### ***Department Head Reports***

Highway Superintendent Brian Gustad updated the board on the bridges on south Highway 77. He said Prahm Construction will be requesting a timeline extension for the project. He said they are looking at a completion date of November 1<sup>st</sup>. Pierce said the new timeline would put them past harvest. She asked about travel routes for farmers. Gustad said they've been looking into that; he's been in contact with Moody County Township Supervisors.

Gustad updated the board on the 2020 Asphalt Surfacing Project.

Gustad said the crew placed multiple loads of rip rap along County Road 10 near Highway 81 where the SDDOT raised the grade due to high water. Due to high winds, Gustad said the water began deteriorating the southern shoulder of the road. He said he's looking at options to address the issue, but wanted the board to be aware that there could be a future expense to fix it.

Gustad informed the board about a trailer he purchased. He said the trailer has the ability to haul the backhoe and the tracked skid loader. He said he has multiple uses for it.

Gustad said he would like to look at purchasing a side dump trailer yet this year.

Gustad said a bridge railing suffered damage due to a car collision.

### **SCHEDULED AGENDA ITEM**

The board held a public hearing for a Special Events License for Jay Street Pub.

Motion by Pierce, seconded by Krogman to approve a Special Events License for Jay Street Pub. Chairperson Bartley opened the public hearing and call for proponents.

Background information was provided by Senior Finance Assistant Jenna Byrd.

Chairperson Bartley called for opponents. Hearing none, Chairperson Bartley closed the public hearing. Pierce asked Sheriff Marty Stanwick if there's been any issues in the past. Stanwick said no. Jensen asked if there is a limit on how many special events license can be issued. Byrd said in the county's ordinance, it states that no person or organization may be issued a special events license more than three times in any one calendar year.

Roll call vote: Krogman "aye," Jensen "aye," Pierce "aye," Boersma "aye," Bartley "aye."  
Motion carried.

### **RECOGNITION**

The board recognized Outstanding DAV Transportation Network Driver Calvin Tolle.

### **SCHEDULED AGENDA ITEM**

The board held a public hearing for a Malt Beverage & SD Farm Wine License for SVK Properties.

Motion by Boersma, seconded by Krogman to approve and authorize Chairperson Bartley sign a Malt Beverage & SD Farm Wine License for SVK Properties.

Chairperson Bartley opened the public hearing and called for proponents.

SVK Properties Owner Todd Voss said he was present for questions. Commission Pierce asked Voss if he personally was applying for the license or was apply through the business. Voss said he will be applying for it in the name of SVK Properties, LLC. Pierce asked Voss if he held any other

alcoholic beverage licenses because there was nothing listed on the application. Voss said yes, the Wild Hare and O'Hares. Pierce asked Voss to make those two corrections on the application.

Chairperson Bartley called for opponents. Hearing none, Chairperson Bartley closed the public hearing.

Motion by Pierce, seconded by Jensen to amend and approve a corrected application that would put the correct owner's name and that he list the names of any officers, directors, partners or stockholders of applicant having a financial interest or capital stock in any other alcoholic beverage license.

Roll call vote on amendment: Jensen "aye," Pierce "aye," Boersma "aye," Krogman "aye," Bartley "aye." Amendment carried.

Roll call vote on main motion as amended: Pierce "aye," Boersma "aye," Krogman "aye," Jensen "aye," Bartley "aye." Main motion as amended carried.

### ***Department Head Reports Continued***

Sheriff Marty Stanwick said they had increased traffic around the lakes on the 4<sup>th</sup> of July. Stanwick said they are struggling at the jail with quarantining because he has seven inmates who are on work release. He commended his staff on being able to handle what's going on.

Stanwick said he has 83 individuals participating on the 24/7 program.

Stanwick said they've been utilizing Telehealth. Jensen thanked Stanwick for going above and beyond with the incident that happened on the interstate. Stanwick said it was no big deal at all; there was a car alongside the interstate that had just hit a deer and he assisted the family.

County Development Director Robert Hill discussed the I-29 Overpass Project. He said they are looking at going away from the 50' culvert.

Hill said he's been on the radio several different times talking about the census.

Hill discussed upcoming dates with the board.

Finance Officer Vicki Buseth said they had a distress warrant mobile home sale on July 23<sup>rd</sup>. She said they sold one mobile home.

BCOAC Director Dustin Huber discussed the attendance at the facility. Huber said 50 people gave blood at the Blood Drive on June 29<sup>th</sup>.

Huber said a Concealed Carry Class was held on June 5<sup>th</sup>. He said that class was full but three people backed out at the last minute.

Huber discussed the generator with the board. He said it is possible to put a switch in to power certain things in the building and they could use a smaller generator if the hookups were for a 300 amp generator. Huber said Bowes Construction, Prunty Construction and Trane all have 300 amp generators if needed.

Boersma asked Huber if there is a cancellation fee on concealed carry classes. Huber said that is something they are working on implementing.

Pierce asked if people have to sign a waiver or release form. Huber said yes. She asked if the waiver covers anything related to COVID-19. States Attorney Dan Nelson said he would take a look at the waiver/release form. Krogman said it makes sense to include something like that in the release form.

### **REGULAR BUSINESS**

Motion by Boersma, seconded by Krogman to approve and authorize Chairperson Bartley to sign Resolution #20-42: a resolution authorizing the purchase of HVAC systems, installation and service with related products and supplies through Sourcewell.

Commission Department Director Stacy Steffensen said this purchase would replace the chillers over at the courthouse. Commissioner Pierce said she would like clarification on what warranty the county will be receiving because the document states three different things. Pierce also asked about the 30 day payment schedule. Steffensen said it would be rare that they wouldn't get it paid within the 30 days but said she would take a look at it. Pierce asked where the work would take place and how noisy it will be. She asked that maybe a provision be put in place, especially on court days, which are on Mondays. Steffensen said this type of work would be scheduled and they could schedule around Monday court days.

Motion by Pierce, seconded by Krogman to amend the main motion and take out 'recently' in the second 'whereas' in the resolution. Pierce said Sourcewell went through the bidding process back in 2017 so they didn't "recently" go through it. Pierce asked what they will do about the warranty issue. She said she would like clarification. Krogman agreed and said there needs to be clarification. Pierce said there are three different interpretations on the warranty and when you are spending a lot of money they need clarification.

Roll call vote on amendment: Boersma "aye," Krogman "aye," Jensen "aye," Pierce "aye," Bartley "aye." Amendment carried.

Motion by Krogman, seconded by Pierce to table action on the amended resolution until the July 21, 2020 meeting.

Roll call vote on main motion as amended: Krogman "aye," Jensen "aye," Pierce "aye," Boersma "aye," Bartley "aye." Main motion as amended carried.

Motion by Boersma, seconded by Krogman to approve and authorize Chairperson Bartley to sign Resolution #20-43: a resolution forgiving juvenile liens and authorizing the Finance Office and Register of Deeds to remove them from the County's records.

Background information was provided by Finance Officer Vicki Buseth.

Roll call vote: Jensen "aye," Pierce "aye," Boersma "aye," Krogman "aye," Bartley "aye." Motion carried.

### **Resolution #20-43**

#### **A RESOLUTION FORGIVING JUVENILE LIENS AND AUTHORIZING THE FINANCE OFFICE AND REGISTER OF DEEDS TO REMOVE THEM FROM THE COUNTY'S RECORDS**

WHEREAS, the Brookings County Finance office recorded liens against Juveniles from the 1990s to 2012.

WHEREAS, the liens recorded against juveniles arose from court appointed attorneys fees, juvenile detention, and other matters relate to costs incurred by juveniles' involvement with county affairs.

WHEREAS, the total amount of juvenile liens is \$816,176.06.

WHEREAS, liens on juveniles are not collectable.

WHEREAS, the Brookings County Finance Office recommends removing the liens from records as well as the lien listing in the Register of Deeds Office.

THEREFORE BE IT RESOLVED that the juvenile liens recorded from the 1990s to 2012 be forgiven and removed from the record in the Brookings County Finance Office, as well as the lien list in the Brookings County Register of Deeds Office.

Approved this 7<sup>th</sup> day of July, 2020.

Michael Bartley  
Commission Chairperson

ATTEST:

Vicki Buseth  
Finance Officer  
Brookings County

Motion by Krogman, seconded by Jensen to approve and authorize Chairperson Bartley to sign Resolution #20-44: a resolution placing mobile homes on the uncollectable list.

Background information was provided by Finance Officer Vicki Buseth.

Roll call vote: Pierce “aye,” Boersma “aye,” Krogman “aye,” Jensen “aye,” Bartley “aye.”  
Motion carried.

**Resolution #20-44**  
**A RESOLUTION PLACING MOBILE HOMES**  
**ON THE UNCOLLECTABLE LIST**

WHEREAS, South Dakota Codified Law (SDCL) 10-22-30 requires the County Finance Officer to present a list of all distress warrants returned by the Sheriff uncollectible to the Board of County Commissioners. The board has examined such returns and, is satisfied with reports from Sheriff’s and Finance Officer that the taxes described in any such warrant cannot be collected.

NOW THEREFORE, BE IT RESOLVED by the Brookings County Commissioners, at a regular meeting July 7, 2020 direct the County Finance Officer to put uncollectible mobile homes on the uncollectible list until it is determined either by the Board of County Commissioners or the County Finance Officer that such taxes have become or may have become uncollectable. There will be a complete listing of all uncollectible mobile homes and buildings on leased sites on file in the Brookings County Finance Office.

Adopted this 7<sup>th</sup> day of July, 2020.

Michael Bartley  
Chairperson, Brookings County  
Board of County Commissioners

ATTEST:

Vicki Buseth  
Brookings County Finance Officer

Motion by Jensen, seconded by Boersma to approve and authorize Chairperson Bartley to sign Resolution #20-45: a resolution authorizing the execution of contractual documents with the State of South Dakota for the receipt of CARES Act funds to address the COVID-19 public health crisis. Background information was provided by Commission Department Director Stacy Steffensen.

Roll call vote: Boersma “aye,” Krogman “aye,” Jensen “aye,” Pierce “aye,” Bartley “aye.”  
Motion carried.

**Resolution #20-45**

**A RESOLUTION AUTHORIZING THE EXECUTION OF CONTRACTUAL  
DOCUMENTS WITH THE STATE OF SOUTH DAKOTA FOR THE  
RECIPE OF CARES ACT FUNDS TO ADDRESS  
THE COVID-19 PUBLIC HEALTH CRISIS**

WHEREAS, pursuant to section 5001 of the Coronavirus Aid, Relief, and Economic Security Act, Pub. L. No. 116-136, div. A, Title V (Mar. 27, 2020) (the “CARES Act”), the State of South Dakota has received federal funds that may only be used to cover costs that: (a) are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19); (b) were not accounted for in the budget most recently approved as of March 27, 2020, for the State of South Dakota; and (c) were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020; and

WHEREAS, Brookings County acknowledges that the State of South Dakota, in its sole discretion, may retain full use of these funds for the purposes delineated in the CARES Act; and

WHEREAS, Brookings County acknowledges that in order to provide financial assistance to counties and municipalities in South Dakota, the State of South Dakota, in its sole discretion, may allocate CARES Act funds Act on a statewide basis to reimburse counties and municipalities as delineated herein; and

WHEREAS, Brookings County seeks funding to reimburse eligible expenditures incurred due to the public health emergency with respect to COVID-19; and

WHEREAS, Brookings County acknowledges that any request for reimbursement of expenditures will only be for expenditures that were not accounted for in the budget for Brookings County most recently approved as of March 27, 2020; and

WHEREAS, Brookings County acknowledges that it will only seek reimbursement for costs incurred during the period that begins on March 1, 2020, and ends on December 30, 2020;

NOW, THEREFORE BE IT RESOLVED by the County Commission of Brookings County that the Chairperson of the Brookings County Commission may execute any and all documents as required by the State in order to receive CARES Act funds.

IT IS FURTHER RESOLVED that any request for reimbursement will be only for those costs authorized by the State that: (1) Are necessary expenditures incurred due to the public health emergency with respect to COVID-19; (2) Were not accounted for in the County budget most recently approved as of March 27, 2020; and (3) Were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020.

IT IS FURTHER RESOLVED that the County will not request reimbursement from the State under the CARES Act for costs for which the County previously received reimbursement, or for which the County has a reimbursement request pending before another source.

Approved and adopted this 7<sup>th</sup> day of July, 2020.

Michael Bartley  
Commission Chairperson  
Brookings County, South Dakota

ATTEST:

Vicki Buseth

Finance Officer

Brookings County, South Dakota

Motion by Boersma, seconded by Krogman to approve and authorize Chairperson Bartley to sign Agreement #20-32: a State of South Dakota Local Government COVID Recovery Fund Reimbursement Agreement.

Roll call vote: Krogman "aye," Jensen "aye," Pierce "aye," Boersma "aye," Bartley "aye."  
Motion carried.

Motion by Jensen, seconded by Boersma to approve and authorize Chairperson Bartley to sign Agreement #20-33: Amendment 1 to Agreement #20-20: a State of South Dakota Department of Health, Division of Family and Community Health sub-recipient agreement between Brookings County and the State of South Dakota Office of Child and Family Services.

Roll call vote: Jensen "aye," Pierce "aye," Boersma "aye," Krogman "aye," Bartley "aye."  
Motion carried.

Motion by Pierce, seconded by Boersma to approve and authorize Chairperson Bartley to sign Agreement #20-34: Brookings City & County Government Center custodial contract general specifications between Brookings County, City of Brookings, and ISS Facilities Services.

Background information was provided by Commission Department Director Stacy Steffensen.

Roll call vote: Pierce "aye," Boersma "aye," Krogman "aye," Jensen "aye," Bartley "aye."  
Motion carried.

