008

For property described as "Plat of Block 21; Block 22; Block 23; Silverthorne Circle; and Castle Rock Circle of Timberline Addition, in the E1635' of the N1/2 of the NW1/4, Except Clites Addition, and Except the E264' therefor, in Section 34, T110N, R50W of the 5th P.M., Brookings County, South Dakota." Submitted by Gerard and Jean Moriarty. Plat of 20.7 acre parcel making up three tracts that adjoin the Timberline Addition. Application will be submitted to annex area into the City of Brookings in the future. If annexation does not proceed, a residence cannot be built on any of the blocks as they do not meet the acreage size requirement.

(Kleinjan/Vanderwal) Motion to approve the plat. Roll call vote: Vanderwal-aye, Erickson-aye, Bartley-aye, Davis-aye, Nelson-aye, Kleinjan-aye, Jensen-aye, McHugh-aye, Ford-aye. **MOTION CARRIED.**

2020PLAT009

For property described as "Plat of Lot 1 of Richarz Addition in the SE1/4 of Section 35, T109N, R52W of the 5th P.M., Brookings County, South Dakota." Submitted by Marvin Richarz. Plat to divide off 15.0 acres farmstead and building site from the original 158.0 acres they own.

(Vanderwal/Nelson) Motion to approve the plat. Roll call vote: Kleinjan-aye, Nelson-aye, Jensen-aye, Erickson-aye, Bartley-aye, Davis-aye, McHugh-aye, Vanderwal-aye, Ford-aye. **MOTION CARRIED.**

DEPARTMENT REPORTS

Hill announced the Brookings County had 6 COVID-19 cases and 2 of those were now recovered. He urged everyone to follow CDC guidelines. He noted that the county offices were still open but locked with limited public access and the county was following the safe business practices and reducing or modify gatherings to be 10 people or less and maintain social distancing of at least 6 feet. He reminded the elderly and those with health issues to be extra cautious as it is a virus and can be spread before symptoms appear. Hill noted the county would re-evaluate as the May meeting approached.

Haugen noted and welcomed new board member Kyle Vanderwal that took the seat left when Kimberly Elenkiwich resigned from the board. He also noted the office was working on May meeting items and would be monitoring the COVID-19 status and any changes needed regarding meetings.

Bartley noted appreciation to all those in attendance and reminded everyone that there was the option to phone in if anyone wished to do so for future meetings during the health crisis.

DRAFT 4-14-2020

ADJOURN
(Bartley) Motion to adjourn. All member voted “aye.” **MOTION CARRIED.**
Chair Ford adjourned the meeting at 8:37 PM.

Section C) – Special Circumstances – Attachment 1

Our site plan proposal is to build a 60' x 88' pole shed for storage and hobby farm (CRP, land rent, pheasants, and tree farm) for this 40 acre parcel. The proposed building site requests a variance of the structure being back 150 foot from the center of the oil road. We are requesting a variance that the most southern end of the structure would be 107 feet from the middle of the road, or a variance of 43 feet. The following hardships would exist if the building could not be located where proposed with the requested variance:

- We cannot build the building straight back as inactive gravel pit exists there. There is also a shelter belt around the gravel pit. While our proposal is to locate the building catty corner to the south west edge of the gravel pit, we would need to remove several trees and complete materially more dirt work (and build much closer to a lower land area creek that goes through the property) to meet the 150 foot set back requirement. Also, utility trenching would be farther.

Given the above, we respectfully request a county variance for our proposed building site. Our proposed site does not create any sightline or snowdrift issues. Applicant's verbal discussions with Highway Superintend Brian Gustad indicated he did not object to our proposal.

Brookings County Board of Adjustment
May 5, 2020 – 8:00 PM meeting

2020var002 – May 5, 2020

Prepared by Richard Haugen, Brookings County Development Deputy Director

Applicant: Thomas A. Tofte for Tofte Brothers, LLC, 4055 South Brady CT, Sioux Falls, SD 57103.
Site: "S 1/2 S 1/2 S 1/4 of Section 9, T109N, R51W (Oslo Township)."

Legal Description: "S 1/2 S 1/2 S 1/4 of Section 9, T109N, R51W (Oslo Township)."

Article 11.00: Section 11.01 "A" Agricultural District: Area Regulations # 2: Front Yard: The minimum depth of the front yard shall be one hundred (100) feet. A corner lot will have two front yards."

