CONVENE AS BROOKINGS COUNTY BOARD OF ADJUSTMENT

2020VAR007

Application by Todd Langland for a variance. Article 11.00: Section 11.01 "A" Agricultural District: Area Regulation # 2: Front Yard: The minimum depth of the front yard shall be one hundred (100) feet. A corner lot will have two front yards. The property is described as: "N750' of W782' of NW1/4 NW1/4 Exc Hwy in Section 28, T110N, R48W (Alton Township)" ~~~ located at 48011 US Hwy 14, White, SD 57276.

(Nelson/Bartley) Motion to approve the Variance request.

July 7, 2020

Meeting Minutes DRAFT 7-14-2020

STAFF REPORT: Prepared by Richard Haugen, presented by Robert Hill. Applicant is requesting a variance to build a 16' x 16' residential addition 70 feet from the US Hwy 14 right of way, a variance of 30 feet. Applicant was granted a variance on April 1, 2001 to build the residence in the current location due to location of an existing driveway and farm buildings. Considerations or hardships: location of current residence and farm buildings, floorplan of residence limits were addition can be located. Public Notices were published in the Brookings Register on June 23 and 30, 2020 and in the White Tri-City Star on June 25 and July 2, 2020. Letters were sent to the adjoining landowner's, Alton Township Chairman and Clerk. No objections or concerns were received by the zoning office.

PUBLIC HEARING: Todd Langland informed those present he was granted a variance in 2001 to build a home. At that time plans were to build a 15' x 15' deck onto that home but that did not happen. At this time he would like to build a 3-season room onto the residence.

Proponents: None.

Opponents: None.

DISCUSSION: Hill presented a visual presentation of the site. No board members had questions or comments regarding the request. Findings of Facts were reviewed and completed by the board and placed on file.

VOTE: Roll call vote: Nelson-aye, Kleinjan-ay, Spence-aye, Jensen-aye, Vanderwal-aye, Diedrich-aye, Bartley-aye, Davis-aye, Ford-aye. **MOTION CARRIED.**

2020VAR008

Application by Amanda Blok for a variance. Article 11.00: Section 11.01 "A" Agricultural District: Area Regulation # 1: Lot Size. The property is described as: "S480' of W474' of SW1/4 SW1/4 of Section 2, T110N, R49W (Aurora Township)" ~~ located at 47606 209th St, Aurora, SD 57002.

(Jensen/Vanderwal) Motion to approve the Variance request.

STAFF REPORT: Prepared by Richard Haugen, presented by Robert Hill. Applicant is requesting a variance to build 21 feet outside the permitted buildable area of an historical school site. At the November 7, 2017 meeting the Brookings County Planning Commission confirmed the 1 acre square site (209' x 209') was a school site and permitted use for a single family residence. The current parcel of 5.66 acres was split off in 2002 and included the historical school site, hog barns, grain bins and farm buildings. Amada Blok, has a purchase agreement with the current landowner subject to the approval of the variance request. Considerations would be: 1) the 21' variance would allow the expansion of the minimum lot area that was granted by the board on November 7, 2017 for the original size of the lot. 2) Proposed variance would allow a proposed residence to be built exceeding the 133 feet township road and 150 feet county road setback requirements. 3) Best use of the remaining 4.66 acres – a residence of Ag use (grain storage, livestock production). Public Notices were published

July 7, 2020

Meeting Minutes DRAFT 7-14-2020

in the Brookings Register on June 23 and 30, 2020 and the White Tri-City Star on June 25 and July 2, 2020. Letters were sent to the adjoining landowner's, Aurora Township Chairman and Clerk, Brookings County Highway Department. Visual presentation of the site also given by Hill.

PUBLIC HEARING: Applicant Amanda Blok informed those present she wanted to build a house a little further from the road so that more trees could be planted to protect from the weather. She noted that they may also build a little barn for some chickens, rabbits and horses. Aryan Blok informed those present that the property would be use for 100% private use, no Ag business and may have a small barn put on the property for horses and chickens but would be 100% private use.

Proponents: Luke Muller from First District added that he had helped Mr. Haugen with report preparations. He reiterated the board had exercised its administrative capacity in 2017, in stating and pointing out that the 1 acre building site had the ability to have a house built on it. The reason for the variance was to allow for building 21 feet outside of the old 1 acre lot (school site). He asked the board to consider requiring a replat of the property if that wasn't already expected to be done if the action was approved.

Opponents: R. Shawn Tornow, Attorney at Law noted he represented adjacent property owners Shana Robbins and Caleb Cohrs. He noted the following concerns: 1) Application was submitted by the wrong entity or individual. 2) Proper notice was not provided to adjacent property owners. 3) Published notice did not meet the requirements of being published 14 days before the hearing, but was 13 days. 4) Application doesn't state type, size or purpose of proposed building. 5) No hardship or peculiarity shown for a need for a variance. 6) Concern that property could turn into a CAFO. Shana Robbins handed board members a document of opposition signed by neighboring property owners and/or local tax payers in Brookings County identified as Aurora Citizens for Accountability. Hill read and displayed the comments the office had received, posted online and placed on file from: Caleb Cohrs, Pam & Gregg Stern, Shana Robbins, Verna Clark. He also read a comment received after the Thursday noon deadline from Steve Bunkers.

DISCUSSION: Bartley asked Muller for his opinion on if: 1) if notice in the paper was not met (13 vs 14 days). 2) Applicants signature being owners of the property vs. the purchaser of the property. Muller noted for legal opinion board would need to rely on the States Attorney. He did give feedback: 1) as far as zoning administration he had dealt with similar arguments regarding notice to adjoining/adjacent property owners and Zoning Offices would not consider that Shana Robbins as being an adjacent property, 2) multiple communities have honored and counted back from day of publication 3) as far as signature on application – probably best to have a letter from the current owner say they are ok with or under that the application is being made. Bartley stated, "I think you pointed out some vital things that we need to consider, I would consider that we should probably go ahead and table this until our next meeting in order to allow those things to happen and the consideration of a replat application for the lot contingent upon the sale." Ford also asked Muller question regarding CAFO and setback requirements as the public had concerns regarding location being a possible CAFO (Confined Animal

July 7, 2020

Meeting Minutes DRAFT 7-14-2020

Feeding Operation) Site. Muller noted a Conditional Use application would need to be applied for, the number of animal units would determine setback distances and noted that it would not be included to be accepted at the location.

(Bartley/Davis) Motion to Table variance request until the August (4th, 2020) Meeting.

