

Commission Meeting
Brookings City & County Government Center
520 3rd Street
Chambers, Suite 310 (3rd floor)

If you have any symptoms of COVID-19 or believe you may have been exposed, please consider watching the Commission meeting from home, broadcast live on Swiftel channel 19, ITC channel 168, or the Brookings County Youtube channel. You can also call in by dialing 605-697-8255 and entering code 6056968205 when prompted.

1. 3:30 PM Call to Order on Thursday, August 20, 2020

2. Pledge of Allegiance

3. Invitation for a Citizen to schedule time on the Commission Agenda for an item not listed.

Anyone wanting to speak during this agenda item must sign in prior to the start of the meeting. Any requested action items must be scheduled for a future meeting date.

4. Approval of Agenda

Action: Motion to Approve, Request Comments, Voice Vote

5. Regular Business

- A. Action to approve and authorize Chairperson Bartley to sign Agreement #20-44: a Settlement Agreement and Release between the City of Brookings and Brookings County.

Action: Motion to Approve, Comments, Roll Call

Documents:

[Agr 20-44 Settlement and Release.pdf](#)
[City of Brookings Resolution 20-66.pdf](#)

- B. Action to approve Agreement #20-45: Exhibit A, an amendment to Agreement #20-14: an American Institute of Architects agreement between Brookings County and Henry Carlson Construction, LLC for the Brookings County Detention Center and Remodel Project.

Action: Motion to Approve, Comments, Roll Call

Documents:

[Detention Center Expansion - Guaranteed Maximum Price.pdf](#)
[Agr 20-45 GMP Amendment - Exhibit A.pdf](#)

- C. Update and discussion on the issuance of the bonds for the detention center remodel and expansion project.

- i. Tom Grimmond, Senior Vice President with Colliers Securities

- D. Action to approve Agreement #20-46: a proposal for reception desk modifications made by Architecture, Incorporated.

Action: Motion to Approve, Comments, Roll Call

Documents:

[Agr 20-46 Finance Reception Desk Modification Proposal.pdf](#)

6. Adjournment

Action: Motion to Approve, Voice Vote

7. Public Notices

- *September 7, Monday: County offices closed due to the Labor Day holiday.*
- *September 9, Wednesday: "Resilient Communities: Brookings" Zoom meeting. 10:30 AM - 12:00 PM.*
- *September 13-15: SDACC Fall Convention. Ramkota, Sioux Falls.*
- *September 29, Tuesday: County Tour starting at 8:30 a.m. from the Highway Department in Brookings.*

NOTE: Individuals needing assistance, pursuant to the Americans with Disabilities Act, should contact Brookings County (605-696-8205) 48 hours in advance of the meeting to make necessary arrangements. The County of Brookings is responsive to requests for communication aids and the need to provide appropriate access and will provide alternative formats and accessible locations consistent with the Americans with Disabilities Act.

Settlement Agreement and Release

This Settlement Agreement and Release is made this 18th day of August, 2020, between the City of Brookings, South Dakota (“City”) and Brookings County (“County”).

1. *The Litigation.* The City and the County are parties to a pending lawsuit styled *Brookings County v. City of Brookings* involving historic-preservation and the County’s proposed addition to the Brookings County Detention Center (“the Project”). The case was originally filed in Brookings County as an appeal by Brookings County from the City’s action on the County’s application for historic review under SDCL § 1-19A-11.1. The appeal was venued in the Third Judicial Circuit and assigned to the Honorable Kent A. Shelton as Civ. 19-000188. The circuit court issued a memorandum decision deciding the County’s appeal on March 13, 2020, a copy of which is attached as Exhibit A. The circuit court then entered findings of fact and conclusions of law and an order dated April 1, 2020, copies of which are attached as Exhibits B and C. The City filed a timely notice of appeal to the South Dakota Supreme Court, which is pending as Appeal No. 29312. Both parties have filed opening briefs, but the City has not filed its reply brief. The City has also filed an action against the County in Brookings County Civ. 19-248.

2. *Purpose and Limitation.* The City and County are entering into this agreement in the spirit of cooperation between public entities to serve the public and further to end the litigation between the entities related to the Project and to further attempt to alleviate the increased costs of construction given the pending August 21, 2020 deadline for the County to accept bids on the Project. This Settlement Agreement resolves the litigation, but it is specifically agreed by both the City and the County that this agreement does not resolve the issue of whether County must obtain a building permit for construction of its facilities within the City and it further does not resolve which political body is the proper entity to perform the ultimate determination of whether there are no feasible and prudent alternatives under SDCL § 1-19A-11.1 when the County is the party undertaking its own building project.