Motion by Boersma, seconded by Krogman to approve and authorize Chairperson Bartley to sign Agreement #20-35: the first amendment to Agreement #17-27: an agreement with Election Systems & Software, LLC for election services.

Background information was provided by Senior Finance Assistant Jenna Byrd.

Roll call vote: Boersma "aye," Krogman "aye," Jensen "aye," Pierce "aye," Bartley "aye."  
Motion carried.

Motion by Krogman, seconded by Jensen to approve and authorize Chairperson Bartley to sign Agreement #20-36: an independent contractor agreement between Brookings County and Southpaw Defense, LLC.

Background information was provided by BCOAC Director Dustin Huber.

Roll call vote: Krogman "aye," Jensen "aye," Pierce "aye," Boersma "aye," Bartley "aye."  
Motion carried.

Motion by Krogman, seconded by Boersma to approve and authorize Chairperson Bartley to sign Agreement #20-37: an application for occupancy of right-of-way of county highways made by Sioux Valley Energy in Richland Township.

All members voted "aye." Motion carried.

Motion by Boersma, seconded by Jensen to approve and authorize Chairperson Bartley to sign Agreement #20-38: an application for occupancy of right-of-way of county highways made by Brookings Municipal Utilities in Medary Township.

Background information was provided by Highway Superintendent Brian Gustad.

All members voted “aye.” Motion carried.

Motion by Jensen, seconded by Krogman to approve and authorize Chairperson Bartley to sign Agreement #20-39: an application for occupancy of right-of-way of county highways made by Sioux Valley Energy in Trenton Township.

All members voted “aye.” Motion carried.

Motion by Pierce, seconded by Krogman to approve the third and fourth quarter General Fund transfers as per budget appropriations from General Fund 101-4-911-4290 to Emergency Management Fund 226-3-371-0000 in the amount of \$42,500.00.

Background information was provided by Commission Department Director Stacy Steffensen.

All members voted “aye.” Motion carried.

Motion by Krogman, seconded by Boersma to approve the renewal of an On-Off Sale Malt Beverage & South Dakota Farm Wine License for Smokins Pub N Grub.

Background information was provided by Senior Finance Assistant Jenna Byrd.

All members voted “aye.” Motion carried.

Motion by Pierce, seconded by Jensen to declare buttresses as surplus property to be transferred to Duel County.

Background information was provided by BCOAC Director Dustin Huber.

All members voted “aye.” Motion carried.

Motion by Krogman, seconded by Jensen to approve a fireworks display at Lake Poinsett on Saturday, August 22, 2020 at dusk.

Krogman asked if they need to let Hamlin County know that this event is taking place.

Commission Department Director Stacy Steffensen said that they would let the right entities know that this is happening. Boersma said if there is a burn ban in place during the month of August, then the request is not allowed.

Motion by Boersma, seconded by Krogman to amend the main motion to include provisional approval pending no burn ban. Voice vote on amendment: All members voted “aye.” Amendment carried. Voice vote on main motion as amended: All members voted “aye.” Main motion as amended carried.

Motion by Krogman, seconded by Jensen to appoint Commissioner Boersma as the designated county voting delegate for the NACo Virtual Annual Business Meeting on July 20, 2020.

All members voted “aye.” Motion carried.

Commission Department Director Stacy Steffensen presented the Commission Department Director’s Report.

Steffensen said the county received one of the six Local Federal Bridge grants that were applied for. She said the county’s portion will be \$80,322.

Steffensen said she and Commissioner Boersma met with Rick Niklason at the Medary Monument site. She said he provided an updated quote of \$6,800 to do the repairs, which they hope to have done yet this year. By consensus, the board agreed to have the repairs done.

Steffensen said the commission discussed the county's Chamber membership level during budget hearings. She said currently, the county is at the Sustainer level. Pierce suggested that they stay at the Sustainer level.

Steffensen said the board received a 'save the date' for a virtual conference called "Mission: Possible-Reducing the Impact of Substance Abuse and Mental Illness in Our Communities" from SDACC President Cindy Heiberger.

Steffensen discussed upcoming dates.

Deputy States Attorney Dan Nelson had nothing to report.

## **COMMISSIONERS' REPORTS & DISCUSSION**

Commissioner Pierce attended the budget hearings; reported on the BEDC Quarterly Meeting; and attended the open house for the ribbon cutting on the electric car charging station at the Government Center.

Commissioner Boersma attended a Mental Health Coalition Meeting and attended the Domestic Abuse Meeting via Zoom.

## **G386 Mass Fatalities Incident Response**

**Tuesday July 21st – Wednesday July 22nd, 2020 (2-day course)**

**Watertown, 8:30 am – 5:00 pm**

This course prepares state and local response personnel and other responsible agencies and professionals to handle mass fatalities effectively and to work with the survivors in an emergency or disaster.

This course covers incident management; mass fatalities; planning before and operations during an incident; establishing the morgue; family assistance support operations; and assistance from the Federal government. The course concludes with a tabletop exercise. Participants will learn to identify the characteristics of a mass fatality incident and identify the roles and responsibilities of key personnel in the incident. In addition, the instructor will describe the steps required to respond to a mass fatalities incident, including catastrophic numbers of fatalities and contaminated remains, and help participants determine their jurisdiction's preparedness for a mass fatalities event.

### **Course Objectives**

- Describe the critical operational activities:
  - Notification
  - Staging
  - Search and recovery
  - Morgue operations
  - Media relations
  - Family assistance
- Explain how the Family Assistance Center is used to support families and to aid identification of the deceased.
- Identify the requirements to ensure that the psychological needs of morgue personnel are addressed.
- Recognize the importance of Critical Incident Stress Debriefings for responders at a mass fatalities incident.
- Identify the resources that are available during a mass fatalities incident and describe their roles and responsibilities.
- Apply the principles of ICS to a simulated incident.

**Audience:** Personnel who may have responsibility for the recovery, handling, identification, and return of remains following a mass fatalities incident, to include first responders and emergency managers.

**\*\*\*This course counts towards FEMA's Advanced Professional Series (APS)\*\*\***

**\*\*\*This course has been approved for 15 hours of EMS Training\*\*\***

**Venue Information:** You will receive specific **training location information** via **e-mail** when you have been approved to attend this course by the administrator. Please allow for up to 48 hours for this to occur.

**To receive credit for training you must be present for the entire course.**

\*\* END OF REPORT \*\*

## **Bi-Annual Commission Report Summary (\*Please see 2020 Bi-Annual Stats) January 2020 – June 2020**

**WIC:** We continue to provide supplemental nutritional foods, nutrition education, support, and referrals to clients, to local Brookings county resources. Due to the COVID-19 Pandemic, our method of program administration has not ceased, but has changed slightly, as have many entities throughout our community and nation. Program guidance has allowed telephone services to continue to support the families that participate in the WIC program in Brookings County.

**Immunizations:** We are currently reaching out to families of infant, children, and adolescents that are not up to date on recommended immunizations and offering them an appointment or referring completion of a Well Child visit with their primary care physician. Clientele are prescreened prior to arrival and we are following CDC recommendations regarding COVID-19. Current tactics: COVID-19 screening questions, temperature checks for staff and clients, sneeze guards, dawning face masks, gloves, increased routine office cleaning.

**School Services:** We are in the planning stages for the 2020-2021 school year.

**Baby Care/Prenatal Education:** We continue to meet with all pregnant women monthly and provide prenatal and breastfeeding education and referrals. These services have not ceased but have continued by phone since March.

**Infant Mortality:** We continue to provide safe sleep education and options to clients, including pack and plays, smoking cessation, immunizations, safe sleep, and breast feeding.

**Staffing:** We are currently fully staffed; full-time nurse and clerical, part-time nurse and clerical, and dietician services (WIC) six days a month.

**Staff training/Continuing Education:** All staff continue to follow COVID-19 updates. We continue to refer utilization of South Dakota Department of Health COVID-19 Information line at 1-800-997-2880.

**Community Involvement:** Monthly Child Protection Service meeting, Monthly Brookings County POD Planning (Points of Dispensing) meeting, Quarterly Local Emergency Planning Committee meetings, Local clinic and hospital support and

collaboration, Immunization support including biannual immunization meeting with local entities (clinic staff, school nurses), collaboration with a variety of entities to share resources and encourage participation.

**Upcoming Events:** WIC Federal Civil Rights review in August. Brookings County POD will have a flu immunization event in November.

Respectfully submitted,

*Karen Larsen, RN and Jen Burns, RN*

Assigned Fund Balance-Detention Center	\$2,463,985.00
<b>Total</b>	<b>\$3,588,308.22</b>

## 304-Detention Center Expansion

Restricted Fund Balance-Projects	\$718,428.85
Assigned Fund Balance-Courthouse Building Purposes	\$0.00
Assigned Fund Balance-Administration Building	\$0.00
Assigned Fund Balance-Future 4-H	\$0.00
Assigned Fund Balance-Detention Center	
<b>Total</b>	<b>\$718,428.85</b>

**BROOKINGS COUNTY  
GENERAL FUND SURPLUS ANALYSIS  
DATE June 30 2020**

The amount of General Fund dollars that counties can retain as surplus is restricted by SDCL 7-21-18.1 which states: "The total unreserved, undesignated fund balance of the general fund may not exceed forty percent of the total amount of all general fund appropriations contained in the budget for the next fiscal year. The total unreserved, undesignated fund balance of the general fund of the county as of March thirty-first and September thirtieth shall be published in the minutes of the proceedings of the board of county commissioners and reported to the Department of Legislative Audit. The report shall be on forms prescribed by the Department of Legislative Audit."

The following analysis should be completed as of March thirty-first and September thirtieth of each year. Thereafter, the unreserved, undesignated fund balance amount should be published in the minutes of the governing board. This analysis should also be filed with the Department of Legislative Audit.

**ASSETS AND DEFERRED OUTFLOWS OF RESOURCES:**

**Assets:**

10100 Cash	\$ 17,852,453.64
10200 Cash Change	\$ 355.00
10300 Petty Cash	\$ 8,190.00
10400 Interest Bearing Accounts	_____
10500 Savings Certificates	_____
10600 Cash with Fiscal Agent	_____
10700 Restricted Cash in Banks	_____
10800 Taxes Receivable--Current	\$ 5,740,169.18
11000 Taxes Receivable--Delinquent	\$ 17,283.25
11XXX Other Receivables	\$ 144,697.75
12800 Notes Receivable	_____
13100 Due from Other fund	_____
13200 Due from Other Government	\$ (218,076.16)
13300 Advance to Other Fund	_____
14100 Inventory of Supplies	_____
15100 Investments	_____
1XXXX Other Assets	_____

**Deferred Outflows of Resources:**

19800 Other Deferred Outflows of Resources	_____
--	-------

**TOTAL ASSETS AND DEFERRED OUTFLOWS OF RESOURCES**

**\$ 23,545,072.66 \***

**LIABILITIES, DEFERRED INFLOWS OF RESOURCES AND FUND BALANCES:**

**Liabilities:**

20100 Claims Payable	_____
20200 Accounts Payable	_____
20800 Due to Other Funds	_____
20900 Due to Other Governments	_____

## GENERAL FUND SURPLUS ANALYSIS

21600 Accrued Wages Payable	
21700 Payroll Withholding Payable	\$ 30.96
22300 Unearned Revenue	
2XXXX Other liabilities	

**Deferred Inflows of Resources:**

25000 Unavailable Revenue--Property Taxes	\$ 5,735,544.57
25100 Unavailable Revenue--Special Assessments	
25200 Other Deferred Inflows of Resources	

**Fund Balances:**

27300 Nonspendable	\$ 139,574.60
27400 Restricted	
27500 Committed	
27600 Assigned	\$ 12,364,101.00
27601 Subsequent Year's Budget (GF Budget's Cash Applied amount) <i>(choose one of the following amounts based on filing date)</i>	
March = 75% of GF's cash applied in current budget	
September = 25% of GF's cash applied in current budget + 100% of GF's cash applied in next year's budget.	\$ -
December = 100% of GF's cash applied in next year's budget.	
27602 Capital Outlay Accumulations	
276XX _____	
276XX _____	
27700 Unassigned	\$ 5,305,821.53 **

**TOTAL LIABILITIES, DEFERRED INFLOWS OF RESOURCES AND FUND BALANCES**

\$ 23,545,072.66 \*

Following Year's General Fund Budget (use current year for March analysis)	\$ 14,233,683.00
---	------------------

The unassigned fund balance, account 27700, divided by the following year's General Fund budget resulting in the fund balance percentage	37.28%
--	--------

\* Note: Total Assets and Deferred Outflows of Resources has to be equal to Total Liabilities, Deferred Inflows of Resources, and Fund Balances. Boxed #'s have to be the same.

\*\* Note: Assigned F/B should not cause a negative unassigned fund balance. If so, may need to reevaluate assignments and/or reduce assignments to eliminate negative unassigned. Restricted fund balance can cause a negative unassigned fund balance as restrictions can not be reduced.

