Subject: 4-H move to OAC

To: Brookings County Commission

I endorse the move OAC 100%. It is an benchmark in the life of the Brookings County 4-H. If we can remain to have the Achievement Days and Winter Stock Show at SWIFTEL it is a win-win for all. Plus with the Shooting Sports activities that keep growing and with the combined energy from the Rural & City Youth --How GREAT that is!

I was glad to hear that the land issue was also resolved--Thanks for that great effort!!!

One idea for having a temporary "Office" location for Achievement Days would be to ask one of the local contractors if they would have a Mobile Office available that they could donate for a few days.

Thank you again Commissioners for all your efforts.

Respectfully submitted;

Phil Wagner
Charter Member of the former
Campanile Northerners 4-H