3. *Agreement.* For good and valuable consideration set forth herein, the parties agree as follows:

a. The City agrees to dismiss its current appeal to the South Dakota Supreme Court in Appeal No. 29312. Further, the City and the County will stipulate upon execution of this Agreement to dismiss the pending action in Brookings Civ. 19-248, with prejudice.

b. The County agrees that dismissal of the City’s appeal to the South Dakota Supreme Court and execution of this Agreement preclude any claim by the County against the City for delay damages or increased construction costs related to the Project as a result of the litigation between the parties or in any other way attributable to the City, and the County agrees not to start or prosecute such a claim, which is hereby released.

c. After the City grants the building permit referenced in subparagraph e, the City will file a motion, including a copy of this Agreement, asking the circuit court to enter an order without further notice or hearing vacating the memorandum decision, findings of fact, conclusions of law, and order identified in paragraph 1 of this Agreement, and then dismissing the County's appeal with prejudice. The County agrees not to oppose the City's motion. If the circuit court does not agree to enter an order consistent with the Stipulation, the parties agree that the Memorandum Opinion, Findings of Fact and Conclusions of Law, and Order referenced respectively in Exhibit A, B, and C will have no binding preclusive effect and will be treated as if they had been vacated and the County's appeal dismissed with prejudice.

d. The County previously submitted drawings for the Project to both the City of Brookings Historic Preservation Commission and the State Historic Preservation office for review. The County agrees that in completing construction of the detention center addition it will not increase the size, scale, massing, or materially change the placement of the building as set forth in those drawings. Any material deviation from the drawings will constitute a breach of this Agreement, which the parties agree may be specifically enforced. The prevailing party in any action to enforce the terms of this paragraph will be entitled to apply for reasonable attorney fees.

e. The parties agree that the County will timely apply for a building permit and submit all the usual and necessary documents for the permit to be granted, and that the City will act on the County's completed application within 30 days and grant a building permit for the Project. The City will not charge the County for the building permit. The City agrees that time is of the essence in the issuance of the building permit due to the County's impending bid deadline. The City's failure to act as outlined in this paragraph will constitute a breach of this Agreement, which the parties agree may be specifically enforced. The prevailing party in any action to enforce the terms of this paragraph will be entitled to apply for reasonable fees.

f. The parties agree, for the purposes of this Project, that no further historic review is required, even though County agrees to request a building permit from City. For purposes of this Project, the parties agree that the obligations of both the City and the County for historic review under SDCL § 1-19A-11.1 and 1-19B-62 have been satisfied.

g. The County previously obtained a variance concerning the setback requirements and the City will extend that variance through the term of the project. City further agrees to allow for the realignment of a portion of Fourth Street consistent with the Project plan documents at the County's sole expense.

h. The parties hereafter intend to work in the spirit of cooperation and in the best interest of the public in entering into this agreement and to further treat each entity in good faith and to both act to foster goodwill for both entities.

Resolution 20-066

A Resolution Withdrawing South Dakota Supreme Court Appeal

Be It Resolved by the City Council of the City of Brookings, South Dakota:

The City of Brookings, in recognition of the potential additional financial costs and delay resulting from continued litigation, hereby withdraws its South Dakota Supreme Court appeal relating to the proposed expansion of the Brookings County Detention Facility and authorizes the City Manager to execute a Settlement Agreement and Release to terminate the litigation. The timing of this agreement to terminate the City's appeal to the South Dakota Supreme Court and execute a Settlement Agreement is intended to allow the County of Brookings to proceed with its favorable bid awards.

Passed and approved this 18th day of August, 2020.

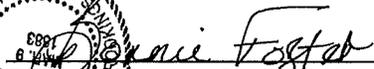

CITY OF BROOKINGS

Keith W. Corbett, Mayor

Re: Brookings County Detention Center Expansion and Remodel GMP

Dear Stacy and the Brookings County Commissioners,

Henry Carlson Construction has developed the GMP for the Brookings County Detention Center Expansion and Remodel based upon the following drawings and specifications:

- Construction drawings and specifications provided by BKV Group dated 05.26.20
- Addendum #1 dated 06.26.20
- Addendum #2 dated 07.2.20

Attached is the GMP summary sheet, GMP alternates, bid summary and the basis of the GMP. We trust the information to be well-organized and clear, as our goal is to ensure there are no scope gaps and/or confusion regarding what specifically is included.

