

Thank You

Commissioners,

On behalf of the Brookings County Employee Committee, I just want to say THANK YOU for the \$10 gift cards you've so graciously given us! They've been a lot of fun to give out for events and activities like dress-up days and newsletter challenges. We're brainstorming how we can use them in the future and have some good ideas. We've already seen an increase in participation thanks to them. Thank you again for your generosity!

Michelle Delaney, President
