February 23, 2021

Dennis DeBoer called the Zoning Office at 2:43 PM regarding 2021var002, stating "He has no objections to the side yard variance, but does not want the garage addition to be closer to the road as it would obstruct the vision looking up or down the road. He would like it to be at the proposed garage addition to be the same length as the existing garage.

Richard Haugen  
Deputy Director  
Brookings County  
Development Office.
