Lawrence Wipf of Rolland Colony called the office to note he still had concern with the haul route that Mr. Davis is proposing for the applications 2020cu001 & 2020cu002. He is also concerned with trucks traveling south and not just North. Mr. Wipf would prefer that Mr. Davis build his own road across land that he owns that would head East to County Road 27 (482nd Avenue).