## JUNE 2020 MOTOR V COLLECTIONS AND BREAKDOWNS

Grand Total MV Collected	\$939,270.56

RESOLUTION NO. 20- 47

A RESOLUTION AUTHORIZING THE PURCHASE OF  
HVAC SYSTEMS, INSTALLATION AND SERVICE  
WITH RELATED PRODUCTS AND SUPPLIES THROUGH SOURCEWELL

WHEREAS, Brookings County will need HVAC systems, installation and service with related products and supplies; and

WHEREAS, Sourcewell has gone through a competitive bidding process for HVAC systems, installation and service with related products and supplies with such bidding process culminating in the bids being opened on May 8, 2017 with the bid contract expiring on May 8, 2021;

WHEREAS, Johnson Controls, Inc., was the lowest responsible bidder under such Sourcewell bid process and Johnson Controls, Inc., is willing to provide equipment to BROOKINGS COUNTY under the same terms and options as available to Sourcewell, a copy of such bid specifications and bid having been filed at the Brookings County Finance Office; and

WHEREAS, pursuant to SDCL 5-18A-22, BROOKINGS COUNTY is authorized to purchase supplies or services from any active contract that has been awarded by any governmental entity by competitive sealed bids or competitive sealed proposals or from any contract that was competitively solicited and awarded within the previous twelve months;

NOW THEREFORE BE IT RESOLVED that Brookings County is hereby authorized and directed to contract for the removal and replacement of two chillers at the courthouse based upon the bid price, or less, as established through the competitive bidding process of Sourcewell.

Adopted this \_\_\_\_\_ day of July, 2020.

\_\_\_\_\_  
Chairperson, Brookings County  
Board of County Commissioners

ATTEST

\_\_\_\_\_  
Brookings County Finance Officer

## Proposal

Sioux Falls SD Common Branch  
3413 S GATEWAY BLVD  
SIOUX FALLS, SD 57106-1555  
Phone: 866-598-7001  
Fax: 866-818-5508

**TO:** Brookings County  
520 3rd Street  
Brookings, SD 57006-2023  
Stacy Steffensen

**Date:** July 10, 2020  
**Project:** Courthouse Chiller Replacement  
**Proposal Ref:** Sourcewell # 030817-JHN

**Items cited on this proposal are priced in accordance with the Johnson Controls Sourcewell contract # 030817.**

We propose to furnish the materials and/or perform the work described below for the net price of:  
\$98,693.15

**NINETY-EIGHT THOUSAND, SIX HUNDRED NINETY-THREE AND 15/100 DOLLARS**

**Reduce the impact on your annual budget by considering a Johnson Controls installment payment option, with a monthly payment as low as \$1,947.00/month for 60 months. Payment plans offered through Johnson Controls are an affordable way to improve your building, and allow you to devote more of your capital to your core mission. Ask your representative about monthly installments today!**

**For the above price this proposal includes:**

The following TURNKEY Budget Proposal is provided to the Brookings County for the removal and replacement of the two chillers at the Courthouse. This pricing is presented using Sourcewell as a purchasing agent and is provided by Johnson Controls (JCI). JCI will supply a new high efficiency Johnson Controls chiller one (1) - 40 ton scroll. The existing chillers are using R-22 refrigerant, an obsolete ozone depleting refrigerant. The new chiller will be R-410A.

**SCOPE of WORK**

The JCI team will perform lockout/tag-out of the electrical and hydronic systems to prevent damage or injury.

The R-22 refrigerant will be recaptured and sent for reclamation.

The hydronic system will be drained and all fluid captured for reuse.

The electrical systems will be disconnected.

Existing chillers (2) and (and necessary piping) will be removed and disposed of according to regulations.

The primary pump serving the west chiller will be abandon in place and valves secured and plugged. Exterior piping will be cut below grade and capped.

The existing east pad will be added on to, so chiller will fit.

After the pad has cured the new chiller will be set in place.

New hydronic lines will be run from the new chiller to the existing water lines above the ground.  
The loop will be pressure tested. After passing the test will be refilled.

All new piping and any existing insulation that was removed will be insulated with one (2") fiberglass insulation and PVC skinned on the exterior.

The electrical will be re-connected to the new chiller.

The chiller will be connected to the existing JCI Metasys Building Automation System.

JCI will perform startup and check out of the chiller.

JCI will provide customer training of the chiller operations.

This project will include the Manufactures one (1) year parts and labor warranty and a five (5) year compressor warranty on the chiller.

The alternate scopes and commercial pricing listed below are not included in the above base proposal, but may be added upon written receipt and confirmation from our customer:

N/A

This proposal DOES NOT include:

1. Any work with materials containing Asbestos is excluded.
2. All work to be performed during normal working hours M-F between 7AM-5PM.

This proposal and alternates listed below are hereby accepted and Johnson Controls is authorized to proceed with work; subject, however to credit approval by Johnson Controls, Inc., Milwaukee, Wisconsin.

This proposal is valid until: Aug. 14, 2020

## TERMS AND CONDITIONS

By accepting this proposal, Purchaser agrees to be bound by the following terms and conditions:

1. **SCOPE OF WORK.** This proposal is based upon the use of straight time labor only. Plastering, patching and painting are excluded. "In-line" duct and piping devices, including, but not limited to, valves, dampers, humidifiers, wells, taps, flow meters, orifices, etc., if required hereunder to be furnished by Johnson Controls, Inc. (hereinafter referred to as JCI), shall be distributed and installed by others under JCI's supervision but at no additional cost to JCI. Purchaser agrees to provide JCI with required field utilities (electricity, toilets, drinking water, project hoist, elevator service, etc.) without charge. JCI agrees to keep the job site clean of debris arising out of its own operations. Purchaser shall not back charge JCI for any costs or expenses without JCI's written consent unless specifically noted in the statement of the scope of work or services undertaken by JCI under this agreement, JCI's obligations under this agreement expressly exclude any work or service of any nature associated or connected with the identification, abatement, clean up, control, removal, or disposal of environment Hazards or dangerous substances, to include but not be limited to asbestos or PCSs, discovered in or on the premises. Any language or provision of the agreement elsewhere contained which may authorize or empower the Purchaser to change, modify, or alter the scope of work or services to be performed by JCI shall not operate to compel JCI to perform any work relating to Hazards without JCI's express written consent.
2. **INVOICING & PAYMENTS.** JCI may invoice Purchaser monthly for all materials delivered to the job site or to an off-site storage facility and for all work performed on-site and off-site. Ten percent (10%) of the contract price is for engineering, drafting and other mobilization costs incurred prior to installation. This 10% shall be included in JCI's initial invoice. Purchaser agrees to pay JCI the amount invoiced upon receipt of the invoice. Waivers of lien will be furnished upon request as the work progresses to the extent payments are received. If JCI's invoice is not paid within 30 days of its issuance, it is delinquent.
3. **MATERIALS.** If the materials or equipment included in this proposal become temporarily or permanently unavailable for reasons beyond the control and without the fault of JCI, then in the case of such temporary unavailability, the time for performance of the work shall be extended to the extent thereof, and in the case of permanent unavailability, JCI shall (a) be excused from furnishing said materials or equipment, and (b) be reimbursed for the difference between the cost of the materials or equipment permanently unavailable and the cost of a reasonably available substitute therefore.
4. **WARRANTY.** JCI warrants that the equipment manufactured by it shall be free from defects in material and workmanship arising from normal usage for a period of ninety (90) days from delivery of said equipment, or if installed by JCI, for a period of ninety (90) days from installation. JCI warrants that for equipment furnished and/or installed but not manufactured by JCI, JCI will extend the same warranty terms and conditions which JCI receives from the manufacturer of said equipment. For equipment installed by JCI, if Purchaser provides written notice to JCI of any such defect within thirty (30) days after the appearance or discovery of such defect, JCI shall, at its option, repair or replace the defective equipment. For equipment not installed by JCI, if Purchaser returns the defective equipment to JCI within thirty (30) days after appearance or discovery of such defect, JCI shall, at its option, repair or replace the defective equipment and return said equipment to Purchaser. All transportation charges incurred in connection with the warranty for equipment not installed by JCI shall be borne by Purchaser. These warranties do not extend to any equipment which has been repaired by others, abused, altered or misused, or which has not been properly and reasonably maintained. THESE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THOSE OF MERCHANTABILITY AND FITNESS FOR A SPECIFIC PURPOSE
5. **LIABILITY.** JCI shall not be liable for any special, indirect or consequential damages arising in any manner from the equipment or material furnished or the work performed pursuant to this agreement.
6. **TAXES.** The price of this proposal does not include duties, sales, use, excise, or other similar taxes, unless required by federal, state or local law. In addition to the stated price, purchaser shall pay all taxes not legally required to be paid by JCI or, alternatively, shall provide JCI with acceptable tax exemption certificates. JCI shall provide Purchaser with any tax payment certificate upon request and after completion and acceptance of the work.
7. **DELAYS.** JCI shall not be liable for any delay in the performance of the work resulting from or attributed to acts or circumstances beyond JCI's control, including, but not limited to, acts of God, fire, riots, labor disputes, conditions of the premises, acts or omissions of the Purchaser, Owner or other Contractors or delays caused by suppliers or subcontractors of JCI, etc.
8. **SCHEDULE.** JCI and Purchaser shall mutually agree upon a schedule for completion of the work. In the event Purchaser desires to change or accelerate the schedule or the schedule is otherwise accelerated, delayed, or impacted for reasons beyond the control of JCI, JCI shall be entitled to a change order equitably adjusting the compensation of JCI to account for the increased costs associated with such schedule changes.
9. **DISPUTES.** All disputes involving more than \$15,000 shall be resolved by arbitration in accordance with the rules of the American Arbitration Association. The prevailing party shall recover all legal costs and attorney's fees incurred as a result. Nothing here shall limit any rights under construction lien laws.
10. **INSURANCE.** Insurance coverage in excess of JCI's standard limits will be furnished when requested and required. No credit will be given or premium paid by JCI for insurance afforded by others.

11. **INDEMNITY.** The Parties hereto agree to indemnify each other from any and all liabilities, claims, expenses, losses or damages, including attorneys' fees, which may arise in connection with the execution of the work herein specified and which are caused, in whole or in part, by the negligent act or omission of the Indemnifying Party.

12. **OCCUPATIONAL SAFETY AND HEALTH.** The Parties hereto agree to notify each other immediately upon becoming aware of an inspection under, or any alleged violation of, the Occupational Safety and Health Act relating in any way to the project or project site.

13. **LEGAL FEES.** Purchaser agrees to pay and reimburse JCI for any and all reasonable legal fees which are incurred by JCI in the collection of amounts due and payable under this Agreement.

14. **ENTIRE AGREEMENT.** This proposal, upon acceptance, shall constitute the entire agreement between the parties and supersedes any prior representations or understandings.

15. **CHANGES.** No change or modification of any of the terms and conditions stated herein shall be binding upon Johnson unless accepted by Johnson in writing.

**Form C**

**EXCEPTIONS TO PROPOSAL, TERMS, CONDITIONS,  
AND SOLUTIONS REQUEST**

Company Name: Johnson Control s,l r.

Any exceptions to the terms, conditions, specifications, or proposal forms contained in this RFP must be noted in writing and included with the Proposer's response. The Proposer acknowledges that the exceptions listed may or may not be accepted by NJPA or included in the final contract. NJPA will make reasonable efforts to accommodate the listed exceptions and may clarify the exceptions in the appropriate section below.

### **Asbestos Containing-Materials and Other Hazardous Materials.**

(a) **Asbestos-Containing Materials:** Neither Party desires to or is licensed to undertake direct obligations relating to the identification, abatement, cleanup, control, removal or disposal of asbestos-containing materials ("ACM"). Consistent with applicable laws, Owner shall supply JCI with any information in its possession relating to the presence of ACM in areas where JCI undertakes any Work or Services that may result in the disturbance of ACM. If either Owner or JCI becomes aware of or suspects the presence of ACM that may be disturbed by JCI's Work or Services, it shall immediately stop the Work or Services in the affected area and notify the other's contacts. As between Owner and JCI, Owner shall be responsible at its sole expense for addressing the potential for or the presence of ACM in conformance with all applicable laws and addressing the impact of its disturbance before JCI continues with its Work or Services, unless JCI had actual knowledge that ACM was present and acted with intentional disregard of that knowledge, in which case (i) JCI shall be responsible at its sole expense for remediating areas impacted by the disturbance of the ACM, and (ii) Owner shall resume its responsibilities for the ACM after JCI's remediation has been completed.

(b) **Other Hazardous Materials:** "Hazardous Materials" means any material or substance that, whether by its nature or use, is now or hereafter defined or regulated as a hazardous waste, hazardous substance, pollutant or contaminant under any local, state or federal law, regulation or ordinance, relating to or addressing public and employee health and safety and protection of the environment, or which is toxic, explosive, corrosive, flammable, radioactive, carcinogenic, mutagenic or otherwise hazardous or which is or contains petroleum, gasoline, diesel, fuel, another petroleum hydrocarbon product or polychlorinated biphenyls. "Hazardous Materials" specifically includes mold and lead-based paints and specifically excludes ACM. JCI shall have no obligations relating to the identification, abatement, cleanup, control, removal or disposal of mold, regardless of the cause of the mold. JCI shall be responsible for removing or disposing of any Hazardous Materials that it uses in providing Work or Services ("JCI Hazardous Materials") and for the remediation of any areas impacted by the release of JCI Hazardous Materials. For other Hazardous Materials that may be otherwise present at its facilities ("Non-JCI Hazardous Materials"), Owner shall supply JCI with any information in its possession relating to the presence of such materials if their presence may affect JCI's performance of the Work or Services. If either Owner or JCI becomes aware of or suspects the presence of Non-JCI Hazardous Materials that may interfere with JCI's Work or Services, it shall immediately stop the Work or Services in the affected area and notify the other's contacts. As between Owner and JCI, Owner shall be responsible at its sole expense for removing and disposing of Non-JCI Hazardous Materials from its facilities and the remediation of any areas impacted by the release of the Non-JCI Hazardous Materials, unless JCI had actual knowledge that Non-JCI Hazardous Materials were present and acted with intentional disregard of that knowledge, in which case (i) JCI shall be responsible at its sole expense for the remediation of any areas impacted by its release of such Hazardous Materials, and (ii) Owner shall remain responsible at its sole expense for the removal of Hazardous Materials that have not been released and for releases not resulting from JCI's performance of the Work or Services.