VOTE: Roll call vote: Kleinjan-aye, Vanderwal-aye, Spence-aye, Jensen-aye, Diedrich-aye, Bartley-aye, Davis-aye, Nelson-aye, Ford-aye. **MOTION CARRIED.**

2020CU012

Application by Ryan Hanson for a conditional use. Article 11: Section 11.01: "A" Agricultural District, Conditional Use # 26: "The County Zoning Commission may permit other uses which, in its opinion, are not detrimental to other uses and are in the general character of the Agricultural District". The property is described as: "W1/2 SW1/4 Exc N 2 Rods in Section 15, T110N, R51W (Volga Township)".

(Bartley/Jensen) Motion to approve the Conditional Use.

STAFF REPORT: Prepared by Richard Haugen, presented by Robert Hill. Applicant is requesting a conditional use for agricultural seed sales and bulk farm herbicide and insecticide sales. Seed sales and sale of bulk herbicide/insecticide to be added to the agricultural section of the ordinance update. The seed sales would be started as soon as possible with sale of bulk herbicide/insecticide to be added in the future. No mixing for field application of herbicides or insecticides would take place on site, business would only store and sell products to customers. Business would be located on US Hwy 14 and ¾ of a mile west of the city of Volga. The SD DOT had been notified and had no objections as existing driveway will be used. City of Volga also had no objections to the request. Applicant would need to apply for a license from the SD Dept. of Ag., for seed sales/treatment and herbicide/insecticide sales in quantities up to 275 gallons if request approved. No containment barriers needed for quantities up to 275 gallons by the SD Dept. of Ag and no registration is required by the EPA. Site will consist of warehouse/office building, bulk seed bin storage and inside storage. Seed will be brought in by semi-trailer to the site and stored in bulk seed bins or prepacked bulk storage containers, treatment will take place in the warehouse as seed is sold and delivered to customers. The applicant has a purchase agreement with the land owner for the proposed 4.5 +/- acres site. Preliminary survey of site filed with application. Public Notices were published in the Brookings Register on June 23 and 30, 2020 and the Volga Tribune on June 25 and July 2, 2020. Letters were sent to the adjoining landowner's, South Dakota Department of Transportation and Volga Township Chairman and Clerk. Visual presentation of the site also given by Hill.

PUBLIC HEARING: Applicant Ryan Hanson informed those present he was just asking for a conditional use permit to start a seed dealership.

Proponents: Jim Schade representing Hillside Cemetery noted he was in favor of the request, asked that consideration be given to help in monitoring and aiding dust control on adjoining gravel road and welcomed the new business to the neighborhood.

July 7, 2020

Meeting Minutes DRAFT 7-14-2020

Opponents: None.

DISCUSSION: Davis asked if a row of trees would be planted. Hanson noted possibly a row for a barrier between the cemetery and building and possibly on the north side an extension onto the existing area of trees for more of a snow barrier. Ford asked if Hanson had been in contact with the cemetery. Hanson noted he had initial visited with someone but that he would find out board members and get their feedback. Findings of Facts were reviewed and completed by the board and placed on file.

VOTE: Roll call vote: Spence-aye, Jensen-aye, Diedrich-aye, Bartley-aye, Davis-aye, Nelson-aye, Kleinjan-aye, Vanderwal-aye, Ford-aye. **MOTION CARRIED.**

2020CU013

Application by Joshua Bungard for a conditional use. Article 11: Section 11.01: "A" Agricultural District, Conditional Use # 6: Contractors' shops and yards and Conditional Use Permit #20: Home Extended Business". The property is described as: "Lucas Addition in NW1/4 Section 11, T111N, R49W (Afton Township)" ~~ located at 20328 476th Ave, White, SD 57276.

(Davis/Nelson) Motion to approve the Conditional Use.

STAFF REPORT: Prepared by Richard Haugen, presented by Robert Hill. Applicant is requesting a conditional use for a Contractor's shop and yard and a Home Extended Business. The contractor's yard will be located on the parcel where he resides, will be used for a small scale construction and landscaping business for equipment storage and supplies. The Home Extended Business would be a temporary seasonal campground for seasonal employees of his business and construction worker or hunters/tourists in the fall. Campground plans are for: 4 – 30' x 60' RV pads with water, sewer and electricity. Preliminary plans are for a sealed holding tank septic system that would be pumped out as required by a septic service. Septic system and drinking water will need to meet SD DENR requirements. Dumpster will be on site and serviced by a trash service. A license for a campground will be needed from SD Dept. of Health if occupants stay for less than 28 consecutive days per SDCL 34-18-1 and Administrative Rules of SD 44:03:14 will need to be met. Campground spaces are screened by shelterbelt along road and north side of property and would be operational May to October only. Applicant has visited with the township regarding a road agreement and they have no objections to the contractor yard or the seasonal campground. Public Notices were published in the Brookings Register on June 23 and 30, 2020 and the White Tri-City Star on June 25 and July 2, 2020. Letters were sent to the adjoining landowner's, Afton Township Chairman and Clerk. Visual presentation of the site also given by Hill.

PUBLIC HEARING: Applicant Joshua Bungard and spouse Staci Bungard went over their business plan that had been provided to the board as well included in their file.

Proponents: None.

Opponents: None.

DISCUSSION: Davis asked capacity of septic tank. Bungards' noted they would make sure it was more than adequate and follow state regulations. Findings of Facts were reviewed and completed by the board and placed on file.

VOTE: Roll call vote: Jensen-aye, Diedrich-aye, Bartley-aye, Davis-aye, Nelson-aye, Kleinjan-aye, Vanderwal-aye, Spence-aye, Ford-aye. **MOTION CARRIED.**

2020CU014

Application by Dennis Ommen for a conditional use. Article IV District Requirements: Chapter 4.03 "LP" Lake-Park District: Section 4.03.02 Conditional Uses Permit # 6: Accessory buildings with a side-wall greater than fourteen (14) feet or more than 2,000 square feet and used accessory buildings greater than 120 square feet. The property is described as: "Lot 3 in Ommen Addition in Govt Lot 9 in NE1/4 of Section 12, T112N, R48W (Oak Lake Township)".

(Kleinjan/Vanderwal) Motion to approve the Conditional Use.

STAFF REPORT: Prepared by Richard Haugen, presented by Robert Hill. Applicant is requesting a conditional use for an accessory building measuring 50' (wide) x 100' (long) with 14 feet sidewalls (5,000 sq. ft.) to be used for personal storage. The building would be located on a 9.58 acre parcel that was rezoned from Natural Resources to Lake Park in 1975. Public Notices were published in the Brookings Register on June 23 and 30, 2020 and the White Tri-City Star on June 25 and July 2, 2020. Letters were sent to the adjoining landowner's, Oak Lake Township Chairman and Clerk and Brookings County Highway Department. Visual presentation of the site also given by Hill.

PUBLIC HEARING: Applicant Dennis Ommen informed those present that he was also planning on building a house on the site. He identified the location of the proposed accessory building and a future residence. He further noted the building(s) would not be easily visible from the road.

