

Application for Assistance with Culvert Projects

The initial deadline for applications will be on May 31, 2019 at 5:00 p.m. One application per project should be submitted. Funding will be granted as available, and subject to approval by the County Commission.

Applicant/Entity: Eureka Township Contact Person: Colin Pierce

Address: 46749 199th st City: Bruce State: SD Zip: 57220

Telephone: 605-520-3012 Email: cleoranch@gmail.com Date Submitted: July 28 2022

Describe Location of Project: Approx. 1/2 mile west of the intersection of 470 and 200th street

Reason for request/describe issue: To replace box culvert that is not long enough and two other culvers, and road side is eroding from waterflow. Road is also narrow and causes a hazard when traffic meets.

Safety/emergency implications: Culvert is not long enough for roadway width and waterflow is eroding the sides of the road. This is a main access point to a dairy in the township and a main artery for township. If road erodes far enough it will cause a safety hazard and possible accidents.

Solution for problem: Replace concrete box culvert with 2 metal culverts along with replacing 2 old metal culverts with new ones

Number of County Residents affected: See note sheet Estimated Completion Date: Fall 2022

One-time Problem Re-occurring Problem

If re-occurring, state future solution for the problem: Replacement of culvert will stop it from occurring again

Will the culvert be replaced with a like-size culvert: Yes No If no: additional permitting may be required?

Total Project Cost: \$37,716.70 County Assistance Requested: _____ Local Match: . This culvert is over 16 SF and will meet the requirements for cost sharing.

Bid Proposal/Estimate must be attached to this application