Please feel free to contact us with any questions or comments.

Sincerely,

Dave Derry
Chairman

Mike Ralston

Core Values

Safety

We are dedicated to maintaining a safe work environment for our employees, our subcontractors, our clients and the general public. We want everyone to go home every day.

Integrity

In all our dealings we will be fair, consistent and polite. We will not accept unethical behavior by employees, and we will do what we say we will do.

Teamwork

Our goal is to be part of a project team that through cooperative efforts achieves extraordinary results and provides a path to success for all participants.

Quality

Our goal is to provide a product that meets the design intent and surpasses the expectations of the client.

GENERAL CONTRACTORS

Henry Carlson Construction_{LLC}

AIA[®]

Document A133™ – 2009 Exhibit A

Guaranteed Maximum Price Amendment

for the following PROJECT:

(Name and address or location)

Brookings County Detention Center Expansion and Remodel
315 7th Avenue
Brookings, SD 57006

THE OWNER:

(Name, legal status and address)

Brookings County, SD
520 3rd Street, Suite 210
Brookings, SD 57006

THE CONSTRUCTION MANAGER:

(Name, legal status and address)

Henry Carlson Construction, LLC
1205 West Russell Street
Sioux Falls, SD 57104

ARTICLE A.1

§ A.1.1 Guaranteed Maximum Price

Pursuant to Section 2.2.6 of the Agreement, the Owner and Construction Manager hereby amend the Agreement to establish a Guaranteed Maximum Price. As agreed by the Owner and Construction Manager, the Guaranteed Maximum Price is an amount that the Contract Sum shall not exceed. The Contract Sum consists of the Construction Manager’s Fee plus the Cost of the Work, as that term is defined in Article 6 of this Agreement.

§ A.1.1.1 The Contract Sum is guaranteed by the Construction Manager not to exceed Fifteen Million One Hundred Ninety-Three Thousand Six Hundred Thirty-Four Dollars (\$15,193,634), subject to additions and deductions by Change Order as provided in the Contract Documents.

§ A.1.1.2 Itemized Statement of the Guaranteed Maximum Price. Provided below is an itemized statement of the Guaranteed Maximum Price organized by trade categories, allowances, contingencies, alternates, the Construction Manager’s Fee, and other items that comprise the Guaranteed Maximum Price.
(Provide below or reference an attachment.)

See the Henry Carlson Construction Guaranteed Maximum Price Proposal dated July 21, 2020.

§ A.1.1.3 The Guaranteed Maximum Price is based on the following alternates, if any, which are described in the Contract Documents and are hereby accepted by the Owner:
(State the numbers or other identification of accepted alternates. If the Contract Documents permit the Owner to accept other alternates subsequent to the execution of this Amendment, attach a schedule of such other alternates showing the amount for each and the date when the amount expires.)

ADDITIONS AND DELETIONS:

The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An *Additions and Deletions Report* that notes added information as well as revisions to the standard form text is available from the author and should be reviewed. A vertical line in the left margin of this document indicates where the author has added necessary information and where the author has added to or deleted from the original AIA text.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

AIA Document A201™–2007, General Conditions of the Contract for Construction, is adopted in this document by reference. Do not use with other general conditions unless this document is modified.

See the Henry Carlson Construction Guaranteed Maximum Price Proposal dated July 21, 2020. The GMP includes the Base Bid (\$15,093,303) plus Alternate #1 – Cast Stone Horizontal Bands (\$15,302) and Alternate #2 – Cast-In Lime Stone Veneer (\$85,029).

§ A.1.1.4 Allowances included in the Guaranteed Maximum Price, if any:
(Identify allowance and state exclusions, if any, from the allowance price.)

Item	Price (\$0.00)
Misc. Precast Steel Embeds	\$1,400
Firestopping and Joint Sealants	\$84,000
Hollow Metal Doors, Frames, and Hardware	\$64,805
Interior Building Signage	\$1,316
Laundry Equipment	\$20,955
Window Treatments	\$1,690

§ A.1.1.5 Assumptions, if any, on which the Guaranteed Maximum Price is based:

See the Henry Carlson Construction Guaranteed Maximum Price Proposal dated July 21, 2020.

§ A.1.1.6 The Guaranteed Maximum Price is based upon the following Supplementary and other Conditions of the Contract:

Document	Title	Date	Pages
N/A			

§ A.1.1.7 The Guaranteed Maximum Price is based upon the following Specifications:
(Either list the Specifications here, or refer to an exhibit attached to this Agreement.)