(c) **Environmental Indemnity:** Notwithstanding any other provision of the Contract, and to the fullest extent permitted by law, Owner shall indemnify and hold harmless JCI and its subcontractors, and their respective directors, officers, employees, agents, representatives, shareholders, affiliates, and assigns and successors, from and against any and all losses, costs, damages, expenses (including reasonable legal fees and defense costs), claims, causes of action or liability, directly or indirectly, relating to or arising from the Owner's use, or the storage, release, discharge, handling or presence of ACM, mold (actual or alleged and regardless of the cause of such condition) or Non-JCI Hazardous Materials on, under or about the facility, or the noncompliance with this section titled, "Asbestos Containing-Materials and Other Hazardous Materials."

### **Waiver of Consequential Damages and Limitation of Liability**

In no event, whether in contract, tort or otherwise (including breach of warranty, negligence and strict liability in tort), will a party be liable for indirect or consequential (including loss of business, loss of profits, and the like), exemplary, punitive or special damages, even if such party has been advised of the possibility of such damages in advance and even if a remedy set forth herein is found to have failed of its essential purpose. In no event shall JCI be liable for any damages in excess of the Contract Amount.

Contract Award  
RFP #030817

FORM D

Formal Offering of Proposal  
(To be completed only by the Proposer)

HVAC SYSTEMS, INSTALLATION, AND SERVICE WITH RELATED PRODUCTS AND SUPPLIES

In compliance with the Request for Proposal (RFP) for HVAC SYSTEMS, INSTALLATION, AND SERVICE WITH RELATED PRODUCTS AND SUPPLIES, the undersigned warrants that the Proposer has examined this RFP and, being familiar with all of the instructions, terms and conditions, general and technical specifications, sales and service expectations, and any special terms, agrees to furnish the defined products and related services in full compliance with all terms and conditions of this RFP, any applicable amendments of this RFP, and all Proposer's response documentation. The Proposer further understands that it accepts the full responsibility as the sole source of solutions proposed in this RFP response and that the Proposer accepts responsibility for any subcontractors used to fulfill this proposal.

Company Name: Johnson Controls, Inc. Date: 03/02/2017

**FORM E**  
**CONTRACT ACCEPTANCE AND AWARD**

(Top portion of this form will be completed by NJPA if the vendor is awarded a contract. The vendor should complete the vendor authorized signatures as part of the RFP response.)

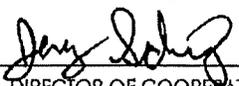

NJPA Contract #: 030817-JHN

Proposer's full legal name: Johnson Controls, Inc.

**Based on NJPA's evaluation of your proposal, you have been awarded a contract. As an awarded vendor, you agree to provide the products and services contained in your proposal and to meet all of the terms and conditions set forth in this RFP, in any amendments to this RFP, and in any exceptions that are accepted by NJPA.**

The effective date of the Contract will be May 8, 2017 and will expire on May 8, 2021 (no later than the later of four years from the expiration date of the currently awarded contract or four years from the date that the NJPA Chief Procurement Officer awards the Contract). This Contract may be extended for a fifth year at NJPA's discretion.

**NJPA Authorized Signatures:**

  
NJPA DIRECTOR OF COOPERATIVE CONTRACTS  
AND PROCUREMENT/CPO SIGNATURE

NJPA Contract # 030817-JHN

**PROPOSER ASSURANCE OF COMPLIANCE**

**Proposal Affidavit Signature Page**

**PROPOSER'S AFFIDAVIT**

The undersigned, authorized representative of the entity submitting the foregoing proposal (the "Proposer"), swears that the following statements are true to the best of his or her knowledge.

1. The Proposer is submitting its proposal under its true and correct name, the Proposer has been properly originated and legally exists in good standing in its state of residence, the Proposer possesses, or will possess before delivering any products and related services, all applicable licenses necessary for such delivery to NJPA members agencies. The undersigned affirms that he or she is authorized to act on behalf of, and to legally bind the Proposer to the terms in this Contract.
2. The Proposer, or any person representing the Proposer, has not directly or indirectly entered into any agreement or arrangement with any other vendor or supplier, any official or employee of NJPA, or any person, firm, or corporation under contract with NJPA, in an effort to influence the pricing, terms, or conditions relating to this RFP in any way that adversely affects the free and open competition for a Contract award under this RFP.
3. The Proposer has examined and understands the terms, conditions, scope, contract opportunity, specifications request, and other documents in this solicitation and affirms that any and all exceptions have been noted in writing and have been included with the Proposer's RFP response.
4. The Proposer will, if awarded a Contract, provide to NJPA Members the /products and services in accordance with the terms, conditions, and scope of this RFP, with the Proposer-offered specifications, and with the other documents in this solicitation.
5. The Proposer agrees to deliver products and services through valid contracts, purchase orders, or means that are acceptable to NJPA Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to NJPA Members under an awarded Contract.
6. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.
7. The Proposer understands that NJPA will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statute §13.591, Subd. 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals generally become public data. Minnesota Statute §13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.
8. The Proposer understands that it is the Proposer's duty to protect information that it considers nonpublic, and it agrees to defend and indemnify NJPA for reasonable measures that NJPA takes to uphold such a data designation.

**[The rest of this page has been left intentionally blank. Signature page below]**

By signing below, Proposer is acknowledging that he or she has read, understands, and agrees to comply with the terms and conditions specified above.

**PROPOSER QUESTIONNAIRE**

**Payment Terms, Warranty, Products and Services, Pricing and Delivery, and Industry-Specific Questions**

Proposer Name: Johnson Controls

Questionnaire completed by: Andrew Pergande

**Payment Terms and Financing Options**

1) What are your payment terms (e.g., net 10, net 30)?

Johnson Controls uses Net 30 payment terms.

2) Do you provide leasing or financing options, especially those options that schools and governmental entities may need to use in order to make certain acquisitions?

Our approach to financing is to assist in identifying a lender through competitive procurement from a group of qualified lenders, and work closely with our clients to provide the most favorable financing package for the project. Johnson Controls receives no commissions or finder’s fees for bringing financing institutions to our clients.

Most public entities that we’ve worked with have selected a tax-exempt capital lease structure. This structure has the least amount of transaction costs and is offered at rates comparable to other forms of public sector financing.

Johnson Controls will help NJPA members:

- Obtain the lowest interest rate
- Obtain the lowest cost of financing
- Protect against interest rate fluctuations
- Minimize your time devoted to financing issues
- Explore available alternative funding sources

The following table shows some of the financing options used by our customers.

Financing Option	Description*
Installment Purchase (Buy)	No down payment required. The customer makes even payments monthly over a number of years (typically 5 years). Customers own their equipment. Typically used with projects \$25,000 and up. Flexible payment schedules are available. This is a full term obligation at taxable rates, but financing is done directly through Johnson Controls on a light document package.
Tax Exempt Lease Purchase	Similar to installment purchase, but customer doesn’t take title to purchase until the end of the term. Lease terms range from 2 to 10 years depending upon the size of the project and the credit status of the individual customer. Payment frequencies can be matched to fit the Customer need from monthly to annually, in arrears or in advance - again depending upon the Customer criteria.
Operating Lease	Zero money down and low monthly payments. At the end of the term the customer must purchase for Fair Market Value, return, or release the equipment. This type of financing is most often used when an entity has restrictions on ownership or title transfer of equipment.

\* Terms subject to credit approval. Descriptions are for information purposes and should not be construed as financial advice.

- 3) Briefly describe your proposed order process. Please include enough detail to support your ability to report quarterly sales to NJPA. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the NJPA Members' purchase orders.

Systems and Services North America has a wholly owned branch network that provides proposals directly to customers for requested product or service purchases. Each proposal procured through the NJPA contract will have the NJPA contract number and will be logged. Upon customer award, each sale will be reported to NJPA quarterly (or on NJPA's desired frequency).

- 4) Do you accept the P-card procurement and payment process? If so, is there any additional cost to NJPA Members for using this process?

We do accept P-card procurement and payment, and we do not pass on any fees to the customer.

### Warranty

- 5) Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may include in your response a copy of your warranties, but at a minimum please also answer the following questions.

Do your warranties cover all products, parts, and labor?

Do your warranties impose usage restrictions or other limitations that adversely affect coverage?

Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?

Are there any geographic regions of the United States for which you cannot provide a certified technician to perform warranty repairs? How will NJPA Members in these regions be provided service for warranty repair?

Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?

What are your proposed exchange and return programs and policies?

The following sample text shows our standard warranty for HVAC systems and service. Extended or customized warranty terms are negotiable.

**Parts Warranty:** JCI warrants that original equipment, parts or components manufactured or labeled by JCI shall be free from defects in material and workmanship under normal usage and proper installation and maintenance for a period of one (1) year from the date of shipment. Equipment, parts or components not manufactured or labeled by JCI shall carry a warranty from defects in material and workmanship under normal usage and proper installation and maintenance for a period of ninety (90) days from the date of shipment. Notwithstanding the foregoing, in the event JCI is reasonably able to identify a warranty for a period longer than the ninety (90) days applicable to equipment, parts or components not manufactured or labeled by JCI, it will assign all assignable rights under such warranty to Customer and reasonably cooperate in the enforcement of any warranty claim. Recertified or replacement parts installed on equipment and still under the original equipment manufacturer's warranty are covered for ninety (90) days or the remainder of the original equipment manufacturer warranty period, whichever is longer. For large tonnage chillers, JCI will warrant under normal usage and proper installation and maintenance for a period of one (1) year from the date of shipment: screw compressors, motors, control panels and components, VFD's and components and Liquid Cooled Solid State Starters and components. For small tonnage chillers, JCI will warrant under normal usage and proper installation and maintenance for a period of one (1) year from the date of shipment: scroll compressors, condenser coils, control panels and components, screw compressors (DXS and Mustang), and fan motors. In the event of a valid warranty claim, the Customer's remedy shall, at JCI's sole discretion and subject to the exclusions herein, be limited to repair or replacement of the subject equipment, part or component conditioned upon the return to JCI of any defective equipment, part or component. This Parts Warranty does not cover any shipping, handling or transportation charges or any associated labor costs.

**Labor Warranty:** JCI warrants its workmanship or that of its agents in relation to installation of materials for a period of ninety (90) days from date of installation or with respect to service work for a period of ninety (90) days from the date of service. Customer acknowledges that re-performance shall be its exclusive and only remedy with regards to any services provided by JCI. Customer shall bear all labor costs associated with the repair or replacement of failed material that is outside the scope of this express labor warranty. All warranty labor shall be executed during JCI normal business hours.

These warranties do not extend to any equipment which has been repaired by others, abused, altered, or misused in any way, or which has not been properly and reasonably maintained.

THESE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THOSE OF MERCHANTABILITY AND FITNESS FOR A SPECIFIC PURPOSE. UNDER NO CIRCUMSTANCES SHALL JCI BE LIABLE FOR ANY SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES ARISING FROM OR RELATING TO ANY DEFECT IN MATERIAL OR WORKMANSHIP OF EQUIPMENT OR THE PERFORMANCE OF SERVICES.

The following table provides answers to the questions from the RFP.

Question	Information
Do your warranties cover all products, parts, and labor?	There is a parts warranty and a typically a manufacturer warranty that is passed on to the customer. Additionally there is a labor warranty provided by Johnson Controls
Do your warranties impose usage restrictions or other limitations that adversely affect coverage?	The warranties do not extend to any equipment which has been repaired by others, abused, altered, or misused in any way, or which has not been properly and reasonably maintained.
Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?	Yes.
Are there any geographic regions of the United States for which you cannot provide a certified technician to perform warranty repairs? How will NJPA Members in these regions be provided service for warranty repair?	We can provide warranty repairs in all geographic regions.
Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?	We pass all manufacturer warranties on to the customer. If requested and negotiated into the contract, we can cover a manufacturer warranty or enable the customer to buy an extended warranty.
What are your proposed exchange and return programs and policies?	If we are in the installation phase and the requested change is similar in price and operation to the planned equipment, we will make the change as requested. If the change is less expensive, we will refund the difference to the customer. If the change is more expensive, we implement the change with a formal Change Order.

6) Describe any service contract options for the items included in your proposal.

We will guarantee the performance of our company’s labor by supplying proposals based on our nationwide project-estimating program, Project Estimating Tool. This program has been refined over many years using thousands of service calls to establish acceptable rates and labor hours to perform mechanical tasks.

As described in Form A, question 19, we deliver unparalleled OEM service support for our industry-leading YORK chillers and Metasys building management system, as well as the expertise to service **any competitive brand of equipment**, including chillers, boilers, HVAC mechanical equipment, and controls systems. When it comes to servicing HVAC equipment or controls system, we will provide customers with the expertise, resources, professionalism, and results expected from a global industry leader – with the attention to detail and commitment to community of a local service provider.

We can customize a facility maintenance plan to address the manufacturer’s recommended preventative maintenance tasks for all of your equipment. An effective strategy applies an optimum mix of different approaches based on the risk impact or cost and consequences of failure. Establishing this proper mix and focusing on continuous improvement are equally important in a successful strategy.

<p><b>Reactive Maintenance</b></p> <p>Fixing or replacing equipment only when they fail. Assets will be out of service until fixed. Significant overtime and expedited delivery costs incurred.</p>	<p><b>Preventative Maintenance</b></p> <p>Scheduling maintenance at specific times offers a first line of defense against failure.</p>
<p><b>Predictive Maintenance</b></p> <p>Checking the condition of equipment as it operates. Equipment condition, rather than time intervals, determines the need for service.</p>	<p><b>Proactive Maintenance</b></p> <p>Addresses root causes identified by predictive methods. It isolates and corrects the sources of failure altogether.</p>

**Pricing, Delivery, Audits, and Administrative Fee**

7) Provide a general narrative description of the equipment/products and related services you are offering in your proposal.