Proponents: None.

Opponents: None.

DISCUSSION: Board members Davis and Nelson asked if setbacks would be met. Hill verified that Lake Park setbacks were 75 feet and would be met. Findings of Facts were reviewed and completed by the board and placed on file.

VOTE: Roll call vote: Diedrich-aye, Bartley-aye, Davis-aye, Nelson-aye, Kleinjan-aye, Vanderwal-aye, Spence-aye, Jensen-aye, Ford-aye. **MOTION CARRIED.**

BY-LAW UPDATE

(Vanderwal/Bartley) Motion to approve the By-Law Update.

July 7, 2020

Meeting Minutes DRAFT 7-14-2020

DISCUSSION: Hill noted that the board members had been provided with By-Laws to review and amend. Changes were needed to note the televised and teleconferencing of meetings and new SD Codified Law that took place July 1, 2020. Hill called on Luke Muller for additional comments. Muller noted the changes were a mesh of state law and how things were ran at the meetings. It was being done to keep things up to date. Hill asked for comments from board members. Hearing none.

VOTE: Roll call vote: Bartley-aye, Davis-aye, Nelson-aye, Kleinjan-aye, Vanderwal-aye, Spence-aye, Jensen-aye, Diedrich-aye, Ford-aye. **MOTION CARRIED.**

DEPARTMENT REPORTS

Hill announced Covid-19 had been affecting offices and the building operations. All county offices were open and social distancing was practiced in daily operations and at meetings. He reminded everyone to continue to practice social distancing, mask wearing and wash your hands often.

ADJOURN

(Vanderwal/Bartley) Motion to adjourn. All member voted "aye." **MOTION CARRIED.**
Chair Ford adjourned the meeting at 9:40 PM.

2020 plat014 – August 4, 2020

Prepared by Richard Haugen,

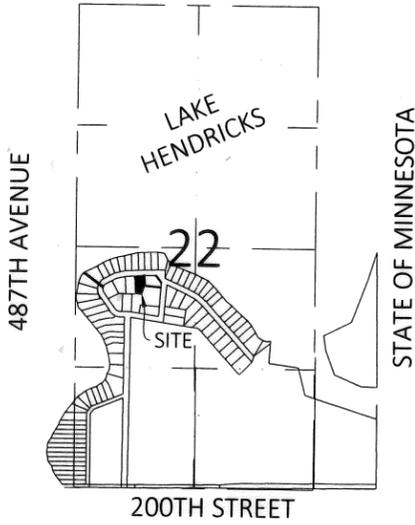

Applicant/Owner: Lake Dreams LLC, Preston Mettler & Jim Breckenridge 2809 E 51st St, Sioux Falls, SD 57103

Legal Description: "Plat of Lot 11A in Block 2 of Sunset Point Addition in Govt Lots 3 & 4 of Section 22, T112N, R47W of the 5th Principal Meridian, Brookings County, South Dakota."

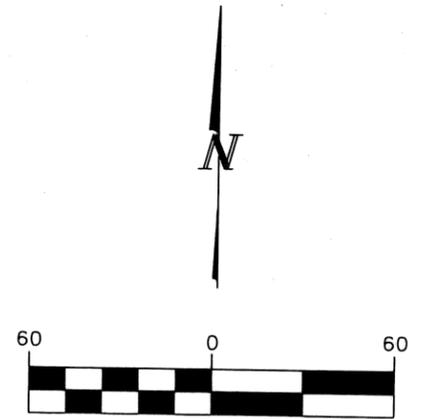

2020plat014: This is a plat of "Lot 11A in Block 1 of Sunset Point Addition." Sunset Point Addition is located at Lake Hendricks, it was originally platted and approved by the Zoning Commission on November 1st, 2005, into lake lots meeting the 20,000 sq ft requirement. On October 2nd, 2012 all the lots that were platted in 2005 that were not sold were re-platted into larger lots for tax purposes. They have sold a lot and lot 11A is being re-platted into an individual lake lot, like it was originally platted.

Brookings County Board of Adjustment
July 7, 2020 – 8:00 PM meeting

2020var008 – July 7, 2020

Tabled to August 4, 2020

Update.

July 24, 2020

- 1) The applicant informed the Development Office that they have purchased the property and are now the owners of the property.
- 2) Brookings County does not require platting of property, for a legal description of property. The original 1 acre school site was never platted and was described by a footage description. When the original 1 acre school site was sold back to the adjoining land owner, the 1 acre was added back into the original 160 acres of land. The school site is considered a historical marker that a school was once located there. When the 5.66 acres was split off from the 160 acres in 2002, the original 1 acre was located within the 5.66 acres. The 5.66 acres is legally described by a footage description that is accepted by the Brookings County Register of Deeds and has been used in the transfer of property when it has been sold.
- 3) The applicant advised the Development Office that they have met with the adjoining land owner's and they have reach an agreement for variance request.

Staff Report

Updated July 24, 2020

Applicant: Amanda Blok, 5025 18th St, Brookings, SD 57006

Land Owner: First Bank and Trust, PO Box 5057, Brookings, SD 57006

Legal Description: "S480' of W474 of SW1/4 of Section 2, T110N, R49W (Aurora Township)" ~~ located at 47606 209th St, Aurora, SD 57002.

Article 11.00: Section 11.01 "A" Agricultural District: Area Regulations # 1: Lot Size.

2020var008: Amanda Blok, has a purchase agreement with the landowner subject to the approval of the variance request. The applicant has applied for a variance to build 21 feet outside the permitted buildable area of an historical school site. The site was the original Fountain School built in 1879, 1 square acre site (209' x 209'), located in the south west corner of Section 2 of Aurora Township. The Brookings County Planning Commission confirmed it was an original 1 acre square school site and a permitted use for a single family residence at their November 7, 2017 meeting. The original school 1 acre parcel was sold in 1920 to the adjoining landowner who owned the rest of the southwest quarter. The land was sold several times over the years, hog confinement barns, grain storage and farm buildings were built in the southwest corner. 5.66 acres was split off in 2002 to include the historical school site, hog barns, grain bins and farm buildings. The hog barns were removed from the property and the lot was used for feeding cattle and grain storage.

Some things to consider:

- 1) The 21' variance would allow the expansion of the minimum lot area that was granted by the board on November 7, 2017 for the original size of the lot.
- 2) The proposed variance the residence will to exceed the setback requirements of 133 feet on the township road (476th Ave) and 150 feet in the county road (209th St).
- 3) What is the best use of the remaining 4.66 acres of land; 1) a residence or ag use (grain storage, livestock production).

Public notices were published in the Brookings Register on June 23 and 30, 2020 and the White Tri-City Star on June 25 and July 2, 2020.

