Brookings County Commission  
520 3rd Street  
Brookings, SD 57006

As the holiday season approaches we are looking for some assistance with our efforts to help 26 area families through the "Christmas, Kids and Cops" program. Fourteen of the kids selected will be from the Brookings School District and then there will be four each from the Volga, Deubrook and Elkton School systems.

We are looking for a monetary donation towards the purchase of gifts and a food box for each of the 26 families we will be working with. The Wal-Mart Corporation provides \$1000.00 towards the purchase of items selected by the students for their families. Last year we were also able to provide each family with a food box which was greatly appreciated by everyone involved. The amount needed to purchase each food box is approximately \$110.00 and provides all of the items needed for a Christmas dinner. Donations in any monetary amount would be appreciated for the costs associated with this program.

The Wal-Mart Corporation sponsors this annual event at Christmas time and it is always a memorable event for everyone involved. Your assistance in this effort will make the holiday season a little brighter for the 26 families involved. By giving of yourself, we are hopeful you will experience the happiness that we do from being able to be involved in this program.

We are grateful for your assistance in this effort last year and hope that you can do the same this holiday season. If you are interested in making a monetary donation, please contact any of the contacts listed below or contact Sandy McClemans at the SD Department of Labor & Regulation, 605-688-4360. Sandy helps to coordinate the food shopping and monetary needs for the project.

In gratitude and appreciation
