RESOLUTON

A resolution approving jurisdictional change of a part of 214th St.

Subject: Brookings County takeover of 214th Street from 34th Avenue to 474th Avenue. From the intersection of 214th St. and 474th Avenue, to the Aurora city limits, is currently under the jurisdiction of Aurora Township.

Whereas: Following the opening of I-29 Exit 130 there has been a significant increase in complaints regarding 214th St. between the interstate and the town of Aurora. Concerns include excessive washboarding, lack of timely snow removal, and narrow road width. The new exit and signage have apparently caused a significant increase in traffic that is not typical of township roads in Trenton. Residents and new users' expectations are this road would meet the standards of a county road, not a township road. The Township of Trenton cannot adequately maintain the current road due to increased use of motorists, including freight.

Therefore, Be It Resolved, that the Township of Trenton requests Brookings County to take over all jurisdiction on 214th St. starting at 34th Avenue to the intersection of 474th Avenue that is currently under the jurisdiction of Trenton Township.
