Lynn Pester, 48052 US Hwy 14, White, SD 57276 called the office to note opposition/concerns to the Tom Davis applications – 2020cu001 & 2020cu002. She stated she lives at on US Highway 14, east of 480th Ave.

She noted concerns of : 1) 480th Ave is a township road - not wide enough for two semi to meet on the road; 2) Residence along 480th Ave and people use it to walk and children playing in yards; 3) Up keep to the township roads, who is going to pay for it?; 4) Who is going to monitor the 20% of the semi traffic?; 5) He should have his own private entrance and exit to the gravel pit and not use township roads; 6) Who will pay for the maintenance of the gravel roads; 7) Dust control – the chemical is harmful to crops, people and animals; 8) They need to block the gravel road so trucks cannot go south from the gravel pit.
