In making this request, I, _____, recognize the requirement of South Dakota law for the control of noxious weeds. I agree that in lieu of the Brookings County Weed Board maintaining control, I will assume full responsibility for accomplishing noxious weed control in this right-of-way. Should I fail to control existing or new noxious weeds to the satisfaction of the Brookings County Weed Board, I acknowledge that this agreement becomes null and void.

This agreement is in effect for one year or until terminated by written notice by either party during that one-year period. This agreement must be renewed annually, or it must be renewed sooner in the event of any land ownership/operator change.

I understand the above terms and conditions of this request.
