

Intention of Commitment

(This form is to convey to the Brookings County Weed & Pest Board the desire or lack of desire by a township to participate in a Gopher Bounty Program in 2023.)

The Board Members in _____ Township

_____ We would like to discuss this further with the Weed & Pest Department.

_____ ***Do wish***

_____ ***Do not wish***

to participate in a Bounty Program in 2023.

It is our understanding that Brookings County would pay \$ 0.50 per gopher,

the townships would each contribute \$0.50,

Sioux Valley Energy would add \$0.50,

And ITC of Clear Lake would pay \$ 0.50.

We understand the township supervisor or someone acting on his/her behalf would have the duty of paying the trapper \$2.00 per pocket gopher trapped in the township. He/She would then report to the Brookings County Weed & Pest Supervisor the number of pocket gophers trapped in their township for reimbursement purposes.

Signed,

Township Chairperson