2020var002: Thomas A. Tofte for Tofte Brothers LLC. Has applied for a variance to build a 60 feet x 88 feet pole shed with an 18' sidewall, 107 feet from the center of 216th St, a variance of 43 feet. 216th St is a Brookings County blacktop road. The required setback is 150 feet from the center of the road. The buildable space on the property is limited due the topography and shape and size of the lot. The property is long and narrow with a waterway dividing the property from east to west. The property was mined for gravel in the past and has been reclaimed and slopes off where the gravel was mined. The lay of the land drops off towards the waterway, low land and ponds. The balance of the ground is grassland and has a small amount of farm ground in the northwest corner.

Public notices were published in the Brookings Register on April 21 and 28, 2020 and the Volga Tribune on April 23 and 30, 2020.

Letters were sent to the adjoining landowner's, Oslo Township Chairman and Clerk.

APPLICATION FOR VARIANCE TO ZONING REGULATIONS

Date of Application: 4/13/20 Variance Number: 2020var003

To: Brookings County Board of Adjustment
520 3rd St, Suite 200
Brookings, South Dakota 57006

A.) I/We, the undersigned property owner (s), do hereby petition the Board of Adjustment of Brookings County, South Dakota, to grant a Variance to the Brookings County Zoning Regulations for the purpose of:

Building a carport west of our lake home.

B.) Section(s) of Zoning Regulations to be exempted:

Article II District Requirements: Chapter 4.03 "LP" Lake-Park District: Section 4.03.03 Density, Area and Yard Regulation (Minimum Lake Front)

C.) Special conditions and circumstances that exist which are peculiar to the land, structure, or buildings in the same district: that literal interpretation of the provisions of this regulation would deprive the applicant of rights commonly enjoyed by other properties in the same district under terms of this regulation: that the special conditions and circumstances do not result from the actions of the applicant, and that granting the variance requested will not confer on the applicant, and privilege that is denied by this regulation to other lands, structures, or buildings in the same district.

3) Size and shape of lot is not large enough to meet set back requirement.

D.) Legal Description of Property:

Lot 28 and the east 20' feet of Lot 29 in Marvin Wade's Subdivision of Government Lots 1, Two 2, and 3 in the Northeast quarter (NE 1/4) of section 6, Township 112 North, Range 52 West of the 5th P. M. in Brookings County, South Dakota, according to the recorded plat thereof.

Brookings County Board of Adjustment
May 5, 2020 – 8:00 PM meeting

2020var003 – May 5, 2020

Prepared by Richard Haugen

Applicant/Owner: Mary C Walkes, 41039 304th St, Avon, SD 57315
Site Address: 228 S Lake Dr, Arlington, SD 57212

Legal Description: "Lot 28 and the E 20' of Lot 29 Marvin Wade's Subdivision of Govt Lots 1,2 and 3 In NE1/4 Section 6, T112N, R52W (Laketon Township)"

Brookings County Zoning Ordinance: Article IV District Requirements: Chapter 4.03 "LP" Lake-Park District: Section 4.03.03. Density, Area and Yard Regulation (Minimum Lake Front).

2020var003: Mary Walkes, has applied for a variance to build a 14' x 28' post frame car port attached to the west side of their lake cabin. The outer support post of the car port is 25 feet from the highest known water mark, a variance of 50 feet. The Lake Park – Lake Front setbacks are 75 feet from the high water mark. The proposed car port will meet the road and side setback requirements. The proposed car port will not block the shoreline view for either adjoining landowners. The property is located in the flood plain, as noted on the attached Beacon Map. The car port is considered a non-substantial improvement and could be built in the floodplain.

Things to consider are the shape and size of the lot. Marvin Wade Subdivision was originally platted on May 24th, 1949.

The "Brookings County Comprehensive - Plan Future Land Use-Developed Lakes Future Land Use" found on page 58 –*In paragraph two: "It is likely that the established developed areas of Lake Campbell, Lake Hendricks, Lake Tetonkaha, and Lake Poinsett will experience continued development in varying degrees. While non-lake front growth potential exists for all of the able lakes; significant lake front area is appropriately zoned, and subdivided in some cases, adjacent to Lake Tetonkaha, Lake Hendricks, and Lake Campbell."*

Letters were sent to the adjoining landowners and Laketon Township Chairman and Clerk.