Johnson Controls offers efficient energy solutions for all types of buildings. We have been the leader in high quality building environments and mechanical services and contracting for decades. We are the market leader in performance contracting, with a greater market share and more experience than any of our competitors.

We offer NJPA members experience and expertise in HVAC system design, installation, and service. This include such items as smart building services, controls, building automation systems, lighting, and building envelop. We also provide distribution systems, cogeneration plants, water conservation, and water and sewage systems. Our renewable energy offerings include solar, wind, microgrids, and distributed energy storage.

We have installed our products in major buildings throughout the world as documented in numerous case studies on our web site, <http://www.johnsoncontrols.com>. We embrace open systems fully and have solutions across all major protocols. This ensures that our system integrates with controls and equipment from other vendors.

Our 4,500 front-line service providers operate out of 160 company-owned branch locations, providing local expertise that is able to respond to customer needs 24 hours a day, 7 days a week. As a vendor neutral company, we service all makes and models of equipment. We also provide assistance to our customers with finding and procuring grants and rebates, public relations campaigns, training, and energy awareness education for your residents, students, or guests.

8) Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the NJPA discounted price) on all of the items that you want NJPA to consider as part of your RFP response. Provide a SKU for each item in your proposal. (Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract. See the body of the RFP and the Price and Product Change Request Form for more detail.)

This agreement will apply to all Johnson Controls Systems and Services North America (SSNA) branches across the United States. Johnson Controls strives to be a company that is easy to do business with. Therefore, our approach for this opportunity is to keep our pricing model simple, easy to use, and transparent.

**Labor Rates**

For labor rates, each branch location has **published street labor rates** that are **competitive in their local markets**. We will be using the approach **discounting 10%** off of our local branch published street rates (benchmark: Our labor pricing approach is the same approach utilized by Johnson Controls for GSA Schedule 84, which can be used by most state and local government entities). Local labor rates change annually.

**Equipment, Controls, and Solutions**

- For equipment, controls, fire alarm, and parts manufactured by Johnson Controls, our approach is to discount off of our North American List Price (NALP)
- For outside purchased HVAC equipment, controls, fire, security, technology equipment, and miscellaneous components, our approach is to mark up over our cost
- For Packaged Central Plant solutions (400-4500 tons), cooling towers and pumps, our price depends upon the complexity and size of the system
- HVAC Specialty Air Quality Products are custom built, so pricing will vary
- For miscellaneous 3rd party parts, mechanical subcontracts, electrical subcontracts, piping subcontracts, insulation subcontracts, job services such as cranes, facilities assessments, job specific tools, management & engineering services and surveys, our approach is to mark up over our cost as verified by 3rd party invoice to Johnson Controls.

**Pricing Table**

The following table describes our pricing for the services products and services offered:

Product/Service	Discount Type	Discount
Non-Johnson Controls HVAC control, security, fire and equipment products: includes subcontracts, non-Johnson Controls controls, assessments, tools, management & engineering services and surveys	Mark up over cost	Cost + 30%
Miscellaneous parts	Mark up over cost	Cost + 30%
York Chillers (air-cooled and water cooled)	Discounts from North America List Price (NALP)	NALP less 55%
York Air Handling Equipment	Discounts from North America List Price (NALP)	NALP less 55%
Johnson Controls Terminal Units (VAV & FCU)	Discounts from North America List Price (NALP)	NALP less 55%

Johnson Controls Commercial Unitary Equipment (Series 5-40)	Discounts from North America List Price (NALP)	NALP less 55%
Johnson Controls Large Commercial Unitary Equipment (Series 100)	Discounts from North America List Price (NALP)	NALP less 55%
Johnson Controls DDC controls & Johnson Controls Security products	Discounts from North America List Price (NALP)	NALP less 55%
Fire Alarm Systems	Discount from list price	List less 15%
Johnson Controls Labor	Local Branch Published Street Labor Rates	Local Branch Published Street Rate less 10%
Packaged Central Plant (400-4500 tons)	Pricing varies depending upon complexity, but customers will receive a minimum of a 5% discount	

**Pricing Notes:**

1. All labor rates are based upon standard hours.
2. Overtime rates (afterhours, Saturday, Sunday): 1.5 x standard labor rates
3. Overtime rates (Holidays): 2 x standard labor rates
4. Per diem rates: Based upon location and job role to be provided
5. Minimum charge of 4 hours for all overtime work
6. Local branch published street labor rates may be updated annually at the discretion of each local branch

**Not to exceed pricing:**

The above pricing is submitted as not to exceed pricing and can be adjusted lower but cannot exceed the pricing above for those projects purchased under the agreement. Customer must indicate on the purchase order their intent to use the NJPA Agreement.

9) Please quantify the discount range presented in this response. For example, indicate that the pricing in your response represents is a 50% percent discount from the MSRP or your published list.

Discounts vary based on equipment and labor. Maximum equipment discounts are 55%. See our response to question 8.

10) The pricing offered in this proposal is

- a. the same as the Proposer typically offers to an individual municipality, university, or school district.
- b. the same as the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.
- c. better than the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.
- d. other than what the Proposer typically offers (please describe).

Both B and C apply to our response. Depending on the opportunity, the discounts will be equal or better than we offer to GPOs.

11) Describe any quantity or volume discounts or rebate programs that you offer.

Volume discounts will be considered on a project-by-project basis. Most SSNA solutions are customized for each facility and do not qualify for volume discounts.

12) Propose a method of facilitating “sourced” products or related services, which may be referred to as “open market” items or “nonstandard options”. For example, you may supply such items “at cost” or “at cost plus a percentage,” or you may supply a quote for each such request.

We supply these items at cost + 30%.

13) Identify any total cost of acquisition costs that are **NOT** included in the pricing submitted with your response. This cost includes all additional charges that are not directly identified as freight or shipping charges. For example, list costs for items like installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.

We offer turnkey pricing that includes all costs. Everything included in the costs is documented in the contract.

14) If delivery or shipping is an additional cost to the NJPA Member, describe in detail the complete shipping and delivery program.

Shipping costs are included, as is disposal.

15) Specifically describe those shipping and delivery programs for Alaska, Hawaii, Canada, or any offshore delivery.

Shipping costs are included in the price.

16) Describe any unique distribution and/or delivery methods or options offered in your proposal.

We strive to achieve just in time delivery to avoid storage costs and costs associated with damage that can occur when equipment and parts are stored on site or in a facility for any length of time. Additionally, we do not enforce your warranty until we reach substantial completion. This helps save our customers a little money by not starting the warranty period too early, when the system is not yet in use.

17) Please specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with NJPA. This process includes ensuring that NJPA Members obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to NJPA.

Pricing calculations under the NJPA contract will leverage estimating tools with defined pricing discounts for NJPA members. This pricing methodology makes it easy for our field organization and customers to understand pricing practices. Pricing transparency is provided to the customer with each NJPA proposal including reference to the NJPA contract. Pricing for large sales often have multiple reviews (sales, sales management, and cooperative program office). Small transactional sales are sample reviewed by the cooperative program office. If a pricing discrepancy would be identified all sales by that sales rep through the NJPA contract would be self-audited. The sales reporting and administrative fee remittance function is independent from the field sales organization. Fee processing is completed by a centralized GPO and cooperative processing team. This process will help to eliminate issues relating to unreported sales or missing fees under the NJPA contract. The centralized team utilizes data contained with our Customer Relationship Management system, booking system, and cooperative proposal log to help ensure completeness in sales reporting and fee submission.

18) Identify a proposed administrative fee that you will pay to NJPA for facilitating, managing, and promoting the NJPA Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See RFP Section 6.29 and following for details.)

We propose a 1.5% annual administration fee with a reduction to 1% in any subsequent year that total contract volume exceeds \$60M.

**Industry-Specific Questions**

19) For the solutions that you are proposing in your response, what is your market share relating to NJPA's specific member sectors (i.e., governmental, educational, or not-for-profit entities)? If you are unable to cite reasonably accurate data or credible estimates, please state this.

Our market share in the Education and Government vertical markets are:

Item	2014	2015	2016
Education	25.4%	22.4%	23.1%
Government	21.2%	23.6%	23.1%

We do not track market share data for non-profit customers.

20) Detail your ongoing training programs for your service/installation technicians, including the training frequency and time requirements.

Annual mandatory training for front-line service providers typically includes training in safety, sexual harassment class, diversity, ethics, manager training, energy management, fire and life safety, HVAC mechanical services, life sciences, building controls, networking and connectivity, security systems, systems integration, and others.

Mandatory training for all employees typically includes training in sexual harassment, diversity, and ethics.

Johnson Controls also encourages external training that develops employees' skill and knowledge base, thus promoting career growth and development. External training is also provided as needed to meet account-specific requirements.

For injury prevention, it is critical that employees understand the hazards and potential hazards they could encounter when working on the job. The SSA Safety Training Program focuses on the identification of hazards specific to Johnson Controls work, and the safe work practices necessary to eliminate or control the hazardous conditions identified. As part of the annual or monthly training, employees are encouraged to discuss individual safety experiences on what has and hasn't worked from their perspective. To the extent that lessons learned play a role in accident prevention, employees can save their co-workers from potential injury by discussing these experiences along with their accidents or near misses. Through training and discussion, the idea is to help employees develop a personal stake in the process of making a worksite safer.

Field supervisors receive safety training at a minimum of annually during a kick-off session held during the first quarter of the fiscal year. In addition to a review of relevant safety issues and Area office safety metrics, a train-the-trainer session is conducted for field supervision. In this session, the supervisor learns to conduct the annual safety training for their employees (down to the specific topics chosen for the year), along with the process and resources for conducting and documenting monthly toolbox training.

At a minimum, team leaders conduct toolbox safety training for their team on a monthly basis. A "Toolbox of the Month" topic is posted on the Advisor Safety homepage and is retrieved by the team leader to conduct the training. The "Toolbox of the Month" format is used as a means to convey recent Group/Area safety issues, injury information, and other up-to-the minute safety topics. Each quarter, the supervisor completes a safety checklist in place of a toolbox session. This checklist is used to validate each employee's understanding of the safety training topics discussed earlier

in the year. The checklist is on Advisor, in place of the Toolbox of the Month topic each quarter. The completed checklists are documented the same way as monthly toolbox training. Additional toolbox topics are also available on the Advisor and in handbook format. The supervisor uses these topics to supplement the Toolbox of the Month or to provide training on an as needed basis based on the type of work being performed, the environment, and/or customer requirements.

**21) Describe and demonstrate what specifically differentiates you from your key competitors in the areas of organizational structure and product/service offerings.**

Our extensive branch network of 4,500 front-line service providers nationwide is **100% company owned** and operated. Full ownership of our branch network benefits our customers because we are able to provide:

- *Consistent* processes and procedures
- *Consistent* service standards
- *Consistent* on-time delivery
- *Consistent* pricing and training
- *Consistent* long-term support and resources

In addition to our own internal resources, we frequently use local resources like engineering, mechanical, and electrical firms. Each branch office has extensive relationships with proven local businesses because we believe in supporting the communities where we work. We install and service all makes and models of equipment.

Additionally, we have entire teams dedicated to State Government, Higher Education, K-12 Schools and Districts, Local Government, Federal Government, Healthcare, and Public Housing. Our ability to dedicate resources and specialize in these markets ensures that NJPA members will receive service from experts with extensive experience serving similar customers in similar facilities facing similar problems.

**22) In addition to the general narrative of equipment/products and related services requested in Form P, question 7, describe in detail what is included within your response in terms of installation, maintenance, and turn-key services.**

We sell, install, commission, maintain, and service customers with cooling, HVAC, heating, energy management, and controls systems needs. Our 4,500 front-line service providers operate out of 160 company-owned branch locations, providing local expertise that is able to respond to customer needs 24 hours a day, 7 days a week.

Our turnkey projects provide equipment, installation, and your choice of maintenance and service needs for a single price. However, our value goes beyond equipment and maintenance programs. We have specialized experts and the experience to improve efficiency at your facilities, address maintenance issues, and prolong the life of the equipment through a life cycle program management approach, increase responsiveness through technical advantages and knowhow, and improve efficiency and downtime. Johnson Controls offers NJPA members the broadest array of offerings to maximize their savings, upgrade their infrastructure, and allow them to invest in staff, facilities, and their communities.

Working with the Johnson Controls team, you can expect:

- Expertise delivered by highly skilled and trained teams
- Expertise delivered by our project managers and engineers who develop solutions to reduce operational costs and improve environmental conditions
- A fast response from our local branches serving the entire state(s)
- A high level of trust through consistent service delivery, accountability and communication
- A flexible service solution with options that can be tailored to meet your requirements and budget
- The highest degree of service, utilizing innovative industry-leading technologies
- Risk mitigation to protect your building and equipment investments

23) Which industry-specific quality management system certifications (if any) does your company hold? You may also include applicable ISO certifications in your answer.

Johnson Controls is ISO:9001 compliant.