Letters were sent to the adjoining landowner's, Aurora Township Chairman and Clerk, Brookings County Highway Department.

To: Brookings County Board of Adjustment
520 3rd St, Suite 200
Brookings, South Dakota 57006

A.) I/We, the undersigned property owner (s), do hereby petition the Board of Adjustment of Brookings County, South Dakota, to grant a Variance to the Brookings County Zoning Regulations for the purpose of:

A GREATER DISTANCE FROM THE COUNTY ROAD AND
THE TOWNSHIP ROAD FOR THE OPPORTUNITY TO
CREATE MORE LANDSCAPING AND THEREFOR ALLOW
A LARGER BUILDING SPACE.

B.) Section(s) of Zoning Regulations to be exempted:

BUILDING AREA
Article 11.00:

none. Chair Robbins clarified that the area would be going from Agricultural to Commercial/Industrial for a permitted use and called for a roll-call vote: Davis-aye, Nelson-aye, Kleinjan-aye, Erickson-aye, Spence-aye, Jensen-aye, Rochel-aye, Pierce-aye, Robbins-aye. 9-ayes, 0-nays, motion carried. Haugen noted this would move on to the County Commission with a recommendation for final approval.

Chair Robbins read **agenda item # 8: Selection of 1 board member for the Joint Jurisdiction Ordinance Review Committee**. Chair Robbins asked Mr. Hill for his comments. Mr. Hill made the recommendation that Darrell Nelson be appointed to the committee. Chair Robbins appointed Mr. Nelson to the committee. Darrell Nelson accepted.

Chair Robbins read **agenda item # 9: Discussion on 2005cu019 conditional use**. Chair Robbins asked Mr. Hill for his input. Mr. Hill stated, "It was listed on the agenda that had been posted online strictly as 2005cu019 Conditional Use, we did not add anything else to it. Commissioner/County Commissioner Pierce brought it to our attention that she thinks it was not noticed properly and she would like to see it postponed until the next meeting. I would entertain a motion to table it as I presume that would be the proper thing to do, since we did notice that we would be discussing it. If a planning board member so moves to table it until next time we would be more than happy to redo it and put the proper terminology on the agenda." Board member Pierce noted the reason for the request was because the agenda did not say what the conditional use request was related to and citizens had contacted her asking if the item was on the agenda and she had told them it was not. Mr. Hill noted the item had been posted on the online agenda and that a report was ready but the report would be held until next meeting if the item was tabled. Lee Ann Pierce moved to table until the December 5th, 2017 meeting. Robert Rochel second. Chair Robbins called for a voice vote. 9-ayes, 0-nays, motion carried.

Chair Robbins read **agenda item # 10: Discussion on old school site in SW1/4 of Section 2, T110N, R49W (Aurora Township)**. Mr. Haugen stated, "This is regarding an old school site where at one time the Fountain School and a hog confinement unit had been located. The current owner was in this spring inquiring if this was a buildable site. Mr. Hill and I had discussed this and we always went with the last location of where the actual school building/site had been, so we had told them no it was not a buildable site for a residence. The owner hired an attorney that did further research and found in 1879 in this quarter there was a dwelling house, school house and a blacksmith shop. The location was deeded to the school in 1880, a dot noting the school location showed up on 1909 homestead map. A deed dated 1920 deeded from Fountain School to Mr. J.H. Lievan a 1 (one) square acre parcel in the south west corner. Also in 1920 Mr. J.H. Lievan deeded 3 (three) acres in the SE1/4 section 3 the current and last known location of the Fountain School (this location being across the road from the 1 (one) acre site in question). I am asking for your interpretation if this is a buildable site." Mr. Haugen presented deeds referencing the area in question that were filed/dated February 11, 1879, August 3, 1880, and January 19, 1921. The board discussed and decided where there was proof of a deed of record of a school that it be a buildable

site. Site would be a 1 acre by 1 acre site/lot in the south west corner of the SW 1/4, SW1/4 of Section 2, T110N, R49W.