See the Henry Carlson Construction Guaranteed Maximum Price Proposal dated July 21, 2020.

Section	Title	Date	Pages

§ A.1.1.8 The Guaranteed Maximum Price is based upon the following Drawings:
(Either list the Drawings here, or refer to an exhibit attached to this Agreement.)

See the Henry Carlson Construction Guaranteed Maximum Price Proposal dated July 21, 2020.

Number	Title	Date

§ A.1.1.9 The Guaranteed Maximum Price is based upon the following other documents and information:
(List any other documents or information here, or refer to an exhibit attached to this Agreement.)

N/A

ARTICLE A.2

§ A.2.1 The anticipated date of Substantial Completion established by this Amendment:

06/13/22

OWNER (Signature)

CONSTRUCTION MANAGER (Signature)

Mike Bartley, Commission Chairperson
(Printed name and title)

Dave Derry, Chairman
(Printed name and title)

Additions and Deletions Report for AIA® Document A133™ – 2009 Exhibit A

This Additions and Deletions Report, as defined on page 1 of the associated document, reproduces below all text the author has added to the standard form AIA document in order to complete it, as well as any text the author may have added to or deleted from the original AIA text. Added text is shown underlined. Deleted text is indicated with a horizontal line through the original AIA text.

Note: This Additions and Deletions Report is provided for information purposes only and is not incorporated into or constitute any part of the associated AIA document. This Additions and Deletions Report and its associated document were generated simultaneously by AIA software at 11:42:22 CT on 08/19/2020.

Re: Brookings County Reception Desk Modifications Proposal

Dear Mrs. Steffensen

Thank you for the opportunity to provide this proposal for interior design services for the existing reception desks within the Brookings City & County Government Center. We understand the project consists of interviewing project stakeholders and generating conceptual options for modifications to the existing reception desk in the Finance Office that will provide additional safety to patrons and staff. We will provide contract documents and limited construction administration. It is our understanding that the County will work directly with Clark Drew Construction. The design and construction work is to be completed in the fiscal year of 2020.

TEAM

Architecture Incorporated will provide the architecture / interior design services for the project. Your team will include Principle Architect and Vice President, Andrew Eitrem and myself, Certified Commercial Interior Designer, Dallas Willman. Additionally, if other expertise is required our experienced team at Architecture Incorporated will be utilized.

Owners stakeholders include Stacy Steffensen and Commissioner Boersma.

We have not included any engineering or other consultants at this time. If it is determined that we need additional consultants we will provide an adjusted proposal at that time.

SCOPE

Professional Design Services include taking the project from Schematic Design through Design Development, Construction Documents and Specifications, and Construction Administration Phases of the project.

The scope of our services include:

1. We will prepare 2 - 3 design options with material options for the one office space including concepts for repairing damaged portions of existing reception desks. Will meet you to review those options.
2. We will revise the options per Owner feedback.
3. We will provide you with material comparison costs for the divider screens.
4. We will prepare final deliverables for the selected option in the Financial office, including;
 - a. Construction Drawings including
 - i. Floor Plan (s)
 - ii. Interior Elevations
 - iii. Section details

- iv. Specifications of materials and products
5. We will provide construction administration during the construction including reviewing submittals and shop drawings, attending on-site construction meetings and preparing a Substantial Completion review.

Our services do not include:

1. Detailed review of existing Mechanical / Electrical systems.
2. Detailed structural review of existing facility.
3. 3D renderings or visuals to aid conceptual development.

SCHEDULE & MEETINGS

We believe that the interior design services, including the scope described above, would take approximately 3-6 weeks for Schematic Design through Construction Documents. These approximated timelines are contingent on all stakeholders' schedules and commitment to design decisions. We anticipate this effort to require:

- one design meeting to review design options
- one to two on-site design meetings / conversations for modifications
- one on-site meeting for Substantial Completion review

FEES

We propose an hourly "not to exceed" of \$6,500 for the professional services described above. Reimbursable expenses will be billed at cost and are in addition to above. Reimbursable expenses include applicable sales tax, printing, and postage. Mileage is not a reimbursable expense and is included in the above fee.

We thank you for the opportunity to work with you on this project. If you have any questions, please feel free to contact Andrew Eitreim or myself.

Sincerely,

Dallas M. Willman, NCIDQ

Andrew D. Eitreim, AIA