Johnson Controls Commercial Unitary Equipment (Series 5-40)	Discounts from North America List Price (NALP)	NALP less 55%
Johnson Controls Large Commercial Unitary Equipment (Series 100)	Discounts from North America List Price (NALP)	NALP less 55%
Johnson Controls DDC controls & Johnson Controls Security products	Discounts from North America List Price (NALP)	NALP less 55%
Fire Alarm Systems	Discount from list price	List less 15%
Johnson Controls Labor	Local Branch Published Street Labor Rates	Local Branch Published Street Rate less 10%
Packaged Central Plant (400-4500 tons)	Pricing varies depending upon complexity, but customers will receive a minimum of a 5% discount	
Energy Efficient Projects with General Requirements and internal/external Purchase Orders for Construction	All Related Services and Products	Cost Plus 30%

**Pricing Notes:**

- All labor rates are based upon standard hours.
- Overtime rates (afterhours, Saturday, Sunday): 1.5 x standard labor rates
- Overtime rates (Holidays): 2 x standard labor rates
- Per diem rates: Based upon location and job role to be provided
- Minimum charge of 4 hours for all overtime work
- Local branch published street labor rates may be updated annually at the discretion of each local branch
- The Mileage Charge for USA is \$1.84 per Mile. The Fuel Surcharge fee is \$15.00. (Applied to Service Calls)

**Not to exceed pricing:**

The above pricing is submitted as not to exceed pricing and can be adjusted lower but cannot exceed the pricing above for those projects purchased under the agreement. Customer must indicate on the purchase order their intent to use the Sourcewell Agreement.

**PROPOSAL/CONTRACT**

Date: 7/15/2020

Contract # 202040

Amp Electric Construction, Inc. proposes to furnish material and labor in accordance with the job description identified in this Proposal/Contract pursuant to the following:

1. SUBMITTED TO: BROOKINGS COUNTY
2. JOB PHONE CONTACTS: 605-695-2923 (Brian) 605-695-1956 (Mike)  
Person(s) requesting work: \_\_\_\_\_
3. JOB LOCATION: OAC
4. PLAN DESCRIPTION: GENERATOR
5. JOB DESCRIPTION:

PRICE TO ADD GENERATOR FEED TO BUILDING WITH POWER TRANSFER.  
PRICE INCLUDES ALL MATERIAL, LABOR, TAX, AND INSPECTION.

We PROPOSE to perform the work as stated in this Contract in accordance with the specification and plans submitted and completed in a workmanlike manner for the sum of:

\$20,450.00

This contract is executed in Brookings, SD by Amp Electric Construction, Inc. and is valid for 30 days.

ACCEPTANCE OF PROPOSAL: The process, specifications, terms and conditions are hereby accepted. Amp Electric Construction, Inc. is authorized to do the work as specified. Payment will be made as outlined above. It is understood and agreed that this work is not provided for in any other agreement and no other contractual rights arise until this proposal is accepted in writing.

Date: \_\_\_\_\_

Signature: \_\_\_\_\_

## TERMS AND CONDITIONS

6. Electrical shall be installed to standards of National Electric Code and is guaranteed free from short circuits of one year. No other warranties are peeresses or implied.
7. Amp Electric Construction, Inc. is not responsible or liable in any way for any part of the existing electrical system.
8. Amp Electric Construction, Inc. shall make holes in the building to gain access for routing cables and conduits and shall not be held liable in any way for labor costs incurred for painting, texturing, repairing walls or ceilings.
9. Time and materials work shall be charged \$45 per hour plus materials. Service calls shall be charged \$50 for the first half hour then \$45
10. per hour. \$50 is minimum charge.
11. Permits, inspections, and/or plans required for this work are the responsibility and liability of the party submitted to in section 1.
12. Delay: Amp Electric Construction, Inc. will be excused for any delays beyond our control. These delays may include but are not limited to Acts of God, labor disputes, inclement weather, acts of owner or public authority or other unforeseen contingencies.
13. Change orders: any alteration or deviation from the above specifications involving extra costs will be made only upon written agreement, and will become an extra charge above the contract price to be paid immediately.
14. Any failure to make payments to Amp Electric Construction is subject to a claim against the property in accordance with applicable lien laws.
15. It is agreed that payment to Amp Electric shall not be withheld due to any delay of failed payments to the party submitted to in section 1.
16. Malicious mischief and vandalism on the job is the responsibility of the party submitted to in section 1. Amp Electric Construction, Inc. shall not be responsible for any damage resulting therefrom. Party submitted to shall carry needed insurance.
17. Overdue accounts will be charged a late charge at the rate of 1.5% per month or the maximum rate permitted by law, whichever is less.
18. In the event any party to this contract commences any action, legal or otherwise to collect the contract price, the prevailing party shall be entitled to recover attorney's fees and all other costs incurred in connection with the action.
19. Right to stop work: if any payment under this Contract is not made when due, Amp Electric Construction, Inc. may stop or suspend work until all payments have been made.
20. This proposal shall be effective for thirty days from the date first set forth above. If this proposal is not accepted within this time it shall be expired. This proposal may be withdrawn any time before acceptance.
21. The language of all parts of this contract shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against any of the parties. No provision shall be deemed dependent upon any other.
22. If any provision of this contract is held by an arbitrator or court to be unenforceable, invalid or illegal, said provision shall be deemed to be deleted and shall not affect the validity of the remaining provisions of this contract.
23. Party submitted to shall give written notice of a back charge to Amp electric within ten days of the act giving rise to back charge. If no such notice is given within the ten day period the back charge shall not be allowed.
24. In the event party submitted to does not request work to begin and/or the project is not in good condition to commence the work within 30 days after the acceptance of this contract, Amp Electric shall have the option to terminate this contract.

July 14, 2020

TO: Brookings County Commission  
FROM: Vicki Buseth, Finance Officer  
RE: Tax Abatement

The following Tax Abatement is on the July 21<sup>st</sup> agenda.

● **Abatement 20-31 Brenda Pratt** applied for an abatement because she was not given the owner occupied status because of an office error in Equalization. Amount of the abatement is **\$326.81**.

Jacob Brehmer Director of Equalization and Vicki Buseth, Finance Office both recommend approval on this abatement.

APPLICATION FOR ABATEMENT AND/OR REFUND OF PROPERTY TAXES

Abatement # 20-31 Assessment year 2019 Payable Year 2020

Board of County Commissioners of Brookings County, South Dakota

NAME Pratt, Brenda Et Vir

MAILING ADDRESS PO Box 67

CITY White State SD Zip Code 57276

Legal Description of Property Sherwood's First Addn, Lot 4, E 10' Lot 5, Blk 3

Parcel # 37350-00300-004-00

Amount of abatement being requested \$326,81

Application for an abatement / refund of taxes is being presented due to the following reason (check applicable provision)

- An error has been made in any identifying entry or description of the real property, in entering the valuation of the real property or in the extension of the tax, to the injury of the complainant;
- Improvements on any real property were considered or included in the valuation of the real property, which did not exist on the real property at the time fixed by law for making the assessment;
- The property is exempt from the tax;
- The complainant had no taxable interest in the property assessed against the complainant at the time fixed by law for making the assessments;
- Taxes have been erroneously paid or error made in noting payment or issuing receipt for the taxes paid;
- The same property has been assessed against the complainant more than once in the same year, and the complainant produces satisfactory evidence that the tax for the year has been paid.
- A loss occurred because of flood, fire, storm, or other unavoidable casualty; Date of Loss \_\_\_\_\_
- Structures have been removed after the assessment date (upon verification by the director of equalization) Date structures removed \_\_\_\_\_
- Applicant, having otherwise qualified for the Assessment Freeze for the Elderly and Disabled, but missed the deadline as prescribed in § 10-6A-4
- Applicant, having otherwise qualified for classification of owner-occupied single family dwelling, but missed the deadline as prescribed by law due to temporary duty assignment for the military.
- Other / Comments \_\_\_\_\_

Assessor Recommendation: Approve Deny Signature Tacob Blum

(No tax may be abated on any real property which has been sold for taxes, while a tax certificate is outstanding -- Any abatement on property within corporate limits of a municipality must be first approved by the governing body of the municipality.)

I hereby apply for an abatement / refund of property taxes for the above reasons.

 Project No BRF 6319(00)17-4 County Brookings Contract Amt \$3,056,597.05  
 Type of Work Structures & Approach Grading (89'-6" Continuous Concrete Bridge & 246'-0" Prestressed Girder Bridge)  
 Contractor Prahm Construction, Inc.

The following change in plans and/or specifications for the subject project is hereby made:

**Contract Time**

Instruction: Change the field work completion date for the project as per CCO #02 from August 15, 2020 to November 1, 2020. All other conditions of the Special Provision for Contract Time shall still apply.

Reason: This project experienced continued high water flows into the late spring of 2020 which delayed work from progressing on Structure No. 06-169-238. Once the water receded enough for work to progress in mid-May the Contractor ran into obstructions during cofferdam installations consisting of old concrete footings and large trees 10'-12' below the water level. These obstructions further slowed the progress.

Adjustment of the contract time for this contract will not be considered as justification for any additional monetary or contract time adjustments on any other South Dakota Department of Transportation Contracts. This CCO results in no monetary change to the contract.

**POSITION TITLE:** Equipment Operator  
**DEPARTMENT:** Highway  
**REPORTS TO:** Highway Superintendent  
**FLSA STATUS:** Non-Exempt  
**WAGE GRADE:** 5

### **DESCRIPTION OF WORK**

#### **General Statement of Duties**

The fundamental reason this classification exists is to operate safely and efficiently specialized medium to heavy equipment (work with heavy equipment less than 80% of the time). The work requires considerable skill in manipulating medium to heavy equipment and constant attention to safety of operation in order to prevent accidents. Assignments are outlined in detail by supervisors. Standard procedures are followed and work is inspected periodically for safety and economy in operation. The Road Foreman will work as a lead to the Equipment Operator. General supervision is received from the Highway Superintendent and/or Lead foreman and work is reviewed through the proper functioning and performance of equipment.

**Examples of Duties:** (Any one position may not include all of the duties listed, nor do the listed examples include all duties which may be found in positions of this grade.)

- Operate and maintain medium to heavy duty capacity dump trucks, tractors, trailers, rollers, loaders, packers, power booms, recyclers, and trucks with specialized equipment to include sand spreader, hot oil distributor used in hauling materials and equipment to perform highway repair work.
- Operate truck mounted snowplows and other snow removal equipment
- Operate equipment of small to medium capacity such as loader, backhoe in performing highway repair and patchwork
- Operate other self-propelled equipment of similar size and complexity
- Operate heavy equipment on a limited basis in the performance of County functions
- Perform service and minor repairs to equipment to include maintenance, tire repair, etc
- Reline brakes, repair engines, pumps or compressors, and adjust bearings, clutches or carburetors.
- Maintain equipment in proper operating condition by performing simple preventive maintenance tasks. Inspect equipment prior to use to ensure that is in proper operating condition. Cleans equipment using appropriate materials.
- Assist in snow and ice removal, culvert and bridge construction and repair, and loading and hauling dirt, rocks, gravel, snow, and other materials.
- Assist the Mechanic/Fabricator, Heavy Equipment Operators, and Road Foreman when not operating equipment.
- Operate power driven machinery such as jackhammer to other similarly sized equipment.
- Install and/or replace road signs. Cut and remove brush from ditches. Clean, paint, and perform other general custodial duties on County property.
- Communicate any unsafe conditions or accidents/injuries in a timely manner to the supervisor in order to facilitate prompt correct or reporting.
- Attend special training and familiarization workshops dealing with innovations in medium to heavy equipment operations, repairs and maintenance.
- Prepare and keep records related to work order requests, labor expenditures, job status, estimates, and proposed or completed projects.
- Perform work in a manner consistent with safe practices.
- Wear personal protective equipment when required.
- Develop and maintain positive, professional relationships with the general public and other employees.
- Perform other such duties and functions as assigned and necessary to the proper performance of the position.

## **QUALIFICATION FOR APPOINTMENT**

### **Required Knowledge, Skills, and Abilities**

- Working knowledge and experience in operation of medium to heavy equipment and/or related equipment used in construction and maintenance activities or any such combination of education, experience and training as may be acceptable to the hiring authority.
- General knowledge of procedures, techniques and standards applicable to highway and roadway maintenance and construction.
- Ability to perform manual labor, withstand variable weather conditions and work extended hours if necessary.
- Ability to understand and follow both written and verbal instructions and communicate effectively verbally and in writing.
- Possession of a valid South Dakota Class A Commercial Driver's License (CDL).

### **Physical Demands**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- While performing the duties of this job, the employee is frequently required to communicate with vendors, employees, co-workers, supervisory staff, etc.
- The employee is regularly required to sit and use hands to finger, handle, or feel.
- The employee is frequently required to stand; walk; reach with hands and arms; climb or balance; stoop, kneel, and crouch, or crawl.
- The employee must regularly lift and/or move up to 50 pounds and occasionally lift and/or move up to 100+ pounds with assistance.
- Ability to work during emergencies. Ability to work as needed and to be available for on-call shifts.

### **Work Environment**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- While performing the duties of this job, the employee is regularly exposed to fumes or airborne particles; toxic or caustic chemicals; employee is exposed to outside weather conditions.
- The noise level in the work environment is usually moderate but may be occasionally loud.

### **Examination, Testing, and Certification**

The Examination, Testing and Certification described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Valid South Dakota Commercial Drivers License (Class A).
- Successful competition in written and/or oral interviews.
- Other such examination as deemed appropriate and necessary by the Superintendent and/or County.

### **Education**

- High School diploma or GED certificate preferred

**OR**

Any equivalent combination of education and experience as is acceptable to the hiring authority.

## CONFLICT OF INTEREST POLICY BROOKINGS COUNTY, SOUTH DAKOTA

This Conflict of Interest Policy governs the activities of the Brookings County Board of County Commissioners, appointed board and committee members, appointed department heads, elected officials and staff of Brookings County. It is the duty of all members of the Board of County Commissioners, appointed board and committee members, appointed department heads, elected officials and staff to be aware of this policy, and to identify conflicts of interest and situations that may result in the appearance of a conflict and to disclose those situations, conflicts or potential conflicts to (1) the employee's supervisor in the case of staff members, (2) the chairperson of the appointed board/committee if on a board or committee, (3) the chairperson of the Board of County Commissioners if someone is an appointed or elected official or their Commission liaison or (4) other designated person, as appropriate. This policy provides guidelines for identifying conflicts, disclosing conflicts and procedures to be followed to assist Brookings County to manage conflicts of interest and situations that may result in the appearance of a conflict.