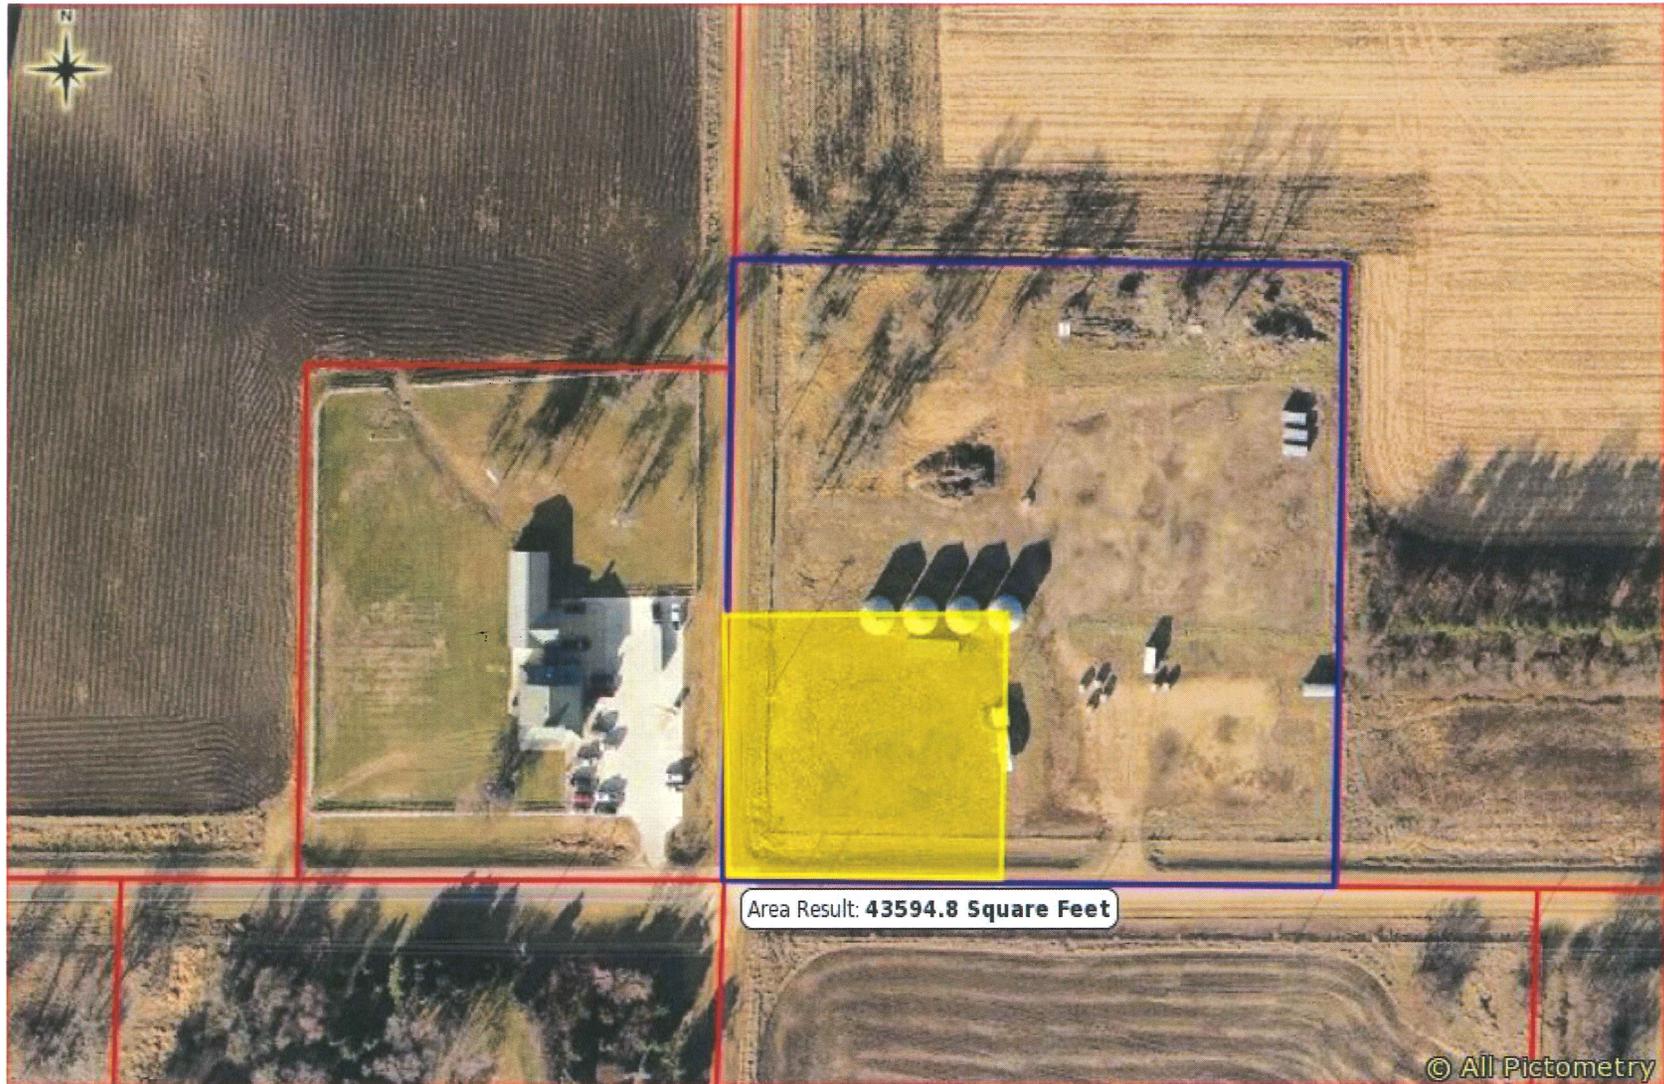

Chair Robbins read **agenda item # 11: Discussion on a used manufactured home as a secondary residence.** Mr. Haugen noted: 1) an applicant had been in the office inquiring about applying for a conditional use for a manufactured home for a family member and the office advised the applicant of the application process. 2) A few days later a transfer notice was received and the applicant came into the office to get a building permit. 3) The office found out manufactured home had been moved onto the site and was a 1973 Liberty Manufactured Home. 4) Current Zoning Ordinance states that anything manufactured before June, 15, 1976 is not allowed in the county. 4) Research was done and wiring for the HUD regulations was the biggest factor found. Board discussed and Chair Robbins summarized by stating, "The board is willing to hear the request for the conditional use and put the stipulations on if there is concerns through the finding of facts on the requirements of the building for safety." Chair Robbins then directed the staff to proceed under the conditions stated.

Chair Robbins read **agenda item # 12: Discussion on Valero Renewables land application of corn and corn processing by products.** Mr. Haugen stated, "Valero had a question regarding disposal, when they clean out their bins or have a load of distillers grain that doesn't meet the new USDA standards and cannot be sold or fed, they need a way to dispose of it. They would like to be able to spread the product onto the land that they own. The product is not hazardous, it is safe and it is biodegradable, it just does not meet standards." The board discussed and consensus was to allow Valero Renewables to proceed with disposing of the non-hazardous material on their own land.

Chair Robbins read **agenda item # 13: Consideration of Plats: a. 2017plat012: "Plat of Lots 7A and 8A Reaves Subdivision of Govt. Lot 4, Section 5, T112N, R52W of the 5th P.M., Brookings County, South Dakota."** Darrell Nelson moved to approve the plat. Randy Jensen second. Chair Robbins opened up for discussion and asked Mr. Haugen for his staff report. Mr. Haugen stated, "Wayne Noem owner of Lots 6 & 7 and Wade Jensen owner of Lot 8 have re-platted their lots for a property line adjustment. They are taking the jog out of the property line between them and making it straight. This allows the Jensen's on Lot 8 to have a wider drive to access their property. The lots were originally platted and recorded on December 30, 1970." Mr. Haugen then used visuals to further describe the plat. Chair Robbins opened up for discussion from the board. Board discussed the current location of buildings, plat adjustment to the current property line and location of a current building being located to close to property lines and the lot being a non-conforming. Chair Robbins then opened up for discussion for the audience, hearing none he asked the board for further questions or comments, hearing none he called for a roll call vote: Nelson-nay, Kleinjan-aye, Erickson-aye, Spence-aye, Jensen-aye, Pierce-aye, Rochel-aye, Davis-aye, Robbins-aye. 8-ayes, 1-nay, motion carried.

Chair Robbins read **agenda item b: 2017plat013: "Plat of South Dakota Soybean Processor's Tracts of 3A & 3B in the NW1/4 of Section 24, T110N, R51W of the 5th P.M., Brookings County, South Dakota."** Lee Ann Pierce

Brookings County Board of Adjustment

August 4, 2020– 8:00 PM meeting

2020var010-August 4, 2020

Prepared by Richard Haugen

Applicant/Owner: Daniel Schaal, 1816 Olwien St, Brookings, SD 57006

Site: 218 S Lake Dr, Arlington, SD 57212

Legal Description: “Lots 21-22 Exc W 2’ Marvin Wade Subdivision in the NE1/4 of Section 6, T112N, R52W (Laketon Township)” ~~ located at 218 S Lake Dr, Arlington, SD 57212.

Brookings County Zoning Ordinance: Article IV District Requirements: Chapter 4.03 “LP” Lake-Park District: Section 4.03.03. Density, Area and Yard Regulation (Minimum Lake Front and Minimum Side Yard). The Lake Park – Lake Front setbacks are 75 feet from the high known watermark.