The public notices were published in the Brookings Register on April 21 & 28, 2020 and the Arlington Sun on April 23 and 30, 2020.

Brookings County Board of Adjustment
May 5, 2020 – 8:00 PM meeting

2020cu011 – May 5, 2020

Prepared by Richard Haugen, Brookings County Development Deputy Director

Applicant: Mike Cotton, 638 E Hwy 14, Volga, SD 57071
George Cotton, 634 E Hwy 14, Volga, SD 57071

Legal Description: "W317' of E357' of W800.81' of S332' of SW1/4 SE1/4 Exc H-1 & H-2 and N643' of S975' of E357' of W800.81' & E40' of W800.81' of S332' of SE1/4 all in Section 14, T110N, R51W (Volga Township)" ~~ located at 638 E Hwy 14, Volga, SD 57071.

Brookings County Zoning Ordinance: Article 11: Section 11.01: "A" Agricultural District: Conditional Use Permit # 19: Seasonal retail stands, excluding garden produce but including fireworks stands.

2020cu011: Mike Cotton and George Cotton have applied for a conditional use permit for a seasonal firework stand. The applicants were granted a one year conditional use, 2019cu004 for a fireworks stand last year, by this board. They are reapplying to continue their seasonal fireworks stand. The Brookings County Development Office and the Brookings County Sherriff's Office received no complaints last year regarding the fireworks stand. The stand will be located at Mike Cotton's, 638 E Hwy 14, Volga, SD 57071. They will use a 10' x 20' portable building, that will be anchored downed, to sell the firework out of. The hours of operation will be 10:00 AM – 10:00 PM. There is an existing driveway off US Highway 14 that will be used for entrance and exit. The applicant's site plan and hours of operation are included in this report, which shows adequate parking area, entrance and exit and building location. The applicants will have to abide by South Dakota Codified Law 34-37 for the sale of fireworks. Mike and George each own land that adjoins each other and the stand may be located on one or both parcels. The combined area of both parcels is 7 acres. Volga City Manager Jamison Berreth has no objections to the conditional use request. Jon Rittershaus with the South Dakota Department of Transportation has no objections to the request.

Letters were sent to the adjoining landowners, City of Volga, Volga Township Chairman and Clerk, and South Dakota Department of Transportation.

The public notices were published in the Brookings Register on April 21 and 28, 2020 and Volga Tribune on April 23 and 30, 2020

May 5, 2020 – 8:00 PM meeting.

2020cu009 – May 5, 2020

Prepared by Richard Haugen

Applicant: Tom Sterzinger, 3273 290th Ave, Taunton, MN 56291
Land Owner: Jimmy Jensen III, 20426 459th Ave, Bruce, SD 57220
Mining/Crushing Operator: Tom Sterzinger, 3273 290th Ave, Taunton, MN 56291

Legal Description: "NW1/4 of Section 13, T111N, R52W and NE1/4 of Section 13, T111N, R52W to Include Cemetery and SW1/4 SE1/4 of Section 12, T111N, R52W and E1/2 SW1/4, NW1/4 SE1/4, SW1/4 NE1/4 of Section 12, T111N, R52W and W1/2 SW1/4, S1/2 NW1/4 of Section 12, T111N, R52W (Winsor Twp)."

Brookings County Zoning Ordinance, Article 11:00 "A" Agricultural District – Conditional Use # 4: "Sand, gravel or quarry operation, mineral exploration and extraction".

2020cu009: Tom Sterzinger has applied for conditional use # 4: "Sand, gravel or quarry operation, mineral exploration and extraction" to mine gravel on the above described property. Tom Sterzinger from Taunton, Minnesota, will be the mining and crushing operator. The proposed mining will take place in two separate locations, Site # 1 in Section 13 and Site # 2 in Section 12. The operator's site plan, business plan and hours of operation, reclamation plan are included in this report. The proposed gravel mining will be at two separate sites. Site # 1 will be in NW ¼ & NE ¼ of Section 13, on the south side of Brookings County blacktop highway # 6 (204th Street) and Site # 2 will be in Section 12 on the north side of Brookings County blacktop highway # 6 (204th Street). The applicant will apply for a driveway permit from the Brookings County Highway Department for a new driveway at the top of the hill for Site # 2, as the current driveway is located at the bottom of the hill. Entrance and exit to the mining sites will be off Brookings County blacktop highway # 6 (204th Street). The hours of operation will be 6:00 AM-7:00 PM Monday- Friday and 6:00 AM-12:00 PM on Saturday. During the mining process a berm will be constructed along the natural water way to keep the soil and sediment from entering the water way. The First Occurrence of Aquifer Materials Map shows the proposed mining area to be in "Zone B" with the presence of sand or gravel is generally less than or equal to 50 feet below land