### Definitions

- *Apparent Conflict of Interest:* One in which a reasonable person would think that the decision-maker's judgment is likely to be compromised.
  - *Closely Associated With:* In a close relationship or position in time or space.
  - *Conflict of Interest:* A situation in which financial or other personal considerations have the potential to compromise or bias professional judgment and objectivity.
  - *Employee:* A person who works for another in return for financial or other compensation.
  - *Family Member:* Two or more people related by marriage, blood relation or adoption.
  - *Financial Interest:* Any financial interest in or relationship or prospective relationship with an entity, including, but not limited to, ownership of stocks, bonds, partnerships or other equity interests, rights to patent or lease payments, receipt of consulting fees, salary, loans, gifts, compensation for serving on boards of directors, or other forms of remuneration.
  - *Personal Interest:* To one person's interest or advantage. The pursuit of one's interest. Self-interest.
  - *Position of Authority:* One with a position of power, influence and authority over another.
  - *Potential Conflict of Interest:* A situation that may develop into a conflict of interest.
1. **What is a conflict of interest?** A conflict of interest arises when a board or committee member, appointed department head, elected official, or staff member has a personal interest that conflicts with the interests of Brookings County or arise in situations where a board or committee member, appointed department head, elected official, or staff member has divided loyalties (also known as a "duality of interest"). The former can result in situations that result in inappropriate financial gain to employees and persons in authority at Brookings County. Similarly, situations or transactions arising out of a conflict of interest can result in either inappropriate financial gain or the appearance of a lack

of integrity in Brookings County's decision-making process. Both results are damaging to Brookings County and are to be avoided.

- *Example #1:* An employee or person in a position of authority may benefit financially from a transaction between Brookings County and an applicant for permits or other special consideration by Brookings County or others closely associated with the board/committee/department head/elected official/staff member may be affected financially. Family members, or their businesses, or other persons or the businesses of persons with whom the board/committee/department head/elected official/staff member is closely associated, could benefit from similar transactions.
- *Example #2:* A conflict of interest could be a direct or indirect *financial interest* such as those described above, or a *personal interest* such as the situation where a board member of Brookings County is also a board member of another nonprofit or for-profit entity in the community with which Brookings County collaborates or conducts business.

2. **Who might be affected by this policy?** Brookings County takes a broad view of conflicts and board/committee/department head/elected official/staff members are urged to think of how a situation/transaction would appear to outside parties when identifying conflicts or possible conflicts of interest.
3. **Disclosure of conflicts.** Board and committee members, appointed department heads, elected officials and staff shall disclose conflicts as they arise as well disclose those situations that are evolving that may result in a conflict of interest. Advance disclosure must occur so that a determination may be made as to the appropriate plan of action to manage the conflict. Staff should disclose to their supervisor and board/committee members should disclose to their chairperson as soon as the person with the conflict is aware of the conflict/potential conflict or appearance of a conflict exists. Board of County Commission members should report conflicts or potential conflicts to the chairperson of the Commission.
4. **Procedures to manage conflicts.** For each interest disclosed, the full board/committee should determine whether the board/committee should: (1) take no action or (2) disclose the situation more broadly and invite discussion/resolution by the full board/committee to what action to take, or (3) refrain from taking action and otherwise avoid the conflict. In most cases the broadest disclosure possible is advisable so that decision-makers can make informed decisions that are in the best interest of Brookings County.
  - When the conflict involves a decision-maker, the person with the conflict ("interested party"): (1) must fully disclose the conflict to all other decision-makers; (2) may not be involved in the decision of what action to take (e.g. – may not participate in a vote).
  - In some cases the person with the conflict may be asked to recuse themselves from sensitive discussion so as not to unduly influence the discussion of the conflict.
  - In all cases, decisions will be made only by persons without an identifiable conflict of interest.
  - The fact that a conflict was managed and the outcome will be documented in the minutes of board/committee meetings if the conflict was related to a board/committee member, and reported by the board/chairperson of the board/committee or direct supervisor if the conflict was related to an appointed department head/elected official/staff member.
  - All members of an appointed or elected board/committee, as well as department heads should monitor proposed or ongoing transactions of the designated organization or employees and staff (e.g. – contract with vendors and collaborations with third parties) for conflicts of interest

and disclose them to the board/committee chairperson, commission chair, as appropriate, whether discovered before or after the transaction has occurred.

**5. Outside compensation, gifts, gratuities.** All members of the Board of County Commissioners, appointed board and committee members, appointed department heads, elected officials and staff are prohibited from receiving any outside compensation, gift, or gratuity, for the performance of County duties except as follows:

- Awards for meritorious public contributions publicly awarded.
- Receipt of honoraria or expenses paid for papers, talks, demonstrations, or appearances made by employees with the approval of the employee's department head or the Board of County Commission.
- Receipt of social amenities, ceremonial gifts, or advertising gifts, worth less than \$100 in value.

Effective this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_

---

Michael Bartley, Chairperson  
Brookings County Commission

TO: ALL EMPLOYEES, COMMISSIONERS, BOARD/COMMITTEE MEMBERS, AND ELECTED AND APPOINTED DEPARTMENT HEADS

All staff, appointed board/committee members, appointed department heads, elected officials and members of the Board of County Commissioners are expected to review and implement this policy in all matters involving your work with Brookings County.

Please indicate your receipt of this document by signature below. Your signature will be your acknowledgement of receipt and agreement to comply by the dictates of this common sense approach to conflict management.

.....  
Return this portion to your department head.

The undersigned hereby acknowledges receipt of the Conflict of Interest Policy this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.

Signature: \_\_\_\_\_

## **STAFF REPORT:**

### **Scheduled Agenda Items**

- 9:00 AM – Tabled Resolution 20-42: Tom Hunstad with Johnson Controls will be at the meeting to answer questions the board may have. The main motion was made by Boersma and seconded by Krogman and amended to take out the word “recently” in the second ‘Whereas’ of the resolution. The proposal does provide amended language on page 2 regarding the warranty information. I highlighted that sentence, which now clarifies that it is a manufacturer’s warranty.
- 10:00 AM – Bid Review: Henry Carlson and BKV will be on hand to review the bids for the jail expansion project.

### **Regular Business Items**

- ❖ Generator Quote: The low quote on adding the generator hook-up at the BCOAC was submitted by Amp Electric. If approved, this would be taken out of the 301 – Building Fund budget. There is \$50,000 budgeted for the BCOAC in 2020.
- ❖ Abatement: Vicki Buseth and Jacob Brehmer are recommending approval of Abatement 20-31. The request was due to an office error in not giving the property owner occupied status.
- ❖ Change Order: This is the change order for the bridges on south Highway 77, moving the completion date from August 15, 2020 to November 1, 2020.
- ❖ Automatic Supplements: The first supplements is for reimbursement from the City of Brookings and BMU for the ESRI agreement. The county paid for the entire amount up front. Due to timing, this revenue was not budgeted for in 2020. It is in the revenue budget for 2021.  
The second supplement is for double payment of the partitions that were purchased for Community Health to allow for separation of patrons. There was miscommunication on who was going to pay the bill and it was accidentally paid twice.
- ❖ Vacancy: This is a vacancy in the highway department due to a resignation of an Equipment Operator. Brian Gustad is asking to post the position internally.
- ❖ Appointment: Ms. Schmitz had been on the Commission, but had not reapplied by our initial deadline. She has since submitted an application. This appointment would be through December 31, 2025. This is the last position on this board to get moved from a mid-year appointment to a year-end appointment.
- ❖ Conflict of Interest: Dan Nelson and I have drafted the policy and are recommending approval.

### **Director’s Report**

- The surplus analysis for June is included with my report. We are right at the 10-year average at just over 37%.

## Public Notices

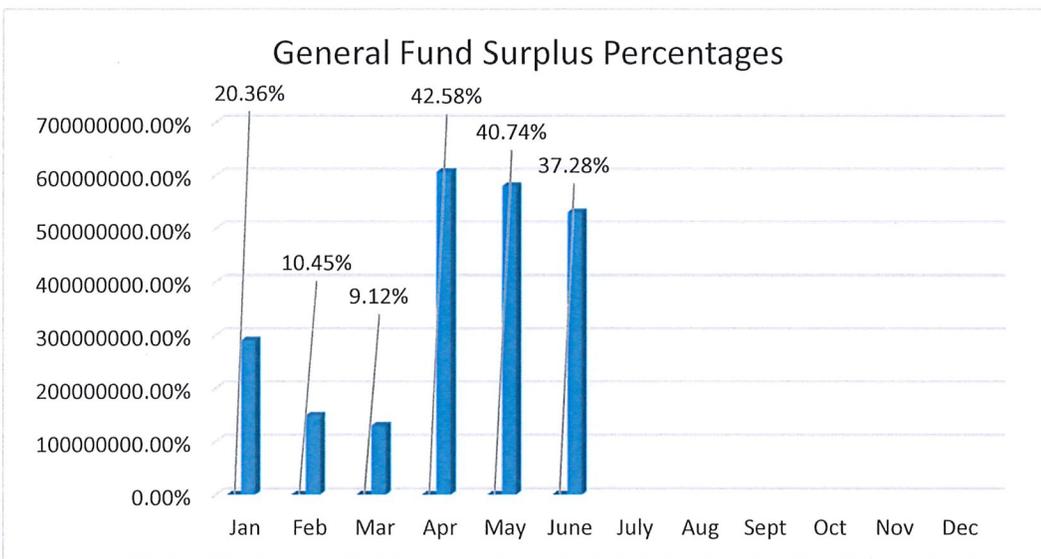

- ✓ Safety week – July 20-24, 2020
  - Safety Picnic, Thursday, July 23, 2020, 11:00 AM – 2:00 PM at the BCOAC.
- ✓ Brookings County 4-H Achievement Days – August 3-6, 2020
- ✓ CDI golf outing, Thursday, August 13, 2020 at Brookings Country Club

A handwritten signature in black ink, reading "Stacy Steffensen". The signature is written in a cursive, flowing style with a large loop at the end.

RE: Golden Dakota Farms, LLC – Proposed Underground Irrigation Distribution System  
Revised Plans and Specifications Review

Dear Mr. Coetzee:

The Department of Environment and Natural Resources received four copies of the plans and specifications for your proposed underground irrigation distribution system for state permit coverage under the 2017 *General Water Pollution Control Permit for Concentrated Animal Feeding Operations* (general permit), **permit application number SDG-100211**. Your existing manure management system is permitted under the 2017 state general permit and is located in the Southeast ¼ of Section 3, Township 108 North, Range 48 West in Moody County, South Dakota.

Your existing permitted manure management system is for a housed lot feeding a maximum of 4,000 mature dairy cattle and 75 dairy calves. Your existing system consists of a flume system in each of the eight freestall barns, piping, diversion dikes or channels, a calf hut area between the north freestall barns, a concrete sand settling lane, an open exercise lot, four settling ponds, three holding ponds, and 5.71 acres of drainage area. The existing holding pond system meets the requirements of the general permit and has at least 365 days of liquid storage capacity.

Your proposed underground irrigation distribution system will consist of 10-inch PVC and will begin with a riser near the southwest corner of Holding Pond #2 located in the Southwest ¼ of the Southeast ¼ of Section 3, Township 108 North, Range 48 West in Moody County, run west to a point just into the West ½ of Section 3, and then north beneath 220<sup>th</sup> Street to a point at least five feet north of the Right of Way (ROW) in Brookings County. From this point, the underground irrigation pipeline will run east along 220<sup>th</sup> Street a minimum five feet north of the ROW to an above ground booster pump and manifold that will be located in the Southeast ¼ of the Southeast ¼ of Section 33, Township 109 North, Range 47 West in Brookings County. From the manifold, there will be three 10-inch PVC pipelines that will connect to existing 8-inch PVC pipelines and pivots as follows.

- Line #1 will connect to an existing pipeline located between Pivot #1 located within *Field #46* and Pivot #4 located within the west part of *Field #48-A*. Existing Wells #1 and #4 are located near Pivot #1;

- Line #2 will connect to a new above ground manifold to be installed between Well #2 and Pivot #2 which are located near the center of *Field 47-A* and continue on to connect to the existing pipeline near Well #3 located in the northeast portion of *Field 47-A* that supplies water to Pivot #3 located within *Field 47-B* which is located within Lincoln County, MN; and
- Line #3 will connect to an existing pipeline located between Well #5 located in the southeast portion of *Field 47-A* and Pivot #5 located in the southeast portion of *Field 48-A*. Pivot #5 also irrigates a portion of *Field 48-B* which is located within Pipestone County, MN.

We have reviewed and hereby conditionally approve the proposed underground irrigation distribution system. This approval expires on July 7, 2022, unless installation of the proposed underground irrigation distribution system has started by that date. Once construction has commenced, you will have three years to complete construction and submit a Notice of Completion. If construction is not completed within the three-year timeframe this approval will expire. Two copies of the approved plans and specifications are being retained for our files, requirements pertaining to the proposed underground irrigation distribution system that you must implement are listed on the attached pages, and additional requirements for your operation pertaining to your coverage under the 2017 state general permit are identified in the departments May 11, 2020, approval letter.

