2020plat013 – June 2, 2020

Prepared by Richard Haugen

Applicant/Owner: Lawrence and Pat Jensen, 47927 213th St, Aurora, SD 57002

Legal Description: "Plat of Block 1, Jensen Addition in the NE1/4 of the NW1/4 of Section 32, T110N, R48W, of the 5th P.M., Brookings County, South Dakota."

2020plat013: Lawrence and Pat Jensen are platting off 4.3 acres that contain a residence and building site from the 40.0 acres they own. The residence was built in 2014. They will use the existing driveway located on 213th Street for access to the property. The building site needs to be excluded from the 40 acres, with a separate legal description for financial purposes. Their son is purchasing the balance 35.7 acres, along with the additional 120 acres of farmland in the quarter, to continue the family farming operation. Included in this report is a letter from the financial institution, with what is required. This plat request is quite different from other building site subdivisions in the past, where the smaller parcel is required for financing of that small parcel, in this case, the subdivision is required for the financing of the large parcel of farm ground, without the 4.3 acre building site. The current owner's will continue to live in the building site and help with the farming operation.

The plat meets the platting requirements for the 2016 Comprehensive Plan-Unincorporated Rural Area Land Use statement on page 24 for Agricultural Land Use.