surface. The gravel layer to be mined is approximately 6 - 15 feet in depth and the mining will be done above the water table. Refueling of mining equipment will be done on site with the fuel storage units having containment structures, to be located away from the active mining area. The reclamation plan is to stock pile the top soil and once the mining is complete the top soil will be placed back on top of the ground and seeded back down to pasture grass.

Proposed Site # 1 and Site # 2 show signs of mining activity in the past. The Brookings County Development Office and South Dakota Department of Environment and Natural Resources (SD DENR) have no mining records on file for the above described property.

The applicant will need to apply for a mining permit for the proposed mining sites from the South Dakota Department of Environment and Natural Resources and abide by their standards and requirements.

East Dakota Water Development District has reviewed the application and documents provided by the applicant.

The applicant has also applied for a conditional use 2020cu010 for conditional use *# 5A: Rock Crusher;* to process the mined gravel on site. The board will be hearing this request on the same night.

The Zoning Office has reviewed the above documents and has made a site visit to the proposed location.

Public notices were published in the Brookings Register on April 21 and 28, 2020 and in the Volga Tribune on April 23 and 30, 2020

Letters were sent to the adjoining landowners, Brookings County Highway Superintendent and Winsor Township Chairman and Clerk.

> I would like to file a complaint to stop the possible gravel pit (permit number 2020cu009 and 2020cu010)being dug in just west of Lake Oakwood. This would be not only a eye sore but danger for those living around this area. Heavy trucks will ruin this roads instantly which tax payers would lose out on. This could cause breathing problems for little ones living around there not to mention speeding big heavy equipment that can't stop fast is Concern as well. Also a main concern is a natural water way that runs on this property that runs into lake Oakwood. Please use common sense and stop this issue thanks.

On Tuesday May 5 at 8 pm there will be a public hearing for use permits 2020cu009 and 2020cu010 for Tom Sterzinger's application for gravel mining and rock crushing. This pit will be less than half a mile from my residence. With small school-aged children even closer, the increased dust level and large truck traffic is an immense concern! Also the amount of big equipment road use will do appreciable damage to county and township roads. Crazy Creek runs right through the proposed pit area making the incoming water quality to Lake Oakwood highly compromised...a problem that the lake is already experiencing! Finally there seems to be large, vague concerns with the mining and reclamation plans. Your thoughtful consideration of all these matters is most appreciated 🙂 Sincerely, Michael E. Bjerke

FILED APR 28 2020

We would like to share our concerns regarding the permit requests from Sterzinger Crushing Inc of Taunton, MN for #2020cu009 Mining Gravel and permit #2020cu010 for Crushing Gravel.

There is a creek that runs northerly from the south and which is known to some of the locals as "Crazy Creek" due to the fact that it flows north instead of south. This creek flow starts approximately 7+ miles to the south and runs into the West Oakwood chain of lakes into Turtle Lake and then into Lake Tetankaha and Johnson Lake and where Oakwood Lakes State Park is located. Attached in a copy of the Winsor Township map which shows the Crazy Creek flowing through both sections 12 and 13 and quite near the purple area of sand and gravel.

In regards to Sterzinger statement #5 "A earth type dam will be placed along creeks or waterway in lou of silt fence". Also per his statement #9 "the number of years the mine site will be expected to be mined is approximately 30 years".

An earth type dam is not appropriate to protect the existing flowing creek. If the area were to have a severe thunderstorm it would certainly wash the dirt right into the creek and into the West Oakwood chain of lakes.

Sterzinger statement #7 "All mining will be done above the water table at this point". At what ***Point*** in the 30 years would that change?

The legal description totals 679 +/- acres of land for the Mining Gravel and Crushing Gravel on Sterzinger permit requests. How many acres does he intend to utilize for mining and crushing gravel?