**A portion of the existing underground irrigation piping between Well #3 and Pivot #3, the area covered by Pivot #3, and a portion of the area covered by Pivot #5 are located within Minnesota. You need to contact the Lincoln County Feedlot Officer in Ivanhoe, the Pipestone County Feedlot Officer in Pipestone, and the Minnesota Pollution Control Agency (state agency) for information on their requirements pertaining to the land application of manure and wastewater.**

If any deviations are required from the approved plans, as-built plans will be required. A complete set of as-built plans will be required if any major deviations result. Upon completion of construction, the enclosed Notice of Completion must be returned to the department. **You cannot use the proposed underground irrigation pipeline to transport wastewater until your Certificate of Compliance and coverage under the 2017 state general permit are amended to include the underground irrigation distribution system. Once the Notice of Completion has been received and a satisfactory construction inspection has been conducted, the department will issue an amended Certificate of Compliance and grant amended coverage under the 2017 state general permit to include the underground irrigation distribution system.**

Continued compliance is dependent upon you performing proper operation and maintenance activities. You will be liable for any noncompliance with applicable South Dakota environmental laws or regulations.

Our review covers works of sanitary significance and does not cover items such as quality of material, structural soundness, or electrical and mechanical design features. Approval of the plans and specifications does not in any way release the applicant from the responsibility that the project will be an operable facility when construction is completed.

Notice of Completion Form

## REQUIREMENTS

The following requirements must be implemented before we will issue an amended Certificate of Compliance and grant amended coverage under the 2017 state general permit. Failure to implement these requirements will invalidate this approval.

### Plans & Specifications

The plans and specifications review is to determine whether seepage, storage, and other design requirements will be met.

#### 1. Property Easements

Several easements were included with your submittal, however, Golden Dakota Farms, LLC must obtain a signed easement from the landowners for all property not owned by Golden Dakota Farms, LLC where the proposed underground irrigation pipeline will be located. The easements shall grant Golden Dakota Farms, LLC access for installation, operation, and maintenance of the manure transfer pipeline. We recommend the easement also grant Golden Dakota Farms, LLC continued access to the underground irrigation pipeline in the event of any changes in ownership of the land where the piping is located. If this provision is not included in the easement, Golden Dakota Farms, LLC may not be able to continue using the underground irrigation pipeline unless a signed easement is obtained from the new property owner and submitted to the department. We recommend you consult with your attorney on the preparation of any easement and whether to record any easement with each county. **Please submit signed copies of any remaining easements to the department.**

#### 2. Underground Irrigation Pipe Testing Results

The proposed 10-inch PVC and existing 8-inch PVC underground piping must be pressure tested according to the submitted specifications. The pipe leakage testing results for the proposed and existing pipelines must be submitted to the department for review and approval. **Your engineer must submit the pipe leakage testing results to the department with the Notice of Completion.**

#### 3. Piping Profile

A piping profile was not included with the submitted plans. The proposed underground irrigation pipeline is to be buried a minimum of 6 feet. **Your engineer must submit an as-built piping profile to the department for review and approval.**

#### 4. Waterline or Stream Crossings

The submitted plans include a detail for any waterline or stream crossings. **The site map for the pipeline and the requested piping profile must identify the location of any waterline or stream crossing and must be submitted with the as-built plans to the department for review and approval.**

## REQUIREMENTS CONTINUED

### 5. Detail for Well #5

The submitted plans do not include a detail for Well #5. The plans must be revised to include a detail for Well #5 which includes the location of the existing check valve and any valves that may be present. **Your engineer must submit as-built plans which include a detail for Well #5 to the department for review and approval.**

### 6. Proposed Valve near Well #3

Your engineer has indicated that you would prefer to eliminate the proposed valve at the end of Line #2 at the junction near Well #3 with the existing 8-inch PVC pipeline between Well #3 and Pivot #3. The irrigation distribution system will utilize a combination of existing and proposed pipelines with valves for each line at the proposed manifold and valves at each pivot. Based on the placement of existing and proposed valves, the proposed valve near the end of Line #2 may be eliminated. **If you decide to remove or change the location of this proposed valve, your engineer must submit as-builts to the department for review and approval.**

### 7. Modifications to Your Nutrient Management Plan (NMP)

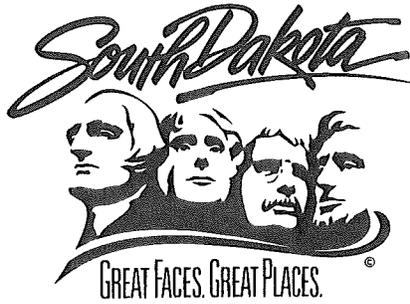

The proposed underground irrigation pipeline will be used to transport wastewater from your existing pond system to existing pivots located within *Fields 46, 47-A, 47-B, 48-A, and 48-B* for irrigation purposes. The field maps for these fields must be revised to identify the area beneath each of the pivots as a separate field. Depending on how the fields are separated, your initial SD-CPA-63 nutrient management planning spreadsheet, will need to be updated to incorporate the changes from the field modifications. **Your engineer or crop consultant will need to submit a revised NMP for department review and approval, and an updated Notice of Intent will need to be submitted if there will be any modifications to the available acres identified in your existing NMP.**

### 8. Setback Distance and Water Wells

The manure management system and the application sites must be located at least 100 feet from a private well owned by you if the top of the aquifer is 100 feet or more below the land surface, 150 feet from a private well owned by you if the top of the aquifer is less than 100 feet below the land surface, 250 feet from a private well not owned by you and 1,000 feet from any public supply well. These areas cannot be included in the land application areas.

### 9. Other Permits That Will or May Be Required

Storm Water Permit - If construction will disturb more than one acre in total land area, **you must obtain a general storm water construction permit.** This permit must be obtained before you can start constructing your proposed underground irrigation pipeline. Information concerning this permit can be obtained by calling the Surface Water Quality Program at 1-800-737-8676. **A copy of this plan must be kept on-site during construction for review by DENR inspectors.**

**DEPARTMENT of ENVIRONMENT  
and NATURAL RESOURCES**

Norfeld Hutterian Brethren, Inc. (North Site)  
20426 482nd Avenue  
White, SD 57276

Re: Revised Nutrient Management Plan (NMP)

Dear Mr. Stahl:

The Department of Environment and Natural Resources (DENR) received your request to add the fields listed in the following table to your approved nutrient management plan (NMP). Your existing NMP is part of your application for state permit coverage under the 2017 *General Water Pollution Control Permit for Concentrated Animal Feeding Operations* (general permit). Your animal feeding operation was originally approved on June 9, 2006, and permitted on October 22, 2008. You received state permit coverage under the 2017 general permit on December 10, 2018 (**State Permit # SDG-100456**).

Fields Being Added to NMP					
Field #	County	Legal Description	Available Acres	Soil Sampling Requirements	
				0-2 feet	Additional
2	Brookings	NW ¼, Sec. 21, T111N, R48W	135.1	Yes	No
3	Brookings	SE ¼, Sec. 3, T111N, R48W	156.1	Yes	No

*Fields 2 and 3* are not located within ¼ mile of a stream where Topeka shiners have been observed or have potentially occupied according to the U.S. Fish and Wildlife Service and are not identified as a winter or emergency manure application area.

Currently, *Fields 1, 4, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, and 23* are identified as winter or emergency manure application areas. The winter or emergency manure application maps identify the appropriate setbacks that need to be excluded from land application when the soil is saturated, snow-covered, or frozen and land application is absolutely necessary. Please refer to Section 1.4.4.1.t., beginning on page 31 of the general permit for the requirements for manure application on saturated, snow covered, or frozen soil. **You should notify the department and review the winter/emergency field maps prior to land applying during these soil conditions.**

Joseph Stahl  
Norfeld Hutterian Brethren, Inc. (North Site)  
July 7, 2020  
Page 2 of 3

We are approving the modifications and are including *Fields 2 and 3* in your approved NMP. **Please put one copy of the approved field information in Appendix D of your copy of the permit.** You are required to comply with the terms and conditions of your permit.

You are also responsible for contacting the local planning and zoning office in the county where manure application will take place to determine if there are any local ordinances or requirements with which you need to comply.

All of the new fields will require soil tests from zero to two feet prior to manure application.

As part of your annual nutrient management planning requirements, soil and manure tests must be analyzed by certified soil testing and manure testing labs. The laboratory analyzing the soil samples must participate in the **North American Proficiency Testing Programs' Proficiency Assessment Program** and the labs that are currently certified are listed on the following website: <http://www.naptprogram.org/pap>. The laboratory analyzing the manure or process wastewater must be certified by the **Manure Testing Laboratory Certification Program** and the manure testing labs that are currently certified are listed on the following website: <http://www2.mda.state.mn.us/webapp/lis/manurelabs.jsp>.

If you or your crop consultant sends your soil or manure samples to a lab that is not listed on either of these websites, you and/or crop consultant may want to tell them that you need to use a certified lab so they can become certified.

The land application sites must be located at least 150 feet from a private well owned by you, 250 feet from a private well not owned by you and 1,000 feet from any public supply well or other public drinking water source. These setback distances from identified wells cannot be included as part of the land application acreage. Buffer zones are also required around any natural or manmade drainages or wetlands. Please review the buffer zone requirements on the land application maps included with the nutrient management plan in Appendix D of your permit prior to land applying manure.

If a mobile land application system using temporary piping will be used for the land application of liquid manure or process wastewater, the equipment must be equipped with an on-board radio controller and flow meter that can be overseen by the applicator. See Section 1.4.4.1.m. on page 30 of the 2017 general permit for more information on this requirement.

To add fields to your approved phosphorus-based NMP, you must submit the required information for each additional field to the department for our review and approval. Information on adding fields to your approved phosphorus-based NMP may be obtained from your local Natural Resources Conservation Service (NRCS) office. You may also contact us for assistance at (605) 773-3351, or visit our website at <http://denr.sd.gov/des/fp/fieldadditions.aspx> for instructions on adding fields. **You may not apply manure to any fields not included in your approved NMP.**

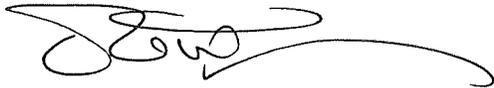

Joseph Stahl  
Norfeld Hutterian Brethren, Inc. (North Site)  
July 7, 2020  
Page 3 of 3

If manure application will involve placing hoses or other equipment in a state highway right of way (for example, in a road ditch or through a culvert), you must first obtain a Permit to Occupy Right of Way. Application for this permit may be made through the local South Dakota Department of Transportation area office. Contact your local SD DOT area office for more information on this permit. In addition, please contact your county highway superintendent to determine if your county has similar requirements.

One copy of the field information is being retained for our files. The attached field list is an updated listing of the fields that are currently approved for manure or wastewater application. The attached map shows the location of each field. Please review this information and notify the department if any of the information is incorrect. If the enclosed field list and map are correct, please place them in your NMP.

If you have any questions regarding the content of this letter, please feel free to contact Aviana Knochel, Feedlot Permit Program at (605) 773-3351. Thank you for your cooperation.

Sincerely,

Paul N. Wegleitner  
Natural Resources Project Engineer  
Feedlot Permit Program

cc: Brookings County Commissioners

Enclosures: Field List  
Field Map

# Norfeld Hutterian Brethren, Inc. (North Site) Approved Field List

July 7, 2020

All fields require a zero to two foot soil test prior to manure application. The fields identified as being located over a shallow aquifer are shaded in Table 1 below and have additional soil testing requirements. For these fields, soil tests are required from zero to two feet **and** two to four feet prior to manure application.

For fields that require additional soil testing from 2 to 4 feet, you have the option to either conduct the initial 0 to 2-foot and the 2 to 4-foot soil test prior to land application of manure or the alternative option to conduct the initial 0 to 2-foot soil test prior to manure application and a second 0 to 2-foot soil test within four weeks after harvesting the crop. Please refer to section 1.4.4.3., beginning on page 35 of the general permit, for the annual nutrient management requirements. **You must notify the department in writing if you plan to use the post-harvest soil sampling option.**

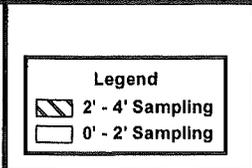

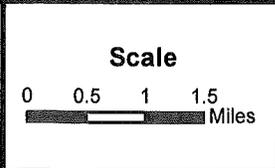

The fields listed in Table 1 below are approved for the land application of manure or process wastewater. **Before manure or wastewater can be applied to these fields, you must have a current soil test and use the table on page 34 of the 2017 general permit to determine whether the field fits into a nitrogen need, one-year phosphorus crop removal, five-year phosphorus crop removal, or no application category based on the current phosphorus level of the field and the predicted annual erosion.** Please refer to the table on page 34 and the annual nutrient management requirements beginning on page 35 of the 2017 general permit prior to the land application of manure to determine the proper procedure for calculating the appropriate application rate for each specific field.

<b>Table 1 – Norfeld Hutterian Brethren North Site Approved Nutrient Management Plan Fields</b>							
Line #	Field or Tract #	County	Legal Description	Acres		Soil Sampling

<b>Total Acres:</b>				<b>2,970.5</b>	<b>2,899.0</b>		

Please note in your phosphorus-based NMP the estimated time it will take to build the listed fields up to 50 parts per million (ppm) (Olsen test) or 75 ppm (Bray-1 test) of phosphorus. You may need additional land in order to apply manure to your fields based on phosphorus crop removal at that time.

# Norfeld Hutterian Brethren, Inc. (North Site)

<b>FACILITY NAME:</b> Norfeld Hutterian Brethren, Inc. (North Site)		<b>COUNTY:</b> Brookings
<b>LEGAL DESCRIPTION:</b> NE 1/4, Section 14, Township 111 North, Range 48 West		
<b>PERMIT NUMBER:</b> SDG-100466		<b>DATE:</b> July 2020
<p>Note: Field Locations are approximate within the 1/4 section and should be verified with field maps submitted by the producer.</p>
