Lawrence Wipf called the office and noted he was from Rolland Colony and wanted to express concerns regarding requests 2020cu001 & 2020cu002.

He voiced concerns and solution:

1) If 480th Ave was the allowed haul route it would have long term effects on the colony and those living in the area for a very long time.

2) Opposed to the way the applicant wants to distribute the gravel – the route and the 80/20 usage.

3) The usage of the road would be a burden to the township for maintenance.

4) The applicant could build his own private road to the east onto 482nd Avenue to a county road and avoid the safety concerns and hazards to those that live near 480th Avenue and provide a safe route that both loaded and unloaded trucks could use.

He stated, “We are not against the pit, we are against the route that the applicant plans to use.