Legal Description: "NW1/4 of Section 13, T111N, R52W and NE1/4 of Section 13, T111N, R52W to Include Cemetery and SW1/4 SE1/4 of Section 12, T111N, R52W and E1/2 SW1/4, NW1/4 SE1/4, SW1/4 NE1/4 of Section 12, T111N, R52W and W1/2 SW1/4, S1/2 NW1/4 of Section 12, T111N, R52W (Winsor Twp)."

Brookings County Zoning Ordinance, Article 11:00 "A" Agricultural District – Conditional Use # 5A: "Rock crushers."

2020cu010: Tom Sterzinger has applied for conditional use # 5A: "Rock crusher" to process gravel on the above described property. Tom Sterzinger from Taunton, Minnesota, will be the crushing operator. The operator's site plan, business plan and hours of operation, are included in this report. The proposed rock crushing will be at two separate sites, adjacent to the each other. Site # 1 will be in NW ¼ & NE ¼ of Section 13, on the south side of Brookings County blacktop highway # 6 (204th Street) and Site # 2 will be in Section 12 on the north side of Brookings County blacktop highway # 6 (204th Street). Entrance and exit to the crushing sites will be off Brookings County blacktop highway # 6 (204th Street). The hours of operation will be 6:00 AM-7:00 PM Monday- Friday and 6:00 AM-12:00 PM on Saturday. East Dakota Water Development District has reviewed the application and documents provided by the applicant.

The Zoning Office has reviewed the above documents and has made a site visit to the proposed location.

Public notices were published in the Brookings Register on April 21 and 28, 2020 and in the Volga Tribune on April 23 and 30, 2020

Letters were sent to the adjoining landowners, Brookings County Highway Superintendent and Winsor Township Chairman and Clerk.

> I would like to file a complaint to stop the possible gravel pit (permit number 2020cu009 and 2020cu010)being dug in just west of Lake Oakwood. This would be not only a eye sore but danger for those living around this area. Heavy trucks will ruin this roads instantly which tax payers would lose out on. This could cause breathing problems for little ones living around there not to mention speeding big heavy equipment that can't stop fast is Concern as well. Also a main concern is a natural water way that runs on this property that runs into lake Oakwood. Please use common sense and stop this issue thanks.

On Tuesday May 5 at 8 pm there will be a public hearing for use permits 2020cu009 and 2020cu010 for Tom Sterzinger's application for gravel mining and rock crushing. This pit will be less than half a mile from my residence. With small school-aged children even closer, the increased dust level and large truck traffic is an immense concern! Also the amount of big equipment road use will do appreciable damage to county and township roads. Crazy Creek runs right through the proposed pit area making the incoming water quality to Lake Oakwood highly compromised...a problem that the lake is already experiencing! Finally there seems to be large, vague concerns with the mining and reclamation plans. Your thoughtful consideration of all these matters is most appreciated 🙂 Sincerely, Michael E. Bjerke

We would like to share our concerns regarding the permit requests from Sterzinger Crushing Inc of Taunton, MN for #2020cu009 Mining Gravel and permit #2020cu010 for Crushing Gravel.

There is a creek that runs northerly from the south and which is known to some of the locals as "Crazy Creek" due to the fact that it flows north instead of south. This creek flow starts approximately 7+ miles to the south and runs into the West Oakwood chain of lakes into Turtle Lake and then into Lake Tetankaha and Johnson Lake and where Oakwood Lakes State Park is located. Attached in a copy of the Winsor Township map which shows the Crazy Creek flowing through both sections 12 and 13 and quite near the purple area of sand and gravel.

In regards to Sterzinger statement #5 "A earth type dam will be placed along creeks or waterway in lou of silt fence". Also per his statement #9 "the number of years the mine site will be expected to be mined is approximately 30 years".

An earth type dam is not appropriate to protect the existing flowing creek. If the area were to have a severe thunderstorm it would certainly wash the dirt right into the creek and into the West Oakwood chain of lakes.

Sterzinger statement #7 "All mining will be done above the water table at this point". At what ***Point*** in the 30 years would that change?

The legal description totals 679 +/- acres of land for the Mining Gravel and Crushing Gravel on Sterzinger permit requests. How many acres does he intend to utilize for mining and crushing gravel?
