**Re: Noxious Weed Control, 2019**

Dear Ms. Moser:

It is time again to plan for noxious weed control during the upcoming growing season. With the success of this program in the past, it is hoped that you will be able to continue the control of weeds within the state highway right-of way.

Enclosed is a contract for the "2019" weed spraying. Please fill out and return the contract in its entirety to this office. **Like last year, we need to have form DOT-967 completed and signed. It is required that a copy of the County Commission minutes or resolution authorizing the execution of the agreement be attached as Exhibit D. Also form Dot-967 needs to be signed by the County Commission Chairperson and have the signature notarized.**

We appreciate your county for doing weed spraying for the Department of Transportation and thank you for a job well done.

Sincerely,

**DEPARTMENT OF TRANSPORTATION**