2020var010: Daniel Schaal has applied for a variance to build deck 2 feet from the side property line and 22 feet from the highest known water mark. A variance of 6 feet for the side set back and a variance of 53 feet from the highest known water mark. The side setback is 8 feet from the property line and lake side setback is 75 feet from the highest known watermark. The existing deck/walkway is 5’ wide x 23’ long along the lakeside of the house. The existing deck/walkway will be removed. The proposed deck will be all on one level and wheel chair accessible, it will run along the side of the garage to the back of the house (lakeside), where it will connect to the house. The deck will be 14’ wide x 37’ long which includes a 6’ x 15’ walkway along the side of the garage. The property is in the floodplain. The applicant has added fill and raised up the back yard where the deck will be located.

Things to consider: 1) Marvin Wade Subdivision was platted on May 24th, 1949;

2) Shape and size of lot.

The “Brookings County Comprehensive - Plan Future Land Use-Developed Lakes Future Land Use” found on page 58 –*In paragraph two: “It is likely that the established developed areas of Lake Campbell, Lake Hendricks, Lake Tetonkaha, and Lake Poinsett will experience continued development in varying degrees. -  current deck to be removed
-  new deck, same elevation as current deck, approx 10-12 inches above the ground.

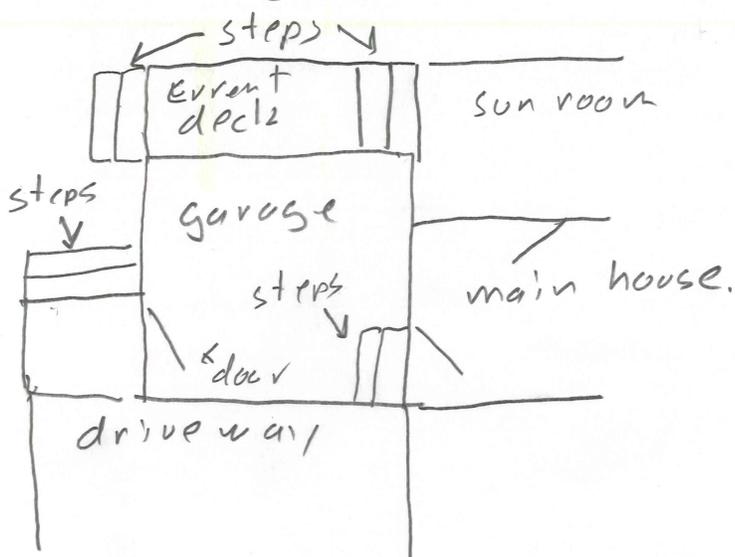

neighbor's 6' high privacy fence. neighbors will not be able to see new deck.

Handicap Accessible Features of New Deck

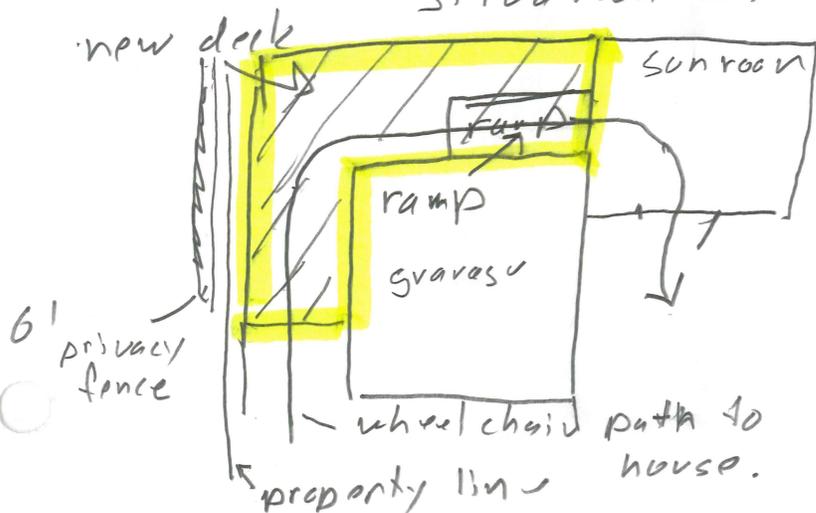

The driveway, garage, and ~~current deck~~ are all at the same elevation. The house is 2 ft higher. There are 2 doors into the house, one from the garage and one from the "sunroom" (EFP in picture) on the lake side. Currently both ways to enter the house involve steps. It is not possible to add a ramp in the garage.

Current Situation

The new deck will allow wheelchair access into the house by a ramp on the north (lake side) portion of the deck.

Situation with new deck.

The portion of the deck on the west that is near the neighbor's privacy fence is needed to allow a wheelchair to get to the north part of the deck and the ramp into the sun room.

Date of Application: July 14, 2020

Variance Number: 2020 VAR 010

To: Brookings County Board of Adjustment
520 3rd St, Suite 200
Brookings, South Dakota 57006

A.) I/We, the undersigned property owner (s), do hereby petition the Board of Adjustment of Brookings County, South Dakota, to grant a Variance to the Brookings County Zoning Regulations for the purpose of:

Remove an existing wooden deck and replace it with a larger wooden deck at the same elevation, about 10-12 inches above the ground.

B.) Section(s) of Zoning Regulations to be exempted:

Article IV District Reg.: Chapter 4.03 "LP" Lake-Park District:
Section 4.03.03. Density, Area and Yard Regulation.
(Minimum Lake Front and Minimum Side Yard)

C.) Special conditions and circumstances that exist which are peculiar to the land, structure, or buildings in the same district: that literal interpretation of the provisions of this regulation would deprive the applicant of rights commonly enjoyed by other properties in the same district under terms of this regulation: that the special conditions and circumstances do not result from the actions of the applicant, and that granting the variance requested will not confer on the applicant, and privilege that is denied by this regulation to other lands, structures, or buildings in the same district.

The size of the lot makes it impossible to place a deck the required distance from the water. The piece of deck on the west side of the garage is to make the house handicap accessible. Please see extra page, Exhibit A

-  current deck to be removed
-  new deck, same elevation as current deck, approx 10-12 inches above the ground.

