RE: Late Elderly Tax Freeze Applications

I am bringing 1 late Elderly Tax Freeze application for your approval at the Jan 18 Commission meeting. This application is for the 2021 pay in 2022 Real Estate Property taxes. The April 1, 2021 deadline was missed, but they have the right to petition the County commission if they meet the qualifications of the freeze. This will recalculate the taxes based on the value they would have received under the program had they applied on time.

I recommend approval of this application.