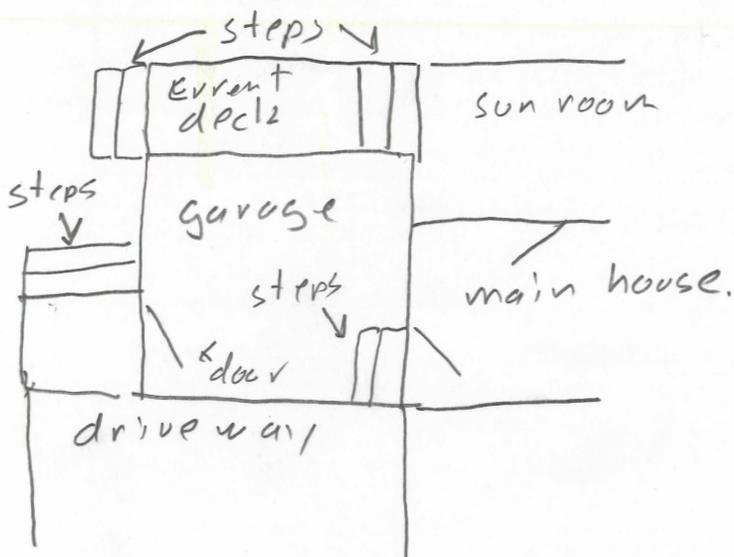

2020 Ver 010

Handicap Accessible Features of New Deck

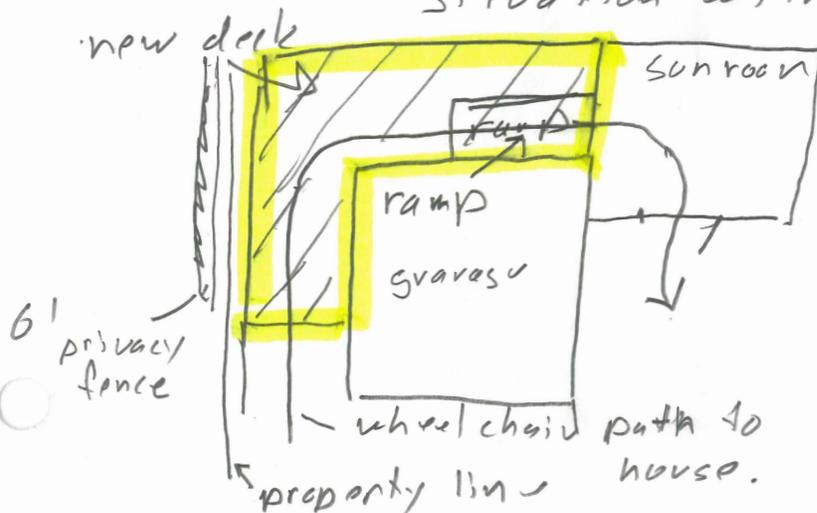

The driveway, garage, and current deck are all at the same elevation. The house is 2 ft higher. There are 2 doors into the house, one from the garage and one from the "sunroom" (EFP in picture) on the lake side. Currently both ways to enter the house involve steps. It is not possible to add a ramp in the garage.

Current Situation

The new deck will allow wheelchair access into the house by a ramp on the north (lake side) portion of the deck.

Situation with new deck.

The portion of the deck on the west that is near the neighbor's privacy fence is needed to allow a wheelchair to get to the north part of the deck and the ramp into the sun room.

Brookings County Board of Adjustment

August 4, 2020 – 8:00 PM meeting

2020var009 – August 4, 2020

Prepared by Richard Haugen

Applicant/Owner: Ray Konz, 909 S. Parkview Blvd, Brandon, SD 57005

Site Address: 720 S Lake Hendricks Drive, Hendricks, MN 56136

Legal Description: "Lot 7 Point Clara Addition in SW ¼ of Section 22, T112N, R47W (Lake Hendricks Township)".

Brookings County Zoning Ordinance: Article IV District Requirements: Chapter 4.03 "LP" Lake-Park District: Section 4.03.03. Density, Area and Yard Regulation (Side yard).

2020var009: Ray Konz, has applied for a variance to move in a used 24' x 36' garage with a 9' sidewall, 6 feet from the side property line, a variance of 2 foot. The required setback is 8 feet from the side property line. The proposed garage will be attached to the southeast corner of his house. The applicant's septic system is located in the front of his house, preventing him from moving the garage farther to the west to meet the 8 feet setback requirement. The applicant has also applied for a conditional use 2020cu016 to move in a used building.

Things to consider are the location of septic system and other utilities. Point Clara Addition was platted on April 2, 1975.

The "Brookings County Comprehensive - Plan Future Land Use-Developed Lakes Future Land Use" found on page 58 –*In paragraph two: "It is likely that the established developed areas of Lake Campbell, Lake Hendricks, Lake Tetonkaha, and Lake Poinsett will experience continued development in varying degrees. While non-lake front growth potential exists for all of the able lakes; significant lake front area is appropriately zoned, and subdivided in some cases, adjacent to Lake Tetonkaha, Lake Hendricks, and Lake Campbell."*

Letters were sent to the adjoining landowners and Lake Hendricks Township Chairman and Clerk.

The public notices were published in the Brookings Register on July 21 and 28, 2020 and Hendricks Pioneer on July 22 and 29, 2020.

A.) I/We, the undersigned property owner (s), do hereby petition the Board of Adjustment of Brookings County, South Dakota, to grant a Variance to the Brookings County Zoning Regulations for the purpose of:

Moving a 24'x36' Frame Car Garage from Dave Axelser's lot located at 719 S. Lake Handicks Ar. to my lot located at 720 S. Lake Handicks Ar.

B.) Section(s) of Zoning Regulations to be exempted:

C.) Special conditions and circumstances that exist which are peculiar to the land, structure, or buildings in the same district: that literal interpretation of the provisions of this regulation would deprive the applicant of rights commonly enjoyed by other properties in the same district under terms of this regulation: that the special conditions and circumstances do not result from the actions of the applicant, and that granting the variance requested will not confer on the applicant, and privilege that is denied by this regulation to other lands, structures, or buildings in the same district.

Because of the location of our cabin I am requesting a ^{two} ~~one~~ foot variance on the east side of my lot. This would allow me to move the garage currently located on my neighbours lot without having to move our septic system line. I have visited with David & Lisa Axelser and they have no problem with the variance. Even with the ^{two} ~~one~~ foot variance, the foundation of the garage will be within ^{two} ~~one~~ foot of the underground septic line coming out of the cabin. I really have no other place to put a garage. I am also applying for a conditional use & build permit.

Brookings County Board of Adjustment

August 4, 2020 – 8:00 PM meeting

2020cu015 – August 4, 2020

Prepared by Richard Haugen,

Applicant/Owner: Dakota Redi-Mix LLC by Robert Winter, PO Box 646, Brookings, SD 57006

Site: 47280 SD Hwy 324, Brookings, SD 57006.

Legal Description: “SE1/4 Exc H-3 & H-4 of Section 18, T109N, R49W (Trenton Township)”.

Brookings County Zoning Ordinance, Article 11: Section 11.01: “A” Agricultural District: Conditional Use Permit # 5B: Concrete Mixing Plant.

2020cu015: Dakota Redi-Mix, LLC by Robert Winter has applied for an agricultural district conditional use # 5B: Concrete Mixing Plant. The cement plant will be located on their gravel pit, located at 47280 SD Hwy 324, Brookings, SD, which is just east of I-29 / Elkton exit. The applicant is anticipating on the cement plant being there 10-15 years or until the gravel mining is completed. They will start with 6-8 cement trucks in their fleet and may expand up to 10 trucks in the future, if the demand is there. The entrance and exit to the property will be off South Dakota Highway 324 and use the existing driveway. The site plan shows a materials hopper, mixing plant, job trailer and future building. The cement powder will be hauled in and use aggregate that is on site. The applicant will need the appropriate water permit from South Dakota Department of Environment and Natural Resources for water used at the plant. There will be a wash out area with settling ponds, this is where the trucks will be washed out. The cement residue will settle out and the hardened cement will be hauled out to a permitted contractor to be crushed or used as fill. The parcel is located in the flood plain and Zone “B” of the South Dakota Aquifer Materials Map. The applicant will have to meet the “Performance Standards” listed Section 4.06.06 of the Aquifer Protection Ordinance. East Dakota Water Development District has reviewed the proposed plans.

Public notices were published in the Brookings Register on July 21 and 28, 2020.

SD Redi-Mix

20200105

SD Redi-Mix is a concrete supplier that will supply the Brookings Area.

Standard hours will be 7:00 AM to 5:30 PM Monday thru Friday. Some earlier or later times may be needed incoming order demands it. The occasional Saturday may be needed also.

The main route used will be exit location to Coroad 324 then North or South on Interstate 29 to location.

Truck and personal vehicle parking will be on the Northwest corner of gravel area, North of the existing scale House. Diesel for the trucks will be supplied by the existing self enclosed fuel tanks that are already being used by the mining operation currently there.

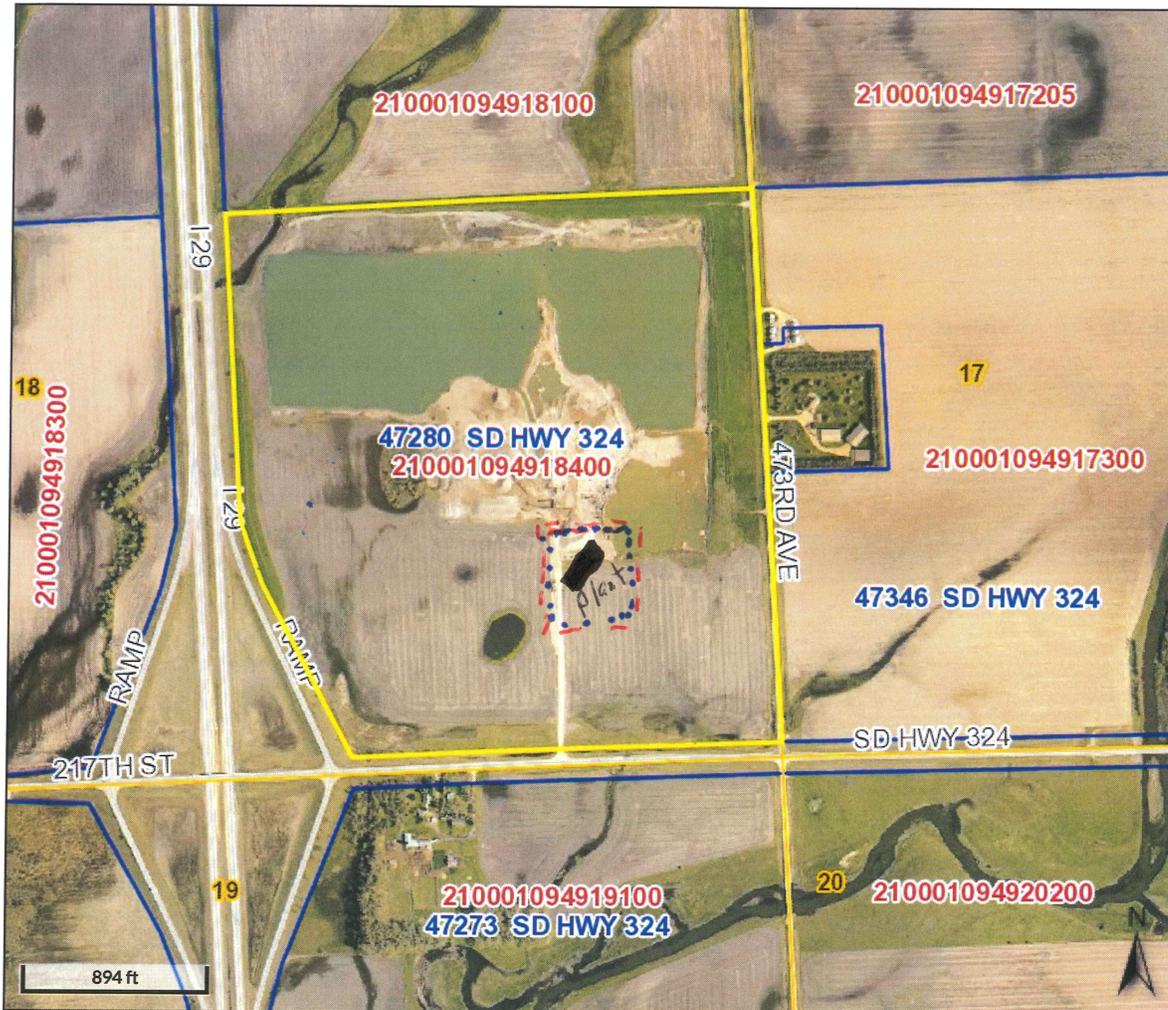

The washout pit is a self contained 5 pit settlement pit that allows cement particles to settle out of wash water and at the end of the process the clean water will exit to one of the existing ponds. Any excess concrete on trucks will be delivered to LG Everest and stored out to be used by them for reclamation of one of their ponds.

Once mining at location has concluded the redmix operation will disassemble and move to a new location, at that point reclamation of property will begin.

Dear Brookings County Development Department,

My name is Pamela Gelkamp, I am responding to your letter in regards to the Concrete Mixing Plant at "SE 1/4 Ex. H-3 & H-4 of Section 18 T109N, R49W (Trenton Township)

I am NOT in favor of this happening. We already have so much traffic from the gravel pit & so many trucks go by, it would surely add to congestion on roads.

I cannot attend in person, but wanted my opinion known & the reasons for it.

Thank you,
Pamela Gelkamp

Dear Zoning Officers,

This is to inform you that I definitely do not approve of a concrete mixing plant being built at 47280 S.D. Highway 324 in Lenton Township, Section 18.

I suffer from bronchitis & have a bad cough & have learned that the emissions from such a plant can badly effect the lungs.

Please take into consideration all the neighbour health.

Thank you.

Liana Silkamp
